

Ad Hoc Senior Advisory Committee  
4 December 2019  
Location: Graves Library porch

Attendance: Susan Boak, Amy Francis, Beverly Soule, Bill Leffler  
Absent: Ken Olsen, George Acker

Town resident Steve Turner has requested an informal meeting with our committee members to discuss possibly joining it. Members agreed that the last week of the year (after Christmas) offers the best possibility for this. Susan will contact Steve.

Becoming an Age Friendly Community was discussed again. Susan has been in contact with Patricia Oh, the AARP Maine's Age-Friendly Consultant. Patricia is not available to meet with us in Kennebunkport until sometime in February. As we do not want to wait that long to move forward Susan will contact Patricia to explore her willingness to meet with us through ZOOM after her regularly scheduled monthly telecom on December 18<sup>th</sup>. Beverly suggested asking Patricia if there is a more local AARP Age-Friendly representative we should start working with.

Our January meeting agenda will include an in-committee review of the Maine Guide.

New Action items:

**SAC-AI-63** Susan will contact Steve Turner to set up time to meet informally for coffee.

**SAC-AI-64** Susan will contact Patricia Oh to arrange a telecom meeting immediately following the monthly AARP Age Friendly telecom on December 18<sup>th</sup>.

Prior Action items:

**SAC-AI-62** Moving toward qualifying Kennebunkport as an AARP certified Age Friendly Community. SMAA has offered to connect Beverly with an AARP Age-Friendly contact. Susan has the AARP information on becoming an Age Friendly Community and has emailed these to the committee.

Respectfully Submitted,  
Amy Francis
