

Town of Kennebunkport

Boards and Committee Meeting Broadcasts

Now Available Online

The Town is now offering as a public service on-line availability to all town board and committee meetings that are broadcast on local access channels 2 or 16. These meetings may be accessed via the internet at <http://www.townhallstreams.com/locations/kennebunkport-maine>.

All meetings broadcast on channels 2 or 16, including Board of Selectmen and Planning Board, will also be streamed live on the internet at the above address. The meetings will also be available for viewing at any time for 30 days after initial broadcast.

The web access is hosted by Town Hall Streaming, a Maine company based in York. The service will allow residents to view meetings at individual's convenience. It will be of benefit as well to households that do not have cable service and to property owners who do not live year-round in Kennebunkport.

In addition to board and committee meetings, the Kennebunkport Town Hall Streams' site will make available other local broadcasts of interest, such as a historic walking tour and a presentation on "Shipwrecks of the Kennebunks."
