

# Town of Kennebunkport

## Annual Report 2011

The Cape Porpoise Pier Lobster Bait Shack

**TOWN OF KENNEBUNKPORT, MAINE  
GENERAL INFORMATION**

“Located sixteen miles east-southeast of Alfred, twenty-five miles from Portland. Formerly known as Arundel. Visited during the summer as early as 1602 by fishermen. First permanent settlement made by Richard Vines in 1629. Brought under the control of Massachusetts and incorporated in 1653. Placed under the jurisdiction of Saco for a short time in 1688. Re-incorporated under the name of Arundel in 1717. Name changed February 19, 1821.”

## TOWN REPORT DEDICATION

### In Appreciation of

Sarah and Dan Beard

In 1979 the Kennebunkport Emergency Medical Service (KEMS) began providing emergency medical response service to the Town of Kennebunkport. KEMS began with a \$19,500 allocation from the Town and a 1971 ambulance donated by Bibber Ambulance Service. In that first year of operation, Dan Beard served as an Emergency Medical Technician (EMT). His wife, Sarah, followed right behind him. For the next 25 years, this dynamic duo gave untold hours of dedicated service to KEMS and this community, each assuming leadership roles that helped grow and sustain the organization.

Dan served as Assistant Chief from 1981 to 1982, and the following three years as Chief from 1983 through 1985. He then assumed the role of Chief of the Cape Porpoise Fire Company for the next 20 years, while continuing to fill shifts as an EMT with KEMS.

Sarah took on the Chief's responsibilities at KEMS from 1987 through 1989 and again between 1995 and 1998. In addition, Sarah served several years as training officer, volunteer recruiter extraordinaire and CPR instructor.

Thank you for your incredible energy, enthusiasm and selfless public service!

# **TOWN OF KENNEBUNKPORT**

## **TOWN WARRANT ANNUAL TOWN MEETING June 12 and 16, 2012**

State of Maine

County of York, SS

To: April Dufoe, a resident of the Town of Kennebunkport, in the County of York, State of Maine.

### **GREETINGS:**

You are hereby required in the name of the State of Maine to notify and warn the voters of the Town of Kennebunkport in said County of the Town Meeting described in this warrant.

To the voters of Kennebunkport: You are hereby notified that the Annual Town Meeting of this municipality will be held at the Village Fire Station, 32 North Street in said Town on Tuesday, the twelfth day of June A.D. 2012, at 8:00 o'clock in the forenoon for the purpose of acting on Articles numbered one (1) and one a (1a) and Questions 1 through 8 as set out below. The polls for voting on Articles 1 and 1a and Questions 1 through 8 shall be opened immediately after election of the Moderator at 8:00 a.m. on June 12, 2012, and shall close at 8:00 p.m. While the polls are open, the Registrar of Voters will hold office hours to accept the registration of any person eligible to vote, to accept new enrollments, and to make any necessary corrections or changes to any names or addresses on the voting list. The continuation of said meeting will be held at the auditorium of the Consolidated School building in said Town on Saturday, the sixteenth day of June A.D. 2012, at 9:00 o'clock in the forenoon for the purpose of acting on Articles numbered 2 through 56 as set out below.

**ARTICLE 1.** To choose a Moderator to preside at said meeting.

**ARTICLE 1a.** To elect under the provisions of Title 30-A, M.R.S.A. Section 2528, the following Town Officers: two Selectmen, Assessors, and Overseers of the Poor, each for a term of three years; one Director of R.S.U. #21, for a term of three years; one Trustee of the Kennebunk, Kennebunkport and Wells Water District, for a term of three years, and to vote on the following referendum Questions 1 through 8:

**QUESTION 1**  
**AMENDMENT TO THE LAND USE ORDINANCE CONCERNING**  
**PARKING SPACE STANDARDS**

Shall an ordinance entitled "June 2012 Amendment to the Kennebunkport Land Use Ordinance Concerning Parking Space Standards" be enacted? (A true copy of which is on file in the Town Clerk's Office and is incorporated by reference.)

[Note of Explanation: This amendment will modify the standards of a parking space requiring it to be constructed of materials sufficient to support the weight of a vehicle.]

**QUESTION 2**  
**AMENDMENT TO THE LAND USE ORDINANCE CONCERNING**  
**DOCKS, PIERS AND WHARVES**

Shall an ordinance entitled "June 2012 Amendment to the Kennebunkport Land Use Ordinance Concerning Docks, Piers and Wharves" be enacted? (A true copy of which is on file in the Town Clerk's Office and is incorporated by reference.)

[Note of Explanation: This amendment will clarify the standards governing dock construction as it relates to access from the lot and allow the Planning Board the ability to include right-of-way frontage as part of the minimum required shore frontage.]

**QUESTION 3**  
**AMENDMENT TO THE LAND USE ORDINANCE CONCERNING**  
**SIGNS AND BILLBOARDS**

Shall an ordinance entitled "June 2012 Amendment to the Kennebunkport Land Use Ordinance Concerning Signs and Billboards" be enacted? (A true copy of which is on file in the Town Clerk's Office and is incorporated by reference.)

[Note of Explanation: This amendment will modify the sign standards and bring them in line with current practices.]

**QUESTION 4**  
**AMENDMENT TO THE LAND USE ORDINANCE CONCERNING**  
**THE ADOPTION OF THE MAINE UNIFORM BUILDING AND ENERGY CODE**

Shall an ordinance entitled "June 2012 Amendment to the Kennebunkport Land Use Ordinance Concerning the Adoption of the Maine Uniform Building and Energy Code (MUBEC)" be enacted? (A true copy of which is on file in the Town Clerk's Office and is incorporated by reference.)

[Note of Explanation: This amendment will replace the 2003 International Residential Code and the 2003 International Building Code with the Maine Uniform Building and Energy Code (MUBEC) as required by state law.]

**QUESTION 5**  
**AMENDMENT TO THE COMPREHENSIVE PLAN**

Shall an ordinance entitled "June 2012 Amendment to the Comprehensive Plan for the Town of Kennebunkport, Maine regarding chapters on Economy and Fiscal Capacity" as submitted by the Town of Kennebunkport's Growth Planning Committee be enacted? (A true copy of which is on file in the Town Clerk's Office and is incorporated by reference.)

[Note of Explanation: This amendment would amend a chapter regarding the Economy and a chapter regarding Fiscal Capacity of the Comprehensive Plan adopted by the Town in 1996 and amended in 2006, 2007, 2008, 2009, 2010 & 2011.]

**QUESTION 6**  
**FIREWORKS ORDINANCE**

Shall a new ordinance entitled "Fireworks Ordinance" be enacted? (A true copy of which is on file in the Town Clerk's Office and is incorporated by reference.)

[Note of Explanation: This Ordinance prohibits the sale or use of consumer fireworks within the Town of Kennebunkport or from any watercraft within the waters of the Town of Kennebunkport.]

**QUESTION 7**  
**HORSE RIDING ON GOOSE ROCKS BEACH ORDINANCE**

Shall a new ordinance entitled "Horse Riding on Goose Rocks Beach Ordinance" be enacted? (A true copy of which is on file in the Town Clerk's Office and is incorporated by reference.)

[Note of Explanation: This Ordinance will allow and regulate horses on Goose Rocks Beach.]

**QUESTION 8**  
**WATERFRONT ORDINANCE**

Shall a new ordinance entitled "Waterfront Ordinance" be enacted? (A true copy of which is on file in the Town Clerk's Office and is incorporated by reference.)

[Note of Explanation: The purpose of this Ordinance is to maintain and preserve the working waterfront and to provide guidelines and authority for the Harbormaster to administer moorings in all tidal waters located within Kennebunkport with the exception of the Kennebunk River.]

**Article 2:** To see if the Town will vote to authorize the Town Treasurer, with the advice and approval of the Municipal Officers on behalf of the Town to sell and dispose of Real Estate acquired by the Town for nonpayment of taxes thereon, and to execute quitclaim deeds on such terms as they deem advisable, and to authorize the Treasurer to discharge unmatured liens on payment of taxes, interest and costs. All Real Estate to be sold by the Town for nonpayment of taxes to persons who were not the former owners thereof must be properly identified and advertised for sealed bids at least twice in any local newspaper, namely the Portland Press Herald, Biddeford Journal Tribune, or the York County Coast Star, the first advertisement to be not more than thirty days before the deadline for submitting bids and the last not less than fifteen days before said deadline. Former owners of Real Estate, as described above, shall be given first refusal to buy the property provided all back taxes, interest and lien costs have been paid. Notification of sale and request for sealed bids shall be publicly posted fifteen days prior to said deadline in three places within the Town, namely, the Town Office, the area known as the "Cape Square", and Goose Rocks Beach Fire Station. Opening of sealed bids shall be open to the public and held within fifteen days after the deadline for submitting bids. The date, time, and place of opening the bids must be included in the newspaper advertisements.

***Selectmen recommend adoption of this article – Voted 5-0.***

**Article 3:** To see if the Town will vote to authorize the Town Treasurer, with the advice and approval of the Municipal Officers on behalf of the Town, to waive the foreclosure of any tax lien mortgage by recording a waiver of foreclosure in the York County Registry of Deeds for any real estate title to which they deem not in the best financial interest of the Town to hold, said authorization to waive not to prevent the Town Treasurer, with the advice and approval of the Municipal Officers, from later foreclosing on said tax lien pursuant to law, as they deem advisable.

***Selectmen recommend adoption of this article – Voted 5-0.***

**Article 4:** To see if the Town will vote to make all real and personal property taxes due and payable upon presentment of bills and to charge seven percent (7.00%) per annum on the first half if unpaid after September 10, 2012 (or 45 days after the date of commitment if commitment is after July 26, 2012) and on the second half if unpaid after March 11, 2013.

***Selectmen recommend adoption of this article – Voted 5-0.***

**Article 5:** To see if the Town will vote to set the interest rate to be paid by the town on abated taxes at five percent (5.00%) for the fiscal year 2013.

***Selectmen recommend adoption of this article – Voted 5-0.***

**Article 6:** To see if the Town will vote to authorize the Selectmen to accept easement deeds on behalf of the Town granting the Town the right to plant and maintain certain trees on private property located within the Town.

***Selectmen recommend adoption of this article – Voted 5-0.***

**Article 7:** To see if the Town will vote to authorize the Tax Collector or Treasurer to accept prepayments of taxes not yet committed pursuant to 36 M.R.S.A. § 506.

***Selectmen recommend adoption of this article – Voted 5-0.***

**Article 8:** To see if the Town will vote to authorize the Selectmen to accept unconditional and conditional gifts of money or property on behalf of the Town, other than gifts of sewer extensions, subject to ratification by the Town at an annual or special town meeting held within one year of the Selectmen's acceptance, except that such ratification shall not be required for a donation of money to the Town to supplement a specific appropriation already made, to reduce the tax assessment, or to reduce the permanent debt.

***Selectmen recommend adoption of this article – Voted 5-0.***

**Article 9:** To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2012, for the Road Improvement capital expense account, such unencumbered surplus fund balance to be estimated at \$10,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2012.

***Selectmen recommend adoption of this article – Voted 5-0.***

***Budget Board recommends adoption of this article – Voted 7-0.***

**Article 10:** To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2012, for the Sidewalk Improvement capital expense account, such unencumbered surplus fund balance to be estimated at \$5,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2012.

***Selectmen recommend adoption of this article – Voted 5-0.***

***Budget Board recommends adoption of this article – Voted 7-0.***

**Article 11:** To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2012, for the Communications capital expense account, such unencumbered surplus fund balance to be estimated at \$3,500, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2012.

***Selectmen recommend adoption of this article – Voted 5-0.***

***Budget Board recommends adoption of this article – Voted 7-0.***

**Article 12:** To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2012, for the Special Projects capital expense account, such unencumbered surplus fund balance to be estimated at \$99,600, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2012.

***Selectmen recommend adoption of this article – Voted 5-0.***

***Budget Board recommends adoption of this article – Voted 7-0.***

**Article 13:** To see what sum the Town will vote to raise and appropriate for the Administration account.

**Amount requested: \$771,809**

**Selectmen recommend the amount requested – Voted 4-0.**

**Budget Board recommends the amount requested – Voted 11-0.**

## INTRODUCTION TO THE FISCAL YEAR 2013 BUDGET

The fiscal year 2013 municipal budget as submitted is \$7.3 million, an increase on the municipal side of 5% in the combined capital and operating budgets. Much of the proposed increase is attributable to the capital budget needs. The capital outlay budget accounts for 45% of the total increase (+\$154,820). The proposed capital budget, totaling \$911,070, is responsive to the five-year capital plan that was approved last year by the Budget Board and the Board of Selectmen. The capital budget is 20% higher than fiscal year 2012, but is still \$65,000 less than the fiscal year 2013 estimate within the five-year plan. It includes planned increases in road projects (+\$80,000), building projects (+\$50,000) and a follow-up appropriation for S-Brook drainage (+\$125,000).

The proposed increase in the operating budget is 3%. Personnel costs represent 54% of the total operating budget. Salaries and wages are projected to increase 1.5% and there are no new positions in the budget. This is the third and final year that the budget must absorb expenditure increases (22%, \$31,000) for the Town's contributions to the employee retirement pension fund. The increases, imposed by the Maine Public Employee Retirement System (Maine PERS) are necessary to keep the pension fund in good economic health. The good news is that the statewide municipal pension fund is financially sound and much more stable than the state fund, which has been the subject of concern and speculation over the past several years. The proposed 6% increase in health insurance costs is lower this year than has been the case for many years past.

Non-property tax revenues continue to be stable, with little or no change in all major categories, including excise tax, building permits and land use fees, parking permits and recreation fees. The revenue budget includes the use of \$300,000 in fund balance, which is \$200,000 less than in fiscal year 2012. It is important to note that voters approved the use of an additional \$325,000 in fund balance November 2011 for replacement of the Highway Department garage roof. There is no expectation that either the current fiscal year 2012 budget or the proposed fiscal year 2013 budget will close with significant fund balances. In conjunction with the \$825,000 appropriated from fund balance in the past year, this represents a substantial draw down on the Town's undesignated fund balance.

The combination of flat growth in non-property tax revenues, a 3% increase in operating budget, capital budget increases in line with the five-year capital plan, and a reduction in fund balance use, will require an increase in the municipal tax rate of 30 cents, or \$30 per \$100,000 of assessed value.

The County government assessment is down almost 4% from last year and totals \$975,744. The County tax is included in the property tax bill that the Town sends out to taxpayers even though the Town and the Board of Selectmen have no control over this assessment.

