

Town of Kennebunkport

Annual Report 2015

Ganny's Garden

**TOWN OF KENNEBUNKPORT, MAINE
GENERAL INFORMATION**

“Located sixteen miles east-southeast of Alfred, twenty-five miles from Portland. Formerly known as Arundel. Visited during the summer as early as 1602 by fishermen. First permanent settlement made by Richard Vines in 1629. Brought under the control of Massachusetts and incorporated in 1653. Placed under the jurisdiction of Saco for a short time in 1688. Re-incorporated under the name of Arundel in 1717. Name changed February 19, 1821.”

TOWN REPORT DEDICATION

In Appreciation of

President George Herbert Walker Bush

Poppy, as he is affectionately called by his family (or 41 by most of us in Kennebunkport), has regularly summered here since the mid-1920s at the home of his Grandfather Walker at Walker's Point. He and his wife Barbara purchased the home in 1977. His valiant service in WW II as a carrier pilot, success in the oil business, service as a congressman, and the other appointments he held in government are well known. Vice President for eight years and four years as President certainly reflect greatly on his selfless commitment of service to others and his country. Nevertheless, the focus of this dedication begins by recognizing his extensive involvement in our town since 1992.

Kennebunkport has benefited in many ways by the generous contributions he has made since his "retirement" as President. Warm and friendly, both Poppy and Barbara have made many lifelong friendships with residents, merchants, school kids, clergy, charities, and visitors coming to Kennebunkport. Many visitors come here just to see where he lives and to take pictures of his home. They shop, eat, and stay to enjoy the unique charm that attracts so many to our town. On Memorial Day, he and Barbara join in the commemorative activities in Dock Square, and he has been known to say a few words to everyone gathered for the occasion. Until recently, he walked regularly throughout his neighborhood along Ocean Avenue greeting others also out for a walk.

For many years Poppy has been seen regularly on the water in his high speed boats, most recently the Fidelity IV, going from one promising fishing location to another looking for blues, one of his favorite fish. Racing across the water he will have the Secret Service attempting to keep up in their specially equipped “Zodiac” boats. They all slow down as they enter the Kennebunk River where he slowly cruises up and down waving to the friendly crowds in the restaurants along the shoreline. Major events like his most recent parachute jump on his 90th birthday brought out his entire family, numerous TV reporters, members of the US Army Golden Knights parachute team, and thousands of spectators to watch him jump and land in the parking lot at Saint Ann’s Episcopal Church.

The warmth and unique hospitality he and Barbara are known for at Walker’s Point attract famous people from all over the world. Many guests have included country and western artists, Hollywood figures, international political figures, heads of state, and former presidents of the United States. All of the events are extensively covered by national and world press agencies with scenes of Kennebunkport as part of the report. When we travel out of this area and say we are from Kennebunkport, the inevitable reply is, “Oh sure that’s where President Bush lives. It’s a lovely place.” Being so favorably known worldwide is a significant benefit for our town.

Poppy frequently refers to his Kennebunkport home as his “anchor to the windward.” It is where he learned to walk and played as a child. He proposed marriage to Barbara, and raised his children, grandchildren and great-grandchildren. A place he always returns to in good times and in bad. He is one of our most precious assets, and we are very grateful to have him as our neighbor.

Submitted by Patrick A. Briggs, Selectman

TOWN REPORT DEDICATION

In Appreciation of

Carol Cook

Carol Cook has been Director of Parks and Recreation in Kennebunkport since 1981, back when the department consisted of only one person, Carol. At that time, with the help of volunteers, she offered a diverse recreation program for the community and has continued to expand her programs and participation over the years, presently with a department of three. Her afterschool program is one of the first of its kind in Maine.

It must be pointed out that Carol's job does not involve all fun and games. She has overseen many projects over the years such as the construction of the ice skating rink and warming hut at The Park at Crow Hill, construction of Rotary Park at Beachwood, Parsons Field renovations, and most recently the renovation of Silas Perkins Park, besides the usual resurfacing tennis and basketball courts, reseeding Parsons Field, and expanding parking lots.

Carol entered the field of recreation as a student at the University of Maine at Presque Isle and has dedicated the past 35 years to her profession and community. She continues to increase her professional development through attendance at conferences and her involvement in the Maine Recreation Parks Association (MPRA). At one time she served as secretary of the MRPA, and was elected president in 1988. She was also a member of the certification, scholarship, and membership committees.

Carol is reserved and unpretentious, and would never let on about her numerous accomplishments such as, for example, the 1987 MRPA Professional Award. Their description of her is spot on, a “quiet but effective force in shaping the direction of park development both locally and statewide.” In 1995, Beachwood Park was cited by the MRPA for Outstanding Facility Development. She also received Volunteer of the Year from York County Child Abuse and Neglect Council, and a 2012 Recreation Department of the Year award by the Maine Tennis Association, just to name a few. This year, she was recognized by the *York Coast Star* as one of the movers and shakers.

Through Carol’s leadership and help from staff and volunteers, Kennebunkport has nice park facilities and excellent recreation programs. The parks and recreation department provides a valuable service for every adult and child in our community by providing programs which increase social interaction and self-esteem, reduce stress, and improve physical and emotional health, all of which advance the quality of life for our residents.

TOWN REPORT DEDICATION

In Appreciation of

Allan Moir

If asked to give one word that describes Allan Moir besides the usual dependable, ambitious, and talented, that word is ubiquitous. That's because during his career which expands over 35 years, he has done just about everything for the Town in his roles as the fire chief, sewer superintendent, reserve policeman, certified scuba diver in emergencies, and Hazmat specialist. He is everywhere!

Allan began his employment with the Town in 1981 as wastewater superintendent. In 1987, he received special recognition from the State of Maine DEP Bureau's Division of Operation and Maintenance for his ingenuity and efforts to reduce the odor problems at the Kennebunkport treatment facility. In 1990, his facility was also selected as one of the two Region I winners of the 1990 Sewage Sludge Use Award. According to the US EPA, this award recognizes staff of municipal wastewater treatment plants for "their outstanding management of a sludge management project that provides for the beneficial use of sludge while protecting environmental quality and public health."

Allan was also instrumental in the completion of important projects over the years such as the expansions of the sewer treatment plant facility and the Goose Rocks sewer collection lines; the construction of a biosolids storage facility along with the year round chlorination and dechlorination of the treated effluent being discharged into the Kennebunk River; and upgrades at the Green Street and Chicks Creek pump stations.

Another noted accomplishment that will surprise many is that Allan was chosen to travel to Russia in September of 1991 as part of the Citizen Ambassador Program to explain municipal wastewater treatment in the US.

In May 2010, Allan was appointed Fire Chief and somehow manages to run both the fire and wastewater departments. With all of his knowledge, training, and experience, he is one of the Town's safety nets. The Town can feel safe and secure knowing he is in on the job.

TOWN OF KENNEBUNKPORT

TOWN WARRANT ANNUAL TOWN MEETING June 14 and 18, 2016

State of Maine

County of York, SS

To: April Dufoe, a resident of the Town of Kennebunkport, in the County of York, State of Maine.

GREETINGS:

You are hereby required in the name of the State of Maine to notify and warn the voters of the Town of Kennebunkport in said County of the Town Meeting described in this warrant.

To the voters of Kennebunkport: You are hereby notified that the Annual Town Meeting of this municipality will be held at the Village Fire Station, 32 North Street in said Town on Tuesday, the fourteenth day of June A.D. 2016, at 8:00 o'clock in the forenoon for the purpose of acting on Articles numbered one (1) and one a (1a) as set out below. The polls for voting on Articles 1 and 1a shall be opened immediately after the election of the Moderator at 8:00 a.m. on June 14, 2016, and shall close at 8:00 p.m. While the polls are open, the Registrar of Voters will hold office hours to accept the registration of any person eligible to vote, to accept new enrollments, and to make any necessary corrections or changes to any names or addresses on the voting list. The continuation of said meeting will be held at the Village Fire Station, 32 North Street in said Town on Saturday, the eighteenth day of June A.D. 2016, at 9:00 o'clock in the forenoon for the purpose of acting on Articles numbered 2 through 46 as set out below.

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 1a. To elect under the provisions of Title 30-A, M.R.S.A. Section 2528, the following Town Officers: two Selectmen, Assessors, and Overseers of the Poor, each for a term of three years and one Director of R.S.U. #21, for a term of three years.

Article 2: To see if the Town will vote to authorize the Town Treasurer, with the advice and approval of the Municipal Officers on behalf of the Town to sell and dispose of Real Estate acquired by the Town for nonpayment of taxes thereon, and to execute quitclaim deeds on such terms as they deem advisable, and to authorize the Treasurer to discharge unmaturred liens on payment of taxes, interest and costs.

Selectmen recommend adoption of this article – Voted 5-0.

Article 3: To see if the Town will vote to authorize the Town Treasurer, with the advice and approval of the Municipal Officers on behalf of the Town, to waive the foreclosure of any tax lien mortgage by recording a waiver of foreclosure in the York County Registry of Deeds for any real estate title to which they deem not in the best financial interest of the Town to hold, said authorization to waive not to prevent the Town Treasurer, with the advice and approval of the Municipal Officers, from later foreclosing on said tax lien pursuant to law, as they deem advisable.

Selectmen recommend adoption of this article – Voted 5-0.

Article 4: To see if the Town will vote to make all real and personal property taxes due and payable upon presentment of bills and to charge seven percent (7.00%) per annum on the first half if unpaid after September 12, 2016 (or 45 days after the date of commitment if commitment is after July 28, 2016) and on the second half if unpaid after March 10, 2017.

Selectmen recommend adoption of this article – Voted 5-0.

Article 5: To see if the Town will vote to set the interest rate to be paid by the town on abated taxes at five percent (5.00%) for the fiscal year 2017.

Selectmen recommend adoption of this article – Voted 5-0.

Article 6: To see if the Town will vote to authorize the Selectmen to accept easement deeds on behalf of the Town granting the Town the right to plant and maintain certain trees on private property located within the Town.

Selectmen recommend adoption of this article – Voted 5-0.

Article 7: To see if the Town will vote to authorize the Tax Collector or Treasurer to accept prepayments of taxes not yet committed pursuant to 36 M.R.S.A. § 506.

Selectmen recommend adoption of this article – Voted 5-0.

Article 8: To see if the Town will vote to authorize the Selectmen to accept unconditional and conditional gifts of money or property on behalf of the Town, other than gifts of sewer extensions, subject to ratification by the Town at an annual or special town meeting held within one year of the Selectmen's acceptance, except that such ratification shall not be required for a donation of money to the Town to supplement a specific appropriation already made, to reduce the tax assessment, or to reduce the permanent debt.

Selectmen recommend adoption of this article – Voted 5-0.

Article 9: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2016, for the Community Development account, such unencumbered surplus fund balance to be estimated at \$10,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2016.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 8-0.

Article 10: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2016, for the Legal Fees account, such unencumbered surplus fund balance to be estimated at \$50,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2016.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 8-0.

Article 11: To see what sum the Town will vote to raise and appropriate for the Administration and Community Development account.

Amount requested: \$926,281

Selectmen recommend the amount requested – Voted 5-0.

Budget Board recommends the amount requested – Voted 12-0.

Article 42: Do you favor authorizing the Board of Selectmen to undertake a wastewater treatment plant and collection system upgrade project and to finance the project with a loan from the Maine Municipal Bond Bank’s Clean Water Revolving Renovation Fund program in a principal amount not to exceed \$2,040,000, of which \$40,000 shall be forgiven, which loan shall be evidenced by a general obligation bond issued in the name of the Town of Kennebunkport in a principal amount not to exceed \$2,000,000 at an estimated interest rate of 1.0%, which bond may be made callable?

Selectmen recommend the adoption of this article – Voted 5-0.

Budget Board recommends the adoption of this article – Voted 8-0.

TOWN OF KENNEBUNKPORT FINANCIAL STATEMENT

1. Total Town Indebtedness

Bond Principal Outstanding and Unpaid	\$ 795,786
Bond Principal Authorized but Unissued	\$ 400,000
Bond Principal to be Issued if this Article is Approved	\$ 2,000,000
Total:	\$ 3,195,786

2. Estimated Costs of Proposed Bonds

The loan principal of \$2,040,000 includes \$40,000 of principal that will be forgiven and bond issue of \$2,000,000 that will be repaid.

At an estimated interest rate of 1.00 percent (1.0%), for a 20-year term, the estimated costs of this bond issue will be:

Principal	\$2,000,000.00
Interest & Fees	\$ 325,752.64
Total Principal & Interest to be Paid at Maturity	\$2,325,752.64

3. Validity

The validity of the bonds and of the voters’ ratification of the bonds may not be affected by any errors in the above Estimated Costs of Proposed Bonds. If the actual amount of the total debt service for the bond issue varies from the estimate, the ratification by the electors is nevertheless conclusive and the validity of the bond issue is not affected by reason of the variance.

Jennifer L. Lord, Treasurer
Town of Kennebunkport

Article 43: To see if the Town will vote to authorize the Selectmen to convey for no consideration by municipal quitclaim deed its interest in a 0.05-acre parcel of land, located between Guinea Road and Beacon Avenue and identified on the Town's tax maps as Map/Block/Lot 027-002-018, back to the previous owner Thomas V. and Helen B. Knox, which parcel had previously been donated to and accepted by the Selectmen as a gift from Thomas V. and Helen B. Knox in 2015.

Selectmen recommend adoption of the article – Voted 5-0.

Article 44: To see if the Town will vote to appropriate the sum of \$2,247,913 from estimated non-property tax revenues to reduce the property tax commitment, together with all categories of funds, which may be available from the federal government, and to also use \$275,000 from undesignated fund balance to reduce the property tax commitment.

Selectmen recommend adoption of the article – Voted 5-0.

Budget Board recommends adoption of the article – Voted 8-0.

Article 45: Shall the Town vote to authorize the Selectmen to apply for, accept and expend from the following categories of funds as provided by the State of Maine: Municipal Revenue Sharing, Educational Certification Block Grant, Educational Tax Relief Grant, Public Library State Aid, Urban Rural Road Initiative Program, Civil Emergency Funds, Snowmobile Registration Funds, Tree Growth Reimbursement, General Assistance Reimbursement, Veterans Exemption Reimbursement, Department of Economic & Community Development Grant Program, Maine Emergency Management Agency, Homestead Exemption Reimbursement, and all other state and federal grants and funds including, when necessary, the authority to sign grant contracts, documents or other paperwork?

Selectmen recommend adoption of the article – Voted 5-0.

Budget Board recommends adoption of the article – Voted 8-0.

Article 46: To see if the Town will vote to authorize the Selectmen to carry forward unencumbered surplus fund balances on June 30, 2016, for the purposes originally appropriated and to the extent they deem advisable, such determination to be made at a properly noticed meeting of the Board of Selectmen.

Selectmen recommend adoption of the article – Voted 5-0.

Budget Board recommends adoption of the article – Voted 8-0.

HEREOF FAIL NOT TO MAKE DUE SERVICE of this Warrant and a return of your doing thereon, at a time and place of said meeting.

GIVEN UNDER OUR HANDS this 14th day of April, 2016, Kennebunkport, Maine.

Edward W. Hutchins, II

Stuart E. Barwise

Allen A. Daggett

Sheila W. Matthews-Bull

Patrick A. Briggs

A majority of the Selectmen of the Town of Kennebunkport, Maine

A true copy of the warrant attest:

April Dufoe, Town Clerk

INTRODUCTION TO THE FISCAL YEAR 2017 BUDGET

The fiscal year 2017 budget proposal maintains the level of municipal services across most departments, continues our succession planning as we experience employee retirements, and increases the level of service to meet the current need in Planning/Codes and Public Services. The operating budget of \$6.63 million increased by \$119,923, or 1.84%. The majority of this increase is due to salary and benefit increases.

The Capital Outlay budget is up approximately \$90,100 or 6.74% due to the increased cost of capital and the need to finish ongoing construction projects at the Police Department and Government Wharf. Although there are other capital building needs identified at Town Hall and Parks and Recreation, we are endeavoring to funnel needed funds in fiscal year 2017 to ongoing projects and will delay reserves for other projects for future years.

Nonproperty tax revenues are experiencing a 2.73% increase or \$67,093. The major reasons for the increase are due to climbing excise tax revenue (\$30,000), planning permit fee growth (\$44,263), recreation fees (\$25,000), and a one-time transfer from the Dock Square Parking Lot (\$77,500) to offset the purchase of a replacement sweeper along with a new overlook on the Mat Lanigan Bridge project (scheduled for 2017). The largest decrease in revenue is related to a larger DOT matching grant in fiscal year 2016, which results in a –(\$96,950) reduction in fiscal year 2017.

Last year, the Board of Selectmen adopted a fund balance policy that maintains an unassigned fund balance in the general fund at a minimum of two months of general fund expenditures (or 18%) measured on a GAAP (Generally Accepted Accounting Principles) basis. Any unassigned funds in excess of the 18% target balance will be transferred to capital reserve accounts for projects identified in the Capital Improvement Plan. The amount transferred at the end of fiscal year 2015 was \$686,893. These funds will be used for future capital improvement projects, and the Board of Selectmen may choose to set aside some of these funds in a credit reserve account to offset some of the inevitable tax increases from future education budgets. I have not included a transfer of any of these funds into the general fund budget to offset capital projects at this time.

Another change in the budget is a recommended reduction in the use of the undesignated fund balance to offset the tax rate. For several years, the Town has used \$300,000 each year to offset the tax commitment. Under the new policy, the unassigned fund balance is approximately \$2.8 million. A \$300,000 deduction each year represents almost 11%. The Town's budget has become more exact each year as a slow economy reduced revenues and required belt tightening on expenditures. In order to continue to count on a \$300,000 contribution, town staff must start saving \$300,000 on July 1, in order to be able to contribute to the succeeding year budget. A fund balance contribution towards the budget is deemed "normal" in most circumstances; however, I recommend that the Town reduce its reliance on the fund balance to a \$200,000 contribution or lower. My proposed budget reduces the

contribution by \$25,000, and I encourage the Town to continue this trend until we meet that goal.

On the operating side of the budget, there are several noteworthy items:

- Succession planning continues in the fiscal year 2017 budget. The Town is seeing a transition in employees as they begin to phase into retirement. This trend will continue over the next few years. The Administration budget includes an additional two months of wages and benefits for the transition of a new Assistant Treasurer in 2017. The Public Health department includes an additional month of wages and benefits for the new Public Health nurse who will begin in May/June as the Director retires.
- The Planning and Development budget includes the addition of 8 hours weekly for the Assessing Assistant and 16 hours weekly for a part-time building inspector. A few years ago, the department lost a half-time position due to the decrease in building activity associated with the downturn in the economy. Over the past 5 years, we have seen a dramatic growth in permits, planning applications, and inspections. The result has been a large growth in fees of \$95,013 or 72%. With the growth in inspections and the reduction in staff hours, citizens must often wait a month or more for necessary permits, and it has caused a backlog on inspections. The Town's Assessor's Assistant has developed her technical skills and knowledge over the past few years resulting in the attainment of her CMA (certified Maine assessor) certificate. The proposed budget allows for the decrease in hours for the contracted assessor, while increasing the hours for our in-house staff allowing for a smooth transfer in responsibilities and duties over the next few years.
- Contractual services for IT (information technology) has increased across all departments, most significantly in administration. In 2015, the Town selected a new IT consultant through an RFP process. The Town now purchases a bank of hours for troubleshooting, hardware and software management, and network administration. We are also budgeting across all departments for proper firewalls, antivirus, and Microsoft subscriptions.
- The Capital Outlay budget has increased in comparison to fiscal year 2016. Approximately half of the request is planned on road and sidewalk improvements. Other projects include:
 - \$85,000 is budgeted in Community Development to supply the necessary cameras, recording, and streaming equipment to create a public meeting audio visual closet in the public safety addition as well as upgrading the equipment at the Village Fire Station meeting room.
 - \$50,000 is budgeted in Communications to finish the public safety addition at the Police Station. The funds will purchase the necessary furniture and accessories to outfit the meeting space for 50 people.

Additionally, the funds will purchase security cameras on the front of the addition in order to monitor the driveway of the Police Station.

- Fire will be requesting \$30,000 to \$35,000 over the next three years for the replacement of our 1974 and 1980 brush trucks.
- Recreation's capital reserve account has increased to \$30,000 in fiscal year 2017 to replace playground equipment and begin to reserve funds to replace the Parks and Recreation modular unit which is over 30 years old.

