

Ad Hoc Senior Advisory Committee  
12 September 2018  
Location: Graves Library Business Center

Attendance: Bill Leffler, Susan Boak, Amy Francis, also guest Mary-Lou Boucouvalas from Graves Library

Absent: Ken Olsen, George Acker

Minutes/Actions from the previous meeting on 22 August 2018 were accepted.

Bill submitted a newspaper article to the committee for review. He will submit the edited and approved article to the Village paper for publication. That submission deadline is the 14th of September.

The committee had a discussion with Mary-Lou Boucouvalas regarding the upcoming Senior Education Seminars program she is developing for the library. These will be monthly "Coffee and Conversation" talks hosted at Graves Library. Mary-Lou invited us to submit topic ideas to her for consideration. Topics introduced by the committee were: night driving issues for older drivers, internet security and safety, the GEMS program out of UNE, the AARP driving course for older drivers, putting together a town budget, and new car safety features.

Action items emerging from our meeting with Mary-Lou are:

**SAC\_AI\_14** assigned to Amy, contact LL Bean regarding their "Nite Ize" marker bands. These bands are an easy alternative to carrying a flashlight for visibility during night time walks.

**SAC\_AI\_15** assigned to all committee members, development of additional topics for the Senior Education Seminars. These topics, along with pertinent contact information, will be passed along to Mary-Lou after each of our meetings.

**SAC\_AI\_16** assigned to Bill, re-contact ophthalmologist Dana Graichen. Arrange for a November speaking event at one of the Thursday morning seminars.

Our next meeting has been scheduled for October 3rd.

Respectfully Submitted,  
Amy Francis