The projected school assessment from RSU-21 is an increase of 8.7% on the mil rate, or an additional 29 cents per thousand of valuation (totaling 3.63). The increase to Kennebunkport taxpayers is due to more growth in the Town's state equalized valuation relative to the valuation growth in Kennebunk and Arundel. The school assessment represents 53% of the tax rate, the Town 39%, and the County the balance.

**OPERATING BUDGET ANALYSIS**

**Personnel:** Wages and salaries represent one-third of the operating budget. There are no new positions proposed in this budget. This year's budget proposal includes a 1.5% increase for wages. It must be noted that the collective bargaining agreement for unionized employees expires June 30, 2012. The contract is currently being negotiated with the union and the actual expenditures for fiscal year 2013 are conditional to contract negotiations.

**Staff Retirement and Health:** Overall costs are up \$86,000. Over 40% of this increased cost is offset by revenue increases totaling \$35,000. After taking into account these revenues, the net increase in this category is 5%. For many years the Town has benefited from a positive credit balance with the Maine Public Employees Retirement System (MainePERS). This credit balance remained stable for many years because the annual cost to the Town for retirement contributions was constant over that time period. However, the substantial losses in the equity market three years ago prompted the MainePERS directors to double, over a three-year period, the contribution to the retirement fund by member municipalities. As a result of this change, the Town's credit balance with MainePERS is now declining. In the future, the Town should begin to increase incrementally over several budget years the contribution to the retirement fund from property tax revenues with a corresponding decrease in the use of MainePERS credit balance revenues.

This budget anticipates a 6% increase in health insurance costs over fiscal year 2012, which equates to \$35,000.

**Solid Waste:** The 4.4% increase is primarily due to an increase in the cost of tipping fees for solid waste at the MERC plant (Maine Energy Recovery Company).

**Contracted Services: Up 9.7%.** This increase is primarily due to a shift in expenses for IT services from the salary line to contracted services (\$12,000) as well as a one-time appropriation of \$6,000 for updates to the base photographic data use by the Town's GIS system and the Planning and Assessing departments.

**Fuel costs: Up 20%.** Self-explanatory given the continuing increases in vehicle fuel and heating oil costs.

**Supplies: Up 11.7%:** The proposed budget includes a \$14,000 increase in supplies, including postage and operating supplies. The increase within the Administration budget is attributable to the Presidential election. Every four years the Clerks office must plan additional costs (\$4,175) related to the larger turnout of voters in November. The Police and Communications supplies budget increase (\$5,750) includes needed safety equipment (eyewash station and detainee security bench), tire replacements for the Dodge cruisers, and an increase (\$2,000) in the ammunition budget to ensure that officers are able to accomplish required training in firearms use. There is also a one-time expense (\$4,400) in the Mechanic's budget to acquire a lift that will work with the Dodge police cruisers.

**Outside Agencies:** There is essentially no change from last year in the Town Manager's budget proposal.

**Other Expenses:** Although the appropriation for the local circuit breaker program is unchanged from last year at \$20,000, this year the program will need to utilize property tax dollars for the appropriation. The first three years of the program operated with an original \$80,000 allocation.

**Social Services: Up 11.7%.** The budget recommends additional allocations to two agencies; the York County Shelter (\$1,900) and York County Community Action (\$1,000). The reason for the recommended increases is the decision by the York County Commissioners to eliminate County funding for several social service agencies, including these two. The proposed increases represent the share of lost funding that would have been assessed by the County to Kennebunkport if the Commissioners had chosen to continue County funding.

## CAPITAL BUDGET ANALYSIS

**Capital Outlay: Up 20.6%.** The proposed capital budget represents 12.4% of total municipal expenditures. Last year, the capital budget was 10.8%, which represented a greatly needed increase from the capital budget efforts in the preceding two years (5% and 7% respectively). By way of comparison, capital expenses represented 14.5% of total in fiscal year 2008 and 9% of total in fiscal year 2009. Last year, the Town Manager was asked to develop an extensive 5-year capital plan so that the Board of Selectmen and Budget Board members could formulate their recommendations through a better understanding of the Town's infrastructure needs. The greatest need looking forward is in road improvements, Highway Department vehicle replacement, Fire Department apparatus replacement, and building improvements across several departments. This year's proposed appropriation is in line with the capital plan agreed to last year by both the Budget Board and the Selectmen.

### Administration

- Historic Preservation: \$5,000 allocation for ongoing preservation of historical documents at Town Hall.
- Equipment: \$3,500 is requested for the purchase of a voting machine. This funding will supplement \$6,500 that is already appropriated. The Town will need to purchase two voting machines. The State is supposed to implement this year a mandatory standardization of ballot reading machines in all municipalities. The expectation is that the State will provide one machine at its cost to the Town.

### Police

- Equipment: \$7,500 is requested to purchase a mobile lap top unit for one of the new cruisers and to implement required security updates for the law enforcement software on each departmental computer.
- Vehicles: The Department is requesting \$41,000 to replace one cruiser and a program vehicle to replace the Chief's car, which has over 100,000 miles of use. The repair experience of both vehicles is accelerating due to the high mileage and constant use.
- Equipment: \$9,000 is requested to replace the electronic defibrillators in the police cruisers, as well as one back-up unit. The existing defibrillators must be removed from service at the end of 2012 due to pre-established expiration dates.

## **Communications**

- Building Improvements: \$50,000 is requested to establish a building reserve fund. The needs at the Police facility include expanding the existing space to enable the building to function as an operations center during emergency response situations, such as tropical storms, hurricanes, and severe winter weather. In addition, the building is not in compliance with required security protocols related to general public access to areas used for police operations. A third building issue is that the meeting room is undersized. A larger space is needed, as well as a new plan for access by nonpolice individuals in order to address the security concerns identified above.

## **Fire**

- Equipment: The Fire Department has over 140 air bottles that must be replaced no later than 15 years from purchase. The Department has developed a replacement schedule through 2021 that will allow for a consistent budget allocation. Appropriation request is \$11,200.
- Personal Protective Equipment: The Department must perform annual testing of 100 personnel who may wear air tight masks in performance of duties. In addition, the Department replaces at least 9 sets of turn-out gear as either replacements to existing responders or first sets for new responders. This allocation of \$17,000 allows the Department to acquire the equipment needed to perform this test in-house.
- Building Improvements: Requested allocation of \$22,500 to replace the 20 year old roof shingles at Wildes District station. This is part of ongoing efforts to update the condition of Wildes District station.
- Apparatus Reserve: The Department has completed a long-term replacement schedule for all fire apparatus through 2034. This plan projects the use of funding from the Kittredge and Seavey trust funds as well as town appropriations. The funding request is \$130,000. The initial purchase of replacement apparatus would be in fiscal year 2013.

## **Highway**

- Vehicles: \$120,000 is requested to purchase a Dump/Plow vehicle, fully equipped. The truck to be replaced is 12 years old. A replacement schedule for Highway Department vehicles has been completed through fiscal year 2018.

## **Road Improvements**

- An allocation of \$250,000 is requested for the fiscal year 2013 paving program. The recommendation is to fund the repaving and substantial improvement of Whitten Hill Road.

## **Sidewalk Construction**

- Twenty-five thousand dollars is requested for the sidewalk reserve fund in order to continue with the pedestrian and bicycle enhancements that are ongoing.

## **Recreation**

- Park Improvements: \$25,000 is requested for park improvements, including further work at Silas Perkins Park. In addition, funding will be retained for improvements to the playgrounds at Parsons Field and Beachwood Park.

## **Piers/Rivers and Harbors**

- Reserve: At the end of fiscal year 2012, there will be \$168,000 in the Piers, Rivers and Harbors reserve fund. This budget request is for \$50,000 in anticipation of future maintenance needs at both Cape Porpoise Pier and Government Wharf. Design, engineering and environmental permitting has already been completed for major rehabilitation of Government Wharf at a cost of \$500,000. The Town plans on applying for state marine infrastructure funding through MDOT in July, 2012. However, without substantial matching funds it is very unlikely that the Town's application will be considered. The Town's application during the last State application process was not accepted because the matching funds proposed by the Town were not competitive with applications from other communities.

## **Special Projects**

- S-Brook Drainage: A portion of S-Brook is directed underground, beginning at the rear of the Maine Stay Inn and continuing across Maine Street to Elm Street, and then behind a private residence to the large swale near Union Street. This underground structure is made of granite blocks in part and is well over 100 years old. Sections of it have collapsed and sinkholes are now appearing. A camera inspection of the drainage structure revealed several problem areas. This allocation of \$125,000 will be combined with last year's appropriation to replace the portion of the drainage structure between Elm Street and the outfall at the bridge on Union Street. The proposed work will extend from Elm Street, down Maine Street and then up Union to Cross Street.

Board of Selectmen  
Town of Kennebunkport, Maine

We were engaged by the Town of Kennebunkport, Maine and have audited the financial statements of the Town of Kennebunkport, Maine as of and for the year ended June 30, 2011. The following statements and exhibits have been excerpted from the 2011 financial statements, a complete copy of which, including our opinion thereon, is available for inspection at the Town Office.

Included herein are:

## BOARD OF SELECTMEN REPORT

*L-R: D Michael Weston, Allen A. Daggett, Sheila Matthews-Bull, Mathew J. Lanigan, and Stuart E. Barwise*

The year 2011/2012 saw the continuation of many of the critical issues of the previous year. The most important of these issues are the Goose Rocks Beach lawsuit, the cost sharing formula negotiations amongst the RSU 21 member communities, and with this, the question of school closure and renovation.

As the lawsuit continued its march toward court and a trial, a working group made up of individuals representing the plaintiff group, the Town, and the TMF group (which is comprised of Goose Rocks area stakeholders who are not beachfront owners) met several times in the attempt to structure a settlement that would end the lawsuit in a manner that satisfied the greatest concerns of each respective group. Great progress has been made and work continues toward reaching an agreement. If these efforts fail, a trial will take place as scheduled this summer. The Board of Selectmen strongly and unanimously supports the preservation of access to all of Goose Rocks Beach for the purpose of general recreation.

You will recall that last May saw the failure of a measure to change the cost sharing formula for RSU 21. That proposal was an agreement and compromise reached after months of negotiations and hard work. A few short months after the voters rejected the altered formula, the Board of the RSU 21 saw fit to once again open the matter of cost sharing. This has compelled Kennebunkport to appear at the table once more to negotiate. There is virtually no scenario in which Kennebunkport will not have to make a greater contribution toward the funding of the RSU. The only question is

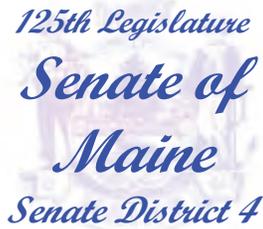

how much. As a result of the constant and unwavering demands by Kennebunk, and now Arundel, for Kennebunkport to pay more of the RSU's operating and capital expenses, as well as a concern that the closure of Consolidated School may be a real threat under a new agreement, a group was formed to research the withdrawal of Kennebunkport from the RSU 21. The work of this group has begun, as has the work of the new Cost Sharing Committee. This work will likely continue for several months.

While the above topics are certainly important, the day to day business of the Town is our greatest responsibility. Making this task easier on the Board than anyone could imagine is Larry Mead our Town Manager. Larry has done, and continues to do, an exceptional job. To ensure that our jobs remain easy, the Board unanimously supported a three-year renewal of Larry's contract, and we look forward to continuing our work together.

Elsewhere in town you will have noticed new or improved sidewalks and roadways. These projects will continue in the coming year with more roadway repairs. The Board of Selectmen is committed to continuing the investment in our Town's infrastructure.

The Board of Selectmen would like to acknowledge and express our great appreciation to all of the Town's employees, as well as volunteer board and committee members. We could not be any more fortunate than we are to have this wonderful family of people working together to make the Port the special place that it is.

Stuart E. Barwise, Chair, Board of Selectmen

Dear Friends,

Thank you for the opportunity to serve as your State Senator. It is a great honor to represent the people, businesses, and interests of Kennebunkport.

This legislative session, I had the privilege to serve on three very important committees – Government Oversight, Marine Resources, and State and Local Government. Each committee faced significant issues, all of which were very important to the State of Maine. Marine Resources nominated a new commissioner for the department; State and Local Government focused on the restructuring of the State Planning Office to save the valuable functions such as community block grants, economic development, issuing permits, and community service volunteers; and Government Oversight tried in a bipartisan fashion to work out some issues in our quasi-state agencies.

Additionally, it was truly an honor to be appointed by the Senate President to serve on two important commissions. I believe we have made good progress for the good of Maine children on the Expanding Early Post-Secondary Access for High School Students in Maine Task Force. It was also a pleasure to work with Maureen King on the task force. The work was equally important on the Blue Ribbon Commission on Affordable Housing as we all realize the need for affordable housing in southern Maine to build our workforce and affordable housing market.

In fact, as part of my effort to bring matters happening in Augusta back home to our district, I am pleased to offer an electronic newsletter to share information about legislative issues and useful resources. Please go to [www.mainesenate.org](http://www.mainesenate.org) to join the mailing list.

Whether I am up at the State House, at work, or at home, I always welcome your opinion and feedback as the Legislature does its work. Feel free to contact me anytime by email at [npsullivan@zwi.net](mailto:npsullivan@zwi.net). I can also be reached by phone locally at (207) 282-5594 or the State House at (207) 287-1515.

It has been an honor to represent Kennebunkport in the Maine Senate over the past eight years. While I realize that we have not agreed on every issue, I continue to be moved by the generous heart and spirit of Kennebunkport. I wish you all the best.

Sincerely,

Nancy Sullivan  
Senator – District 4

Dear Friends and Neighbors:

Another year has passed, and with its passing we have seen some important changes in terms of our economy, our state, and our community. Last year, I commented on the unique and special place that is emblematic of Kennebunkport, and the past few months have affirmed that characteristic. Christmas Prelude, with its many volunteers and participating businesses, continues to draw thousands to Dock Square. The annual Memorial Day Ceremony brings our community to the town center to pay homage, in a special way, to those who have served and sacrificed, while the Kennebunkport Festival has discovered a new and popular niche for people who enjoy our community.

A wonderful example of the hard work and vision that is so much of our town's fabric has been the Kennebunkport Conversation Trust. Their success has been epic, and this past year, the purchase of Timber Point was the crowning jewel of years of strategic and thoughtful land acquisition. What better way to preserve character and tradition than in the preservation of important scenic pieces of land. The KCT is not only an outstanding organization, but one in which remains a key component in preserving Kennebunkport's uniqueness and beauty.