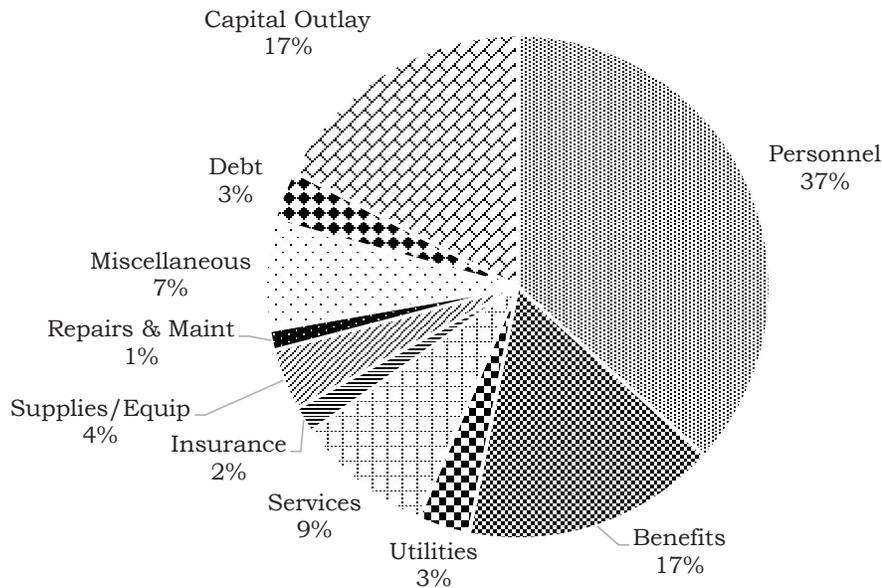

As a result, the municipal portion of the tax rate, after accounting for nonproperty tax revenues is projected to increase 2.11%, resulting in a 6-cent increase to the municipal tax rate.

**FISCAL YEAR 2017 BUDGET
ANALYSIS OF EXPENDITURES**

Capital Outlay	\$ 1,426,600	\$ 1,336,500	\$ 90,100	6.7%
Total:	\$ 8,054,126	\$ 7,843,573		

FY 17 Budget

Personnel: Salaries include any contractual increases for longevity or cost of living adjustment. In fiscal year 2016, salary adjustments were budgeted in contingency as

union contracts were under negotiation. This is why salary expense lines show a larger than average increase in fiscal year 2017, in comparison to fiscal year 2016.

Personnel also contains additional hours for Planning and Codes staff in order to manage the increased building activity we have experienced over the past few years. A few years ago, the department was restructured and lost a half-time position. At the time, the nation was experiencing an economic slowdown, which resulted in fewer building and planning projects. With the return of a robust economy, we are seeing growth in housing starts, commercial activity, and planning reviews. This has resulted in at least a month wait for most permits. I have proposed adding 16 hours per week for a part-time building inspector, which I believe will eliminate the backlog. I have also proposed adding 8 hours per week to the Assessor's Assistant position. Becky has obtained her Certified Maine Assessors designation and continues to take on more duties so that the department can decrease the expense for contracted assessing.

Within the personnel contingency line there is an additional \$20,000 budgeted in order to fund the payment of accrued vacation and sick time to employees who retire. This amount is the same funding level as in fiscal year 2016 and 15. We are fortunate to have employees with long service records; however, the Town needs to prepare for the costs of accrued time as the workforce gets closer to retirement. Personnel lines also include the costs of succession planning in a few departments, most notably Public Health and Finance. As long-term employees approach their retirement date, we have begun the necessary succession planning to ensure stable transition within departments.

Benefits: The Town instituted substantive changes in its health insurance plan by shifting from a point-of-service plan, to a plan that includes a health reimbursement account and by increasing the employee's share of the premium cost. By establishing this new plan, the Town has been able to greatly reduce the projected increases in benefits by stabilizing these costs. With that said, health insurance costs continue to increase. We have projected a potential 10% increase for January of 2017; however, we hope the increase will be less. Once again this year, the trustees for the Maine State Retirement System voted to increase the required employer contribution for employee retirement plans. The employer cost share for Town employees will increase by .6% and Police will increase by .2%. Employee's contributions are also increasing by .5%.

Staff Development and Education: The costs have remained fairly consistent as each department's needs for training increase and decrease over time. We will have changeover in staff over the next few years which will require some additional training.

Utilities: Heating fuel has seen a decrease across all departments as we have been able to lock in prices for fiscal year 2017.

Services: This cost center is showing a decrease, as I did not request funding for the Goose Rocks Beach litigation in fiscal year 2017, a savings of \$70,000. The previous

year carry forward amounts will allow the Town to move forward on the title pleadings, as well as other legal issues, which may develop in association with the case.

Insurance: These line items are showing slight increases. Most insurance is tied to payroll and expenditures; hence, they will increase over time.

Supplies/Equipment: The cost center is showing a slight decrease as there were some one-time purchases made in fiscal year 2016.

Repairs and Maintenance: There is a slight increase in this line item as we continue to see the costs of repairs climb across all departments.

Miscellaneous: The line item shows a slight decrease in fiscal year 2017, mostly related to outside agencies.

Debt Service: This line item is showing a decrease as one of our road bonds retired in fiscal year 2016. This resulted in a reduction of approximately \$95,000. Added to debt service in fiscal year 2017 is the first payments for the public safety addition bond, which was approved in June of 2015 (\$400,000). The Town will have another bond retirement in fiscal year 2018, which will reduce the budget by approximately \$170,000.

Capital Outlay: There is an increase of \$90,100 (6.7%) budgeted for fiscal year 2017. The capital budget continues the road restoration work from past years and keep us on track for our 10-year road plan. The other focus in the capital budget is to finish the outstanding projects at the Police Station and Government Wharf. The public safety addition/renovation project is planned for completion in the fall of 2016. The fiscal year 2017 budget allows for the purchase of cameras, video equipment, security devices, monitors, and furniture to complete the project. The Pier reserve fund has an additional \$100,000 to hopefully complete the project and fund needed repairs at Cape Porpoise pier. The fire apparatus reserve fund will also be maintained at the \$130,000 level, while we start a reserve to replace the two brush trucks, vintage 1974 and 1980.

CAPITAL COSTS ANALYSIS

The Town Manager's budget submittal includes a multi-year capital improvement program covering from fiscal year 2017 to fiscal year 2021. The greatest need looking forward is in road improvements, Highway Department vehicle replacement, Fire Department apparatus replacement, and building improvements across several departments. The Capital account for fiscal year 2017 has increased by \$90,100 or 6.74% in comparison to fiscal year 2016.

Below is the analysis of fiscal year 2016 capital budget requests by department.

Administration: \$5,000

- Historic Preservation: \$5,000 allocation for ongoing preservation of historical documents at Town Hall.

Police: \$54,500

- Vehicles request of \$30,000 to replace the 2013 Dodge Charger with 130,000 miles and \$24,500 to replace the Chief's 2011 Dodge with over 150,000 miles.

Communications: \$50,000

- Building Improvements request of \$50,000 for furniture, monitors, and cameras to outfit the new Police Department addition. Furniture includes meeting tables and chairs to fit 50 and security cameras to give dispatch visibility on the entrance side of the parking lot.

Fire: \$210,500

- Equipment request of \$23,000 to purchase replacement SCBA bottles (\$12,000) and continue the year 2 of 3, rebuild of the Jaws of Life (\$11,000). The Fire Department has over 140 air bottles that must be replaced no later than 15 years from date of purchase. The Department has developed a replacement schedule through 2021 that will allow for a consistent budget allocation. The rebuild of the Jaws of Life will take place over a three-year period.
- Vehicles/Reserve request of \$30,000 to \$35,000 over the next 3 years will allow us to replace both brush trucks (1974 and 1980 vintage) with a skid mount tank and pump on a one-ton truck.
- Radio Reserve request of \$10,500 to replace portable radios, spare batteries, and microphones as needed.
- Fire apparatus reserve request of \$130,000 to replace Ladder 4 or Engine 33. The Department has completed a long-term replacement schedule for all fire apparatus through 2034. This plan projects the use of funding from the Kittredge and Seavey trust funds as well as town appropriations.

- Firefighter PPE request of \$17,000 to purchase replacement personnel protective equipment on a rotation basis for firefighters. The Department must perform annual testing of 100 personnel who may wear airtight masks in performance of duties. In addition, the Department replaces at least 9 sets of turnout gear as either replacements to existing responders or first sets for new responders. This allocation of \$17,000 allows the Department to acquire the equipment needed to perform this test in house.

Highway: \$134,000

- Equipment request of \$9,000 to replace line striper used for painting crosswalks and parking lines. The current striper is 15 years old and is need of a rebuild.
- Vehicles request of \$125,000 to replace 2006 Ford Ranger and the 2000 tenant sweeper. The Ranger will be replaced with a one-ton (\$40,000) that will be more flexible for plowing and general maintenance. The sweeper will be replaced with a mechanical street sweeper (\$160,000) to be used in Dock Square and at the beach. There is \$75,000 in the Highway Vehicle reserve account to use towards the purchase as well as a \$60,000 transfer to the general fund from the Dock Square parking lot account, the balance remains from the fiscal year 2016 appropriation.

Road and Sidewalk Improvements: \$717,600. Requested funding is a \$2,600 increase from fiscal year 2016. The request is offset by \$110,000 in State revenue as the planned projects include state aid roads.

- Road Improvement request of \$557,600 to rehabilitate Northwood/Stonewood Road, Church Street, Towne Street, Birch Court, Atlantic Avenue, Goose Rocks Road, Ocean Avenue, and Mills Road. See attached detail sheet for more information.
- Sidewalk Improvement request of \$160,000 for the continued sidewalk/pedestrian/bicycle improvements: Dock Square Parking Lot to Temple Street, pedestrian improvements at North Street and Maine Street, North Street improvements, Ocean Ave., and Mills Road.

Recreation and Park: \$30,000

- Recreation and Park Improvements reserve fund request of \$30,000 for playground replacement and reserve for replacement of current Recreation Department modular unit which is over 30 years old.

CEO Planning: \$22,500

- Vehicle Reserve fund request of \$22,500 to replace 2009 Codes vehicle (police cruiser) with a 4-wheel drive vehicle to access building and construction sites.

Community Development: \$85,000

- Equipment request of \$65,000 to purchase video and recording equipment, cameras, servers, and equipment to outfit a public streaming audio/visual closet for the public safety addition. There is also a request of \$20,000 to upgrade the video and camera equipment at the Village Fire Station meeting room.

Special Projects: \$17,500

- Funding request of \$17,500 for the Town's matching share of funds for the Mat Lanigan bridge overlook project scheduled for spring of 2017.

Piers: \$100,000

- Piers reserve fund request of \$100,000 to reconstruct Government Wharf and replace coolers at the Cape Porpoise pier. State grant funds will be used to supplement Town funds. Design, engineering, and environmental permitting has already been completed for the major rehabilitation of Government Wharf at a cost in excess of \$500,000. The Town has applied for State funding through MDOT and secured \$250,000 in January of 2016. Any remaining funds will be used towards maintenance costs at Cape Porpoise Pier and dredging in Cape Porpoise.

**INDEPENDENT AUDITOR'S REPORT ON
SUMMARY FINANCIAL STATEMENTS**

The accompanying summary financial statements of the Town of Kennebunkport, Maine as of and for the year ended June 30, 2015, as listed in the table of contents, are derived from the audited basic financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Kennebunkport, Maine as of and for the year ended June 30, 2015 and the related notes, which collectively comprise the Town's basic financial statements. We expressed unmodified audit opinions on those audited financial statements in our report dated October 23, 2015.

The summary financial statements do not contain all the disclosures required by accounting principles generally accepted in the United States of America. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of the Town of Kennebunkport, Maine.

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of the summary financial statements.

Auditor's Responsibility

Our responsibility is to express an opinion about whether the summary financial statements are consistent, in all material respects, with the audited financial statements based on our procedures, which were conducted in accordance with auditing standards generally accepted in the United States of America. The procedures consisted principally of comparing the summary financial statements with the related information in the audited financial statements from which the summary financial statements have been derived.

Opinion

In our opinion, the summary financial statements of the Town of Kennebunkport, Maine as of and for the year ended June 30, 2015 referred to above are consistent, in all material respects, with the audited financial statements from which they have been derived.

BOARD OF SELECTMEN

**Front L-R: Edward Hutchins, Sheila Matthews-Bull
Back L-R: Stuart E. Barwise, Allen A. Daggett, Patrick A. Briggs**

As of this writing, we have escaped the harsh winter that was predicted and have even experienced outside temperatures in the 40's and some 50's through much of January. I do hope this continues and that our spring and summer weather are equally as good.

I want to thank the Board of Selectmen for their hard work, dedication, and cooperation throughout this past year. I believe we have accomplished some positive and meaningful policies and changes that will benefit our town, its residents, and its businesses.

I also want to thank all of the volunteers who give up hours of their time to be part of the advisory boards in town. We could not do it without you.

Thank you to our Town Manager, town staff, and all employees who keep our town the beautiful, inviting, and safe place that it is.

Unfortunately, there is always loss:

- Charlie Reid, Sr. served on many boards and town committees.
- Kathy Jones a fellow business owner and longtime election worker.

- Marilyn Stavros a former longtime registrar of voters.
- Jim Steele our longtime town forester.

They will truly be missed.

On a happier note (not for the town, but for Jim Burrows), he retired after 41 years as EMA Director. We wish him good health and happiness and lots of fun free time.

Some of our accomplishments over this past year are:

- Voted to apply for a workforce housing charrette with Workforce Housing Coalition to try and address the issue of affordable housing in Kennebunkport.
- Authorized a three-year extension to our agreement with Oceanside Rubbish for waste collection and hauling and were able to maintain costs at 1.5%.
- Applied for State Revolving Loan funds to bond the Wastewater Department capital projects. It will be brought forward for a vote in June.
- Approved the recommendation from the Goose Rocks Beach Advisory Committee to construct a pedestrian way on New Biddeford Road with a paved shoulder/walkway along the west side of New Biddeford Road.
- Authorized the Town Manager to award a contract for construction management services for the police department project. The design and Planning Board approval has occurred and construction will begin soon.
- Resolved land use violations with Hidden Pond/Fishing Pole Lane. The Town received approximately \$30k in fines and penalties.
- Continued to work with the DOT on the Mat Lanigan Bridge project on design, construction schedule, and overlook.
- Received funds from the DOT, \$250K, for the Government Wharf project.
- Completed the redesign and construction of Silas Perkins Park and had a ribbon cutting ceremony with his family and neighbors in October.
- Discussed joint issues and ways to better our communication with Arundel, Kennebunk, and the RSU in September.
- Acted on a neighborhood concern and in September made East Avenue a year round one-way road.

- Insulated the roof at Town Hall for greater energy savings as recommended by an energy audit.
- Fine tuned the Dog Ordinance to accommodate off leash and leashed times on Goose Rocks Beach and other areas of town.
- Welcomed three new town employees:
 - Allison Kenneway, assistant public health director
 - Daniel Place, police officer
 - Bob Pappas, town mechanic.

Welcome aboard!

- Contracted with H. M. Payson for their expertise and direction to improve the return on Town trust funds.
- Worked to improve investment of our cash funds and chose Camden National who gave us the best proposal.
- Installed an electric car charging station at the Village Fire Station in cooperation with our Conservation Commission.
- Accepted a donation of \$422,581 with much appreciation from the Marjorie Picavet Trust to help support our Public Health and Police Departments.

The one very big change in town was the automation of the Town parking lot. As with any big change, we went through some rough patches. We now believe we have eliminated most of those pesky glitches and look forward to a smoother summer parking experience.

I hope you all feel as lucky as I do to be living in this wonderful community. I have truly enjoyed my time thus far as Selectman and Chair, and I thank you all for allowing me this rewarding opportunity.

Sheila Matthews-Bull, Chair, Board of Selectman

Senator Susan Deschambault

Dear Friends,

Thank you for the opportunity to serve as state senator for Kennebunkport. As you know, I hit the ground running in the Legislature following the special election. I appreciate the warm and welcoming responses during my travels around our district. I had the chance to meet many great people, and I look forward to meeting many more as your senator.

It is my pledge to listen to the voices of our district, and do what is best for our community and state, by working together for a better Maine. I will be holding public office hours in every town in the district. It is always important to stay rooted to our community.

I am also pleased to offer an electronic newsletter as part of my effort to keep you informed about what is happening in the Legislature. Please contact me to sign up for the periodic mailing.

Whether I am at home or in the Senate, I always welcome your opinion. I can be reached by cell phone at (207) 284-3570, or at the State House (207) 287-1515. Also, please feel free to email me anytime at susan.deschambault@legislature.maine.gov.

Thank you again for the support and opportunity to serve as your state senator. I will work for you and look forward to seeing you around!

Sincerely yours,

Susan Deschambault
State Senator

January 2016

Dear Neighbors and Friends,

We have now begun the Second Session of the 127th Legislature. I am honored for the opportunity to continue serving the people of District 9 in the House of Representatives as Maine citizens continue to face many challenges. I look forward to working with fellow legislators, along with the Governor, to find solutions to the long-term problems that our state and our citizen's face. My goal is to ensure we have an effective and efficient government that handles your taxpayer money responsibly.

There are issues that must be addressed this legislative session, like lowering the cost of energy for businesses and homeowners, fighting the scourge of illegal drugs and continuing to create an economic climate where jobs are created and businesses thrive.

Upon returning to the Second Session of the 127th Maine Legislature, I will continue to serve on the Joint Committee on Taxation. This committee will be faced with many decisions that will affect residents of our district and across the State of Maine. I look forward to continuing the work of this committee.

I encourage you to visit the Legislature's website, <http://www.maine.gov/legis>, for up-to-date information, status of bills, public hearing dates and roll call votes on legislation. If you would like to sign up to receive my e-newsletter, please send an e-mail to Stedman.Seavey@Legislature.Maine.gov. If you have any concerns about your State Government do not hesitate to share them with me.

Sincerely,

H. Stedman Seavey
State Representative

District 9 Biddeford (part), Kennebunk (part) and Kennebunkport

Printed on recycled paper

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine's economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine's federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine's deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine's historic contributions to our nation's defense must continue. In 2015, I secured funding toward a much-needed additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A \$250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine's farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans' homelessness a priority. This year's housing funding law includes \$60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation's seniors. I advocated for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072nd consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Kennebunkport and Maine in the United States Senate. If ever I can be of assistance to you, please contact my York County Office at (207) 283-1101, or visit my website at www.collins.senate.gov. May 2016 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

RULES AND ADMINISTRATION

Dear Friends:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I cosponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I cosponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a

Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; cosponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I like to think of Maine as a big small town – and in a small town, the leaders are accessible and eager to listen. In that spirit, I've made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at **1-800-432-1599** or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.gov/contact.

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,

Angus S. King, Jr.

CHELLIE PINGREE
CONGRESS OF THE UNITED STATES
1ST DISTRICT, MAINE

Dear Friend,

I hope this letter finds you and your family well. I appreciate the opportunity to give you an update on my work in Maine and Washington. It continues to be a great honor to serve the people of Maine's 1st District in Congress.

Over the last year, I have introduced a number of bills to address the problems my constituents face. One of the most concerning issues is hunger. Nearly 50 million Americans don't have reliable access to enough food. At the same time, 40 percent of the food produced in the country goes to waste. That is why I introduced the Food Recovery Act, comprehensive legislation to cut food waste while providing more food to the people who need it.

The Safe and Affordable Drugs from Canada Act takes on another serious concern for Maine families—the high cost of prescription drugs. Just over the border in Canada, the same medications are available at half the price on average. My bill would lift a ban that prohibits consumers from importing those medications. Other bills I introduced touch on a number of issues, from helping veterans secure benefits to protecting our coastal economies. For more information on all my legislation, go to www.pingree.house.gov.

My seat on the House Appropriations Committee—which has a powerful role in setting federal funding levels—has also put me in a position to influence policies and programs that affect Mainers. A couple of examples from the last year include pushing to make Lyme disease a higher federal priority and working to protect funding for a program that has extended pre-school to hundreds of Maine children.

But not all my work takes place at the Capitol. Here at home, I had the chance to visit many communities to help celebrate their victories and discuss their concerns—critical feedback to take to Washington. And over the last year, my hard-working staff has helped hundreds of constituents on their issues with federal programs and agencies.

I hope the last year has been a good one for you and your family. As we head into another year of challenges and opportunities for our nation, I promise that your interests will continue to guide my work. Please contact my office if there's ever anything I can do for you.

Best wishes,

Chellie Pingree

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Paul R. LePage
GOVERNOR

Dear Citizens of Kennebunkport:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage
Governor

TOWN MANAGER REPORT

Town Manager Laurie A. Smith

The past year was filled with new investments, from new relationships and communication methods to new infrastructure upgrades. Each of these projects required preparation, research, outreach, and attention to detail. With each new investment, we always review our work and seek improvements which will allow us to create better outcomes for the future.

The Town began new relationships with Camden National, Burgess Computers, and new employees Bob Pappas and Daniel Place. Finance led the effort to place the Town's banking services out to bid, as it had been over eight years since it had occurred. The process allowed staff to review old practices, new services, and a chance to increase investment earnings and reduce banking costs. Although several banks submitted proposals, it was Camden National's bid that ultimately was chosen.

The need for increased information technology (IT) support services required the staff to examine the field for potential technology partners. Although the Town had a relationship with York County, the amount of support available was not enough to safeguard Town financial transactions, the integrity of our databases, and maintain the needs of individual departments. A cross-department team interviewed several proposals from IT firms and eventually the Board of Selectmen accepted the recommendation of teaming with Burgess Computers. The firm was selected due to experience with municipal needs, the price for support services, and their approach to building customer relationships.

Our new employees, Bob Pappas and Daniel Place, joined our family as the Town mechanic and our newest patrol officer. We were fortunate to find two great

recruits who value Kennebunkport's small town culture. They have both made valuable contributions to their respective teams.

Town staff were busy this past year with the planning and implementation for new capital investments including Silas Perkins Park, Dock Square Parking Lot, the police department addition, and Government Wharf projects. The highlight of the year was the rededication of Silas Perkins Park on October 23, 2015. As many locals know, the Town was fortunate to receive this quarter acre of public space about 25 years ago from the family of local poet Silas H. Perkins in August of 1990. The park improvements included new flowers and plantings to update the park landscape; interpretive design elements to honor Silas Perkins' poetry; park entry improvements to create a welcoming presence on Ocean Avenue; and the addition of informal seating which can be moved and arranged to take advantage of views, sun, shade, or friendly conversations.

Last year, the Town implemented an automated parking system in the Dock Square Parking Lot. The computerized system that was in place had been there for many years and was out of date. The age of the system would not allow for credit/debit payments nor the reporting of data in a user-friendly manner to analyze parking lot operations. The system also did not provide the accountability in financial transactions that we needed. The automated lot went live on June 3, 2015. Unfortunately, throughout the season, we experienced nagging issues with the credit/debit card reader, which caused delays in the exiting process. The vendor spent many hours/days at the lot troubleshooting, replacing parts, and tracking errors. In September, the vendor was finally able to convince the manufacturer to replace the entire exit payment machine. Although this occurred late in our season, we were able to see a positive change in operations immediately. In order to improve operations for the 2016 season, the Town was able to purchase a cash and credit payment machine, which will be located at the public restroom buildings.

The Town approved the public safety project in June to allow for a police department addition to house our emergency management operations, as well as perform some needed renovations. The Town hired Port City Architects to handle design, and Wright-Ryan to perform the construction management services. The final design and planning schedule will allow for summer construction in 2016.

In 2015 the Town also approved funding for a dredging project at Government Wharf to gain greater access to the floats and wharf. Prock Marine was hired to perform the dredging work, and it was completed during the 15-16 winter. The Town also received approval from the Maine Department of Transportation for a waterfront improvement grant of \$250,000 that will match over \$300,000 in town funds to replace the facilities and add a climate controlled bait shed. Baker Design Consultants was engaged to finalize the design of the improvements with the plan to start construction in the fall of 2016.

The past year also saw several changes in the Town's communication tactics including a new website, the launching of a Town Facebook page, and joint meetings with the RSU, Kennebunk, and Arundel. Although the Town had an internet presence for several years, the old website was dated along with the information on it. With the assistance of a cross-department website committee, the administrative team was successful at the development and implementation of a new website. The new site allows for the decentralization of managing content making updates easier and is a fresh look for citizens seeking 24-hour service. My thanks to Arlene McMurray, Jen Lord, April Dufoe, Lisa Harmon, Becky Nolette, Nicole Evangelista, Judy Barrett, Carol Kloth, Kurt Moses, Dick Stedman, and Angela O'Connor for making our site user friendly, relevant, and timely.

The new year started with the launching of the Town's Facebook page and our desire to provide information to citizens and visitors in a format that was effective in today's social media world. After a year under our belt, we are hovering just under 900 likes. Our biggest day of "like" growth was on April 27 when we posted the photo of Kurt Moses rescuing a barred owl that had nested inside a homeowner's chimney. We are lucky to have a police officer with a wildlife background to assist in this unusual circumstance. The post received 749 likes and reached over 10,500 people.

The Kennebunkport Selectmen have strived to improve communications with our neighbors and partners. The Selectmen met in September and the first week of January with the board members of Arundel, Kennebunk, and the Regional School Unit. The focus of the meetings was to discuss challenges and opportunities and ways in which we can all work together to improve the lives of our residents and students.

Each year offers new challenges in local government; fortunately, we are blessed in Kennebunkport with devoted Selectmen, capable staff, and talented volunteers which allow us to overcome most obstacles. On behalf of all Town employees, we thank you for the opportunity to serve this wonderful community.

Laurie A. Smith, Town Manager

ASSESSING DEPARTMENT REPORT

The assessing department is responsible for documenting and listing all taxable property, real and personal, within the Town of Kennebunkport. We maintain accurate data, including historical data on each property such as ownership, land and structure inventories, and property characteristics. We encourage taxpayers to contact us with questions or concerns and, in particular, to review their current tax bill and/or property record card for accuracy.

We are fortunate to have Becky Nolette, a Certified Maine Assessor, who handles the day-to-day assessing responsibilities including property transfers, state reporting, exemption applications, and answering your assessing questions. She works alongside Donna Moore Hays, a Certified Maine Assessor, who continues to serve as the Assessors Agent to the Town.

The 2015 assessed valuation of the Town was \$1,893,882,970. The current mill rate is \$7.70 per thousand. The sum of \$14,582,898 was committed to the Tax Collector on July 23, 2015. The assessment process includes conducting an annual “ratio study” for Maine Revenue Services, which compares the selling price versus the property assessments. Our ratio remains at 100%.

All assessing data is available on-line by visiting the Town’s website www.kennebunkportme.gov and following the “Assessors Database” link to the Vision Appraisal website. Our tax map data is also available via the GIS Maps link. If we can be of any further assistance, please contact our office at 207-967-4243 extension 103.

By April 1 of any given year:

Veterans and un-remarried veterans’ widows may be eligible for a tax exemption if:

- Sixty-two years of age on or before April 1 (widows claim veteran’s age).
- A property owner and primary resident of Kennebunkport.
- Honorably discharged, served during a recognized war period.

You may be eligible for a Homestead Exemption if you:

- Are a legal resident of the State of Maine (have a voter registration, Maine drivers’ license, excise tax paid to the Town of Kennebunkport, etc.).
- Declare Kennebunkport homestead as your permanent place of residence (no summer homes, second homes, etc.).
- Have owned a homestead in Maine for the past 12 months.

Upcoming changes to the Homestead Exemption program.

- Starting April 1, 2016, the exemption will increase to a \$15,000 reduction in your total taxable assessment.

Please call or stop by the assessor's office where these forms and applications are available.

In closing, we would like to thank the Town Manager, the office staff, the residents of the Town, and the Board of Assessors/Selectmen for their cooperation and support during the past year.

Donna Moore Hays, CMA
Assessors Agent

Becky Nolette, CMA
Assistant to the Assessors

CODE ENFORCEMENT OFFICE REPORT

2015 has been a busy year here in code enforcement. Development activity has more than doubled in comparison to 2012 when the economy was slow. Services we have provided includes approximately 1,600 site visits, building inspections, and scheduled appointments. This does not include folks walking in with questions or phone calls. Our daily code enforcement activities include examining building plans, issuing permits, performing site inspections, meeting with property owners and their representatives on potential projects, responding to zoning complaints, and continued flood map reviews with property owners. Due to the increase in activity, we hope to have some additional inspection staff available to ensure inspections continue to be done in an orderly fashion.

Per amendments made to the Comprehensive Plan and Land Use Ordinance, growth permits for new homes have been allocated into three areas: growth, rural and transition. In each of these zones, we issued the following: growth 11; rural 6; and transition 4.

Our new home permits were issued in the following zones, as compared to last year:

NEW HOME PERMITS		
	2014	2015
Zoning District		
Cape Arundel	3	2
Village Residential	6	3
Village Residential East	0	3
Goose Rocks	7	3
Cape Porpoise East	0	0
Cape Porpoise West	0	0
Cape Porpoise Square	1	0
Free Enterprises	4	4
Farm & Forest	3	2
River Front	0	0

Year	Project Cost/Value
2011	\$18,047,600.06
2012	\$13,162,047.00
2013	\$18,938,560.00
2014	\$24,851,433.00
2015	\$29,576,937.00

<u>Permits for 2015</u>	# Issued
Residential new construction:	
New Home Permits	17
Replacement Homes	9
Renovations/ Additions	79
Accessory Apartments	2
Driveways and Roads	14
Change of Use	1
Fill/ Vegetation removal	27
Shop Openings/ Signs	8
Telecommunications Facilities	0
Timber Harvesting	0
Demolition/ Relocation of Buildings	13
Tents	36
Government	2
Renewal of Permits	10
Other permits not listed above (sidewalk sales, generators, docks, outbuildings)	155
ALL Commercial building/Reno	23
Re-inspection Fees	2
Flood Hazard Permits	10
Total Building Permits Issued: 408 (\$195,665.00 - permit fees)	
Total Plumbing Permits issued: 123 (\$25,277.00 - permit fees - TOWN share \$20,029.50 ~ STATE share \$4,812.50 ~ Subsurface Wastewater share \$435.00)	

Werner Gilliam, Director of Planning and Development
Wayne Mathews, Asst. Code Enforcement Officer
Lisa Harmon, Administrative Assistant

KENNEBUNKPORT EMERGENCY MANAGEMENT REPORT

Severe flooding on Langsford Road in Cape Porpoise during the Great Blizzard of 1978.

The Kennebunkport Emergency Management maintains the Town's Comprehensive Emergency Plan and works with local, county, state, and federal officials to prepare for possible disaster situations. In an actual emergency, we will establish an Emergency Operations Center and facilitate our community's response to the situation.

Emergency Management Director Jim Burrows has served Kennebunkport in this capacity since 1974. At the end of 2015, after countless hours spent in keeping the Town and its citizens out of harm's way, he decided it was time to relinquish this responsibility. Police Chief Craig Sanford assumes this position in 2016. Thanks to both for their commitment to Kennebunkport.

Chief Sanford will be assisted by Dick Stedman, who has served as Deputy EMA Director since 2003. Public Health Officer and Town Public Health Nurse Judy Barrett serves as the Town's Shelter Officer.

Most of the disasters the Town has experienced are related to our periodic severe weather that can greatly impact town roads and other public property. Following a disaster declaration, we meet with FEMA officials to evaluate our eligibility for federal reimbursement of costs incurred during the event for infrastructure damage, debris removal and emergency response by all Town agencies. In 2015, Kennebunkport was eligible for reimbursement of \$16,529 for costs incurred during the blizzard that impacted the region from January 27 through the 29.

In any disaster situation, protecting the lives of our residents and visitors is always our highest priority. Of special concern are those residents who for health or other reasons may need help during a major emergency. If you believe you may need assistance during a disaster situation, please call the Kennebunkport Communications Center at anytime at **967-2454** or **967-2700** to advise us of your situation. As always, if you have an immediate emergency, please call 9-1-1 without delay.

Dick Stedman, Deputy EMA Director

KENNEBUNKPORT FIRE DEPARTMENT REPORT

Kennebunkport firefighters prepare to attack a well-involved structure fire off South Main Street in June, 2015.

The Kennebunkport Fire Department consists of 80 volunteer members responding from the Town's four fire stations: Cape Porpoise, Goose Rocks Beach, Port Village, and Wildes District. We presently operate 12 pieces of fire apparatus, plus 2 small Zodiac rescue boats for search and rescue.

The Kennebunkport's firefighters are men and women of all walks of life who are committed to the safety of our town. As a volunteer "call force," we are paid only for response to calls and training time. We respond to fire calls, motor vehicle accidents, water rescue situations, hazardous materials incidents, missing person searches, and many other types of emergencies. During severe storms and other disaster situations, we stand by to assist the community in any way that may be needed. We routinely provide mutual aid assistance to the fire departments of Arundel, Biddeford, Kennebunk, and Wells; and they, in turn, assist us as may be needed.

The Kennebunkport firefighters train regularly in many areas of our operations. Over 40 of us are trained and state-certified in structural firefighting at the Firefighter 1 or 2 levels. Many members have completed training in HAZMAT and Weapons of Mass Destruction Operations, automobile extrication, ice and water rescue, various types of technical rescue, wildland firefighting, and many other specialized areas.

During 2015, our members devoted nearly 2,000 hours to training, most of it under the guidance of our own state-certified instructors: District Chief Jim Burrows, Captain Jamie Houtz, and Lieutenant Chris Welch. One of our members, Travis Ramsey, completed state certification as Firefighter 1 & 2 through the York County Chiefs' Fire Academy, spending over 240 hours training toward this objective. Thank you and congratulations Travis! Last year, we were also fortunate to have three new members join our ranks! We welcome Rick Earle, Craig Giefer and Adam Kyasky to our team!

If you are interested in learning more about what we do and possibly becoming a member, please call the Fire Department business office at 967-2114 or ask any Kennebunkport Firefighter. Your inquiry may lead to one of the most rewarding things you have ever done!

Dick Stedman, Fire Administrator

On the evening of September 9, KPFD rescue boat crews were able to safely remove the passengers of a vessel that ran aground on Folly Island in Cape Porpoise.

CAPE PORPOISE PIER HARBORMASTER REPORT

Those currently using the pier at this time are: 48 fishing boats, 29 recreational boats, and 4 lobster dealers.

Pier dues increased in fiscal year 2016:

Dealers	\$727.16
Lobster Boats	\$635.62
Recreation	\$406.80
Punt Fisherman	\$406.80

Additional fees for extra bait spaces and additional boats per user.

Mooring permits issued: **2013 2014 2015**

Cape Porpoise	113	114	122
Goose Rocks	48	60	67
Lands End	14	17	21
Paddy Creek	6	6	12
Turbats Creek	12	15	21
Total	193	212	243

The 2015 season was busy as usual. Many tourists and visiting boats made their way to Cape Porpoise pier to enjoy the scenery, restaurants, and boating activities that Kennebunkport has to offer. We have had some changes in the harbor over the winter. The automated foghorn has been replaced with a radio activated system that turns on with your VHF radio by going to channel 83 and keying your mic five consecutive times. This was done by the Coast Guard in February 2016. No wake buoys will be set each season in the mouth of Little River and Batson River at Goose Rocks Beach in an attempt to keep speed down in these critical areas.

Aquaculture has come to Cape Porpoise. Erin Gott will be setting up shop to raise oysters between Vaughn and Green Islands. This process takes several years to get started. So, no oysters this year, but we all look forward to Erin having much success in the near future.

Three new punt floats were constructed and placed at the pier last 2015 season along with a new ramp and construction for three more floats which will take place this 2016 season. Work on the inside walls of the bait shed will be done in March 2016 as well. A new chain hoist was purchased in 2015 to replace the oldest of the four hoists we have. Two are in use and two are for back up. We are also looking to replace the coolers in fiscal year 2017. We are currently reviewing our options and will be making a decision by spring.

Mooring owners: All moorings must be permitted every season by May 1, and any changes to your personal information must be reported to the harbormaster ASAP. Have a fun and safe boating season.

Lee F. McCurdy, Harbormaster

KENNEBUNK RIVER HARBORMASTER REPORT

2015 was pretty much business as usual for the Kennebunk River last season. But, with an ever increasing population of boaters and boats of all shapes and sizes, and rivers edge development, here are a few highlights and changes.

After one of the most brutally cold and snowiest winters, a planned maintenance dredging for the Yachtsman Marina, Arundel Yacht Club, and Kennebunkport Marina had to be postponed until the winter of 2016 due to constant storm conditions and rough seas. The final permitting and some sampling of the dredge sediments have been completed, along with surveys and other items during the summer season. This dredge is badly needed for the marinas due to the sediments filling in around the boat slips. At low tide it, has become very shallow or too shallow to move the boats.

The Mathew Lanigan Bridge project is moving forward and scheduled for the winter and spring of 2017. Tentatively, some work might begin in the fall of 2016. At the time of this printing, I have not received any notice about stopping navigating boat traffic from transiting under the bridge for the 2016 season. For any updates or changes, please call me at 207-205-0991.

With more boaters enjoying the Kennebunk River north of the Mathew Lanigan Bridge, it became necessary to install two new "No Wake" buoys. One is located on the north end of the Basin, and the other at the north end of the Grist Mill Pond. While the river stretches for miles, the "No Wake" law applies from the entrance at the jetties, all of the way to the most navigable point on the river and all the tributaries. Please respect the law, nonmotorized and motorized vessels, and property owners of riverfront property. You are responsible for your wake.

The Government Wharf dredging project got underway at the Town docks this fall. Sheet pilings are being driven to hold back the sands of the beach area after the dredging is complete. Another dock added to the existing floats, and there will be a section designated to transient boaters for temporary use.

The commercial end of the Government Wharf project is also coming along. The Town now has the funding to do the work and design. The funds are coming from a State DOT grant and local funds. The plan is to design an operation and facility that works with planned construction next November/December through the winter. The new pier would be available in the spring of 2017.

The Sea Grass Lane public access is still being hashed out. The Kennebunk River Committee continued their effort to get the Sea Grass Lane public, nonmotorized, boat launch in Kennebunk officially opened. The Town of Kennebunk has established the four, permit-only, parking spaces for Kennebunk residents only but has not posted appropriate signage as of yet. The permits will be made available at town hall.

A new addition to the Kennebunk River is the tall ship Spirit of Massachusetts, purchased by the Raymond family of Performance Marine. The ship is 110 feet, and hopes are it will be converted into a floating restaurant for the summer of 2016. As of this time, the town of Kennebunk and the Raymond family are still working out the details of the permitting.

May was busy once again with the inspections of approximately 34 moorings of the total 68 as required by the biannual mooring inspections. The moorings are inspected visually top to bottom biannually, with the optional use of the Town-owned work barge for the flat rate fee of \$100.00. Any tackle deemed unsafe will be replaced by the harbormaster. The owner of the mooring will be required to repay the Town of Kennebunk for any new tackle that was replaced. However, prior to any inspection work being performed, the owner will be given the option to do the work themselves with a visual final inspection by the harbormaster, or have the harbormaster conduct the job completely. A mooring inspection form is included with the mooring registration if the mooring is due for inspection. The form will need to be signed and returned indicating the owner's option for conducting the required inspection.

Mooring registrations are \$150 for both nonresidents and residents. Mooring registrations for commercial fishing use are \$100. Mooring registrations are renewed on an annual basis. The Town also has two transient moorings for the nightly use of \$25 per night, with a three night maximum stay.

Please call 207-205-0991 for transient mooring reservations, or if you have any other questions about the moorings in the Kennebunk River.

The Town of Kennebunk does have a waiting list for obtaining moorings in the Kennebunk River. This list can be viewed on the Kennebunk Town website, and an application can be downloaded as well. The annual fee to be placed on the waiting list is \$15. You may also contact the Kennebunk harbormaster to have an application mailed to you. There are approximately 50 persons on the waiting list at this time.

As the popularity of paddle boards and kayaks are on the increase, I would like to urge these operators that you **must** obey the Navigational Rules of the Road like any other vessel. When paddling your board, canoe, or kayak, you are considered a vessel like any other boat on the water, powered or not. You must stay to the **right** of the channel in the direction of travel, and as far to the right as possible. Always be aware of what is behind you, and let any vessel larger than you pass. That being said, I highly recommend the small, nonmotorized watercraft to explore and enjoy the less busy sections of the Kennebunk River from the Route 9 Bridge to the north. It is a treasure of the Kennebunks that sometimes is overlooked. Contact the Kennebunkport Conservation Trust for more information on launching hand-carry watercraft and for parking for that section of the river. For power boats large and small, a reminder that a “no wake” rule is strictly enforced on the entire Kennebunk River. Your speed is only allowed to be “headway speed,” which means the slowest speed a vessel can operate while maintaining steerage. You are responsible for your wake and any damage or injury you cause.