The State of Maine continues to face challenging times. Cuts to programs and services remain part of the political landscape. I believe that we must continue to find efficiencies and discover a better way to utilize tax dollars. My governmental experiences have made me increasingly confident that the most essential component in the new, emerging economy is the "Buy Local" movement that has been articulated in many communities. Buying from friends and neighbors keeps local dollars within the local area, so it is not only good for business, but it is good for our seniors, our young, and all residents. Most importantly, it reinforces those special bonds of community that make Kennebunkport unique.

As your representative, I have been working directly with many of you, and I look forward to serving you in the upcoming years. I believe in the character and spirit of Kennebunkport's people. I am impressed by the work ethic and awed by the creativity. There is so much potential within our borders. Thank you for placing your trust in me during the past six years.

Sincerely,

A handwritten signature in black ink that reads "Ala".

Dear Friends,

As we begin a new year, I welcome this opportunity to share some of my recent work for the people of our great state.

The economy and jobs remain my highest priorities. More efficient transportation is essential to our economic growth. After a years-long, hard-fought battle, I successfully pushed through Congress a bill I wrote to allow the heaviest trucks to travel on Maine's federal interstates, instead of forcing them to use our secondary roads and downtown streets. This will make our streets safer, reduce fuel consumption, and allow our businesses to be more competitive. I was pleased to have the support of many Maine groups, from the Maine State Police and the Parent-Teacher Association to the Maine Motor Transport Association and many others that helped me advocate for this sensible change.

I was also successful in my efforts to prevent the federal government from limiting certain vegetables, including Maine's potatoes, in school meal programs. Nationwide this ill-conceived proposal would have cost our schools, the states, and families an estimated \$6.8 billion over five years. I built support from both sides of the aisle and from across the country to ensure that schools maintain the flexibility they need to serve students healthy and affordable meals. This proposed rule was a prime example of excessive Washington regulation.

In my effort to protect jobs, I also introduced bipartisan legislation to ensure that the proposed EPA regulations known as the "Boiler MACT" rules protect the environment and public health without jeopardizing jobs in our state, particularly in the forest products industry. I also continued to help advance the development of deep water, off-shore wind energy at the University of Maine, which has the potential to provide clean energy and to create thousands of new jobs.

On the Armed Services Committee, I worked to secure funding for shipbuilding at Bath Iron Works, submarine overhauls at Portsmouth Naval Shipyard, and the manufacturing of aircraft engines at Pratt and Whitney, as well as to strengthen the 101st Air Refueling Wing in Bangor and the Maine Military Authority in Limestone. The new defense funding bill also includes my amendment to expedite the claims of veterans with severe disabilities like the soldier I met who is suffering from ALS, also known as Lou Gehrig's disease.

Last year, the President signed legislation I coauthored creating a national plan for combating Alzheimer's disease, which affects more than five million Americans and their

families. In another health-related development, at my urging, the Food and Drug Administration allowed clinical trials to begin on the artificial pancreas, a device that could dramatically improve the health and quality of life for people with Type I diabetes.

Many Mainers have contacted me to express concern about the Postal Service, which is the linchpin of a nearly \$1 trillion mailing industry that employs 8.6 million people. I've sponsored bipartisan legislation to rescue the U.S. Postal Service from financial failure next year. This bill provides flexibility to the USPS to restructure itself in an effort to save billions of dollars and preserve universal postal service for all Americans, no matter where they live.

In December, I cast my 4,825<sup>th</sup> consecutive vote, making me the longest currently serving Senator never to have missed a vote. I am grateful for the opportunity to serve the Town of Kennebunkport and Maine in the United States Senate.

If ever I can be of assistance to you, please contact my York County state office at (207) 283-1101, or visit my website at <http://collins.senate.gov>. May 2012 be a good year for your family, your community, and our state.

Sincerely,

Susan M. Collins

*Dear Friends:*

*I want to thank you for the opportunity to extend my warm greetings to the people of Kennebunkport, and take just a moment to offer a few thoughts about the past year as we look ahead to the year to come. Indisputably, as we continue to face historic challenges as a nation, as a state, and as individual towns and cities, our economy remains of paramount concern, and justifiably so, as we are still plagued by the worst economic downturn since World War II. Indeed, as countless Mainers have conveyed to me in roundtable discussions and on Main Street tours, the crushing job creation drought that too many have endured for far too long must not become the new normal.*

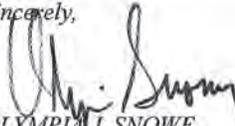

*Thankfully, there are steps that Congress and the Administration can take right now to expand our private sector. We can best unleash the genius and innovation that have made our country the most exceptional in human history, I believe, by addressing the following three pro-growth pillars, consisting of a balanced budget amendment, regulatory reform, and tax code overhaul, all of which I have championed in the Senate.*

*It is long past time that Congress bridge the partisan divide and unite around a pro-growth jobs agenda to pass a balanced budget amendment to the Constitution just as Maine and 48 other states already have, to end the regulatory rampage in Washington that has hamstringing our economy, and to overhaul the far-too-complicated, unwieldy tax code. American taxpayers expend 7.6 billion hours and spend \$140 billion – or one percent of GDP – just struggling to comply with tax filing requirements – and that burden must end.*

*The fundamental question is, what kind of country do we want America to be? Mainers, like all Americans, are rightly frustrated and angry that we have an expansionist government and a record accumulation of debt, and yet they don't see any positive difference in their own lives. I share that frustration and anger. And I hope you will work with me to forge a brighter future worthy of the greatest nation on Earth, bearing in mind as we move forward that economic and homeland security cannot be mutually exclusive. In that light, we remember today – and every day – the extraordinary service and sacrifice of our brave servicemen and women in Iraq, Afghanistan, and around the world who comprise the finest defense force on the planet.*

*Please be assured, I will continue to work tirelessly on behalf of the people of Maine and America. I encourage you to visit my Senate website at [www.snowe.senate.gov](http://www.snowe.senate.gov) for additional details on how you can join with me in these efforts, obtain helpful government information, and share any concerns or legislative input you may have. You may also visit with members of my staff at my Regional Office located at 227 Main Street in Biddeford or by calling 282-4144 or toll free in Maine at 1-800-432-1599.*

Sincerely,

OLYMPIA J. SNOWE

IN MAINE CALL TOLL-FREE 1-800-432-1599  
PRINTED ON RECYCLED PAPER

CONGRESS OF THE UNITED STATES  
HOUSE OF REPRESENTATIVES

CONGRESSWOMAN  
CHELLIE PINGREE

1ST DISTRICT  
MAINE

Dear Friend,

I hope this letter finds you and your family well. It continues to be an honor to represent you, and I wanted to take a moment to share with you some the work I've done in Washington and Maine over the last year.

As you know, times are not easy. The country still struggles to recover from the recession, which is why I'm so frustrated Congress has not been serious about job creation. Voters elected us to Congress with the highest priority of getting the country back to work. While we should have been voting on jobs legislation, we have ended up debating anything but.

I am proud, though, to have worked on my own piece of jobs legislation in 2011. Local food is a growing part of Maine's economy and has helped revitalize a traditional staple of our communities—the family farm. We have seen incredible increases in CSA farm shares, farmers markets, and acres in cultivation.

But outdated federal policy hasn't done enough to support this bright spot, and often hinders it. I've introduced the Local Farms, Food, and Jobs Act to bring local farmers the resources they need to continue growing. If passed, it means investments in our regional food infrastructure, help for local schools to buy food produced in their communities, and giving more and more people affordable access to local food.

Another piece of legislation I introduced in 2011 would help service members who are victims of military sexual assault. This has become an alarming problem as thousands of women—and men—report being sexually assaulted while serving. I've listened to many of them who are from Maine. My legislation would ease the restrictions they currently face to get disability benefits from the VA.

As a member of the House Armed Services Committee, I've been able to work on several polices that affect our military personnel. It also means that I've kept close watch on our operations overseas. In 2011, we saw some good news on this front. First, we finally found and killed Osama bin Laden. The second came with the official end to the war in Iraq.

I am so glad that the Mainers who have served there will be able to return home. But we can't forget the nearly 4,500 soldiers we lost in Iraq—24 of them from Maine—nor the men and women who continue to serve in Afghanistan. I hope we can start to bring them home in 2012.

My thoughts now are also with the many Maine families who can't afford to heat their homes. I'm disappointed to see deep cuts in LIHEAP, a program thousands of Mainers rely on. I've introduced legislation to restore the funding and I will keep fighting to get Mainers the support they need.

I wish you and your families the best—it's a privilege to serve you. If there is anything I can do, please don't hesitate to contact me at (207) 774-5019 or [www.pingree.house.gov](http://www.pingree.house.gov).

Hope to see you in Maine soon,

Chellie Pingree  
Member of Congress

## TOWN MANAGER REPORT

*Town Manager Larry S. Mead*

How many of us in Town held our breath when the three-way stop sign was unveiled at the intersection of Maine Street and Spring Street just before Memorial Day? I know that I did for a few days as people “re-learned” their driving habits at that intersection. Thankfully, there was not a single fender-bender resulting. The general assessment was that the intersection change was for the better and that traffic moved through the bottleneck more efficiently than under the old system.

Another prominent intersection that changed in 2011 was at Dyke Road and Kings Highway in the Goose Rocks Beach neighborhood. Construction work began after Labor Day to address long-standing flooding problems that periodically closed off access to the west end of Kings Highway. BREX Company worked diligently and expeditiously to raise the elevation of the road by as much as 3 feet. The road design allows water to pass under the surface of the road during high water events. Final work will be completed on this project in the spring of 2012.

The lawsuit filed against the Town of Kennebunkport and the Town’s residents by over 20 Goose Rocks Beach waterfront property owners continued its slow, frustrating process over the past year. The presiding judge did make preliminary findings on a number of substantive issues, most significantly in concluding that neither the Town nor the plaintiffs had demonstrated sufficient evidence in support of their respective positions to warrant a ruling of summary judgment by the Court. A trial date has been set for August of 2012.

One of the more under-utilized Town resources is the Silas Perkins Park, a riverfront park space on Ocean Avenue just across from Greene Street and the Village Green. This past year, the Town took steps to protect the park from slow,

steady erosion along the riverbank by placing stone rip/rap along the embankment, along with a set of granite steps leading down to the river's edge, which can be accessed at low tides. In addition, the Town has recently upgraded the benches, and put a fresh coat of stain on both the picnic tables and the fence separating the park from the neighboring property. More improvements are planned in 2012 with the goal of making this park an inviting place for people to stop and enjoy the magnificent view.

Another Ocean Avenue project completed last year was the reconstruction of the sidewalk from Chestnut Street to Greene Street. The Highway Department crew did the work, which included widening the sidewalk, raising the elevation and installing granite curbing. The end result is a safer, more attractive and more inviting sidewalk on one of the busiest walking routes in town. Improving walkways and bikeways continues to be a priority. Work was substantially completed, again by the Highway Department, on a section of sidewalk at Pier Road, just before the head of the cove. Once again the end product is a safer, more attractive walking route on a street much used by both residents and visitors.

There were several other efforts last year to improve the appearance of our public spaces. The Seacoast Garden Club put flowers and plants on top of the retaining wall at the corner of Union Street and Ocean Avenue. Many thanks to the volunteers from the Garden Club! Also, in the Dock Square area the Town, following the removal of the landmark maple tree near the Kennebunkport Inn, put in its place a landscape bed that helped beautify a prominent location. At the town office on Elm Street, new landscaping has been added and the front steps rebuilt. The result is a much more attractive entrance.

There were significant achievements in improving communications and information between residents and Town government. It is now possible for residents to access through the Town's website GIS data for all town parcels, including aerial mapping and identification. It is an extremely useful tool for both residents and town staff. Watching the broadcasts of Town boards and committees is now much more accessible. All televised meetings are now also available for streaming on-line through the Town's website. Meetings can be viewed via streaming either live, or at a later time since the meetings are archived. The quality of broadcasts has been improved as a result of better lighting and greater bandwidth capacity.

The position of Police Chief is a critical role in any community because of the authority and responsibility that goes with the job. This past year, the Town welcomed Craig Sanford as our new Police Chief. There was tremendous interest in the vacancy from qualified law enforcement people from throughout the United States. Chief Sanford emerged from an extensive interview process as the most qualified candidate and the best fit for Kennebunkport. He brings a wealth of experience, having served the Town of Sanford for over 20 years, most recently as Deputy Chief.

It is my privilege and honor to come to work each day on behalf of the people of Kennebunkport. It is truly a special community, and I am blessed to serve as its Town Manager. My sincere thanks to the Town's employees for their good work, to the members of the boards and committees for giving of their time and talents, and to each of the Selectmen for having the courage and commitment to hold an elective office in an era when that is a difficult choice to make.

Larry S. Mead, Town Manager

## **ASSESSING DEPARTMENT REPORT**

The 2012 mill rate remained at \$6.34 per thousand. This has been the third year with the mill rate remaining the same with no increase. The taxes were committed to the Tax Collector on July 28, 2011, with due date of September 12, 2011, for the first half and March 12, 2012, for the second half.

The 2011 assessed valuation of the Town was \$1,827,152,440. Based on the \$6.34 mill rate, the sum of \$11,584,146.47 was committed to the Tax Collector. The 2012 assessment ratio is 100 percent of market value based on the sales that took place prior to April 1, 2010. All records in the Assessors Office are open to the public and available for review from 8:00 a.m. to 4:30 p.m., Monday through Friday. Assessing data is also available on-line by visiting the Town's website at [www.kennebunkportme.gov](http://www.kennebunkportme.gov) and following the Assessors Database link to the Vision Appraisal website. If you have any questions regarding assessed values, please call (207) 967-4243 extension 102.

Werner Gilliam continues to serve in a multipurpose role with the day to day assessing responsibilities along with functioning as Town Planner. Donna Moore Hays, a Certified Maine Assessor, continues to serve the Town as a professional consultant.

This past year, the Town has made parcel data available on the website via the link GIS Maps. We continue to have paper maps available for display within the Assessing Office at town hall.

We would like to also mention that veterans of wartime service and un-remarried widows of veterans are eligible for a partial tax exemption if certain criteria are met. There is also a Homestead Exemption for residents who meet certain residency requirements. Please call or stop by the town office where these forms and applications are available. Both have to be filed on or before April 1 of the year in which they are to take effect.

In closing, we would like to thank the Town Manager, the office staff, the residents of the Town, and the Board of Assessors/Selectmen for their cooperation and support during the past year.

Donna Moore Hays, CMA  
Assessors' Agent

Werner Gilliam  
Assessor's Assistant/Town Planner

## CODE ENFORCEMENT OFFICE REPORT

Commercial construction again increased from last year with several very large new projects on Goose Rocks Road and in Dock Square, as well as some very extensive renovations down at Goose Rocks Beach.