In closing, please be courteous to one another whether you are on a paddle board or operating a large vessel. Make sure you have adequate life jackets for all persons on board along with the necessary safety gear for your vessel.

It is always a short boating season, so let’s safely enjoy it to the fullest!

Thank you for your cooperation.

Raymond Billings, Kennebunk Harbormaster

PARKS AND RECREATION DEPARTMENT REPORT

The Silas Perkins Park rededication ceremony in October 2015.

2015 was quite a year; challenges providing a mix of successes and lessons learned!

Everyone will long remember the winter and the challenge of so much snow. We really appreciated our new snowblower, allowing us many days of skating at the Park at Crow Hill.

Spring finally arrived, and with it our April vacation activities, spring soccer, lacrosse, and summer preparations. Probably the biggest single change in our department was the move to online registration. We are still transitioning; check it out at www.kennebunkportrec.com. We purchased our new microbus, put into service in time for our summer programs. We want to again express our sincere thanks to our gracious summer host, Sea Road Church. We spent another summer away from our home base while a sprinkler system was installed throughout Consolidated School. Attendance at our summer day camp continued to grow, averaging over 100 children each day. After our regular 8-week summer day camp, two weeks of post-camp were offered and filled. We hired a director for our summer day camp for the first time, freeing me up to complete other tasks. The other task that was most time consuming (yet most rewarding) was the renovation of Silas Perkins Park on Ocean Avenue. We offered a public plant sale while purchasing plants for the park, which we hope will become an annual event. A landscape architect had drafted a plan, but we incorporated some of our own ideas. The final product was better than we had imagined, as was evidenced by the rave reviews at the park rededication in late October.

Our sport leagues in soccer and basketball continued to develop young athletes. After a 30 year absence, we welcomed the girls' basketball program back to our offerings. We were thrilled with the level of participation for our first year with 24

girls in the 5/6 grade league and 32 in the 3/4 league. Now, we truly have a foundation from which to build. Sports are not just for the youth; pickle-ball was enjoyed by the young-at-heart two nights/week throughout the cold months.

It was a thrill to be considered one of the “movers and shakers” by the York County Coast Star. It provided an excellent opportunity to promote the community feel of our youth sport programs, to highlight the Silas Perkins Park project, and to announce that the Prelude fairs were bigger than ever.

They say the reason that the windshield is so much larger than the rearview mirror is to focus on what is ahead. 2016 looks bright for Parks and Recreation with our theme of collaboration. We plan to upgrade our public spaces with the Public Works Department (just as we did with Silas Perkins Park), cooperate with Portside Rotary Club and the United Way Day of Caring to cut a trail connecting to Tyler Brook, collaborate with Kennebunkport Conservation Trust to develop Discovery Kids, enlist KEMS for our staff training and for community CPR classes (thanks to Dean Auriemma for writing a grant that provided us with a portable AED), work with the tri-town collaborative to offer more joint recreational programs with our neighboring communities, and celebrate the long-awaited grand opening of our 9-hole disc golf course at Parsons Field. Ideas and input are always welcome; what can we offer you?

Carol G. Cook, Director

PLANNING AND DEVELOPMENT DEPARTMENT REPORT

2015 was a busy year in the planning and development department. With the increases in construction, we have found ourselves pressed to keep up with it all. I continue to dedicate time and efforts into various municipal projects along with providing consistent staff support to the Planning Board, Growth Planning Committee, and Zoning Board of Appeals. I have also been able to represent Kennebunkport as a member of the 2015 Maine Beaches Conference Steering Committee and the Culvert Analysis and DST Steering Committee with Southern Maine Regional Planning and Development Commission. Municipal projects have consisted of successfully working with dredging and retaining wall work at Government Wharf, implementing energy efficiency changes to town hall, and assisting with the plan development of the emergency operations center addition at the police station.

The June warrant was a busy one for us with the following changes:

- **Residential mixed use standard:** The Growth Planning Committee wrote a standard that allows two residential units to be constructed above a commercial structure without triggering a larger lot size requirement. This standard is consistent with objectives found in the Comprehensive Plan that support the creation of more affordable housing options.

- **Revised lot area definition:** Based on discussions with Town Counsel, we revised the definition of “Lot Area” primarily to prevent the use of large intertidal areas for lot development calculations.
- **Commercial ADA/accessibility issue:** This revision now allows for older Hotels, Motels, B&B’s, and Inns to construct life safety elements such as code compliant stairwells and elevators without the need for a property setback variance if one is needed.
- **SLZ map revision Cape Porpoise square:** Based on a site review by a Licensed Wetland Specialist, staff from Maine DEP, and town staff, we corrected the Shoreland Zoning Map by removing a section of stream buffer over an area that has been misidentified as a stream. This area directly affects property owned by the Church on the Cape, Bradbury Brothers, Atlantic Hall, and Cape Corp Condo Association.
- **Permitted use structures:** Previously, the Land Use Ordinance required Planning Board Site Plan approval for essentially all uses except for residential permitted uses. For example, uses such as: agriculture, storage and repair of fishing equipment, and farm stand while listed as “permitted uses” were required to have associated buildings reviewed by the Planning Board. The revision now allows all permitted uses to be permitted and reviewed by just the Code Enforcement Officer.
- **Land Use Ordinance errors:** Based on a significant and lengthy audit of the Land Use Ordinance, a number of errors were discovered that need to be voted upon. These revisions are minor housekeeping items.

Werner Gilliam, Director of Planning and Development

KENNEBUNKPORT POLICE DEPARTMENT REPORT

The year of 2015 has closed, and we sit planning for the future of the Town of Kennebunkport. Before we form a plan of action, it is important to reflect on the past to see what we did well and what can be improved upon. Societally, we saw focus on inequalities both reality and perception based amongst citizens. In law enforcement, much concern was based around the application of force and the demographic picture of those whom the force was applied. Many leaders both in the

law enforcement field and civilian based groups have started discussions intent on improving methodology and tactics applied during law enforcement missions. With this in mind, I continually look at our agency and how we deliver services to the Kennebunkport community.

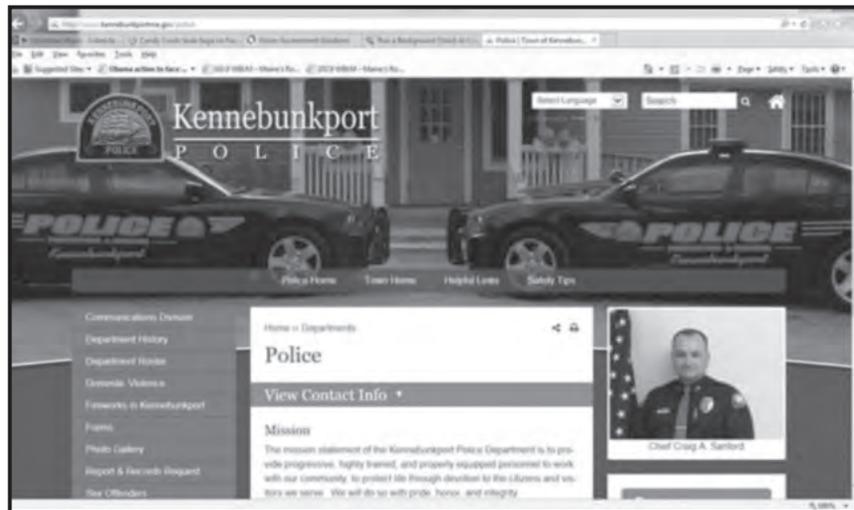

When I first became your Chief of Police in 2011, it did not take me long to realize the staff at the Kennebunkport Police Department truly deliver a level of service not common to many communities. Staff members routinely do more, endure more, and show a level of compassion for the community unmatched elsewhere. Our goal is to not just maintain this unmatched level of service but strive to improve on it.

Kennebunkport is fortunate to not have higher levels of crime so common in neighboring towns. Our work is so often compared with numbers of tickets issued or numbers of arrests made. I, as your chief, must not rely on just “numbers” to gauge the department’s effectiveness but look at other data such as citizen compliments/complaints, use of force reviews, internal investigations, and reported crimes. I challenge each of you to see numbers as just that—a number—and not a true indication of a department in town government. We are all people serving people, and we will continue to ensure that the people we serve are treated with dignity and fairness as our top priorities.

As indicated in the graph below, it is easy to see that index crimes have dropped off dramatically in 2014 (Index Crimes at 30) compared to 2013 (Index Crimes at 65). I see no tangible explanation for the decrease. Speculation has put the drop on an improving economy. I am not convinced that is the only answer. I believe officers are doing a great job in being visible in the community as well as knowing the Town and its inhabitants. We continue to monitor the drug epidemic involving heroin in the State of Maine. We have not experienced numerous overdoses or an increase in thefts associated with this unfortunate problem as seen in larger municipalities. We do stay informed on current trends and programs should we need to take a more aggressive role in addressing the addiction problem locally.

City or Town	Estimated Pop.	Crime Rate	Total Index Crimes	Clearance Rate
York So	--	--	408	29.4
Biddeford	21,304	46.33	987	41.8
Kennebunk	11,095	7.03	78	20.5
Kennebunkport	3,552	8.45	30	30.0
York County Totals	200,223	20.28	4,061	29.5

We were able to update our website and Facebook page to better communicate with our citizens. The website contains information useful to visitors as well as locals. One important tab you will see on our website is CODE RED. CODE RED is a program that allows our dispatch center to make group calls in emergency situations to notify the subscriber of important information. The system can be used for lost people, storm notifications, emergency alerts and other important events. I urge each of you to go to our website and go to the CODE RED tab and fill out the information. The service is free and there are no limits to the telephone numbers you may apply. Our goal is to become more active with updates on the website as well as our Facebook page.

Officer Daniel Place graduated from the Maine Criminal Academy after completing 18 weeks of intensive training. Daniel is originally from the Lakes Region area and was raised in a law enforcement family. His dad is a longtime Maine Game Warden serving as a lieutenant. Officer Place has successfully completed his field training phase and is currently working on his own in a patrol capacity. He will continue to grow and learn as he serves the Town of Kennebunkport.

The Town is working closely with architects and construction specialists to finalize the plans for the addition to the front of the police department. The addition will give town staff the ability to better handle emergency situations, conduct training, and facilitate meetings. Our goal is to maintain accessibility to the public while providing a safe work environment for site workers and town staff during construction. We are in hopes the project will be finished in early fall of 2016.

Each year, our mission changes in some manner. Without the exceptional staff here at the police department and the support from other town departments and volunteers, we would not be a successful team. I thank the public for the support and many kind words we receive throughout the year. It is our sincere hope the coming year will be safe and memory filled for all our residents and visitors.

Craig A. Sanford, Chief of Police

PUBLIC HEALTH AND NURSING SERVICE REPORT

The Kennebunkport Public Health Department is located at 101A Main Street, sharing the site with the Kennebunkport Police/Communications Departments. A nurse is in the office Monday-Friday, from 8:00-9:30 a.m. and from 1:00-2:00 p.m. Messages may be left on the nurses' answering machine by calling 967-4401. The on-call nurse monitors for messages on weekends and holidays. Any messages left after 4:00 p.m. will be returned the following morning.

Residents are encouraged to visit the nurses during office hours for blood pressure readings, blood sugar evaluations, dressing changes, treatments, and consultation. The office provides a variety of free resources and materials regarding disease prevention, health promotion/education, and community events.

The Public Health Department continues to actively promote programs that focus on improving the health and welfare of our community members. Our service provides skilled nursing care in residents' homes as well as at the Public Health Office. Coastal Rehab, Interim Health Care and Amedisys Home Health assists our staff by providing Medicare and private insurance covered services such as occupational therapy, physical therapy, speech therapy, home health aides and certified nursing assistants. The Public Health Department is Medicare B certified.

The nurses made 1,448 home nursing visits and 263 health supervisory home visits. Residents made 355 office visits for treatment and 317 for consultations. We would like to remind residents that the Public Health Department has a free durable medical equipment loan closet. This closet is funded by the Health Council. Articles include wheelchairs, walkers, commodes, toilet risers, crutches, canes, and adaptive home equipment.

Four Health Officer complaints were filed and responded to by the Public Health Director. All Health Officer complaints are directed to and investigated by your Public Health Administrator. State of Maine legislature mandates that each Health Officer completes a six-hour, certification program as well as recertification courses yearly. This past year, Maine Public Health placed emphasis on training Health Officers regarding hoarding, well water safety, lead poisoning, obesity and public/private nuisance complaints. In the event of an infectious disease outbreak, the Health Officer is required to work closely with Maine Public Health to report, monitor, and follow up on treatment and precautions in order to prevent the spread of the illness in the community. The Health Officer is responsible for distributing in the community the most current information regarding symptoms and treatment as well as the status of the incident that adversely affects the public's health until there is no longer a danger to the community.

The Public Health Administrator administers the General Assistance Program, as well as the social service programs for Kennebunkport residents and guests. The status of this function can be found in the General Assistance report.

This year the flu vaccine was administered in the Public Health office. Community members were encouraged to drop in during office hours to receive their vaccine at their convenience. We administered 120 doses of high dose for those over 60 and 110 doses of the Quadrivalent Flu Vaccine for those under 60. The Public Health Department continues to be responsible for the Hepatitis B administration and TB testing programs for town employees, volunteer Fire and KEMS.

The Public Health Department offers numerous outreach programs. This past year, we continued to participate in the Million Hearts Campaign. We worked closely with KEMS to offer adult and child CPR and AED classes for the community as well as continued with our Heart Safe Community Program. We are encouraging every resident to obtain, complete, and have visible, the bright orange Emergency cards. Having this information readily available during an emergency can save you or a love one's life. If you need a card or assistance with completing the information, contact the Public Health Department. The Public Health Department has developed a fall prevention program. We have created a fall prevention pamphlet with helpful tips and ideas along with resources needed to make your home safer from falls. Many things contribute to falling for example: medications, weakness, clutter in the home. Contact us for help making your home safer to help prevent falls. We also teamed up with Coastal Rehab this past fall for a balance program. Certified Physical Therapists evaluated community members who signed up for a balance assessment, putting them through a few exercises and then made recommendations to help improve their balance at home through exercises. We are working hard to help keep you in your homes safer and longer! "Home is the Comfiest place to be"—Winnie the Pooh.

On May 16, the Public Health Department and Nelson Analytical Lab/Kennebunk sponsored our annual Well Water Testing Day. The Public Health Department continues to offer this yearly event. The kits are free, and there is a reduced fee for Kennebunkport residents. It is extremely important to have your well water tested every year for a dug well and every three years for an artesian well. There are over 1,000 households in Kennebunkport who rely on well water.

Residents are reminded not to discard unused prescription and over-the-counter medications in your household trash or sewer/septic systems. Please deposit your medications in the large green secured box located in the Police Department's lobby. Disposing medications in your septic or sewer system can adversely affect the systems efficiency as well as influence the status of our watersheds. Those who are using sharps such as syringes to treat diabetes and various illnesses, please bring them to our office for disposal in our Hazardous Wastes container. Kennebunkport Public Health and Police Department participated in the drug disposal project sponsored by the Maine Attorney General's Office.

The Kennebunkport Healthy Maine Beach team had a busy summer. An elevated enterococci bacteria advisory was posted 13 times, five of which were Precautionary Advisories. This is the second summer that we utilized the Precautionary Advisories Program. The theory is that during and after a rainfall of over 1 inch in

24-hour period, there is a greater chance of elevated bacteria counts due to the leaching of water from brooks and streams to the mouths of our rivers. The advisory is in place for two tidal cycles after the rainfall is over. Our highest sample readings were on August 13. Colony Beach sample result was 1,155, and the Batson River sample result was 1,115. The EPA sets 104 bacteria in a teaspoon of water as the maximum limit for safe water contact. The summer of 2015 dedicated water sampling testing team consisted of: Linda and Steve Hanna, Paul Hogan, Alison and Seth Kenneway, Lee McCurdy, Dan Tarr, and Judy Barrett. The Portside Rotarians, local lobstermen, and volunteers from the Conservation Commission and Kennebunkport Trust conducted two huge beach/island clean-up days.

This past year, Wilda Thurlow, R.N. passed away. Many of you will remember she and Peg Dolan, R.N. shared the duties as your Public Health nurses and as Consolidated School's nurses in the beginning of their Kennebunkport careers. Wilda was your Public Health nurse for 17 years.

We have had some changes in our office this past year. Susan Jackson, R.N. has moved onto another adventure in nursing. In August, Alison Kenneway, R.N., B.S.N. joined the department as the Assistant Director of Public Health. Also, our town webpage is current with Public Health news. We encourage residents to periodically see what's happening in the Public Health Department.

The Kennebunkport Health Council invites any resident of the Town who is interested in the health and social welfare of the community to join the volunteer board. Please contact the Public Health Department for meeting dates and times.

We wish to extend our appreciation to Dr. Willard Stitzell, D.O., the members of the Kennebunkport Health Council, the Healthy Maine Beach volunteers, and to all who have assisted us in our efforts to maintain a healthy community. We also wish to thank all of our patients' families and friends who remembered our office with memorial donations.

Judith A. Barrett, R.N., B.S

Alison Kenneway R.N. B.S.N.

GENERAL ASSISTANCE REPORT

General Assistance Program

The General Assistance Program is mandated by the State of Maine legislature. All recipients are responsible for meeting their own basic needs by any means available before applying for General Assistance. All eligible recipients are required to perform workfare; a failure to do so or falsifying information on an application results in an automatic disqualification of benefits for 120 days in any Maine community or township.

Fifteen General Assistance applications were requested. Five applications representing nine residents were filed during July 1, 2014, and June 30, 2015. Five applicants qualified for the State of Maine General Assistance Program. The number of actual applications filed does not reflect the residents who requested an application and a meeting to discuss the process, then decided not to apply for this program mostly due to the budget review and accountability process. As Kennebunkport's GA Administrators, the focus continues to be assisting residents with finding resources that meet the escalating housing, food, and heating costs.

Kennebunkport passed the Department of Health and Human Services GA audit again this year. During the winter of 2014-2015, the Kennebunkport Emergency Fuel Program provided for 68 emergency fuel deliveries of 100 gallons and twice assisted with avoiding CMP disconnects. This program is funded by donations. Your generosity is assisting many families who would be struggling to keep warm. The Kennebunkport Emergency Fuel/Food Program has enabled us to dedicate all funds budgeted toward the State of Maine General Assistance Program to be allocated towards housing assistance. Affordable housing continues to be the major problem placing our families in crisis. It is currently a requirement for the majority of social service agencies to refer a client to the resident's General Assistance Administrator for a budget review prior to requesting assistance from their agency. It takes time to assist residents or a relative who needs guidance as to where to start through the changing options in both the private and governmental sectors.

Residents are encouraged to apply for the State of Maine Refundable Property Tax Fairness Credit. Kennebunkport offers to town residents the Kennebunkport Property Tax and Rental Refund Program. Residents must qualify for the State of Maine Rebate Program before applying for the Town of Kennebunkport's Program.

The Affordable Care Act has enabled a number of our working residents to have medical coverage. Many for the first time in their adult lives.

York County is fortunate to have a free medical service that provides care for those without insurance.

York County Community Health Center
15 Oak Street previously the Nasson Campus
Springvale, ME
490-6900
Hours: Mon./Wed./Thurs. (8 AM to 6 PM)
Tues. 8 AM to 7 PM
Fri. 8 AM to 5 PM

This facility does accept clients who have insurance, Maine Care, or are uninsured.

Food Distribution

The major concern as your General Assistance Administrator continues to be the number of families who are experiencing difficulty with providing meals for their household. Requests for access to the local food pantries, soup kitchens, and the State of Maine Federal Food Stamp Program continue to rise at an alarming rate.

This past year, the Community Outreach Services Program provided food boxes for 760 residents. Many households utilize this program a number of times a month. Sixty-five food vouchers for fresh fruits, vegetables, meat, fish, and dairy were issued. The Community Outreach voucher program expended \$8,565 to assist Kennebunkport residents. What is alarming is that of the 65 vouchers issued, we had 86 residents over 60 in need of food. To access this program, residents must contact the Public Health Department at 967-4401, Monday–Friday, before noon. The program also provided Kennebunkport residents in need with personal and household supplies and offers a fresh produce/bakery goods distribution on Fridays, at 9 AM, at Saint Martha’s Church, Route One, Kennebunk. The number of Kennebunkport residents utilizing this weekly distribution is also increasing.

When school is not in session, millions of children in our nation do not have access to three meals a day. This affects their physical and mental development. To help with this problem, the Church Community Outreach Service and Community Harvest volunteers provided a free summer lunch program for children who were eligible under the free or reduced school lunch program.

The York County Shelter Food Pantry distributed 49 boxes of groceries to our residents.

The monthly Surplus Food Distribution Program is held on the “teen” Thursday of the month, from 12:00 to 12:30 PM, at the Dorothy Stevens Community Center, Thompson Road, West Kennebunk. This distribution is sponsored by the General Assistance Departments’ of Kennebunk and “the Port.” All food is obtained through the Food Rescue Program.

At this time, I would like to extend a special thank you to all who donate nonperishable food at the various collection sites, and to those who pick up the goods at grocery stores and bakeries, and deliver them to our community food pantries, soup kitchens, and shelters. Thank you the stockers of shelves, the packers of boxes, the drivers who deliver the food boxes to our office, and the special needs shoppers. Thank you to the Plant-A-Row volunteers who are out in the fields gleaning fruits and vegetables and to the home gardeners and farmers who dedicate part of their harvest to feed our neighbors. Thank you to those who took time out of their busy holidays to shop, pack, and deliver holiday dinners. And, last but not least, the Kennebunkport Health Council for sponsoring Stuff the Bus on both Election Days. Kennebunkport residents filled the pantry shelves and corridors. Residents purchased and filled with school supplies 17 backpacks for the Stuff the Backpack project.

Secret Santa provided Christmas gifts for seven Kennebunkport children. Fifty holiday dinners were delivered. There was no Salvation Army activity this past year.

We still collect used cell phones for Shelter Alliance to assist Caring Unlimited. Please leave them at our door, and we will be sure to pass them along to the appropriate agency.

General Assistance Administrators

The York County General Assistance Administrators continue to meet with various federal, state, and private sector representatives to review methods of funding and alternative resources to meet community residents' basic needs. The General Assistance Administrators are also required to attend the Department of Human Services classes to keep current with new legislation.

Thank Yous

A special note of thanks is extended to the Church Community Outreach Services, Community Harvest, Kennebunkport Health Council, Wildwood Fire Company's Ladies Auxiliary, Church on the Cape, He Cares Ministry, Village Baptist Church, Advent Christian Church, Secret Santa, Seacoast Garden Club, American Legion Auxiliary, Eastern Star, Portside Rotary, and the Kennebunkport Village and Goose Rocks Beach volunteer fire members. We would also like to thank those in our community who donate their time and resources to help our neighbors in need. Any resident of Kennebunkport who is in need of assistance to meet a basic need, or who has any questions concerning federal, state, or county programs is encouraged to call the Health Office at 967-4401.

Judith A. Barrett, R.N., B.S.

Alison Kenneway, R.N., B.S.N.

PUBLIC WORKS DEPARTMENT REPORT

The public works crew installing granite curb for sidewalk on Langsford Road

The winter of early 2015 was cold and snowy. For the month of February, the public works crew plowed snow on 15 days. Temperatures stayed cold all month with a high of 30 degrees on February 28. The crew concentrated on keeping roads open for school buses and the morning commute. We had success using liquid magnesium chloride combined with our salt and sand mix to keep snow buildup and ice pack from forming on the roads.

Our spring clean up went well as we had a seasonable March and were able to start site work for new traffic islands at the entrance and exit to Dock Square Parking Lot. Our crew installed a new underground conduit, placed concrete, and paved over the parking lot cuts for new installations. Public works corrected drainage problems on Ocean Avenue at Union Square along with installing new granite curb and an asphalt sidewalk at Union Square. In Cape Porpoise, we joined with the KKW Water District to replace a drainage structure in Cape Square and reconstruct the sidewalk near The Church on the Cape at Langsford Road. New granite curb was installed to create a grade separation between parking and pedestrian areas.

With the help of John Morgan and Cape Electric, public works rewired the Dock Square Monument planting area and installed new ground lighting. We enjoyed working with the Seacoast Garden Club to prep beds for this year's flower gardens. The Seacoast Garden Club volunteers planted spring, summer, and fall flowers to keep the square colorful. At town hall, we worked with John Morgan and George Burr to install a new brick entranceway with heater elements under the brick to prevent ice buildup. We obtained an MMA Safety Grant to help pay for the heater installation.

The public works and the parks department joined forces to renovate Silas Perkins Park. New gardens, a granite entrance with a Silas Perkins' poem, and two granite

monuments with a ship's bell were installed as part of the work. We worked with Tamarack Tree, Dan Viehmann Landscaping, and Downeast Turf Farm to install a maple tree and new sod in the park.

Dayton Sand and Gravel installed topcoat paving on Spruce Lane, Woodlawn Avenue, and Sherwood Drive along with a 2 mile stretch of Goose Rocks Road from Mills Road toward the Log Cabin Road end as part of our capital paving program. Our roadside and town lawn mowing program was ongoing from spring through fall. Public Works cut tree limbs on Stone Road using a lift for branches overhanging the road. Dock Square and Kings Highway at Goose Rocks Beach were swept weekly in the summer, and the crew were out nights painting crosswalks throughout town. In late November, Public Works and Kennebunk Light and Power cut and set the Dock Square Christmas tree for the Kennebunkport Business Association's annual prelude celebration. Thank you to Kennebunk Light and Power along with the prelude volunteers for all of the work done preparing Dock Square and Cape Porpoise Square for the tree lighting and other prelude activities.

Town Mechanic

Bob Pappas started work as Kennebunkport's town mechanic in July of 2015. He lives with his wife in Cape Porpoise, and they have a summer camp in Goose Rocks. He came up to Kennebunkport full-time after working for Spring Lake Public Works. Bob started working at a repair shop when he was 13 and takes that youthful enthusiasm to work every day.

Since starting at public works, Bob has enjoyed keeping some of our older equipment going. He serviced the public works fuel pumps and gave them a new coat of paint. Our 1980s vintage compressor looks like new, and our wood chipper is tuned up and working well. He has also gone over the recreation department's field maintenance equipment to keep them up to date for another year. In addition to servicing the police cruisers, he has brought back to life the police ATV with some care and carburetor repair. The fire department had him check out some of the electrical issues they have on the older equipment and with a wire brush and some battery work, he has helped keep their fleet in service.

Bob has been through every truck in our public works fleet and has made upgrades that have been a big help in serviceability. Plow trucks have all been equipped with a third battery giving us completely reliable starting capacity. Plow trucks have been outfitted with road temperature sensors to allow the crew to vary salt use with changes in road temperature during a storm. All of our equipment operators have been thrilled that he installed heated windshield wipers on our trucks, as the nights of leaning out over the wing to knock the ice off a wiper are over. Thanks to Bob Thibodeau for his tip on using heated wipers.

The Town has utilized Bob's skills as a fabricator to build sign brackets in Dock Square and by working with Lee McCurdy on float anchoring at Cape Porpoise Pier. He built a ram for beaver dam removal inside a Goose Rocks Road culvert and welded a new bracket on one of our plow truck engine frames that had a problem

with a failing radiator hose clamp. It was an eventful end of 2015 for him and the crew, and we look forward to keeping the Town's fleet rolling in the future.

Michael Claus, Director of Public Works

REGISTRAR OF VOTERS REPORT

People often ask me how many registered voters we have in Kennebunkport. This is a difficult question to answer because the number changes daily. Every day people move into town, move out of town, pass away or reach their 18th birthday. All of these events cause the numbers to change. So, I will answer the question as of the day I wrote this report. There are:

2467 - Registered Voters

Of those that are registered, there are:

720 - Democrats

889 - Republicans

57 - Greens

801 - Unenrolled Voters

As usual, I must thank Becky Nolette and Barbara Barwise, my Deputy Registrars of Voters. If you registered to vote, changed your address or changed your party enrollment at the polls, or if you came into Town Hall and I wasn't there, they were the ones who probably helped you.

If you have any questions about the election process, voting, or registering to vote, please call me at 967-1610. Otherwise, please don't forget to exercise your right to vote!

April Dufoe, Registrar of Voters

TOWN CLERK REPORT

This will be the last town report that I write because after 16 ½ years as your Town Clerk, I will be retiring on June 30, 2016. I will certainly miss all of the wonderful people I have met and helped over the years, but I am also looking forward to some time to myself to do many projects that I need some free time to accomplish. Thank you for allowing me to serve you for all of these years. I appreciate the opportunity and have grown so much because of it. Since I live in Kennebunkport, I will not be going far and will hopefully see you all around town.

The following is a brief summary of all the 2015 town meetings/elections:

May 12, 2015–R.S.U. #21 District Budget Meeting

We vote on the school budget in a two-step process as required by the school consolidation

law. The first step is to vote on the various segments of the budget at a district-wide meeting of Kennebunk, Kennebunkport, and Arundel voters. The meeting was held at Kennebunk High School at 7:00 PM for the purpose of approving the 2015/2016 school budget. The total budget proposed was \$40,068,299.29. After some discussion, all the articles were approved as written in the warrant.

June 9, 2015–R.S.U. #21 Budget Validation and Bond Referendum Election

The second part of the school budget process is the Budget Validation election. Kennebunkport, Kennebunk, and Arundel each held elections at our own town polling places to approve the budget that was adopted at the above district budget meeting. In Kennebunkport, there were 1,475 ballots cast either in person or by absentee ballot. The budget passed here and passed with the votes in all three towns combined. There was also a \$56.5 million bond question on the school ballot for the renovation of three schools in the district: Mildred L. Day school in Arundel, Kennebunkport Consolidated School, and Kennebunk High School. The question passed in Kennebunkport by a vote of 874–589 and also passed with all three town totals as well.

June 9, 2015–Annual Town Meeting

The first half of our Annual Town Meeting is a secret ballot vote to elect our Town officials and to vote on any referendum questions that the Selectmen propose. This year, there were two Selectmen seats, one R.S.U. #21 Director seat, one KK&W Water District Trustee seat, and one At-Large member of the Beach Advisory Committee seat open. Stuart Barwise and Allen Daggett ran unopposed for the two seats on the Board of Selectmen, each with a term of three years. Peter Fellenz and Valerie Lander ran for the R.S.U. #21 Director's seat and Peter Fellenz was elected to a three year term by a slim margin of 30 votes. Jim Burrows ran unopposed for the KK&W Water District Trustee seat, and Mike Weston ran unopposed for the At-Large Member of the Beach Advisory Committee seat, each with a term of three years. There were also eight referendum ballot questions. One was an amendment to the Dog Ordinance (now called the Animal Control Ordinance). Another question asked the voters if they wanted to begin the process of withdrawal from RSU#21. The other six questions were amendments to the Land Use Ordinance concerning residential mixed use structures, the definition of lot area, performance standards of hotels, motels, bed and breakfasts and inns, the shoreland zoning map, permitted use structures, and fixing errors and omissions. This day saw 1,475 people voting either in person or by absentee ballot. All ordinance amendment questions passed by large amounts; however, the withdrawal from R.S.U. #21 failed by a vote of 524–928.

June 13, 2015–Continuation of Annual Town Meeting

On Saturday morning, at 9:00 AM, at Consolidated School, voters reconvened to vote on the 2015-2016 Town budget. The article that drew the most interest was the one to raise and appropriate \$1,000 for the Chamber of Commerce. Laura Dolce, Executive Director of the Chamber of Commerce spoke of the benefits the Chamber provides to the Town. Several residents spoke against the funding because the Chamber does not provide vital life services like food or shelter to our residents. After a brief discussion, the vote to amend the article to eliminate the funding to the Chamber passed, and the article was approved as amended. All other articles were approved as written in the Warrant.

November 3, 2015–Special Town Meeting

At this election, the Town ballot had only one question. This day saw 743 voters casting ballots either in person or by absentee ballots. The voters easily passed an amendment to the Animal Control Ordinance regarding plover nesting areas and limited dog access areas by a vote of 587–152.

November 4, 2014–State of Maine Referendum Election

There were three referendum questions on the state ballot. One was a Citizen’s Initiative question regarding Clean Elections and the other two were bond questions, all of which the Kennebunkport voters approved, and all were approved statewide as well.

Audrey Williamson, Rose Wills, and Becky Nolette are now doing most of the customer transactions that involve cash receipting since I have been given other responsibilities beyond my duties as Town Clerk. We are trying to make it as easy as possible for you to process all your transactions in one place and give you the best customer service while still complying with all local and state laws. I want to thank Audrey, Rose and Becky for all of their hard work.

Lastly, I want to thank Christian Barner, our town meeting moderator, and Claire Julian, who served as warden for our elections. They put in very long hours on election days and keep the polling place compliant with all of the election laws. I also want to thank all of my ballot clerks. This year Barbara Barwise, Jean Conaty, Helen Conaty, Mark Dufoe, Ki Leffler, Lianne James, Sally McKay, Ellen Doubleday, Dave Doubleday, Jan Dicey, Doug Dicey, Lillian Bartlett, Gillet Page, and Ann Marie Briggs all gave up their time to work at the polls. They are all loyal and dedicated citizens of the Town, and we owe them a debt of gratitude for their service on election days. Lastly, I want to thank Marc Cote who provided the sound and David Powell who provided the video at our open town meeting. Since I am not a technology wiz, their expertise was invaluable.

And now the statistics for 2015 . . . We issued 97 marriage licenses, many hunting and fishing licenses, 491 certified copies of vital records, 886 dog licenses, 26 annual and 64 daily liquor licenses, 15 special amusement permits, 64 victualers licenses, 21 special event permits, 8 non-resident recreational clam licenses, 75 resident recreational clam licenses, two trolley permits, and two horse-drawn carriage permits. We also processed 3 new business licenses, 20 burial permits, thousands of Dock Square Parking Lot vouchers, and hundreds of Goose Rocks Beach parking passes. There were 42 recorded deaths and 15 recorded births, of which 9 were boys and 6 were girls. We also processed over 7,000 tax payments, registered thousands of cars as well as 465 boats, 63 snowmobiles, and 43 ATVs, not to mention the constant stream of questions we answer and the miscellaneous tasks we do on a daily basis.

Please feel free to call me Monday–Friday, 8:00 AM to 4:30 PM with your questions or concerns at 967-1610.

April Dufoe, Town Clerk

RECORDED DEATHS – 2015

WASTEWATER DEPARTMENT REPORT

In 2015, the wastewater treatment plant processed a total of 102,110,000 gallons of wastewater. The wastewater treatment process generated a total of 1,741,950 gallons of biosolids that was turned into 1,978 yards of compost.

Just for comparison, here are the numbers for the past three years:

Year	Gallons Treated	Gallons of Biosolids Produced	Yards of Compost Produced
2015	102,110,000	1,741,950	1,978
2014	117,212,000	1,401,000	1,236
2013	113,875,000	1,319,970	1,348
2012	110,748,000	1,845,000	1,550

The Board of Selectman asked us to look at changing the way we do our wastewater treatment billing from a flat rate system to a water consumption based system. We solicited proposals and hired Underwood Engineering to do the water billing study. Underwood Engineering has taken all of the work that we have done and added it to their method for the water billing process. We should have the report for the Board of Selectman to study this winter so they can make a decision on whether they want to switch to billing on water usage and not the flat rate that we are currently using.

We installed a new phone system in the wastewater department this year. All of the Town's departments are on the same system and they are interconnected, which should allow us to be able to operate more efficiently.

A new 10-unit subdivision was added to the collection system this year; Wallace Woods is located off of North Street near Locke Street. The collection system that was installed in this subdivision is a small diameter pressure sewer that will pump into the gravity sewer in North Street.

Wright Pierce finished their study of the Green Street and Chicks Creek pump station, and their recommendation was to reconfigure and rebuild the pump station in their present location. With the recommendation from Wright Pierce on the pump station, we presented to the Board of Selectman a list of other projects that need to be done such as: replace the roofs on the clarifiers, replace the four aeration tank blowers, and replace the three influent and effluent pumps. To do all of these projects, it only makes sense to bond them with the low interest rates. The pump stations were put online in the 1970s, with the pumps being replaced in the 1990s, the clarifier roofs, the blowers, and all of the pumps went online in 1984. It is time to replace this equipment before we have a major catastrophe. The Board of Selectmen has supported the idea of going for a bond; so hopefully, you the townspeople will support it too.

Allan K. Moir, Wastewater Superintendent

THE BEACH ADVISORY COMMITTEE REPORT

2015 marked the third summer of stewardship of Goose Rocks Beach by the Town and Beach Advisory Committee (BAC) pursuant to the Beach Use Agreement and Ordinance (adopted in the summer of 2012). The BAC held five public meetings during the year including summer meetings near the beach at the firehouse and the Kennebunkport Conservation Trust (KCT). We published four newsletters which are sent to over 500 subscribers and also regularly posted to our new Facebook page (Friends of Goose Rocks Beach). The FB page was also used to report on plover activity and weekly water quality testing as part of Kennebunkport's participation in the Maine Healthy Beaches program.

Working with dog owners and other neighbors, we proposed amendments to the "Dog Ordinance" to provide a better balance between the protection of endangered species on the beach and the ability of dog owners to walk their dogs along the beach. The amendments were approved by voters in June—the most significant change is that while dogs are now permitted on the entire beach at designated times, they must be leashed at the west end—the primary nesting area for plovers during the April 1 to September 30 period.

We worked with the Town to add a walking lane on the west side of New Biddeford Road. It is hoped that the lane will encourage visitors who park on New Biddeford Road to use the lane as they walk to the beach. The walking lane will be completed in the spring of 2016 in time for the summer season. It will extend all of the way

from Kings Highway to Winter Harbor Road so that visitors and residents alike can more safely walk the popular loop around the Goose Rocks Beach neighborhood.

In collaboration with the Kennebunkport Conservation Trust, our Natural Resources subcommittee organized groups of volunteers who worked in the spring to remove invasive plant species from the dune areas of properties owned by the KCT and the Town. In the fall, volunteers, including students from the high school, planted hundreds of new native plants and grasses into these areas as well as along the public right-of-way at Jeffries Way (which had been damaged by a winter storm). Invasive, non-native plants threaten wildlife habitats and displace native plants that are important to Maine's ecology. Invasives can out compete most native plants because they grow quickly and are not easily affected by native pests and diseases. As they spread, they become more and more difficult and expensive to remove, and their presence diminishes the diversity of wildlife.

On July 23, we cosponsored, along with the Kennebunkport Conservation Commission and the Kennebunkport Conservation Trust, an educational program featuring a speaker from the Friends of Casco Bay (FCB). FCB has been measuring and testing water quality and marine life for over 20 years. The group studies levels of nitrogen and pesticides in the water, and study results show higher levels of these chemicals closer to the shoreline. Therefore, results suggest a connection to runoff from land.

High levels of nitrogen promote algae blooms; when these green plants die and decompose, they suck the oxygen from the water. This decomposition process also releases carbon dioxide that create acidic conditions making it harder for clams and mussels to build and maintain their shells. While two-thirds of the carbon dioxide pollution comes from the atmosphere and sewage treatment plants, studies show that one-third is runoff from farms and lawns—and can therefore be prevented or reduced with planning and better management. While we have not had an algae bloom at the beach, they have been occurring in Cape Porpoise.

We learned that growing our lawns taller promotes better root growth, which in turn brings more natural nutrients to the grass and reduces the need for added nitrogen. Even sharpening lawn mower blades means healthier grass! The speaker,

Mary Cerullo, urged attendees to do a soil test before concluding a lawn needs chemical additives. Our town nurse has soil test kits at her office (next to police station). Your soil sample can be mailed to the University of Maine Extension Service for testing (\$15 per sample).

Finally, we used a portion of the beach maintenance fund to support the Maine Sea Grant beach “profiling” project. Beach profiling is a simple surveying technique used to measure changes in the contour of the monitored beach. The Southern Maine Volunteer Beach Profile Monitoring Program is a unique collaboration among local volunteers, participating municipalities, and scientists resulting in 15 years of critical data on the status of one of Maine's most vital and valuable natural resources. A summary of expenditures from the Beach Maintenance Fund for 2015 can be found at <http://www.kennebunkportme.gov/goose-rocks-beach-advisory-committee>.

As always, the BAC welcomes comments and suggestions as we promote stewardship of Goose Rocks Beach. Please go to our Facebook page, *Friends of Goose Rocks Beach*, and “like” us to follow updates. If you would like to communicate with the committee or want to receive our periodic newsletters, please email us at grbadvisory@gmail.com.