We issued 1 subdivision and 10 non-subdivision growth permits for new residential dwelling units, which was the same as last year. The zone with the greatest number of new dwelling units built was Goose Rocks with 3, followed by Cape Porpoise West with 2, and Cape Porpoise East, Cape Arundel, Village Residential, Village Residential East and Farm and Forest with 1 each. The total number of permits issued for the year was 367.

Daily code enforcement activities continue to include examining building plans; issuing growth, building and plumbing permits; and performing job-site inspections, as well as victualer inspections at 61 B&Bs, inns, hotels, restaurants and shops in town. The code enforcement secretary continued assisting with the abatement process that came from the revaluation that was done, working directly with the Board of Assessment Review, the assessing department and the residents going through the process. The code enforcement staff continues to also assist the Planning Board and Zoning Board of Appeals members, as well as their applicants.

## KENNEBUNKPORT EMERGENCY MANAGEMENT AGENCY REPORT

*The causeway on Pier Road flooded during a spring storm.  
Never attempt to drive through flooded roadways!*

The Kennebunkport Emergency Management Agency (EMA) maintains the Town's Comprehensive Emergency Plan and works with local, county, state, and federal officials to prepare for possible disaster situations. In an actual emergency, the EMA establishes an Emergency Operations Center and coordinates the community's response to the situation.

Jim Burrows serves as EMA Director, a volunteer position he has held since 1974. He is assisted by Dick Stedman, who has served as Deputy Director since 2003. Public Health Officer and Town Nurse Judy Barrett serves as the Town's Shelter Officer.

There was a federal disaster declaration for York County in 2011 due to Tropical Storm Irene, which impacted the area on August 27 and 28. In order to make preparations for a possible hurricane, Town Manager Larry Mead assembled the public safety department heads and managers for several meetings in advance of the storm. Irene weakened by a brush with the mid-Atlantic coast, reached New England significantly diminished and with a reduced impact. The storm resulted in several emergency calls for trees and wires down and a widespread power outage

that lasted about 24 hours. Spectators along Ocean Avenue had to be warned to stay off the rocks due to dangerous surf conditions as the storm moved up the coast.

Following the storm, the EMA compiled local costs for response and cleanup, met with FEMA officials and processed the Town's public assistance claim totaling \$14,420.00 for the event. In a federally declared disaster, the costs incurred by town agencies for response and clean up are usually eligible for reimbursement.

In any disaster situation, protecting the lives of residents and visitors is always the highest priority. Of special concern are those residents who for health or other reasons may need help during a major emergency. If you believe you may need assistance during a disaster situation, please call the Kennebunkport Communications Center at anytime at **967-2454** or **967-2700** to advise us of your situation. As always, if you have an immediate emergency, please call 9-1-1 without delay.

As in prior years, we remind all property owners in Kennebunkport to be certain that you have displayed the street number for your property in a prominent location and clearly visible from the road so that Police, Fire and KEMS personnel can find you without delay in an emergency. This number is becoming of increasing importance in an era when many people no longer maintain a land-line telephone, and, instead, rely on a cell phone for all communications. Calling 9-1-1 from a cell phone provides only a general location and not a specific, verified street address to our Communications Center. Emergency personnel will need to find you based on signage and your knowledge of your location. If you maintain rental property, numbers displayed on the house may be the only way your tenants will know their actual location.

Jim Burrows, EMA Director  
Dick Stedman, Deputy EMA Director

## KENNEBUNKPORT FIRE DEPARTMENT REPORT

*In Feb. 2011, Kennebunkport firefighters pose for a quick group photo during a training burn of a structure on Henchey Way at Goose Rocks Beach.*

The Kennebunkport Fire Department consists of 80 volunteer members responding from the Town's four stations: Cape Porpoise, Goose Rocks Beach, Port Village, and Wildes District. We presently operate 12 pieces of fire apparatus, plus two small boats for water rescue.

Kennebunkport's firefighters are men and women of all walks of life who are committed to the safety of our town. We are a volunteer "call force" and are paid only for response to calls and some training time. We respond to fire calls, motor vehicle accidents, water rescue situations, hazardous materials incidents, missing person searches, and many other types of emergencies. During severe storms and other disaster situations, we stand by to assist the community in any way that may be needed. We routinely provide mutual aid assistance to the fire departments of Arundel, Biddeford, Kennebunk, and Wells.

We conducted our annual fire prevention week education program at Consolidated School for the 26<sup>th</sup> consecutive year! This program was begun by Department Safety Officer Jim Stockman, and it continues to be among the most rewarding activities we have. Also in 2011, we initiated a program, spearheaded by Village Fire Company President Tim Good, of fire extinguisher training for area residents and

employees of local businesses. These classes were extremely popular and will be continued in the future.

Kennebunkport firefighters train regularly in many areas of our operations. Over 40 of us are trained and state-certified in structural firefighting at the Firefighter 1 or 2 level. Many of us have completed training in HAZMAT and Weapons of Mass Destruction Operations, automobile extrication, ice and water rescue, technical rescue, wildland firefighting, and many other specialized areas.

During 2011, several members completed advanced certification courses. Captain Mike McGrath achieved Fire Officer 1 and 2 certification, and Captain Jamie Houtz and Engineer Chris Welch became certified Fire Instructors.

We live in an era where the frequency of serious fires is greatly reduced due to modern construction methods and fire prevention activities. However, in order to gain the necessary experience in fighting structure fires, we rely on the availability of older buildings in which to train. We were fortunate to have two such opportunities in 2011, a residence at Goose Rocks Beach and the former Landing Restaurant facility on Ocean Avenue. We greatly appreciate the generosity and concern for the community that the owners of these properties demonstrated in allowing us to use their buildings. The experience our members gained is significant and will allow us to deal with structure fires as safely and efficiently as possible.

We are always seeking opportunities to train in or possibly conduct a controlled burn of structures that are slated for demolition. Please contact Fire Chief Allan Moir or the Fire Department business office should you be considering such a project.

In December, we mourned the passing of Senior Engineer Henry Beauvais, who had dedicated over 38 years to the Kennebunkport Fire Department. Henry could be counted on to be there after every call to help put everything back in service. Henry's passing was marked by the department with a full firefighter ceremony, an honor he very much deserved.

Also in 2011, we were fortunate to have three new members join our ranks! We welcome Mike Austin, Leon Rossouw and Ted Petersen. If you are interested in learning more about what we do and possibly becoming a member, please call the Fire Department business office at 967-2114 or ask any Kennebunkport firefighter. Your inquiry may lead to the most rewarding thing you have ever done!

Dick Stedman, Fire Administrator

**CAPE PORPOISE PIER HARBORMASTER REPORT**

*Cape Porpoise Harbormaster Lee McCurdy*

Those currently using the Cape Porpoise pier at this time are: 49 fishing boats, 32 recreational boats, 4 lobster dealers, and 2 water users. I am very happy to report that there were no serious injuries in Cape Porpoise again this year.

Pier Dues did not increase in fiscal year 2012:

Dealers	\$715.00
Lobster Boats	\$605.00
Water Users	\$330.00
Recreation	\$400.00
Punt Fisherman	\$310.00

This fiscal year, we budgeted to replace the bait shed cooler evaporators with the shaded pole motor evaporators. These are the same evaporators we used the last time they were replaced. The work will be done in March 2012 by Southern Maine Refrigeration. This job was quoted at \$9,450.00.

We also purchased a pressure washer and two custom-made bait dollies in 2011. The dollies were built by J & R Steel for just under \$500.00 each and the pressure washer at Home Depot for approximately \$700.00.

For fiscal year 2013, we are looking into installing a new roof on the bait shed. We have bids for this job and will make a decision in the near future.

I would like to remind everyone with a mooring in Cape Porpoise harbor that they must have their mooring permit for the spring of 2012, and their mooring properly marked with a permit number.

It is unlawful to place a mooring within the waters of Kennebunkport without a permit issued by the Town of Kennebunkport's harbormaster. Applications are available at the harbormaster's office at the Cape Porpoise pier.

Lee F. McCurdy, Harbormaster

### **KENNEBUNK RIVER HARBORMASTER REPORT**

It has only been about 10 months since taking the position of harbormaster from now retired Jim Nadeau, and during that time I can now see firsthand how he has much improved the mooring placements, annual filing of registrants, and the waiting list system during his years of service. As I have big shoes to fill, I hope he and others will be rest assured that after my 30 years of experience working on the Kennebunk River, I intend to keep up the great groundwork he has laid down over the years to continue a smooth and enjoyable working harbor. I wish him the best and hope he enjoys many great years of relaxed retirement.

The beginning of the boating season involved my top-to-bottom inspection of approximately 30 of our 68 moorings with the use of the town-owned work barge. Most of these moorings needed major replacement of corroded mooring chain and shackles, etc., which is why as noted in the Harbor Ordinance, it is mandatory for the harbormaster to perform biannual inspections to keep the Kennebunk River safe from boats breaking free. The balance of these moorings will be inspected in the spring of 2012.

As the Kennebunk River Committee and myself are in preparation to have the Kennebunk River dredged in the near future, a change had to be made to the recreational mooring fees. Since the river is a federally maintained channel, we can no longer have two different fees for the resident and nonresident recreational moorings. To be compliant with the Army Corp, we now have one fee for both residents and nonresidents, resulting in a \$150 annual fee for both. This change was approved and voted on by the River Committee and the Selectmen of both Kennebunk and

Kennebunkport.

The Kennebunk River currently has 28 commercial moorings and 48 recreational moorings for a total of 68 moorings. Two of these moorings are town owned and made available for transient boaters at a fee of \$25 per night.

There are approximately 57 people on the waiting list, with a \$15 annual registration fee. An application can be downloaded from the Kennebunk Town Website for your convenience.

Revenue generated from the mooring fees go toward the maintenance and repairs for such things as the work barge and harbormaster's boat.

The harbormaster's boat is in dire need of replacement, as it is an older wooden 14 ft. skiff that has been fiberglassed. It also has an old outboard engine needing repairs. The work barge is of steel construction and presently being sandblasted, repainted, and refitted for many more years of service.

The 2011 boating season was a busy one. The fantastic weather brought out all forms of vessel traffic including a new sport called paddle boarding. Although paddleboarding offers a great workout and is enjoyable, it is often not an easy maneuvering craft in the strong tides of the river. It is highly recommended that these riders please stay out of the center of the busy river channel to avoid sail and powerboat traffic. This recommendation also applies to the ever increasing kayak traffic. If you must transit the busy sections of the river channel in a kayak or paddleboard, please stay to the right side of your direction of travel. If you are in a group, please stay in a single file.

There have been many close calls of collision involving large sail and power vessels with the smaller kayaks and paddleboards. Please be aware of your surroundings at all times, and let the larger vessels pass.

I would like to remind the larger vessels that the Kennebunk River is a "No Wake Zone" from the southern ends of the jetties at the mouth of the river, to the northern most navigable point. You are responsible for any damages caused by your wake. Please be courteous to everyone on the river by going as slow as possible.

The Kennebunk River has a floating pump-out station located on a mooring at the south end of Doane's Wharf for your convenience. This is a self-serve station, which is self-explanatory and easy to operate to empty your vessel's holding tanks. This service is free, and I encourage its use. Please do not discharge raw sewage into the river. It is the law.

As we all get ready for another busy season of boating, I look forward to another season of smooth and safe sailing from the Kennebunk River.

If you have any questions or comments, please don't hesitate to call.

Raymond Billings, Harbormaster

## HIGHWAY DEPARTMENT REPORT

The Highway Department worked on several projects this past year that allowed the Town to get needed work done while keeping the total budgeted cost low. Using the Department work crew helps to stretch the capital budget while keeping the tax impact as low as possible.

The crew put in a new, wider sidewalk on Ocean Avenue between Green Street and Union Square. At the same time, granite curbing was installed which gave the finished product a much neater appearance and also improved the drainage significantly.

Work was completed on drainage at Parson's Field. This work was done in phases over four budget years. The improvement in the field's condition over that time is dramatic.

A new portion of sidewalk with curbing was added on Pier Road just before the bridge at the head of the cove. This replaces the sidewalk on the other side of the road that narrows to only a couple of feet at a sharp curve. This will result in a safer crosswalk for pedestrians.

The crew replaced three catch basins on Maine and School Street that had been sinking ever lower, particularly the one near Parson's Field. The Town had asked the State MDOT on numerous occasions for over a year to repair these structures that were on State roads and were owned by the State. It was finally determined that the basins had become so hazardous that the Town would step in and do the work.

The Highway Department put out to bid a project to raise the road level at the corner of Kings Highway and Dyke Road. This area is prone to extensive flooding that cuts off access to the western end of Kings Highway. BREX Corporation from Kennebunk was the successful bidder and completed much of the work by November. All that remains to be done is the finish layer of pavement, shoulder work, and landscaping.

The following roads were paved: Pearl Street, Pleasant Street and South Street.

I would like to thank the Highway Department crew: Eric Smith, Rick Merrill, Ray Leskowsky, Scott Lantagne, Kevin Paradis, and Mechanic Russ Welch for their great work performance and long hours during snowstorms in 2011.

John Hirst, Highway Superintendent

## **TOWN MECHANIC REPORT**

This past year has been a flurry of activity and changes.

The fuel facility control system computer was installed and brought up to speed very quickly. Having the system hardwired into the garage and wired into the department's computer has made it very convenient to use. Interdepartmental billing and cost control is much easier now.

The saga of the highway garage updates has been a challenge to date. When the old ceiling insulation was removed, it revealed a greater rust and corrosion problem than anticipated. Some of the roof deck panels and support beams are rusted beyond reuse. Because the hot air heaters, lighting, fire alarm system, and garage door tracks are all supported by the roof structure, all has to come down to replace the roof. Ongoing meetings are being held with engineers from Woodard and Curran for the best alternatives to pursue. Middle summer construction is anticipated.

The new plow truck authorized to be built has been delayed due to financial difficulties occurring with the equipment supplier. All the plow gear has finally arrived and the truck has a tentative delivery date at the end of February.

The maintenance budget is, as always, a challenge. The Town's equipment is continuing to meet the requirements needed of it.

Russell Welch, Town Mechanic

## **PARKING LOT/DOCK SQUARE REPORT**

2011 was another great year for the parking lot. We grossed \$320,297 in revenues. As usual, our staff, the police, and highway departments all contributed to a very successful summer.