BUDGET BOARD REPORT

The Budget Board is again pleased to submit its report to the citizens of Kennebunkport. As in previous years, we continue to have an excellent rapport and communication with the Board of Selectmen. We will meet with the Selectmen in joint session as the budget is presented by the Town Manager and department heads. We will listen carefully to the various presentations and the justification for their requests. We will request clarification when needed in order to make the budget requests and processes as transparent as possible. We will then meet as a separate board with the Town Manager and department heads, and review carefully every budget request that has been made. We will then make the Budget Board’s recommendations.

As in previous years, the Budget Board will request that the administrative recommendations, the Board of Selectmen’s recommendations, and the Budget Board’s recommendations be printed in each article and be reported in the town meeting warrant.

The Budget Board feels that the process continues to be done in keeping with the democratic processes that have long been a custom and tradition of Maine and New England.

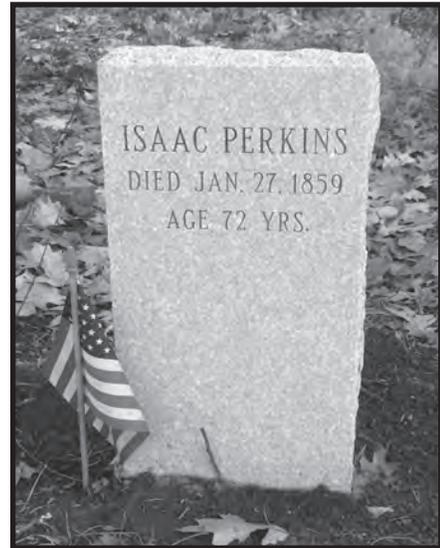

The Budget Board expresses its appreciation to all town employees, the department heads, the Town Manager, and the Board of Selectmen for their cooperation, assistance, and dedication to our community.

Leo Martin, Chair	Adam Burnett	David Betses	David James
Grace Adams, Sec.	Barbara Barwise	Douglas Dicey	Kathryn Leffler
Theodore Baker	Dan Beard	Dawn Morse	Michelle Powell

CEMETERY COMMITTEE REPORT

Old headstone.

New headstone.

In 2015, the Cemetery Committee spent time focusing on the state of veterans' headstones. After locating all of the veterans, we found several that were in desperate need of replacement, one having become illegible. Luckily, we had the records kept by Clarie Nickerson who years ago researched all of the cemeteries in Kennebunkport. Replaced were three stones: Charles Perkins (Civil War), Benjamin Curtis (Civil War), Daniel Perkins (Revolutionary War), and Isaac Perkins (War of 1812). A number of headstones in the School Street Cemetery that were cracked and fallen over were repaired as well.

Our plan for 2016 is to continue to maintain and monitor the cemeteries, clean up winter debris, continue GPS where the cemeteries are located, and find ones that have not been visited in many years. We are also hoping to alphabetize and computerize all those buried in the Town so it is easier to locate them if someone is looking for a particular person. Right now, everyone is just listed in the cemetery they are buried in.

Jim Burrows, Steve Bryant, and Heritage Memorial assisted us in the effort to repair and cleanup our cemeteries. A Kennebunkport Conservation Trust member has agreed to maintain the four cemeteries on the Trust properties. It is an ongoing

task with brush and bushes growing back every year. Another volunteer has been maintaining several large and small cemeteries that are hidden away from the public eye throughout the Town. A recent high school graduate continues to maintain two cemeteries off of Goose Rocks Road. There are also a number of townspeople who quietly maintain the beautiful cemeteries on their properties. Our appreciation goes out to all of you who help in this endeavor.

Did you know:

- That there is a hidden cemetery off of Roberts Lane called Springer Hill Cemetery that contains about 34 headstones with some familiar town names like Hutchins, Nunan, and Seavey?
- That the Arundel Cemetery is actually a Kennebunkport Cemetery that has its own Board? It is separate from the Cemetery Committee which deals with the smaller cemeteries in town. It is the only active cemetery in town.
- That in the smaller cemeteries (not Arundel) there are eight Revolutionary War Veterans; 20 Civil War Veterans; 1 French and Indian War Veteran; 3 War of 1812 Veterans; 2 World War I Veterans; 2 World War II Veterans; and 1 Korean War Veteran?
- That the first official town teacher is buried in a cemetery located behind the old School House Farm on Goose Rocks Road?

As always, thanks to the American Legion for placing flags on our veterans' headstones every year.

Ann Doe stepped down this year. Thanks for your many years of service to the Cemetery Committee, Ann.

Greg Pargellis
Ann Sanders

Rita Schlegel

CONSERVATION COMMISSION REPORT

In 2015-2016, the Kennebunkport Conservation Commission continued its ongoing stewardship of protecting our town's natural resources.

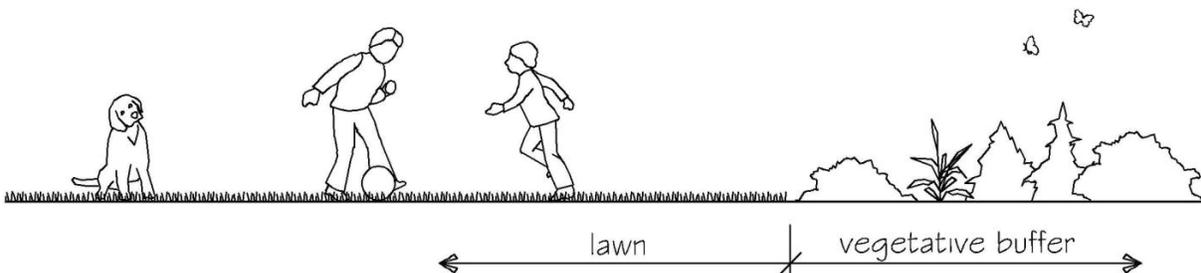

In July, we cosponsored an event with the Goose Rocks Beach Association and the Kennebunkport Conservation Trust which was held at the community house at Goose Rocks Beach. Mary Cerullo of Friends of the Casco Bay presented "A Changing Casco Bay." The audience learned how ocean acidification caused by climate change, warming waters, and pollutants making their way from rivers into the bay are all putting too much stress on this critical ecosystem. The presentation shared research on how ocean acidification impairs the ability for clams and

mussels to grow, while it also adversely affects how other creatures like fish and lobster fight off disease. Runoff from city streets and over-fertilized lawns compounds these problems by adding additional stressors to the system. This excess nitrogen causes algae blooms resulting in coastal acidification.

Please report mudflats that are covered in green slime to the Town and the Conservation Commission, as we want to know of any of these incidences.

We researched what other towns are doing in the way of pesticide ordinances and how that might relate to Kennebunkport. While legislation has some value, we feel that education has a huge part to play in how fertilizer, pesticides, and herbicides are used in our lawn care, and we are continuing in our efforts to have information available about the most ecologically sound way to care for our lawns and gardens. Since everything in Kennebunkport eventually flows to the ocean, following the "10 Simple Steps" in our brochure makes a big impact on the health of our people, pets, and environment.

The majority of fertilizers, herbicides, and pesticides that are applied to Kennebunkport lawns are applied by lawn care companies. We included a letter to property owners in the March town mailing that encourages those who hire a lawn care company to take an active role in understanding how their lawns are maintained. Several years ago, Kennebunkport adopted the "Best Management Practices for the Application of Turf Pesticides and Fertilizers" as policy for maintaining all town properties, and we encourage homeowners to use lawn care companies that will follow those guidelines. We also encourage the use of vegetative buffers at the edges of lawns which goes a long way toward filtering the harmful effects of fertilizers, pesticides, and herbicides before they leave your property.

In addition to our outreach programs, we shared information with the Falmouth Conservation Commission about our Lawns for Lobsters program, as they are exploring the implementation of a similar program.

Visit the Conservation Commission webpage on the Town's website at <http://goo.gl/NnQwiE> for a copy of the "Ten Simple Steps" brochure, the "Best Management Practices," and additional information. You can also send a message to the Conservation Commission from that webpage.

GOVERNMENT WHARF COMMITTEE REPORT

Another record setting year for the lobster industry, 2015 once again proved to be an increasingly good year for the growth of the industry. The catch rated in the top percentage for best years again with a slight decline in statewide pounds caught, but a rather large increase in sales with a record estimated income. Late summer and early fall presented a good harvest for our local fisherman resulting in an increased workload showing above average results in the end. The marketing team developed by the state last year helped spread supply to new locations helping increase state profit now and for the future. This industry continues to produce near \$1 billion dollars yearly for our Maine economy making it a vital resource to our state.

The year 2015 followed suit for past years and provided excellent weather to harvest our coastal waters. A few storms still struck our coast, which again caused lobster traps to be washed ashore. The members of Government Wharf join annually each spring to perform beach cleanups of stray gear and related fishing apparatus. The 2016 shore cleanup has been scheduled at the end of April or early May. If you have lobster gear on or near your property or have questions or concerns, feel free to call the Kennebunk or Kennebunkport Harbormaster or notify The Department of Marine Resources.

The revitalization project for Government Wharf is moving forward. Funding has become less of an issue and planning is under way. The first step of dredging near the Town portion of the floats has been completed, and a barrier wall has been constructed. Further planning for step two is in the works, and we hope to see more progress in the near future. Also in the springtime, the members of Government Wharf join together and perform maintenance on the existing wharf to maintain a safe and working facility with dues collected annually from each member to fund these projects.

Once again, we are thankful for your continued support to the local commercial fishing fleet.

Chris Welch, Chair
Jeff Davis

Ron Francoeur
Dennis Goulet

GROWTH PLANNING COMMITTEE REPORT

During the past year, the Growth Planning Committee continued its focus on the development of strategies to increase workforce housing opportunities in Kennebunkport. The goal is to increase the availability of housing within Kennebunkport that would be affordable to those that work and volunteer in our town. The rising value of homes in Kennebunkport has made this objective very difficult.

In June 2015, the “Residential Mixed Use” Warrant Article was approved as Article 7.13 of the Land Use Ordinance. This Article allows for the development of both a small scale residential use and a small scale commercial use within the same structure, on a single lot in the approved zones. This changes the previous requirement for one lot for each type of land use.

The GPC began work on a revision to Article 7.14 “Roomers” with the objective to increase the availability of rooms within owner occupied homes for rent to working adults, university students, or visitors while minimizing the impact on the local neighborhoods. This work has been an impetus for a good discussion by engaged citizens on the impact of internet-based, rental services on the character of the Town.

In November 2015, the GPC met with the Workforce Housing Coalition of the Greater Seacoast. This nonprofit organization provides technical assistance to towns in southern Maine and New Hampshire to find ways to develop workforce housing. One tool is called a “Charrette” where professionals in planning, financial services, housing design and others volunteer to help a community envision what workforce housing opportunities there may be within their town. With the approval of the Board of Selectman, the Town of Kennebunkport submitted an application to host a Charrette in 2016.

In May of 2015, Jean Conaty announced that she would not seek reappointment to the Growth Planning Committee. I would like to take this opportunity to thank Jean for her many years of service to the Committee and the Town of Kennebunkport. Her honest and thoughtful input during the development of the Comprehensive Plan was instrumental in producing a document that met the approval of the Town of Kennebunkport and the State of Maine.

I would like to thank each of the members of the Growth Planning Committee for their service this past year. We did not always agree on each point, but the discussion was always respectful and the result was always better for the effort. I would like to thank Werner Gilliam for his continued leadership in supporting our Committee’s work and keeping us moving forward. Lastly and most importantly, I would like to thank the residents of Kennebunkport for their vote of confidence in the work that we have done and for engaging with the Committee on topics they find important.

Dan Saunders, Chair

Jean Conaty, Vice-Chair (thru June 2015)

Barbara Barwise, Secretary

Paul Hogan

Adam Burnett

James McMann

Jim Fitzgerald, Jr., Vice-Chair

George Geyerhahn

Werner Gilliam, Town Rep.

KENNEBUNK RIVER COMMITTEE REPORT

The Kennebunk River Committee continues to monitor activities relative to safety and the condition of the Kennebunk River in efforts to retain its viability and importance to the Kennebunks.

The Kennebunk River Committee was informed in January 2015 that all dredging at the Arundel Yacht Club, Yachtsman, and Government Wharf will be postponed until fall of 2015. Due to severe winter weather/sea conditions, retrieving samples for examination to obtain proper permits was delayed and the contracted dredging company could not start the dredge. The retaining wall at Government Wharf will be installed before the dredging starts in the fall of 2015.

The Towns of Kennebunk and Kennebunkport are moving forward with taking control of the Pump-out barge. Funding has been set aside for insurance, maintenance, and pumping out the barge when needed.

Harbormaster Ray Billings reports from meetings on the Mat Lanigan Bridge project that the bridge may be a prefabricated bridge. The Committee believes this will be a better option than building a temporary bridge and believes this will significantly reduce the possible impact on the river, reduce the length of construction and the overall time of traffic congestion in Lower Village and Dock Square.

Harbormaster Billings and members of the Committee have notified the Town of Kennebunkport and the Army Corp of Engineers that a section of the jetty on the northeast side has structural issues. Some of the granite blocks have shifted and may result in further deterioration of the wall. The Committee and Harbormaster Billings recommended it be repaired before the parking surface starts to fall in to the Kennebunk River.

The Committee continued their effort to get the Sea Grass Lane Public Non-Motorized Boat launch in Kennebunk officially opened. The Town of Kennebunk has established for Kennebunk residents the four, permit-only, parking spaces but has not posted appropriate signage as yet.

The Committee would like to recognize the continued support and cooperation from both Kennebunk and Kennebunkport.

LIGHTING COMMITTEE REPORT

We see our mission as preserving the night sky for residents, visitors, and future generations.

The old incandescent platter lights create a unique ambience to our area. Central Maine Power (CMP) has started to replace these old platter lights with lower wattage, but brighter, high pressure sodium light fixtures, which appear as a stronger yellow color. These new lights are two times brighter than the current 105 watt incandescent fixtures. The Lighting Committee in collaboration with the Town Manager and Town Highway Supervisor are looking into the Town owning the fixtures instead of leasing them from CMP as has been the previous practice. The objective for the Town is to reduce the yearly rental costs of the street lighting in town.

During 2015, the Committee worked on a numbers of projects:

- Reviewed the lighting for the new police station. The first submission did not meet the Town's ordinance. Revisions were made to comply, and the Committee recommended that the light levels be reduced.
- Replaced the previous low voltage incandescent fixtures at the Dock Square monument with new LED lights.
- Installed a new LED carriage light installed at the corner of the pharmacy by the crosswalk. The light levels are higher in the middle of the crosswalk providing better illumination of pedestrians.
- Reviewed the Webster Woods project.
- Reviewed the Education Center for the Kennebunkport Conservation Trust, and the lighting proposed was below the Town's minimum requirements and consistent with our ordinance.
- Continued ongoing issues for the Committee are the existing ordinance's enforcement and the interfacing with the requirements of the Planning Board criteria for projects in town.
- Approved a new LED for the intersection of Wildes District Road, Main Street, and the Ward Road. This unit will be placed in 2016 on an existing CMP pole.

Please read our ordinance, available online, and evaluate your own exterior lighting for compliance. If there are any questions, please give our Committee a call for assistance.

Anyone interested in our night environment in town is encouraged to join the Lighting Committee.

James M. Stockman, Chair
George Acker

Robert Fairbanks
Julie Gerrish

PARSONS WAY COMMITTEE REPORT

The mission of the Parsons Way Committee is to uphold and insure the intent of the donor, Henry Parsons, such that the parcel “. . . should ever be kept free for its scenic effect and beauty and for the enjoyment of the townspeople and their guests.”

In 1944 Henry Parsons donated the Parsons Way to the Town of Kennebunkport. As noted in the donor’s intent section of the deed, *the parcel was to be kept free from any structures (except for drainage) or buildings. It was never to be used for any commercial or building purpose, nor was it to be used as parking for automobiles. The document goes on to say that the parcel “. . . shall forever be kept open and clear for the unobstructed view of the ocean.”*

In order to keep the views open, clear, and unobstructed, each spring Parsons Way, its pathways, and bench areas are selectively trimmed back to the allowable 3 foot height. This annual maintenance is subcontracted. However, throughout the season, the Town highway department is helpful in providing regular routine care and upkeep.

Our primary concern continues to be the maintenance and beautification of Parsons Way so that it may be enjoyed by the townspeople, their guests, and visitors of Kennebunkport. We also administer the implementation and maintenance of the bench memorials.

Please contact the town offices or Louise Spang at louisespang@spangbuilders.com if you are interested in a bench memorial.

Louise Spang, Chair

Gordon Ayer

Barbara Barwise

PLANNING BOARD REPORT

The Planning Board had an active and “interesting” year in 2015. The Board saw a normal volume of both residential and nonresidential applications, and there was a modest increase in the number of bank stabilization/dredging applications. The Board also approved two new subdivision applications: Oak Ridge and Wallace Woods. The Board spent a great deal of time on the Kennebunkport Conservation Trust’s proposal to restore the Grist Mill. The initial proposal was submitted to the Board in 2014, and revisions in the form of new applications came before the Board in 2015. As in 2014, the proposal generated a great deal of public interest—both pro and con—and involved several lawyers representing all sides. The application was finally approved in September. Working with the Growth Planning Committee, the Board discussed standards for residential mixed use as part of an effort to add affordable housing in Kennebunkport. Board members also participated in discussion with the GPC on the issue of short-term rentals.

The applications before the Board in 2015 included the following:

PURPOSE OF APPLICATION	NUMBER OF CASES	
	2014	2015
Residential building renovation, rebuilding, or landscaping	4	7
Nonresidential construction, additions or change of use	12	7
Piers, ramps, wharves and walkways	3	2
Revision or reapproval of previously approved subdivision or site plan approvals (plus a proposal for one new subdivision)	1	2
Bank stabilization	1	3
Golf course improvements	0	1
New subdivisions	2	2

Board members were all active contributors to the Board’s work during the year. And, as always, we especially thank Lisa Harmon in the code enforcement office and Trish Saunders (minutes) for their truly excellent support during the year.

David Kling, Chair
 Thomas Boak
 Helen Conaty

Peter Fellenz
 John Hathaway

Ray Hilwig

SEWER ADVISORY COMMITTEE REPORT

Although the Kennebunkport Sewer Advisory Committee did not hold a meeting in 2015, committee members were provided the opportunity to review the proposed Wastewater Department 2015-2016 budget. Committee comments were considered by Wastewater Department Superintendent Allan Moir and appropriate corrections were made to the draft budget prior to submitting a final budget to the Board of Selectmen.

The following wastewater infrastructure operational issues/needs and associated proposed capital equipment funding requests were presented in the 2015-2016 budget to the Board of Selectmen:

- For a water billing rate study to assess switching from a flat rate billing system to a water billing system based on water consumption by dischargers to the public sewer/wastewater plant.
- For continuing the wastewater grinder pump replacement project (requesting funding to replace eleven pumps in 2016).
- For replacing sodium hypochlorite and sodium bisulfite metering pumps (wastewater discharge disinfection and dechlorination chemical feed pumps) that have reached the end of their service life.
- For replacing sodium hypochlorite and sodium bisulfite storage tanks (wastewater discharge disinfection and dechlorination chemical storage tanks) that have reached the end of their service life.
- For replacing wastewater force main air release valves that have reached the end of their service life.
- For replacing and repairing/rebuilding pump station isolation valves that have become inoperable.
- For completing design/engineering to upgrade the Green St. and Chicks Creek pump stations.
- For replacing selected analytical equipment for the in-plant laboratory (in order to maintain the plant's wastewater discharge license).

The Board of Selectmen reappointed the following Wastewater Advisory Committee members for 2015-2016 terms: Bob Convery, Stephen Couture, Richard Johnson, and Joseph Martin Mead. There is one vacancy for the 2015-2016 term.

Stephen Couture

SHADE TREE COMMITTEE REPORT

You have probably driven around Town and noticed those silver round tags on some of the majestic trees that line our downtown streets and neighborhoods.....well, those are “TAGGED TREES.” The Town of Kennebunkport is proud to support the Shade Tree Committee in caring for and maintaining those beautiful tagged trees as part of the Town’s tree inventory.