Rusty (Anne) Zeddis, Parking Lot Manager

## **PARKS AND RECREATION DEPARTMENT REPORT**

I am an optimist, but 2011 proved that optimism is not always enough. My 2010 annual report had boasted that “we generate approximately 63% of our annual budget through program fees.” The flat economy and some unforeseen circumstances meant that we fell short of our goal in 2011. Some programs had to be cancelled due to lack of enrollment. Summer day camp (our largest single piece of the budget, in both revenue and expense) just did not produce the numbers it had previously, resulting in only 56.5% of our budget generated from program revenue. Lessons were learned, and it isn't business as usual.

They say you can't keep a true optimist down, so let's focus on the highlights. Prolonged winter weather and plenty of TLC produced great ice skating at the Park on Crow Hill. We also had volunteers from Tom's of Maine spend a day in the spring painting and moving maintenance equipment into our new shed before cleaning the warming hut. The bank stabilization was completed at Silas Perkins Park, paving the way for improved landscaping. Portside Rotary Club committed both time and money to revitalizing Beachwood Park. Fern Cottage Gardens donated many colorful annuals to the project.

On the programming front, summer day camp numbers may have been down in our oldest group, but we added programming for 3 to 4 year olds. Our CIT (counselor in training) program involved a record number of energetic teens, and our outdoor adventure program was filled to capacity. A new lacrosse program laid the foundation for children too young to participate in the Kennebunk Lacrosse Club, and that success will lead to additional new programming in 2012. Our youth basketball and soccer programs continued to flourish, and sponsorships allowed more teams with smaller numbers to promote “more playing time and more touches of the ball.” We continuously work on new ways to train quality coaches in these programs. Our father/daughter and mother/son events were well attended, but our Halloween Festival on Temple Street did not happen. Senior trips were also flat, so we are inviting younger adults as well and looking at new destinations. I was honored to light the Christmas tree in Dock Square, celebrating my 30 years of employment here and Prelude's 30<sup>th</sup> anniversary.

As always, I welcome suggestions and constructive criticism from the community. 2012 promises to be better with continued park renovations, webpage and Facebook updates, on-line registration capabilities, and a commitment to improvement in our program offerings. Why not join us?

Carol G. Cook, Director of Parks and Recreation

## PLANNING DEPARTMENT REPORT

While the economy continues to recover, planning for the future continues. Work continues on the Comprehensive Plan with the Growth Planning Committee who has been diligently working on the Economy chapter. We continue to have a good working relationship with Spatial Alternatives who provides useful data that will help to guide future planning. Other significant planning projects include:

### FEMA

Two years ago, FEMA released their preliminary floodplain maps which indicated some drastic changes for most coastal properties. As reported last year, these maps were rescinded due to considerable objection from many coastal communities which resulted in FEMA proposing a new process entitled RISK MAP. This process is intended to be a more integrated approach to flood hazard mitigation and preparedness. This involved the Town drafting a charter where we were able to outline numerous errors that we discovered with the maps that were provided. This charter also outlined local responsibilities as well as state and federal. Many Maine communities did the same showing a unified effort to correct flood map errors. To date, this process is in the hands of FEMA with towns awaiting a response. It did become apparent that FEMA was not interested in remapping inland floodplain areas. As a result, we have been working with Robert Gerber of Ransom Environmental to determine a process that would allow us to map our own inland floodplains in such a manner that would be easily integrated into the remapping process. Continued thanks also to Senator Susan Collin's office for remaining diligent in assisting with this process. We continue to be confident that the revised maps when completed will more accurately represent the coastal flooding hazards that are experienced here.

### ON-LINE GIS

Now available on the Town website under the link GIS Maps is a great new tool available for the public. Using commands similar to Google, property owners may now view property information easily and efficiently. Information such as property boundaries, zone areas, utilities, and water features can now be easily viewed. Abutter's lists and individual maps may also be generated and exported through this service. The site is hosted by the Town's engineering firm Woodard and Curran and was developed using data compiled by Tom Burns of GIS Mapping and Analysis during last year's tax map digitization project. Use has been high and well received. During this upcoming year, we hope to continue to improve the data available through this service. Property owners needing assistance with this service may call or e-mail Werner Gilliam at 967-4243 ext. 102 or [wgilliam@kennebunkportme.gov](mailto:wgilliam@kennebunkportme.gov).

Werner Gilliam, Planner/Assessor's Assistant

## POLICE DEPARTMENT REPORT

*Left to right: Police Chief Craig Sanford, Kurt Moses, Shane Brooks, Mark Vaughan, Jesse Peasley, Jason Hafner, Steven Shisler*

In January 2011, The Kennebunkport Police Department started the School Resource Officer position at the Middle School of the Kennebunks. This position was funded through a federal government grant received in 2010. Officer Nathan Jones took over the responsibility in this position and has produced great results while working in the school. We have received many reports from both faculty and students at the school that have proven that this position was needed and is productive. Officer Shane Brooks was hired to fill Officer Jones' patrolman position on the road. Officer Brooks graduated the 18-week Maine Criminal Justice Academy in December and has received his certification as a full-time law enforcement officer.

The Kennebunkport Police welcomed a new Chief of Police to the Department in July. Chief Craig Sanford filled the position. Chief Sanford served with the Sanford, Maine Police Department for many years and had obtained the rank of Deputy Chief for their organization. Chief Sanford brings with him a wealth of knowledge and experience and has clearly shown that he possesses the ability and desire to lead this fine department.

In May of 2011, the Police Department parking lot became the new home for a wind turbine. This project was developed between the Town of Kennebunkport's Conservation Commission and a grant obtained from the state group, Efficiency Maine. The process of constructing this structure was very interesting to watch

through its completion. The wind turbine will serve as an education piece for the Consolidated School as well as contributing its produced electricity to the Police and Communications Departments.

*The new Dodge Charger police cruisers.*

This past fall, the Police Department accepted delivery of its two new patrol cars. The new vehicles were Dodge Chargers. We were all accustomed to the Ford Crown Victoria as being the familiar patrol vehicles for the Town of Kennebunkport, but due to Ford discontinuing that model, detailed research lead us to the Dodge brand. The new Dodge vehicles are equipped with V-6 engines in an attempt to conserve on fuel costs, and the base costs for the vehicles were substantially lower that what we were paying for the Ford Model. The new cruisers have turned a few heads out in the public, and they have proven popular among the officers as well. The Dodge vehicles have performed well this winter during periods of inclement weather due to their traction control features. The Town plans on purchasing more Dodge cruisers in the future as the Fords are rotated out of service.

The Kennebunkport Communications Department welcomed a new Reserve Dispatcher to its ranks. Christopher Welch, a local lobsterman and active member of the Kennebunkport Fire Services, started working this past December. Reserve Dispatchers fill in for full-time employees on an as needed basis and are a very important aspect of the Department. The Communications Department also took on the responsibilities of dispatching for Kennebunk Light and Power during their closed hours. This procedure was moved from the Kennebunk Police to Kennebunkport after Kennebunk's dispatch consolidation with Sanford regional dispatch.

As always, I would like to thank the residents, the employees of the Communications and the Police Departments, as well as all other town employees for all of their continued hard work and support.

Kurt Moses, Deputy Chief of Police

## **PUBLIC HEALTH AND NURSING SERVICE REPORT**

The Kennebunkport Public Health Department is located at 101 Main Street, sharing the site with the Kennebunkport Police/Communications Departments. A nurse is in the office Monday-Friday, from 8:00-9:30 a.m. and from 1:00-2:00 p.m.

Messages may be left on the nurses' answering machine by calling 967-4401. The on-call nurse checks the machine for messages on weekends and holidays. Any messages left after 4:00 p.m. will be returned the following morning.

Residents are encouraged to visit the nurses during office hours for blood pressure readings, blood sugar evaluations, dressing changes, treatments and consultation. The office provides a variety of free resources and materials regarding disease prevention, health promotion/education, and community events.

The Public Health Department continues to actively promote programs that focus on improving the health and welfare of our community members. Our service provides skilled nursing care in residents' homes as well as at the Public Health Office. Interim Health Care and Gentiva assists our staff by providing Medicare covered services such as occupational therapy, physical therapy, speech therapy, home health aides and certified nursing assistants. The Public Health Department is Medicare B certified.

The nurses made 2,283 home nursing visits and 395 health supervisory home visits. Residents made 387 office visits for treatment and 298 for consultations. We would like to remind residents that the Public Health Department has a free durable medical equipment loan closet; this closet is funded by the Health Council. Articles include wheelchairs, walkers, commodes, toilet risers, crutches, and canes.

Four Health Officer complaints were filed and responded to by the Public Health Administrator. All Health Officers were to be certified by July 1, 2010. Since all Health Officer complaints are directed to and investigated by me as your Public Health Administrator, I have completed the State's requirements as well as the Health Officer continuing education classes on subjects such as Lyme disease, and bed bug identification and treatment. Kennebunkport remains in compliance with this policy.

The Public Health Administrator administers the General Assistance Program as well as the social service programs for Kennebunkport residents and guests. The status of this function can be found in the General Assistance report.

Our annual Flu and Pneumonia Clinic was held in September. We administered 280 doses of flu vaccine and 8 doses of pneumonia vaccine. The Public Health Department continues to be responsible for the Hepatitis B administration and TB testing programs for town employees, volunteer Fire and KEMS.

A free hearing clinic was conducted by Marti Andrews, M.A., C.C.C.A.

The Public Health Department joined with KEMS to offer adult and child CPR as well as AED classes for the community.

This past year, the Public Health Department and Nelson Analytical Lab/Kennebunk started our annual Well Water Testing Day. There are over 1,000 Kennebunkport households who have well water as their water supply. It is extremely important to have your well water tested every year if a dug well, and every three years for an artesian well. We had 27 families participate in this first event. Of those samples, 22% were positive for total coliform bacteria and some level of arsenic was found in 74%. Not surprising, radon was detected in some samples. We hope that as more Kennebunkport residents become aware of the importance of maintaining safe drinking water and the ease of obtaining a sample, that testing the home well water status will become part of the yearly maintenance tasks.

Residents are reminded not to discard unused prescription and over-the-counter medications in household trash or sewer/septic systems. Please bring them to the Public Health Department for proper disposal. Disposing medications in your septic or sewer system can adversely affect the systems efficiency as well as influence the status of our watersheds. Those who are using sharps such as syringes to treat diabetes and various illnesses, please bring them to our office for disposal in our Hazardous Wastes container to prevent accidental needle sticks by family members, trash handlers and pets. The Kennebunkport Public Health and Police Departments participated in the drug disposal project sponsored by the Maine Attorney General's Office.

The Kennebunkport Public Health Department continues to manage the Healthy Maine Beach Program. We post, per EPA guidelines, an advisory when the enterococci level is over 104 colonies of bacteria. The summer of 2011 was for the most part hot and dry. On August 17, the sample readings were the testing season's highest with 1,860 bacteria colonies at the mouth of the Little River and 1,789 at the mouth of the Batson River. Watershed education continues to be a major focus of this program. *Healthy Maine Beach* and *Healthy Maine Boating* pamphlets were distributed throughout the summer.

As part of the outreach efforts for the Healthy Maine Beach Program, Linda Hanna and Bob Osthues presented an awareness of beach water quality and sample testing to the children attending summer camp at the Community House. I was invited to speak to the fourth and fifth graders at Consolidated School on Kennebunkport's watershed and all that the Town has and continues to do to improve its water quality.

The summer of 2011 dedicated water sampling testing team consisted of Linda and Steve Hanna, Bob Osthues, Lee Mc Curdy and Judy Barrett. The Portside Rotarians, local lobstermen, and volunteers from the Conservation Commission and Kennebunkport Trust conducted two huge beach/island clean-up days.

I am sad to report that Sarah Mosley, one of the most valuable employees for the Healthy Maine Beach Program has changed positions. We are going to miss her assistance as a resource and voice of reason with this, at times, very controversial program. Many of you have seen Sarah collecting water samples not only along the beach but up the rivers—inland to the streams, at drainage ditches, and at questionable septic systems or manure storage. She was our go-to person. We wish her well in all of her future endeavors.

The Kennebunkport Health Council invites any resident of the Town who is interested in the health and social welfare of the community to join the volunteer board. Please contact the Public Health Department for meeting dates and times.

We wish to extend our appreciation to Dr. Willard Stitzell, D.O., the members of the Kennebunkport Health Council, the Healthy Maine Beach volunteers, and to all who have assisted us in our efforts to maintain a healthy community. We also wish to thank all of our patients' families and friends who remembered our office with memorial donations.

Judith A. Barrett, R.N., B.S  
Susan Y. Jackson, R.N.

## **GENERAL ASSISTANCE REPORT**

### **General Assistance Program**

The General Assistance Program is mandated by the State of Maine legislature. All recipients are responsible for meeting their own basic needs by any means available before applying for General Assistance. All eligible recipients are required to perform workfare; a failure to do so or falsifying information on an application results in an automatic disqualification of benefits for 120 days in any State of Maine community. Kennebunkport's General Assistance Program passed the Department of Health and Human Services 2011 audit.

Eighteen General Assistance applications were filed during July 1, 2009, and June 30, 2010. The number of actual applications filed does not reflect the residents who requested an application and a meeting to discuss the process, but then decided not to apply for this program mostly due to the budget review and accountability process. As Kennebunkport's G.A. Administrator, the focus continues to be assisting residents with finding resources that meet the escalating rental, mortgage, food or heating costs.

During the winter of 2009-2010, the Kennebunkport Emergency Fuel Program provided for 34 emergency fuel deliveries of 100 gallons. This program is funded by donations. Your generosity is assisting many families who would be struggling to keep warm. The Kennebunkport Emergency Fuel/Food Program has enabled me to dedicate for housing assistance all funds budgeted toward the State of Maine General Assistance Program. Affordable housing and lack of medical coverage, especially for nonemergency care, continue to be the major problems that are

placing our families in crisis. In the past, a G.A. Administrator could refer a resident to a social service program without completing an application and budget review. Currently, the application and budget review are required for the majority of the social service programs. It takes time to assist residents or a relative who needs guidance as to where to start through the maze of options in both the private and governmental sectors.

York County is fortunate to have three medical/dental clinics to provide care for those without insurance. Note: In the State of Maine, a dental issue is one of the four top reasons for an emergency room visit. The lack of routine dental care is a major contributing factor to several chronic medical conditions.

**The Biddeford Free Clinic**

189 Alfred Street, Biddeford, Maine

Hours: 6:00 to 9:00 p.m. (Monday and Thursday)

**York County Community Action Free Clinic**

32 Patriots Lane, Sanford, Maine

Hours: 8:30 a.m. to 5:00 p.m. (Monday, Wednesday, Thursday, Friday)

10:30 a.m. to 7:00 p.m. (Tuesday)

**Community Dental**

Thacher Brook Business Park, Biddeford, Maine

Hours: 8:00 a.m. to 4:30 p.m. (Monday-Friday)

282-1305

**Food Distribution**

My major concern as your General Assistance Administrator is the number of families who are experiencing difficulty with providing meals for their household. Requests for access to the local food pantries, soup kitchens, and the State of Maine Food Stamp Program are rising at an alarming rate.