Easement Deed

Some of those trees are on private property, some are on Town property, or a combination of Town and private property. As the newly appointed Tree Warden, along with the Shade Tree Committee, we will be making strong efforts to obtain written permission via an easement deed as we go forward to care for and maintain our tagged trees. The easement deed reads as follows:

1. The Grantor and Grantee/Town acknowledge that the purpose of this easement is to meet the Town’s objective of providing and maintaining trees—which contribute shade, beauty, and clean air to the environment—for the benefit of the Town, Grantor, and the general community.
2. This easement shall be a perpetual easement that runs with the land for the purpose of planting, replanting, maintaining, pruning, or removing any part of the Tree, as hereinafter described, on Grantor’s property (the “Property”) located Street Address, in Kennebunkport, Maine, as more particularly described in a deed to Grantor, dated _DATE_ and recorded in the York County Registry of Deeds in Book _##__, Page ##_.
3. This easement shall include the right, but not the obligation, to enter onto the Property for the purpose of planting, replanting, maintaining, pruning, or removing all or any part of the Tree. The easement shall also include a right of access twenty feet wide, for persons and machines, for ingress and egress to the easement area in a straight line from the nearest public way for any purpose related to the subject of this easement. Grantee agrees that, following the completion of any such work, Grantee shall repair any damage to the Property resulting from such work so as to restore the Property substantially to its prior condition.
4. The Tree means any tree which the Town has planted (or may plant or replant in the future) on the Property, and if there is more than one such tree, this agreement applies to each of them. A general description of the Tree referenced herein, including the type of tree, number of trees, Town identification number, and approximate location on the Property, is attached hereto as Schedule A.
5. Grantor agrees not to remove or prune the Tree without the Town’s prior written permission, unless such action is required in response to an

emergency situation, such as severe storm damage that results in imminent danger to Grantor or any relative, guest, invitee or neighbor of Grantor, Grantor's property, or the property of any neighbor of Grantor.

6. The Town shall not be responsible for the raking or cleanup of leaves or small branches that may fall from the Tree.

Over the next few months, we will be contacting homeowners who have "tagged trees" to secure appropriate easement deeds. This easement deed document needs to be notarized and will be recorded at the York County Registry of Deeds, which will become part of the property's deed description. This easement deed will allow the Town to monitor and share in the maintenance of the tagged tree by giving permission to access your property. It also asks you to agree not to remove or prune that tagged tree without prior permission from the Tree Warden.

Tree City USA

We look forward to working with the Town and homeowners to maintain our status of TREE CITY USA and keep our Town's tree canopy green!! Kennebunkport has been recognized as TREE CITY USA for 38 years.

Frank Knight Award – Bob Palmer

This year we were also honored and proud to announce that Arborist Bob Palmer was the recipient of the Frank Knight Excellence in Community Forestry Award. Bob received the award at the Maine State Arbor Day Celebration on May 18, 2015, hosted here in Kennebunkport. He has been a key anchor to the success of our tree program and has a long history of caring for our Town tagged trees.

ZONING BOARD OF APPEALS REPORT

The Zoning Board of Appeals (ZBA) is comprised of up to seven residents of the Town who serve staggered three-year terms. The Board considers applications for variances, conditional uses, and administrative appeals as set out in the Town's Land Use Ordinance (LUO) and as governed by Maine law.

Variances may be granted to vary the LUO's requirements for lot coverage, lot size, lot-line setbacks, lot frontage, lot width, and height of structure, and only when an applicant can meet the standard of undue hardship, or in certain circumstances, practical difficulty or disability. In 2015, the Board denied one application for a variance considered under the practical difficulty standard.

Conditional uses vary from zone to zone and are set out in the Town's LUO. In 2015 the Board granted one application for a conditional use.

Administrative appeals arise when a party wishes to appeal an action or decision of the code

enforcement office. In 2015, there were no appeals to the Board of any decision rendered, or action taken, by the code enforcement office, testament to that office's excellent work.

The current members of the ZBA are Paul W. Cadigan, Chair, Gordon C. Ayer, Wayne Fessenden, James W. Fitzgerald, Jr., Karen Schlegel, and Jean Conaty.

Paul W. Cadigan, Chair

ARUNDEL CEMETERY CORPORATION REPORT

As in prior years, we continue to address improvements to the cemetery, more specifically in the last couple of years the development of our new Section B on Walkers Lane. Progress continues as more fill had been brought in and our superintendent, Carl Walton, has spent much of the summer laying out the road. This new section will provide 258 graves that can accommodate 1,032 more burials.

The clerk's office recorded deeds for 7 new lot sales for a total of 21 new graves, which were a mix of full grave sites, small cremations spots, and columbarium niches.

There were 36 burials, of which 8 were full burials and 28 were cremations, making the cremations 50% of the total.

We recognized some time ago that our By-Laws were outdated and after discussions over several months, the Board approved amended By-laws at the September meeting.

Well-known residents of Kennebunkport and longtime directors of the cemetery, Bob and Lois Badger both resigned from the Board in July. Kristen Woodman was elected secretary to replace Lois Badger, and in November we welcomed Susan Jackson and Keith Lewis as new members.

Sadly, Bob Badger passed away a few weeks after resigning and will be missed. He was on the Board for over 20 years, and the Board acknowledges in appreciation his active participation and contribution to the cemetery, including his role in the development plan for the new section, and his knowledgeable input in the financial management of the cemetery.

The Board continues to be very pleased with the performance and services provided by Carl Walton. His extensive cemetery management experience and his affable nature are a real asset to the cemetery and its patrons, and we are delighted to be working with him.

KENNEBUNK, KENNEBUNKPORT AND WELLS WATER DISTRICT REPORT

The Kennebunk, Kennebunkport and Wells Water District is a quasi-municipal public water utility that was established in 1921 by an act of the Maine State Legislature. The District serves an area that encompasses the Towns of Kennebunk, Kennebunkport, Wells, Ogunquit, Arundel and small portions of Biddeford and York. The area includes a population which varies seasonally from about 30,000 to over 100,000. It is directed by a four-member Board of Trustees, one each elected from each of the towns of Kennebunk, Kennebunkport, Wells and Ogunquit.

2015 was a very healthy, record-breaking year for the District. Compared with the prior year, 2015 saw a 4% increase in water production and a 6% increase in total revenues. From a financial perspective, the District received a record \$6.9 million in total revenues, exceeding 2014 revenues by \$374,000 and exceeding its anticipated 2015 budget by \$383,000. All of this contributed to a projected net income for 2015 of approximately \$300,000, as compared to a net income of \$326,000 in 2014. Such net income fluctuations from year to year are normal, as certain periodic maintenance items such as water storage tank painting (which occurred in 2015) are charged off in the year they occur. Overall, the primary drivers for the record water production and revenues are related to drier than average weather and long-term customer growth, as follows.

Precipitation during 2015, as measured at our Branch Brook Filtration Plant, was the lowest since the 2003 drought. At 41.25", it was 28% less than the 10-year average of 57.48". This year's dry weather, combined with a relatively stable local economy, resulted in record annual water production of 1.0954 billion gallons, edging out the prior record of 1.091 billion gallons set during the drought of 2003. This compares to 1.053 billion gallons in 2014, 1.073 billion gallons for 2013, and 1.026 billion gallons in 2012. The District's recently developed high quality groundwater sources were once again instrumental in helping the District meet customer water demands without the need for purchasing additional water from neighboring utilities. These groundwater sources produced 418 million gallons (38%) of all of the District's water production for 2015.

In spite of the somewhat sluggish economy of the past seven years, the District has maintained a reasonable growth rate, with 143 customers added in 2015. This compares with 138 in 2014 and 195 in 2013, resulting in a slightly lower than average customer growth rate of about 1%. Since 2003 however, the District's customer base has increased by 2,125, or 18.7%, and now stands at 13,495.

This was the fifth year in a row that the District has been successful in being awarded a low-interest SRF (State Revolving Loan Fund) financing package. Since 2008, through SRF financing, the District has installed \$7.8 million of infrastructure to date at a total bonded cost of \$7.3 million, at an average bond interest rate of only 0.84%.

With all of the recent discussion relating to the poor condition of America's infrastructure, the District is pleased to report that for the past 30-plus years, it has averaged replacing nearly 0.9% of its distribution system per year. This falls squarely within the desired water industry goal of 1% per year, based upon an expected 100-year usable life for water mains. Very few other water utilities have maintained such an aggressive (yet appropriate) water main replacement schedule. The District has accomplished this task while keeping its water rates below that of the average of Maine's water utilities.

The following is a partial list of distribution projects funded and installed by the District during 2015. These projects typically relate to our goal of coordination with state and town roadway projects, optimizing water quality, enhancing fire suppression capabilities, and improving system reliability by replacing outdated and substandard facilities with an eye toward accommodating anticipated growth. A significant portion of water main replacements during 2015 related to a two-year Maine Department of Transportation (MDOT) drainage and road rebuilding project of the full length of Route 1 in Ogunquit.

- Mile Stretch Road, Biddeford: Replaced 5,100 feet of old (1927) 10-inch cast iron (CI) main with 12-inch polyethylene (PE) main. (In conjunction with a City of Biddeford road rebuilding and drainage project and for system reliability.)
- Langsford Road, Kennebunkport: Replaced 1,530 feet of old 6-inch CI main with 8-inch polyethylene (PE) main. (In conjunction with a Town of Kennebunkport sidewalk and repaving project and for system reliability.)
- Parsons Street, Kennebunk: Replaced 1,024 feet of old 2-inch wrought iron and 6-inch transite main with 8-inch PVC main. (For water quality, quantity and system reliability.).
- Route 1, Donnells Bridge, Wells / Ogunquit: Replaced 406 feet of old 10-inch CI main with 20-inch ductile iron (DI) main. (In conjunction with a Maine DOT drainage and road reconstruction project).
- Route 1, Phillips Bridge, Ogunquit: Replaced 58 feet of 16-inch DI main with 16-inch DI main. (In conjunction with a Maine DOT drainage and road reconstruction project).
- Beach Street, Ogunquit: Replaced 676 feet of old 6-inch CI main with 8-inch PE main. (In conjunction with a Maine DOT drainage and road reconstruction project).
- Kingfield Avenue, Ogunquit: Replaced 535 feet of old 2-inch CI main with 3-inch PE main. (In conjunction with a Maine DOT drainage and road reconstruction project).

- Grasshopper Lane, Ogunquit: Replaced 775 feet of old 10” CI main with 8-inch and 12-inch PVC main. (In conjunction with a Maine DOT drainage and road reconstruction project).
- Founder’s Drive and Jefferson Way, Arundel: Oversized 1,550 feet of developer-installed main to 16-inch DI main. (To facilitate the connection to a future water storage facility on an adjacent lot.)

In addition to the above projects, individuals and developers funded several water main extensions totaling 6,000 feet in length.

Drinking water quality remains a top priority. We are pleased to report that in addition to making significant water quality improvements with our unique blending of groundwater and surface water, all State and Federal water quality standards were met during 2015. By maintaining a dedicated, well-trained staff and continually upgrading our process equipment and control systems, we continually assure the highest degree of reliability in the quality of drinking water for our customers.

District customers and all other interested parties are welcome to contact us at our business office at 92 Main Street in Kennebunk or visit our website at www.kkw.org. Electronic bill notifications, reminders, as well as online payment options are all available and tailored to suit our customers’ needs. Current and past issues of the District’s popular semiannual newsletter *What’s on Tap* are also on our website. As always, we welcome your input, as the District’s mission is ***to provide the best quality of water and customer service at the lowest reasonable cost.***

The Trustees of the District appreciate the continuing effort and dedication of their employees, as well as the support and cooperation of their customers, area contractors and State and local municipal officials.

KENNEBUNKPORT CONSERVATION TRUST REPORT

Thanks to a wide and growing base of membership support, the Kennebunkport Conservation Trust celebrated another year of accomplishments in 2015. Brian Fairfield, Art Vose and Gabe Bernard created a beautiful courtyard at the organization's Emmons Preserve headquarters, which was wonderfully landscaped by Helene Lewand and her crew from Blackrock Farm. A new lawn with proper drainage was created and the area around the nearby pond was cleared, making the property even more attractive. In addition, the whole building was painted, new stairs and a storage room were added, and extensive repairs were made to the Emmons house and barn.

Bud Danis and his team of volunteer Trail Stewards stayed very busy, adding nearly three miles more of trails by year's end. The Trust's trail network is now up to 19 miles in length! Improvements were made to the Smith, Emmons and Tyler Brook preserves. What's more, a trail was mapped, blazed, and constructed between Tyler Brook and Cape Porpoise. With the help of the Kennebunk High School alternative education students, work began on a "story book trail" at the Trust's headquarters. The kids used their imagination and hard work to come up with a design that will be pleasing to younger children as they walk the path, reading different pages from a story that will be posted on signs along the way. Ever increasing numbers of hikers, bikers, and cross country skiers are discovering the wonders of our local forest thanks to our volunteers. Please be sure to thank them for their efforts should you meet them along the way.

Our volunteers were active around our harbor too. Bob Haskell and the Island Stewards kept a watchful eye on our islands, welcoming campers and passing along appropriate information regarding the best practices on these environmentally sensitive areas. In the fall, Bob stepped down as head steward. That duty was taken on by Mike Mackiewicz. We are grateful both to Bob for his years of service as well as to Mike for so cheerfully accepting the responsibility. We are grateful too for all of the Island Stewards who give so generously of their time in order to maintain the beauty and safety of the islands.

Jenne James headed up the Trust's Harbor Committee which deals with harbor policies, opportunities, and actions. An example of one need that was identified is found on Cape Island. A microburst knocked down dozens of mature trees on the island several years ago. The damage was cleaned up, but a replanting needed to take place. That project was graciously adopted by Dan Viehmann and his crew who volunteered to plant 350 new evergreens. Not all will make it, but those that do will add a look and feel to the island that will be enjoyed by campers generations from now. What a wonderful gift!

Under the direction of Lightkeeper Scott Dombrowski and his assistant Craig Giefer, Goat Island lighthouse was kept in excellent condition. Volunteer work parties went to the island every other week and accomplished tasks such a mowing, painting, and certain repairs. A winter storm did damage to the boat ramp and that

was given substantive attention during the summer. Many hundreds of visitors made their way to the island during the course of the season. All were welcomed and encouraged to witness and enjoy the beauty that surrounded them and sense the history which would envelop them.

On the first day of spring, an event was held at Blackrock Farm at which a wide range of information concerning best practices and invasive species removal and replacement was disseminated. Knowledge taken from there was put into use. Students from the University of New England conducted field trips to Vaughn's Island. They indentified various plant species and then compared their findings to a similar study done over 30 years ago. They also mapped out invasive plants at the Emmons Preserve and Goose Rocks Beach. Leia Lowery's UNE intern Dylan Post was actively involved in mapping and removing many of these plants from the Emmons Preserve, assisted in the process by Mark and Gail Roller and Trust staff. In a wonderful collaboration between Trust and town, a large number of volunteers helped out at Goose Rocks Beach to replace invasive plants that were spreading much too fast with more appropriate and attractive native species. Our thanks go to Art Vose, the Goose Rocks Beach Natural Resources Committee, and all who worked to make the day such a success.

We are also deeply grateful to Joan Hertz who donated her Goose Rocks Beach lot to the Trust this year. It is just that spirit of generosity and community that has made the Trust so successful over the years, allowing the beauty and pleasures we value most in the landscape to be passed on to generations yet unborn.

With plantings by Helene Lewand and under the care of Elizabeth Spahr, Ganny's Garden on the River Green provided a lovely setting for the thousands of people that visited it.

A good deal of time and energy was expended on our Grist Mill project in 2015 which culminated in a 4 to 1 vote of approval by the local Planning Board. A few opponents have chosen to appeal the decision. Our goal is to create a small place of beauty and learning in the heart of our community, restoring an iconic piece of our past to the Dock Square area just as the renovations on Goat Island did to Cape Porpoise. Independent funding will allow us to replicate this 1749 structure in an historic way, using vintage materials. When constructed, it will be the only working tidal grist mill in North America. It will be a wonderful addition both to the Trust in our Children programs and to our town.

Under the direction of Leia Lowery, Trust in Our Children continued to grow in 2015, reaching 1,620 children. The number of field trips expanded. Fifty-one Discovery Day classes were held as well as 25 community events. Once again, motivational speaker Houston Kraft was invited to speak to our students about love and respect for one another, a timely and meaningful message for all. And in a tribute to the program's success, Leia was invited to speak about it to both the National Marine Educators Association in Newport, Rhode Island, and the National Land Rally in Sacramento, California.

With Lisa Linehan overseeing the office, the operations of the Trust remained strong. The budget was met. Trust membership and donations increased. Our popular “Thought and Photo of the Week” and “Looking Back” photo and quote were enjoyed by thousands each week, which included our over 1,100 household emails as well as our over 1,800 followers on Facebook. For those wishing to see the thoughts and photos, they can follow the Trust on Facebook, request to be added to our email database, or go to our website: kporttrust.org. At our website you can all see our Goat Island webcam, managed ably by Charlie Wright.

The Trust headquarters was the scene of much activity, being used for 105 different functions, most of them family related. Thirty-three uses were for other local nonprofits who are doing good work for the people of our community. The Trust’s policy is to assist such organizations by offering our building and grounds free of charge for their activities.

The Trust, once again, had a full calendar of enjoyable events throughout the year. It started out with our annual 12th night celebration where the theme was Woodstock. Everyone enjoyed dancing to the music of that era performed by the Guv’nors Band. Our former Phillip H. Matthews Memorial Lobster Bake became the 1st annual Summerfest. Great music featuring the Mallett Brothers Band, delicious food from Mark and Giselle Nedeau of Ned’s Bakes, Sea Salt and Smoke, Blended Bliss, Love K cupcakes, and Arundel Ice Cream Shop kept everyone happy. So too did our hot air balloon rides courtesy of Re/Max and our first annual human foosball competition. Our thanks go out to Tim Spang of Spang Builders and Hazlewood Handyman, along with Art Vose and Mike Mackiewicz for making that fun idea a reality. This year’s event looks to be just as enjoyable. We thank our sponsors: Funky Bow Brewery, Weirs Motors, Re/Max real estate, and the Nonantum Resort.

An appreciation night was held in the summer for our volunteers, Heritage Club, and Legacy Circle members. After a cookout, all were entertained with a performance by Mainstage Shakespeare who continued their tradition of fine performances. Acadia Trust of Camden National Bank sponsored the evening, for which we are grateful.

The second annual Trailfest saw 350 runners competing for the best time on our trails in a variety of distances, from a 1k fun run for kids to a full marathon. Twenty-four runners competed in a half marathon. The day had great camaraderie, good food, music, and refreshments and was enjoyed by all. Put it too on your calendar for this year. Our great appreciation goes out to our sponsors for this event: Kennebunk Savings Bank, LoveKpt.com, Weirs Motors, GymNation, Oceanview Properties, HS Youth Sports LLC, and Hazlewood Handyman.

Our annual Trust in Prelude crafts fair was well attended. The Alternative Ed students made Christmas ornaments with children, hot chocolate, and other

refreshments were served. Many wonderful crafts were available for the happy shoppers.

During the course of the year, contributions were received in loving memory of: Virginia Barry, Mary Katherine “Kitty” Horigan Boscherini, Bader and Marjorie Broulette, Phil and Margery Burr, Susan Clark, Francis G. Collier, Rue Dickens, Philip Brooks Eaton, Henry and Liz Griffin, George Henry, Deborah Kinney, Edward S. Krisiewicz, Sr., Ruth Lamarre, Lawrence Levendusky, Chuck Leahy, Brooks MacDonald, Carl Schmalz, Clare Starr, Jim Steele, Kathy Sundin, Morven Troost, Dorinda Verroust, and Mary Louise Wiewel. Donations were also given in honor of Lesa and Christ Angelos, Bob and Mary Tuller, Barbara Bush’s 90th birthday, Dan, Eileen, Emma, Rae, Cal, Sam, Aiden and Liam Oakley, Dr. Roger Peel’s birthday, Lighthouse Keeper Scott Dombrowski, Bill Leffler, Tom Bradbury, John Bowe, Craig Giefer’s hospitality, Mr. and Mrs. Pierce O’Neil, Dick and Pat Bibber, Mr. and Mrs. Gabe Choquette, Mr. and Mrs. Walter Stumpf, Mr. and Mrs. John Wooley, David and Susan Lombard, Katherine Pargellis Bowe, Sandy and Dida Bowe, Robin Daisy Bowe, Charley and June Bowe, Wayne and Paulette Burbank, Anne Cantfill Doyle, Pixie and Bob Lown, and the Starr family.