The residents of Kennebunkport are extremely fortunate to have several resources to assist them. The Church Community Food Panty was utilized 139 times this past year by Kennebunkport families. To access this program, residents must contact the Public Health Department at 967-4401, Monday-Friday. The Church Community Outreach Service also offers a fresh produce/bakery goods distribution every Friday afternoon, 1:00 PM at Saint Martha's Church, Route One, Kennebunk. Kennebunkport residents have also obtained groceries at the York County Shelter and area soup kitchens.

The monthly Surplus Food Distribution Program is held on the "teen" Tuesday of the month, from 12:30-1:00 PM at the Dorothy Stevens Community Center, Thompson Road, West Kennebunk. This distribution is sponsored by the General Assistance Departments' of Arundel, Kennebunk and "the Port." All food is obtained through the Food Rescue Program out of Jagers Mills, Sanford. At this time, I would like to extend a special thank you to all who donate nonperishable food at the

various collection sites, and to those who pick up the goods at grocery stores and bakeries and deliver them to our county food pantries, soup kitchens, and shelters. Thank you the stockers of shelves, the packers of boxes, and the special needs shoppers. Thank you to the Plant-A-Row volunteers who are out in the fields gleaning fruits and vegetables and to the home gardeners and farmers who dedicate part of their harvest to feed our neighbors. Thank you to those who took time out of their busy holidays to shop, pack, and deliver holiday dinners. And, last but not least, the Kennebunkport Health Council for sponsoring Stuff the Bus on both Election Days. Kennebunkport residents filled the pantry shelves and corridors.

This past fall, we sponsored a new program—Stuff the Backpacks. With the help of The Good Cheer Club, He Cares Ministry and private citizens, we were able to provide and fill 20 backpacks for our school children.

Secret Santa provided Christmas gifts for 17 Kennebunkport children. Sixty one holiday dinners were delivered. There was no Salvation Army activity this past year.

Used cell phones are collected for the Shelter Alliance to assist Caring Unlimited. Please leave them at our door, and we will be sure to pass them along to the appropriate agency.

### **General Assistance Administrators**

York County General Assistance Administrators continue to meet with various federal, state and private sector representatives to review methods of funding and alternative resources to meet community residents' basic needs. General Assistance Administrators are also required to attend Department of Human Service classes to keep current with new legislation.

### **Thank Yous**

A special note of thanks is extended to the Wildwood Fire Company's Ladies Auxiliary, Church on the Cape, Village Baptist Church, Secret Santa, Senior Elves, the Church Community Food Pantry, Seacoast Garden Club, American Legion Auxiliary, Eastern Star, Portside Rotary and the Kennebunkport Health Council. I would also like to thank those in our community who donate their time and resources to help the less fortunate in our community.

Any resident of Kennebunkport who is in need of assistance to meet a basic need, or who has any questions concerning federal, state, or county programs is encouraged to call the Health Office at 967-4401.

Judith A. Barrett, R.N., B.S.

## REGISTRAR OF VOTERS

During the 2011 legislative session, a bill was passed that banned voter registration on Election Day and the two business days prior to the election. In other words, the Thursday before Election Day would have been the last day to register to vote for a Tuesday election. Many citizens in the State did not like this change to the law and gathered enough signatures on a petition to put a question on the State's November ballot which would veto this new law. By a fairly sizable margin, the voters of the State voted to do just that. It is clear that Maine voters do not want to put up any unnecessary barriers to the voting process.

I assure you that voter registration process would have been the same whether on the Thursday before Election Day or on Election Day itself. I would have asked for the exact same type of identification and proof of residency. Trust me, there is no voter fraud in Kennebunkport nor is registering people to vote on Election Day a burden. I feel my job is to encourage and help people get involved in the election process and will always do everything in my power to make that happen. The more people that vote on Election Day, the more the results are really the "will of the people" which is what the democratic process is all about.

People often ask me how many registered voters we have in Kennebunkport. This is a difficult question to answer because the number changes daily. Every day, people move either into or out of town, pass away, or reach their 18<sup>th</sup> birthday. All of these events cause the numbers to change. So, I will answer the question as of the day I wrote this report. There are:

2560—Registered Voters

Of those that are registered, there are:

745—Democrats

980—Republicans

63—Greens

772—Unenrolled Voters

As usual, I must thank Barbara Barwise, my Deputy Registrar of Voters. If you registered to vote, changed your address or changed your party enrollment at the polls, or if you came into Town Hall and I wasn't there, she was the one who probably helped you. She is always there when I need her, and she puts in long hours at the polls. I couldn't do it without her.

If you have any questions about the election process, voting or registering to vote, please call me at 967-4243 ext. 110. Otherwise, please don't forget to exercise your right to vote!

April Dufoe, Registrar of Voters

## SEWER DEPARTMENT REPORT

In 2011, the Wastewater Treatment Plant processed a total of 111,810,000 gallons of wastewater. The wastewater treatment process generated a total of 1,177,000 gallons of biosolids that was turned into 1,618 yards of compost.

Just for comparison, here are the numbers for the past three years:

Year	Gallons Treated	Gallons of Biosolids Produced	Yards of Compost Produced
2011	111,810,000	1,177,000	1,618
2010	124,206,000	1,362,395	1,833
2009	146,939,000	1,247,550	1,200
2008	140,869,000	1,529,747	1,200

The treatment plant has maintained better than a ninety-five (95%) percent removal rate for biological oxygen demand and total suspended solids.

The expansion/upgrade to the treatment plant is now completed. We replaced the building where we make compost. We reused the pedestals that the old building was on; so, the new building footprint is the same size, but the roof is 20 feet wider on each side. This extra width gives us enough room for two more compost piles under the building. We also used a nonmetallic roofing material so there is less maintenance to do to the building and more light inside the building.

We also built a new building to house the new influent screens. The new building complies with all of the building standards for an explosion-proof area. The new screens make it a lot easier dealing with the solids that are generated from the influent. It is safer and easier for the employees to handle and dispose. The piping to the new screening building was also upgraded, so now we can get the full capacity out of the influent pumps.

There was also some work done in the aeration tanks to give us a lot more process control without having to add chemicals to the process. More aeration disks were added to the floor in the tanks, along with a divider wall and pumps and mixers. We are still learning how to fine tune the system. We still have an excellent removal rate.

We did have some minor problems at the startup of the equipment. After we got through that, everything worked as expected.

Allan K. Moir, Sewer Superintendent

### **TOWN CLERK REPORT**

This has been a year full of learning and readjustments. We have all been cross training so you will be able to license your dog, purchase your hunting or fishing license, buy your beach sticker and register your vehicle all with the same person. We believe this will be more efficient and more convenient for everyone. You may have noticed that Audrey and Rose are doing most of the customer service functions because I have much more administrative work to do since we combined both departments. I still however do all of the work involved in conducting the elections, issuing absentee ballots, issuing various business licenses, managing all vital records and the vault, administering oaths and a variety of other Town Clerk functions. We hope you find the efficiencies an improvement in customer service which is always our goal.

The following is a brief summary of 2011 town meetings/elections:

#### **May 10, 2011 – R.S.U. #21 District Budget Meeting**

We vote on the school budget in a two-step process as required by the school consolidation law. The first step is to vote on the various segments of the budget at a district-wide meeting of Kennebunk, Kennebunkport and Arundel voters. It was held at Kennebunk High School at 7:00 PM for the purpose of approving the 2011/2012 school budget. The total budget proposed was \$35,742,145. After much discussion, all the articles were approved as written in the warrant.

#### **May 24, 2011 – R.S.U. #21 Budget Validation Referendum Election**

The second part of the school budget process is the Budget Validation election held 14 days later. Kennebunkport, Kennebunk and Arundel each held elections at their own town polling places to approve the budget that was adopted at the above district budget meeting. In Kennebunkport, there were 636 ballots cast either in

person or by absentee ballot, and although it passed in Kennebunkport, when combined with the vote totals from the other two towns, the budget did not pass. Three other questions were voted on this day as well. The first was whether or not to buy out the Thornton Academy Middle School (TAMS) contract in order to have Arundel students go to the Middle School of the Kennebunks. This passed in Kennebunkport but failed district wide. The second question was a bond question to do renovations to Kennebunk High School and the Middle School. This was passed by both the Kennebunkport voters and all three towns combined. The last question was to change the cost-sharing formula between the towns which requires a 2/3 vote. Even though this narrowly passed in Kennebunkport and also passed in Kennebunk and Arundel, it did not pass by the 2/3 margin needed.

### **June 7, 2011 – R.S.U. #21 District Budget Meeting**

Since the budget validation did not pass at the May 24, 2011 election, we were back at Kennebunk High School at 7:00 PM to vote for a new 2011/2012 school budget. The new total budget amount voted upon was \$35,642,145.

### **June 14, 2011 – R.S.U. #21 Budget Validation Election**

This time the budget was passed by Kennebunkport voters as well as district wide.

### **June 14, 2010 – Annual Town Meeting**

The first half of our Annual Town Meeting is a secret ballot vote to elect our Town officials and to vote on any referendum questions that the Selectmen might propose. This year, there was one Selectman seat and one R.S.U. #21 Director seat open. Mat Lanigan ran unopposed for the three-year term to the Board of Selectmen. Maureen King and Alicia Kellett ran for the R.S.U. #21 Director's seat and Maureen King was elected to a three-year term. There were also four referendum ballot questions. One was an amendment to the Comprehensive Plan concerning recreational and cultural resources and a second was an amendment to the Land Use Ordinance concerning the definition of a half story. The third question asked voters to approve a recreational easement at "the causeway" at the bottom of Stone Haven hill, and the last question was to adopt a new PACE ordinance. This day saw 631 people voting either in person or by absentee ballot, and all questions passed by large amounts.

### **June 18, 2011 – Continuation of Annual Town Meeting**

On Saturday morning, at 9:00 AM, at Consolidated School, voters reconvened to vote on the 2011-2012 Town budget. It was a very well attended town meeting. The article that drew the most interest was the one to raise and appropriate money for the legal budget to fund the Town's defense of the Goose Rocks Beach lawsuit. With absolutely no discussion, the vote was overwhelmingly in favor of the Town's position to defend the public's right to use the beach. Although some were surprised at the absence of discussion, it was clear that everyone knew exactly how they were going to vote and discussion was not going to change anyone's mind. All other articles were approved as written in the Warrant.

### **November 8, 2011 – Special Town Meeting**

At this election, the Town ballot had five questions. The voters easily passed replacing the highway department garage roof and amendments to the Administrative Code and the Land Use Ordinance regarding the definition of a dwelling, the submission of digital plans for site plans, and growth management permits. 1,526 people voted either in person or by absentee ballot.

### **November 8, 2011 – State Referendum Election**

The State ballot had four questions. Two of the questions were to allow a racino in Biddeford and Washington County, and a casino in Lewiston. Both questions failed in Kennebunkport and state wide. A third question was a citizen's veto of a bill that was passed in the current legislative session to no longer allow election day voter registration, and the last questions was a constitutional amendment regarding redistricting. Both passed in Kennebunkport and throughout the State. There were 1,526 ballots cast either in person or by absentee ballot.

I want to thank Rose Wills, Audrey Williamson and Sally McKay for handling much of the customer service transactions. We try very hard to give you that "small town experience" when you come into Town Hall and to be as helpful as possible.

I want to also thank Barbara Barwise. She is definitely my right hand, a wealth of knowledge, and I couldn't do my job without her.

Lastly, I want to thank Christian Barner, our Town Meeting Moderator and Barbara Rencurrel who served as Warden for our elections. They put in very long hours on election days and keep the polling place compliant with all of the election laws. I also want to thank all of my ballot clerks. This year, Claire Julian, Lillian Bartlett, Joan Sutter, Raven Dufoe, Mark Dufoe, Chris Perry, Ki Leffler, Lisanne James, Joan Dawson, Sally McKay, Ellen Doubleday, Dave Doubleday, Lynda Parrott, Ann Marie Perry, Mary McLaughlin, and Mette Eglinton all gave up their time to work at the polls. They are all loyal and dedicated citizens of the Town, and we owe them a debt of gratitude for their service on election days.

And now the statistics for 2011.... We issued 76 marriage licenses, many hunting and fishing licenses, 361 certified copies of vital records, 760 dog licenses, 26 liquor licenses, 18 special amusement permits, 62 victualers licenses, 20 non-resident recreational clam licenses, 100 resident recreational clam licenses, 2 non-resident commercial clam licenses, 4 resident commercial clam licenses, 44 daily clam licenses, 2 trolley permits, 2 horse-drawn carriage permits and 3 pedicab permits. We also processed 9 new business licenses, 20 burial permits and hundreds of Goose Rocks Beach parking passes. There were 39 recorded deaths and 19 recorded births, of which 13 were girls (I guess it was a banner year for girls) and 6 were boys. We also processed over 6,000 tax payments, registered thousands of cars as well as 497 boats, 53 snowmobiles and 25 ATV's, not to mention the constant stream of questions we answer and the miscellaneous tasks we do on a daily basis.

Please feel free to call me Monday–Friday, 8 AM to 4:30 PM with your questions or concerns at 967-4243 ext. 110.

April Dufoe, Town Clerk

## BUDGET BOARD REPORT

The Budget Board is again pleased to submit its report to the citizens of Kennebunkport. As in previous years, we continue to have an excellent rapport with the Board of Selectmen and excellent communication. Again this year, we will meet with them in joint session as the budget is presented by the Town Manager and department heads. We will listen carefully to the dialogue and reasoning, ask questions, and make notes. We will then meet in a series of meetings, as a separate Board, with the Town Manager and department heads, and review carefully every budget request that has been made. We will then make the Budget Board's recommendations.

As in previous years, the Budget Board will request that the administrative recommendations, the Board of Selectmen's recommendations, and the Budget Board's recommendations be printed in each article and be reported in the town meeting warrant.

The Budget Board feels that the process continues to be done in keeping with the democratic processes that have long been a custom and tradition of Maine and New England.

The Budget Board expresses its appreciation to all town employees, the department heads, the Town Manager, and the Board of Selectmen for their cooperation, assistance, and dedication to our community.