The Trust accomplishes all that it does for two reasons, its members and its volunteers. Our members provide the funding and our volunteers provide the energy and drive that allows great things to happen for the benefit of all who live in or visit Kennebunkport. The Trust is blessed by individuals who continue to give tirelessly of themselves all year long in a wide variety of ways. By way of thanks, Stars of Merit were awarded to: Bud Danis, David Jourdan, Doug Butler, Pam Morgan, Charlie Wright, Brandon Gillard, Craig Giefer, and Gail Roller. The 2015 “Volunteer of the Year” awards went to Mark Roller and Norine Burns. Mark is a longtime Board member whose energy remains as strong today as it was years ago. In addition to serving on a number of committees, he also spends countless hours mowing our lawns and fields, removing invasives, or doing any other task asked of him. Norine works faithfully on every fieldtrip and in the office each and every week of the year. She assists with the mailings, enters information into the computer, and happily takes on any assignment. Both embody the spirit of our volunteers. For the first time this year, the Trust created another award, the coveted Bobblehead Trophy. They went to John Hammond, Bud Danis, and David Jourdan, all of whom work selflessly on behalf of the Trust. This award also represents the fun that all have in volunteering, and the satisfaction in knowing that what they do is of benefit to a great many. They are helping to make our town better, showing by their actions both what a community should be and what a community can be. That’s what the Trust is all about. It’s only by all of us working together in a common cause in this special place that so many accomplishments can happen. We encourage you to join us in our efforts. Become a member. Volunteer. Together we can make a difference. Together we can do great things.

Tom Bradbury, Executive Director

KENNEBUNKPORT EMERGENCY MEDICAL SERVICES, INC. (KEMS)

Kennebunkport Emergency Medical Services is a private, nonprofit, volunteer agency that provides emergency medical care to the Town of Kennebunkport. We also participate in mutual aid agreements with the Towns of Arundel, Biddeford, Kennebunk, and Wells. KEMS is stationed at the Cape Porpoise Fire Station, where space is leased for the ambulance and crew quarters.

KEMS began in 1979 with a small group of volunteers and an old Cadillac ambulance donated to the Town by the Bibber family. Today we provide the highest level of care with unmatched equipment, and we continue to dedicate ourselves to serving the residents of our community with compassion and professionalism.

KEMS responded to 399 ambulance calls during 2015. Our goal is to treat each and every patient with the highest level of professionalism and care.

We provide emergency medical responses utilizing 44 members, 4 probationary members, and 4 fire drivers—all of which are highly trained volunteers. Our volunteer staff is complimented by 18 per diem paramedics, which are staffed on a full-time basis. This system allows us to provide advanced life support on a regular basis, which includes defibrillation, IV/IO access, medication administration, and other advanced procedures.

Our volunteers are the very heartbeat of this organization, and we are thankful for each and every one. They are your friends, neighbors, and coworkers; these people have taken time out of their lives to help others in our community. Our amazing group of volunteers committed 10,032 hours of coverage to the Town throughout the year. Paramedic staffing supplied 8,639 hours in 2015. These figures do not include all the other various training courses attended throughout the year.

If you are aware of anybody that is interested in volunteering, please contact our KEMS business office at 207-967-9704 or email us at kemsal@roadrunner.com.

Our fees for service and the generous donations from the people of Kennebunkport cover most of KEMS operating expenses. However, in 2016 we are again requesting a portion of our funding from the Town to help us meet our annual operating budget. This budget allows us to supplement our group of highly trained volunteers with paid Advanced Life Support providers (Paramedics) on a full-time basis. These paramedics work as full-time employees in surrounding communities and are employed by KEMS on a per diem basis. We are fortunate to employ a group of dedicated EMS professionals who care about the community they serve and its volunteers.

KEMS would like to recognize all our members that have completed or are completing continuing educational opportunities throughout the year of 2015.

Graduated

EMT Paramedic	Paul Clement & Kaitlin Hook
EMT Basic	Travis Ramsey
EMT Advanced	Nathan Elmore & Jillian Gagne
UNE	Jessica Olsen & Kayla Sirard

At our annual KEMS Awards Banquet in October 2015 the following were specifically honored for their continued effort and support of Kennebunkport Emergency Medical Services:

Jennifer Scontras	<i>Member of the Year</i>
Sonja Nielsen	<i>Paramedic of the Year</i>
Kathy Sanborn	<i>Chief's Award</i>
Nick Demonte	<i>Most Volunteer Hours</i>

We also want to thank the Kennebunkport Police officers, Firefighters, and Dispatchers that make up our Emergency Response Team. They truly are professionals and make each call for service a coordinated and successful event.

KEMS continues to offer CPR programs on a regular basis reflecting our HeartSafe community initiative. This has been a collaborative effort between KEMS and

Kennebunkport Public Health. We will continue to work together in making Kennebunkport a healthier and safer community through this initiative.

CAPE PORPOISE LIBRARY REPORT

Library Hours and Services
Tuesday, Thursday 1:00 – 4:00 p.m.
Friday, Saturday 9 a.m. – noon
Computer, Copier, Fax
24-Hr. Wireless Accessibility
(207) 967-5668
cplibrary@cape-porpoise.lib.me.us

We have a new look at the Cape Porpoise Library for 2015. With a bit of rearranging, volunteers have willingly helped me provide a roomier and brighter one-room library. It continues to be very warm and inviting. We have received many compliments.

To further our efforts to provide a completely handicap-accessible facility, a door was installed to exit the library into Atlantic Hall and the outdoor ramp. We have a new copier/fax and computer. The children and young adult section has been updated with an extensive selection of books and DVDs. For the adults, we have increased our inventory of books on CDs, DVDs, and large print books. Of course, we always have the latest books on the best seller lists. I will gladly purchase patrons' suggested reading materials. I will also deliver books to home-bound patrons.

We are so appreciative of the many books that were donated for our successful Annual Book Sale which was held on August 1. We also appreciate the time and effort of the many volunteers who helped with this major yearly fundraiser.

Cape Porpoise Library is a fun place to chat with old friends, meet new friends, and discuss favorite books. We always have a jigsaw puzzle laid out on the table for all to enjoy. Stop in and see why our library makes so many people happy. It is an important part of the Cape Porpoise community.

I wish to thank the wonderful friends who generously provide the library with monetary donations and occasional memorial designations. I also thank the Town of Kennebunkport for the repeated inclusion of Cape Porpoise Library in the annual Town Budget.

I thank Linda Boardman who mans the library on Fridays and Saturdays, and the Atlantic Hall Board of Trustees for their guidance and continued support.

Sue Perkins, Library Director

LOUIS T. GRAVES MEMORIAL LIBRARY REPORT

Members of the 2015 I Love to Read Book Group. This group meets with Miss Terri the first Wednesday of every month during the school year...and a few times in the summer. We love that they love to read!

Greetings from Graves Library,

We are delighted to serve this great community of Kennebunkport 52 weeks per year. On a daily basis, we get to wait on some of the most interesting, intelligent, voracious, and spunky readers in Maine. We get to plan great programs for community members and visitors. We get to help people find jobs, look up stocks, show how to get accurate information about the aye-aye, locate a new poem by Billy Collins, read to children, find lyrics to the State of Maine song, help town departments with research and information, and deliver books to someone stuck at home. We are a warm place to come in the winter and a cool place to hang out in the summer. We have our own share of wildlife including skunks, chipmunks, bees, mice, turkeys, dogs, and an occasional bat. But don't be afraid to come in and check out a book or movie. We have it all under control! We give great directions for folks looking for the Bush (and even the Kennedy) compounds. We have Wi-Fi for your laptop, Kindle, and Nook to download books, listen to music, play Words with Friends, print your boarding pass, pay your light bill, watch a movie, see who is at bat during a Red Sox game, get your horoscope for the month, and file your income taxes.

In 2015, we continued our plantings of pretty flowerbeds and ornamental grasses and bushes in memory of residents Rodney Mailhot, Rick Griffin, and Anne Senese.

We added benches and offered the picnic table for anyone to use day or night. We learned how to drum and sing (African-style). We played cribbage and chess, painted our faces and dressed up like fairies, made magic, studied the basics of chalk art, built spectacular things with Legos, colored with pencils, crayons and markers to calm ourselves from stress, catapulted marshmallows, slept in the library overnight with 20 third, fourth, and fifth graders. We also made salads, sand sculptures, and terrariums—all in glass jars, watched movies, and made wonderful things with leftover paper and glue sticks. Seniors at Kennebunk High School worked with several of our senior residents to help them share a special memory of childhood. We offered several literary lectures with nationally acclaimed authors at the Pasco Lecture Series. American Historian and Professor Douglas Brinkley made a special appearance in June to share some fascinating stories about President Theodore Roosevelt. And, our first Writer in Residence Program was born.

We have a great team of people that keep the furnace running, the lights on, and advocate for our presence in the community. We have committed, bright, well-read, hard-working volunteers that never let us down day after day, week after week, and year after year. We have a superb staff that will help anyone with pretty much anything. That being said, we cannot do any of this without the generous support of our residents. Thank you for supporting your local library. We truly are delighted to serve you 52 weeks per year.

SCHOLARSHIPS AVAILABLE FOR KENNEBUNKPORT STUDENTS

The Olympian Club of Kennebunkport Scholarship Fund was established in 1996 with gifts from friends and members of the Olympian Club of Kennebunkport. The fund is to benefit the University of Maine at Orono; however, campuses within the University of Maine system are eligible as well. Dedicated to “all the ladies who were ever members of the club,” its purpose is to provide scholarship assistance for undergraduate students studying Nursing. A second preference shall be for students in Pre-Medical/Dental/Optomety, and a third preference shall be for students of any discipline. The minimum award is at least one-third of the tuition amount, including mandatory fees.

To qualify, recipients must be residents of Kennebunkport at the time of high school graduation and must have a financial need and a reasonable academic record. They must be of good character and show good work habits.

Interested students should contact the Office of Student Financial Aid at one of the following four locations, which have nursing programs: University of Maine, Orono, Maine 04469; University of Southern Maine, 96 Falmouth Street, PO Box 9300, Portland, Maine 04104-9300; University of Maine at Fort Kent, 25 Pleasant Street, Fort Kent, Maine 04743; University of Maine at Augusta, 46 University Drive, Augusta, Maine 04330-9410.

March 4, 2016

To the Citizens of Kennebunkport:

I am pleased to, once again, provide this update on the educational progress of our Kennebunkport students. By the time this Annual Report is published, work will be well underway on the renovated Kennebunkport Consolidated School and Kennebunk High School. These much needed renovations will provide the citizens of Kennebunkport with safe, state of the art, facilities that match the educational program and that you will be proud of for years to come.

2015-2016 has been another successful and exciting year for Consolidated School. Perhaps most notably, we hired a new school principal, Ms. Karen Bubar. Ms. Bubar comes to us with 20 years of experience in elementary education as a teacher, math coach, assistant principal and principal. She transitioned to Consolidated School in January, following a successful tenure in MSAD 51, Cumberland/North Yarmouth. Academically, this year, we expanded robotics and engineering programming, introduced 1:1 laptops in grades 2-5 and 2:1 laptops in grades K-1 and adopted a new evidence-based literacy and math curriculum. The teachers at Consolidated School worked alongside their grade level peers to develop an aligned curriculum map. This map ensures that our teachers are addressing the same standards, administering common assessments, and reporting on student growth in a manner that is consistent with other schools in our district. Identifying and measuring common standards allows for a clear sequence of learning across grade levels and district-wide equity within grade levels. Our talented and creative teachers bring these standards to life in their own individual ways. The Kennebunkport Consolidated Trust has been instrumental in connecting the Next Generation Science Standards with our beautiful local history and environment. Over the past few years, students at Consolidated School have scored in the top 5% of all Maine elementary schools on the statewide assessment. Teachers and students at Consolidated School have been very involved in service learning projects, including gathering food for local pantries and animal shelters during their January Sock Hop and participating in Jump Rope for Heart. The Kennebunkport PTA continues to be a model for fundraising, hosting Circus Smirkus each summer. As the renovations get underway, this group is considering a "big idea" contribution that will enhance the building project.

At the Middle School of the Kennebunks, our students continue to perform and participate successfully in a wide variety of learning opportunities. As the only International Baccalaureate Middle Years Programme in Maine, MSK students are involved in unique and challenging learning opportunities. As a result, our students excel academically, scoring within the top 5% on the statewide assessment. Further, our students stretch their leadership and team building skills at Camp Kieve in grade 7 and engage in a self-designed community service-learning project during spring of grade 8. One student focused his community project on an audio walking tour of Kennebunkport for the Kennebunkport Historical Society. This year, MSK's Apple-Certified Swift Center for Innovation and Design partnered with our new middle school STEM teacher to offer an art and design 3-D printing class to students.

Our students at Kennebunk High School are among the most accomplished in Maine. As one of only three International Baccalaureate High Schools in Maine, our students compete globally for academic success. This year, more than 80% of our students took an AP, IB, or Early College class during high school. In several cases,

these students will enter college with some credit and as much as a year of college behind them. We have expanded all pathways for students including college and career preparedness, vocational high school options, and alternative education programming.

I look forward to the coming year and to working with such a talented and dedicated staff, as well as the many parents, volunteers, and elected officials who support us in maintaining high quality schools in our communities. Thank you for your continued support of our students.

Sincerely,

Kathryn Hawes, Ph.D.
Superintendent of Schools

Note: Recycling is collected every Saturday in GSRB during the summer.
 For questions regarding recycling collection service, please call Oceanside Rubbish, Inc. at 646-3230; or Nicole, at the Highway Department at 967-5728.

TRASH AND RECYCLING COLLECTION SCHEDULE

In Kennebunkport, trash is picked up weekly. Recycling is picked up every other week as indicated on the calendar on the opposite page (except at Goose Rocks Beach during the summer as indicated below.)

Trash and recycling containers may be put out no earlier than 4 PM the day prior to scheduled collection and should be removed within 24 hours of pick up.

Hours of trash and recycling collection: No earlier than 6:30 AM and completed no later than 6:00 PM.

Noncollection holidays: Thanksgiving, Christmas, and New Year's. Alternate collection days will be advertised on the Town government Cable Channel 2 and the Town Website at <http://www.kennebunkportme.gov>.

GOOSE ROCKS BEACH TRASH AND RECYCLING COLLECTION SCHEDULE

Trash and recycling collection occurs on Fridays in the Goose Rocks Beach area in the spring, fall and winter.

In the summer, the collection schedule changes to Saturdays as follows:

GOOSE ROCKS BEACH SUMMER OF 2016 COLLECTION DAYS

Both recycling and trash collection occurs
every week
on Saturdays beginning
June 18, 2016, through September 10, 2016

The schedule returns to Friday pick up of trash on September 16, 2016, and every other Friday for recycling pick up beginning September 16, 2016.

Hours of collection start at 6:30 A.M.

SINGLE-STREAM RECYCLING

The Town of Kennebunkport uses the "single-stream" recycling process. This process means that all recycling (paper and commingled containers) can be put into one recycling bin. Oceanside then brings the combined recyclables to a facility where they are sorted on a system of conveyor belts.

Sorting the recyclables is **not** needed. Please continue to put all trash in trash bins, and all recycling in recycling bins.

If you have any questions, please contact Nicole, at the Highway Dept. at 967-5728.

HOW TO IDENTIFY YOUR PLASTICS FOR RECYCLING

With the large variety of plastics available, the average consumer often has difficulty distinguishing between the types of plastic discards. To facilitate recycling, these items are coded by the manufacturers. A coding numeral can be found on the bottom of a plastic container. For easy identification of your plastic items, please refer to the following numbering system:

Plastic Recycling Reference Chart		
<i>The following items will be picked up curbside:</i>		
Coding Number	Item	Description
1	Polyethylene Terephthalate (PET)	Soda bottles, generally referred to as custom PET (peanut butter type jars, dishwashing liquids, liquor bottles).
2	HighDensity Polyethylne (HOPE)	Clear (white) containers or colored containers. The clear bottles (milk and water jugs) are also known as natural HDPE. Colored bottles will primarily consist of liquid detergent bottles, motor oil bottles, cosmetic bottles.
3	Vinyl or Polyvinyl Chloride (PVC)	Crystal clear cooking oil bottles, shampoo bottles, etc.
4	Low Density Polyethylene (LDPE)	Most LDPE will be in the form of plastic bags. Additionally, plastic lids and some squeeze bottles are made from LDPE.
5	Polypropylene (PP)	These bottles include syrup containers, ketchup bottles, yogurt containers, margarine tubs, and most bottle caps.
6	Polystyrene (PS)	Numerous molded products are made from PS.They include coffee cups, meat trays, plastic utensils, videocassette cases..
7	A catch all numbering for materials not included above.	Most often packaging in number 7 containers will consist of glues or metal-based materials.

There are also other methods which you can use to differentiate between bottles. Most mistakes are made in segregating PET from PVC bottles; however, these types of bottles can be readily distinguished by the molding scar on their bottom. PVC has a horizontal scar (often referred to as a “smile”). When a PVC bottle is bent or creased, a white mark will show at the point of the bend. PET has a circular scar (called a “bullet hole” or “nipple”).

For questions regarding recycling or trash collection service, please call Oceanside Rubbish, Inc. at 646-3230, or Nicole at the Highway Department, at 967-5728.

RECYCLING REFERENCE CHART

Items picked up curbside

Items	<u>Recycle</u> these items	<u>How to prepare</u> items	<u>Exclude</u> these items
Glass	Brown & clear glass. Bottles and jars.	Rinse clean. Remove lids. Co-mingle in bin.	No broken jars or bottles. No drinking glasses. No light bulbs. No window glass. No ceramics or china. No green glass.
Plastics #1-7	Plastics numbered 1 through 7.	Clean containers. Flatten to save space. Co-mingle in bin.	No plastic bags, even if they are identified as #2 plastic. No motor oil or hazardous waste containers.
Metal and Tin Cans	Tin cans Aluminum cans Empty paint cans Aerosol cans Aluminum foil and plates	Empty and clean containers. Do not put in sharp lids (unless crushed in can). Co-mingle in bin.	No food waste left in cans.
Paper	Mixed paper Junk mail Pressed board (cereal boxes, etc.) Office paper	No need to bundle.	Do not use plastic bags to bundle paper together.
Newspaper and Magazines	Newspapers Catalogues Magazines Telephone books	No need to bundle.	Do not use plastic bags to bundle paper.
Corrugated Cardboard	Corrugated boxes	Flatten and cut up to size no larger than 4 ft by 4 ft.	If wet outside, wait until next recycling day.
Returnable Bottles and Cans	Any deposit	Rinse clean. Remove lids. Co-mingle in bin.	Bottles can have any deposit label. Check wine bottles .

For questions regarding recycling collection service, please call Oceanside Rubbish, Inc. at 646-3230.

TOWN ONLINE SERVICES

Pay online with a credit card or electronic check:

Parking tickets
Personal property tax
Real estate tax
Sewer bills.

There is a convenience fee for all online services.

Convenience Fees

Electronic Checks	\$2.95
Real Estate and Property Tax	2.95%, minimum \$2.00
Parking Tickets and Sewer Bills:	

Payment Amount	Fee
\$0.00 to \$50.00	\$2.00
\$50.01 to \$100.00	\$3.00
\$100.01 to \$200.00	\$6.00
\$200.01 to \$300.00	\$9.00
\$300.01 to \$400.00	12.00
\$400.01 and above...Add \$3.00 to listed total for each \$100 payment range or portion thereof.	

Vehicle **re-registrations** can be processed with *e-checks only* through Rapid Renewal program. Convenience fees dependent upon vehicle type.

For online services, visit the Town Website at www.kennebunkportme.gov and select the top, online “E-Payments” tab.

TOWN BOARDS/COMMITTEE MEETING BROADCASTS AVAILABLE ONLINE

The Town offers as a public service online availability to all town board and committee meetings that are broadcast on local cable channel 2. These meetings may be accessed via the internet at <http://www.townhallstreams.com/locations/kennebunkport-maine>, or visit the Town’s Website at <http://www.kennebunkportme.gov> and click on the blue button for on-line meetings.

All meetings broadcast on cable channel 2 such as the Board of Selectmen, Planning Board, Growth Planning Committee, and RSU #21 are streamed “live” on the internet at the above address and available for viewing at any time for one year after the initial broadcast.

The web access is hosted by Town Hall Streaming, a Maine company based in York.

This service allows residents to view meetings at individual's convenience. It benefits households that do not have cable service and also property owners who do not live year-round in Kennebunkport.

In addition to board and committee meetings, the Kennebunkport Town Hall Stream's site will make available other local broadcasts of interest.

THE TOWN OF KENNEBUNKPORT IS ON FACEBOOK!

The Town is hoping to communicate more directly with citizens and visitors on Facebook.

Please like us at <https://www.facebook.com/townofkennebunkport>.