Leo Martin, Chair  
Grace Adams  
Dan Beard  
David Betses

Douglas Dicey  
Dennis J. George  
John Gurski  
David James

Kathryn Leffler  
Chris Perry  
Michelle Powell  
Robert Sullivan

## CEMETERY COMMITTEE REPORT

### Hutchins Cemetery

*Before cleanup.*

*After cleanup.*

*Note the surprisingly ornate monument for Kennebunkport.*

A big thanks goes to all of those who care for our cemeteries in town. Jim Burrows and Steve Bryant keep our visible cemeteries looking well manicured and many landowners tend the cemeteries on their own properties for which we are very grateful. If you have a cemetery on your property, feel free to maintain it. If you have any questions about it, we would be happy to answer them. Thanks also to the American Legion for remembering our veterans with flags every Memorial Day.

The Kennebunkport Conservation Trust (KCT) has put in a new trail on some recently acquired property. There are two cemeteries that can be accessed by this trail. It is a lovely walk through woods, along the Batson River and ending up in a field where the larger cemetery is located. Both of these cemeteries contain members of the Hutchins family, although there is also Seavey and Wildes headstones. There is also a third cemetery on KCT property off of Gravelly Brook Road.

The Cemetery Committee did a fair amount of work that goes unseen this year on cemeteries that are off of the beaten path. We continue to get hidden cemeteries on a GPS so they eventually can be put on town maps. We are dealing with a poison ivy issue in a cemetery on Goose Rocks Road. A fair amount of tree removal was done on the Springer Hill Cemetery off of Old Cape Road. It is always a concern that dead branches or trees will fall and break the fragile headstones in these cemeteries. A headstone was replaced at the North Street Cemetery.

The School Street Cemetery is looking much better since Jim removed all of the brush, barberry, etc. from the enclosed area next to the cemetery. The homeowners next to the cemetery also removed brush and bushes from outside and behind the cemetery. We always appreciate neighbors and landowners cleaning up cemeteries

and surrounding areas. An area of myrtle and day lilies has been preserved in the middle of this enclosure. It is very common to see myrtle in old cemeteries.

If you suspect you have a cemetery on your property, we would love to talk with you. Many cemetery plots are just marked by fieldstones; a lot of citizens could not afford headstones. Several fieldstones in a row might indicate an early graveyard (They were called burial grounds and graveyards before the word cemetery was used). The Cemetery Committee has Clarie Nickerson's extensive research on all of the cemeteries in town. However, every once in awhile, we come across one that has not been documented.

Ruth Fernandez, Chair  
Lynda Bryan

### **CONSERVATION COMMISSION REPORT**

The Conservation Commission continued its efforts to educate the public about the importance of maintaining water quality in our coastal town as well as strengthening its goal of raising awareness on energy efficiency and renewable energy.

The "Lawns for Lobsters" program continues to be a focal point for the Commission. This year, there will be a town plot map displayed in the town office as well as on the Town website on which participating residential and commercial properties will be highlighted in green. The goal of this new display is to raise further awareness of the program and to increase participation. The group is also resending information to local lawncare providers, reminding them of the program and asking for them to disseminate information to their clients. To learn more about the program, please visit our webpage under the link "Appointed Boards" on the Town website.

The Town's police station began receiving renewable, non-polluting energy from a SkyStream wind turbine in late spring of 2011. The wind turbine sits on a 60 ft pole and feeds its energy directly into the police station. As expected, the summer months proved to be the lowest producing months for the wind turbine. Once October came, the wind turbine started picking up speed with its electrical production. December produced the most electricity so far.

After much research, the Kennebunkport Conservation Commission decided to purchase renewable energy curriculum for Kennebunkport Consolidated School from NEED, National Energy Education Development Project. This curriculum was chosen because of the cross discipline approach to its lesson plans. The subject areas of science and math are obviously covered, but social studies and language arts have also been incorporated to the plans. The NEED curriculum spans all ages, K-12. The wind turbine data, as well as the solar data from the renewable energy being created right above the students' heads on the rooftop, will be providing lots of educational opportunities, as well as social responsibility in regards to renewable energy. The students will be able to compare the wind turbine's energy production to that of the solar panels installed on their rooftop at

the school. They will see how on some days, solar panels produce more energy than wind turbines and on others, wind turbines produce more than solar. We will also work to educate the students on the concept that Maine has one of the highest rate of asthma in the country, and doing our part to reduce the amount of energy produced from coal, therefore reduces the amount of particulates in the air, and therefore will help reduce the amount of asthma attacks and deaths as more and more people choose cleaner solutions to producing energy.

After our informational outreach on the state run PACE program, Property Assessed Clean Energy, it was voted in by the voters on the November ballot. As a reminder to those of you who may have been busy when we were getting the word out, PACE is a program that provides a way for people to spend less money heating their homes. A qualified home energy auditor comes to your home, usually at a cost of around \$400, and performs a very detailed energy audit. You are then given a list of suggested home energy improvement measures to take, like adding cellulose insulation in your ceiling. Through PACE, you can get a low interest rate loan up to \$15,000, with terms up to 15 years, to help you get the work done. One of the main goals of the program is that your monthly savings on fuel costs will be more than your monthly payment on the loan, making it a win-win solution from the beginning. For more information, feel free to contact Sarah Lachance at [sarah@campaignearth.org](mailto:sarah@campaignearth.org) or 967-2671.

In 2011, two of our longtime members retired. Nancy Kling and Lynn Jourdan's insight and support are missed. We are currently seeking new members.

Sarah Lachance, Chair  
Deborah Bauman

Alice Finnegan  
Stacy Towne

### **GOVERNMENT WHARF COMMITTEE REPORT**

Another quiet year, 2011 was business as usual. Our annual spring cleanup of old traps washed ashore on local beaches from winter storms yielded about 10 pickup truck loads. We then loaded the traps into a dumpster to be brought to the recycling facility. This annual event is something we have been doing for quite a few years. We are conscious about doing our very best to keep the ocean and beaches as clean as possible. If you happen to see an old trap washed ashore, or need one removed from your property, please call the local harbormaster or Maine Marine Patrol.

Our spring work day involved the repair and replacement of our two electric hoists, re-securing the old pilings, and general cleanup of the area surrounding the baits shed facility. The money used for maintenance and repairs is obtained from our annual dues from the members. With aging pilings and structural supports starting to decay below the water line, the Wharf is still in need of all new supports and building.

The Wharf revitalization project is still in the works, but slowed due to the lack of full financial funding. The final construction plans have been drafted, and we still hope to move forward with the project in the upcoming years.

Once again, we thank you for the continued support of the commercial fisherman.

Raymond Billings, Chair; Jeff Davis; Ron Francoeur and Dennis H. Goulet

## **GROWTH PLANNING COMMITTEE REPORT**

Since our last report of February 2011, the GPC has been working on the “Economy” chapter and setting its sights on the “light at the end!” This June, the “Economy” and “Fiscal Capacity” chapters go on the warrant for voter approval. This will mark our sixth year of submitting warrant items in the form of chapters for the Town’s approval. We have been very fortunate these past years to have the continued support from the majority of the Town’s residents.

As we move forward into the year 2012, we are setting our sights on bringing the last chapters to the voters for consideration. These chapters are: “Housing and Demographics,” “Public Facilities and Services,” and “Capital Investment Strategy and Regional Coordination.” Since this is a very daunting undertaking and well beyond our capacity to accomplish alone, we have hired Southern Maine Regional Planning Commission to assist us in this goal. They will receive their directives from the GPC and be managed by Werner Gilliam. Our goal is the creation of vocabulary that encourages supportive ordinances which protect and guide our community’s vision. This is the purpose of any Comprehensive Plan. Explaining our past, defining the present, and portraying the future are the true tactical work that the GPC undertakes twice a month. I am very fortunate as chair to have such a dedicated volunteer committee to share this work with, but truly the Town (all of us) is to be congratulated for supporting Werner Gilliam as Town Planner; he is the foundation on which we, the GPC, build our work.

As always, we could use additional members; so, if interested, please contact the town offices and ask for Werner. Thanks to you all again for your votes of confidence and your questions about our work.

Jamie Houtz, Chair  
Werner Gilliam, Town Representative  
Bob Almeder, Vice-Chair  
Dan Saunders, Secretary

Jean Conaty  
John Daggett  
Charles Reid, Sr.  
1 Vacancy

## KENNEBUNK RIVER COMMITTEE REPORT

The Committee continues to meet monthly to review all activity relative to the Kennebunk River. All members are quite proud of this jewel of a resource in our towns.

The ecologically beneficial pump-out barge on the river, which was built by Bob Williamson and Rich Woodman, continues to be increasingly utilized. The Committee is pleased with this barge, which is a clean outlet for vessels to discharge waste that may otherwise have been dumped into our waters.

The Committee continues to review applications for docks and moorings along the river.

Two significant events mark the previous year. They are:

- The retirement of Harbormaster Jim Nadeau and (the interim) and subsequent full-time hiring of Raymond Billings to this position.
- The impressive efforts of Committee Chairman Joel Beck to accomplish a much-needed dredge in the river. It has been several years since the last dredge as evidenced by often shallow tidal waters and erosion of banks.

It should be noted that Mr. Beck has tirelessly researched and contacted the necessary government personnel requisite to dredge application. His work has resulted in an on-river feasibility study by the Army Corps of Engineers.

The 2011 boating season went well with no major issues.

The Committee recognizes continued support and cooperation from Kennebunk and Kennebunkport.

Mark. S. Sutton, Acting Secretary

## LIGHTING COMMITTEE REPORT

We see our mission as preserving the night sky for residents, visitors and future generations. The old incandescent platter lights create a unique ambience to our area. Yet, there are areas in the Dock Square where tourists and residents feel the lighting is inadequate.

This past year, the Committee started an inventory of all the lights in the Dock Square area including the corridor to the North Street Parking lot. The purpose was to see where lighting was located and where it might be needed. This investigation and proposed solution concepts culminated with a progress presentation to the Board of Selectmen. We received direction from the Board to continue our work in this district of the Town.

Anyone interested in our night environment in town is encouraged to join the Lighting Committee.

Please read our ordinance, available on line, and evaluate your own exterior lighting for compliance. If there are any questions, give our Committee a call for assistance.

James M. Stockman, Chair  
George Acker

Robert Fairbanks  
Julie Gerrish

Marie Henriksen

## PARSONS WAY COMMITTEE REPORT

The mission of the Parsons Way Committee is to uphold and insure the intent of the donor, Henry Parsons, such that the parcel “. . . should ever be kept free for its scenic effect and beauty and for the enjoyment of the townspeople and their guests.”

In 1944 Henry Parsons donated the Parsons Way to the town of Kennebunkport. As noted in the donor’s intent section of the deed, *the parcel was to be kept free from any structures (except for drainage) or buildings. It was never to be used for any commercial or building purpose, nor was it to be used as parking for automobiles. The document goes on to say that the parcel “. . . shall forever be kept open and clear for the unobstructed view of the ocean.”*

Each spring at Parsons Way, pathways and bench areas are selectively trimmed back to the allowable 3 foot height in order to keep the views open, clear and unobstructed. This annual maintenance is subcontracted. However, throughout the season, the Town highway department is helpful in providing regular routine care and upkeep.

In December, a 15<sup>th</sup> memorial bench was placed not too far from the Colony Beach. This handsome bench is made entirely of granite, and will serve as a permanent tribute for the four families who donated in memory of their loved ones. The highway department was helpful in its installation.

Our primary concern continues to be the upkeep and beautification of Parsons Way so that it may be enjoyed by the townspeople and their guests.

Louise Spang, Chair

Richard Griffin

### PLANNING BOARD REPORT

The Planning Board had another active year in 2011 with a few proposals for large and/or complex projects as well as a steady stream of residential and commercial applications. The Board also dealt with several proposed changes in the Land Use Ordinance.

The applications before the Board in 2011 included the following:

PURPOSE OF APPLICATION	NUMBER OF CASES	
	2010	2011
Residential building renovation, rebuilding, or landscaping	10	12
Nonresidential construction, additions or change of use	14	6
Piers, ramps, wharves and walkways	10	2
Revision of previously approved subdivision or site plan approvals	6	7
Bank stabilization		1
Golf course improvements	2	2
Wind turbine	1	

Gordon Ayer, Ken Burford, Leo Famolare, Peter Fellenz, John Hathaway, and Greg Reid all were active contributors to the Board's work during the year. We also wish to especially thank Lisa Harmon in the Code Enforcement Office and Trish Saunders (minutes) for their excellent support during the year. 2012 promises to be another busy year for the Board.

David Kling, Chair

## **SEWER ADVISORY COMMITTEE REPORT**

This past year, the Sewer Advisory Committee met three times with a quorum for only one of the meetings.

In May of 2011, the group discussed the proposed budget for 2011-2012. There was a full discussion of containment of costs and adequate funding for the coming year. Before adjourning, the Committee toured the new construction.

Two other meetings were held that did not have a quorum present. The Dyke Road elevation project was reviewed and presented no new problems for the Department. The manholes present in this project will now be a few feet deeper than before.

The safety record for the Sewer Department has been well maintained.

The Sewer Department and Town's Fire Department sharing a common manager has been working out without any problems.

C. Ripley Emerson, Jr., Chair

Bob Convery

Stephen Couture

Richard Johnson

Joseph Martin Mead

## **SHADE TREE COMMITTEE REPORT**

Since the early 1960s, Kennebunkport has been committed to preserving its canopy of shade trees. 2011 marked the 34<sup>th</sup> consecutive year that Kennebunkport has been named "Tree City USA" by the National Arbor Foundation. Currently, there are 1,235 trees that are tagged and monitored for their structure, vigor and health. Public safety is always the primary concern; then, the pruning, trimming, removals and plantings are prioritized as necessary.

The annual budget allows for the planting of about six to eight new trees each year which keeps up with the attrition of trees that need to be removed. Our elm trees are watched carefully for signs of disease or "flagging." Each June they are treated with a fungicide to protect them from Dutch Elm disease; and during the winter months, they are trimmed and pruned to cut away dead or diseased limbs. Kennebunkport is proud to still have about 100 healthy elms which contribute to the Town's character.

In 2004, Kennebunkport received a participating grant from the US Forest Service's Project Canopy. The grant enabled the Town to create a Geographic Information System (GIS) which created maps of tree locations and identified species, age, structure, condition and other relevant information. The GIS and the information it maintained was very helpful; however, it was limited to a single computer. In 2011, the Town applied for a new grant from the US Forest Service, Project Canopy. The

grant was approved and will enable all of the Shade Tree Committee's GIS information to be integrated into the Town's Website and, being "cloud based," it will be easily accessible.

Town Manager, Larry Mead, continues to be a very positive presence on the Shade Tree Committee, and the Committee is deeply indebted to Robert Palmer, consulting arborist, for generously sharing his expertise and knowledge of every tree in Kennebunkport.

Joanne Gamble, chair  
Stephen G. Doe

Kathryn Leffler  
Suzanne Stohlman

Rick Griffin, Tree Warden

### **SHELLFISH CONSERVATION COMMITTEE REPORT**

Recreation license sales for 2011 were 100 resident, 20 nonresident, and 44 daily. Also, 6 commercial licenses were sold. Due to the smaller number of commercial license applicants, we reduced the number of commercial licenses to 4 resident and 1 nonresident.

As a conservation measure to protect juvenile clams (spat), we closed the Cape Porpoise High Flats for January and February. In addition, as a preventative move against depletion of our resource, we instituted a six months closure of all flats beginning October 1. We will monitor the flats to see if these closures aid expansion of clams throughout the flats.

There has been a positive attitude of adjustment at the Department of Marine Resources concerning opening rather than closing flats. We will work with the water quality people to try to open the west end of Back Cove, which has a good population of clams.

David Conway, Clam Warden  
Ross Anderson  
J. Steven Kingston  
Chris Nunan

Norman Nunan, Sr.  
Eric D. Wildes  
Charles F. Zeiner

### **SIDEWALK COMMITTEE REPORT**

Two of three 2011 projects were completed during the past year. They are (1) the construction of a new sidewalk with granite curbing on Ocean Avenue from Union Square to Green Street and (2) the building of a new sidewalk with granite curbing in Cape Porpoise on Pier Road from the Wright Gallery to the head of the cove across the street from the existing sidewalk which was unsafe and narrow. This will also allow Pier Road to be slightly widened along the inside of the curve this spring.

The one project that remains on the drawing board is to build a sidewalk from the steps by Mountain Top T-Shirts around the corner of the honor system parking lot on Ocean Avenue in Dock Square. The problem is where the sidewalk would end without putting pedestrians in the road (which is not where we want them to be!).

## **ZONING BOARD OF APPEALS REPORT**

The Zoning Board of Appeals (ZBA) is made up of members of the Town who consider three types of applications: Administrative Appeals, Variances, and Conditional Uses.

Administrative Appeals come from someone who wants to appeal a decision or order of the Code Enforcement Office in regards to some land use proposal. The ZBA hears from both parties and then decides if the Code Enforcement Office made an error. A Variance to the Ordinance can be granted for lot size, lot width, lot frontage, lot coverage, structure height, and lot line setbacks if the ZBA determines that there is an undue hardship. The possible Conditional Uses that may be granted vary from zone to zone and include Animal Husbandry, Home Occupation, Child Care, Handcrafts, and Roomers. Certain conditions in the Ordinance guide the decision making.

In 2011, there were three meetings. One meeting was for a Variance for height and a Variance for setback for the Landing Restaurant/Hotel. The two Variances were granted. Another meeting was from a resident who presented an Administrative Appeal in opposition to the windmill located at the police station. The Administrative Appeal was denied. The third meeting was from a resident seeking a Variance for lot frontage on Cape Porpoise Harbor in order construct a pier, ramp, and float. The Variance was denied.

The current members of the ZBA are Mark Messer, chair, Dick Smith, Herb Cohen, Chris Perry, Tom Shore, and Paul Cadigan.

Mark Messer, Chair

## **ARUNDEL CEMETERY CORPORATION REPORT**

The year 2011 was relatively quiet for the cemetery. The weather cooperated and there was no tree damage resulting from big storms. The Board is continuing to monitor the condition of the trees.

Due to an anonymous gift to the cemetery, we were able to complete the fencing around the entire cemetery. We were also able to set up a fund for future tree replacement.

In July, we discovered that the ball on the top of the Smith monument was missing. Since the ball was very heavy, it did not appear to be a random act. The police were not hopeful that we would recover it. This incident was particularly disturbing because this monument is in a very old section of the cemetery. The Board voted to spend \$1,125.00 to replace the ball in the spring. This service is all part of our ongoing efforts to care for our old monuments.

The clerk's office recorded eight lots that were sold in 2011. There were 18 burials, four of which were full burials and 14 were cremations.

The Reverend Pat Adams resigned from the Board of Directors this year. She has been an active member for many years. She will be missed.

The Board will elect a new member at the Annual Meeting in January. Peter Graham of Kennebunkport has been nominated for that position.

As in the past, we wish to thank the Town of Kennebunkport for its continued support of our efforts to care for the graves of our veterans. We also wish to thank the American Legion for putting the flags on the veterans' graves for Memorial Day.

**KENNEBUNK, KENNEBUNKPORT  
AND WELLS WATER DISTRICT REPORT**

The Kennebunk, Kennebunkport and Wells Water District is a quasi-municipal public water utility that was established in 1921 by an act of the Maine State Legislature. The District serves an area that encompasses the Towns of Kennebunk, Kennebunkport, Wells, Ogunquit, Arundel and small portions of Biddeford and York. The area includes a population which varies seasonally from about 30,000 to over 100,000. It is directed by a four-member Board of Trustees, one each elected from the Towns of Kennebunk, Kennebunkport, Wells and Ogunquit.

From a financial perspective, 2011 represented an average year at best for the District. Compared with the prior year, 2011 saw a 4% drop in water production, a \$125,000 decrease in revenues, and a \$475,000 increase in operating costs. It should be noted that \$275,000 of this increase was related to scheduled water tank painting projects, which typically occur every 10 to 20 years for each of the District's seven steel, water storage tanks. All of this contributed to a projected net loss for 2011 of approximately (\$50,000) as compared to a positive net income of \$449,000 in 2010 and a net loss of (\$109,000) in 2009.

In addition to the water tank painting projects, operating costs increased due to a variety of factors, including some unexpected vehicle fleet maintenance along with

less capitalization of labor than in 2010. As previously reported in 2010, the District's award of a \$391,000 grant and a \$1.636 million, 0%, 20-year bond package for a large self-designed and installed water main replacement project in Goose Rocks Beach in Kennebunkport allowed for a large amount of District labor and equipment to be charged to the "capital" account during that year. Although in 2011 the District was successful in acquiring another favorable bond package (\$66,000 grant and \$1.316 million, 1%, 20-year bond) for the Alewife Road, Kennebunk project, the total amount of capitalized labor and equipment was significantly less than that of 2010.

In spite of a somewhat sluggish economy, the District experienced modest growth (110 new accounts, as compared to 143 in 2010 and to 74 in 2009), resulting in a customer growth rate of slightly under 1%, as compared with the typical 1½% to 2% growth rate prior to 2009.

Although 2011 was somewhat equal in total precipitation to that of 2010, the precipitation was distributed quite differently, resulting in a relatively wet June, August and September, reducing overall peak seasonal water usage. Consequently, the total annual water production of 964 million gallons was 4% less than the 1.007 billion gallons produced during 2010. The District's recently developed groundwater sources were once again instrumental in helping the District meet water demands without the need for purchasing more costly water from neighboring utilities. These groundwater sources produced 39% of all of the District's water supply for 2011.

Due to the many financial, operational and water quality benefits relating to the use of groundwater, the District is developing an additional high-quality, high yield groundwater supply in the Alewife area of Kennebunk. During 2011, as part of the Alewife Road and Kimball Lane, Kennebunk projects, 11,700 feet of 12 inch and 16 inch in diameter water main was installed from the Kennebunk elementary school to the doorstep of the well site, which is located off Kimball Lane. Once the new well is placed into service, which may occur by 2014, it is expected to produce 40% of the District's water needs. At that point, approximately 80% of the District's total water supply may be from groundwater, with the remaining 20% coming from Branch Brook.

The District is proud to have once again been honored (as it was in 2009) with the SHAPE award by Maine's Department of Labor and Bureau of Labor Standards. This award, whose acronym stands for "Safety and Health Award for Public (Sector) Employers," recognizes employers that strive to provide a "safe and healthful" workplace for its employees. The District is one of only a few water utilities in Maine to be given this recognition.

The following is a partial list of distribution projects funded and installed by the District during 2011. These projects typically relate to our goal of optimizing water quality, enhancing fire suppression capabilities and improving system reliability by replacing outdated and substandard facilities with an eye toward accommodating anticipated growth.

Timber Point, Biddeford: Replaced 1,740 feet of old 10-inch cast iron water main with 16-inch ductile iron main and 16-inch polyethylene (HDPE) main. (Water quality, system reliability and fire suppression improvement.)

Alewive Road, Kennebunk: Installed 6,490 feet of 16-inch ductile iron main and 1,636 feet of 12-inch ductile iron main. (To future groundwater source near Kimball Lane and in conjunction with MDOT Alewive Road rebuilding project.)

Kimball Lane, Kennebunk: Installed 3,560 feet of 16-inch ductile iron main, 980 feet of 8-inch PVC main and 800 feet of 2-inch PVC main. (To future groundwater source near Kimball Lane and for providing water service to homes along Kimball Lane.)

In addition to the above projects, individuals and developers funded two water main extensions totaling 459 feet in length.

During the year, the District undertook significant changes to its water treatment process. As a result of its ongoing migration toward groundwater as a primary source of supply, several chemical changes were necessary. Due mostly to the higher mineral content of groundwater, the water treatment regimens for both corrosion control and disinfection were improved. The specific changes and their ramifications are discussed in detail in the District's Winter 2012 issue of *What's on Tap* and on the District's website, [www.kkw.org](http://www.kkw.org).

Drinking water quality remains a top priority. We are pleased to report that in addition to making significant water quality improvements with our unique blending of groundwater and surface water, all State and Federal water quality standards were met during 2011. By maintaining a dedicated, well-trained staff and continually upgrading our process equipment and control systems, we continually assure the highest degree of reliability in the quality of drinking water for our customers.

The Trustees of the District appreciate the continuing effort and dedication of their employees, as well as the support and cooperation of their customers, area contractors and State and local municipal officials.

Robert A. Emmons, President	Normand R. Labbe, Superintendent
Richard H. Littlefield, Vice-President	Scott J. Minor, Assistant Superintendent
James E. Burrows, Trustee	Wayne A. Brockway, Treasurer
Thomas P. Oliver, Trustee	

## KENNEBUNKPORT CONSERVATION TRUST REPORT

By any measure, 2011 proved to be an exceptional year for the Kennebunkport Conservation Trust. Going into the year, we knew that the challenges would be great, but just as in the past, our community responded. As a result, we will be able to enjoy and pass onto future generations some priceless resources.

Our greatest challenge surrounded the effort to forever preserve Timber Point, the 97-acre peninsula and the 13-acre island that are so vital to the look and feel of Goose Rocks Beach. Going into the summer, \$3.2 million of the \$5.2 million purchase price had been secured through federal sources. Our goal thus became to raise the remaining \$2 million before the September deadline. Given the nation's economy, the short time frame and the local lawsuit, we knew that this would be a daunting task. Nevertheless, the project was able to capture the imagination of over 600 individuals and organizations, and in December papers were passed placing the property into the ownership and stewardship of the Rachel Carson National Wildlife Refuge. Now, not only will the abundant wildlife and its habitats and the view from Goose Rocks Beach be forever protected, the public will also gain passive access along beautiful footpaths at this spectacular place. What a magnificent gift to future generations! Our sincerest thanks go out to all of those who helped make it happen. We were delighted when over 300 people showed up at our victory celebration.

Timber Point was huge, but the Trust had other transactions taking place as well throughout the year. The organization purchased two pieces of land. Four hundred thousand dollars was paid for a 4.4-acre parcel which borders the Batson River, and \$160,000 was paid for a 4.6-acre parcel which links that property to our Tyler Brook holdings. The result of these transaction means that our Kennebunkport Greenbelt now runs from Cape Porpoise square to the Batson River, a wonderful resource. In addition, a 5.3-acres property located on the Whitten Hill Road, abundant in wildlife, was donated to the Trust by Janice Mason and her late husband Warren. This lovely gift serves to enhance an earlier donation of land by Dr. Eleanor Saboski, bringing the holding out to the road. For it we are extremely grateful. We are grateful too for the gift of an additional 133 acres of woodlands and wetlands on the Kennebunkport and Biddeford town line by William and Lorraine Hutchins. Their generosity and that of our members knows no bounds and the entire community, both in this generation and those that will follow, are the beneficiaries.

The Trust received two other significant gifts which dramatically help the organization. The first was the gift of a beautiful Bristol Skiff and 30 hp Honda outboard from Tony and Judy King. We use this when taking people to and from Goat Island Light, adding both beauty and safety to the transport. When asked what we most needed to continue the fast pace of work on our trails, we responded a truck to use in the transport of equipment and materials as well as for other Trust functions. President George W. and Laura Bush quickly responded and sent the funds for the purchase. For both of these most generous donations, we are very grateful!

For those holdings that reflect the heritage of our community, the Trust has taken the position that we should bring and maintain them to the period of their greatest historic significance. Great progress was made in this area in 2011. After years of planning and permitting Scott Dombrowski and Mike Weston oversaw the restoration of Goat Island Lighthouse. The covered walkway, which washed away in the Blizzard of '78, was rebuilt. The bell tower, used to house the mechanism to ring a large bell when visibility was low in the days before electricity and the fog horn, was reconstructed. A fuel house building was placed as it was in the 1950s, and the roof color of all buildings was changed to the color of that era. Bartlett Builders, headed by Alan Bartlett served as our general contractor. Dave Alan of Chesterfield Associates was our marine contractor. Bob Lang did the stonework and Bently Cable the brickwork. Craig McInnis of Quality Painters did the painting. Our thanks go out to all of these and others who worked on the project. The quality of work and their love of the project are clearly evident in the results. We also want to extend our thanks to the Kennebunkport Historical Society who most graciously allowed for the original bell to be returned to its rightful place on the bell tower. On October 12, a dedication ceremony took place on the island. Marty Cain and his wife Cathy, the last to pass through the walkway, became the first to walk through its replacement. Photos taken by Karen and Scott Dombrowski allowed everyone to follow the project on Facebook. These views plus ever changing photos from our webcam can be found by going to our Trust website: [kporttrust.org](http://kporttrust.org). In 2012 certain renovations will take place in the interior of the lighthouse.

The new look of the lighthouse prompted us to give a new look to our logo and through the skills of Lisanne James and Jenne James Kember that was accomplished. We also wanted to give people the opportunity to see the island anytime and so, thanks to the generosity of Charlie Wright of the Wright Gallery, we installed a new webcam on the island. It can be found on our webpage and Charlie sees to it that the views are always changing and great. As a result, he reports that the hits per day for the website increased from 80 per day in 2009 to 305 in 2011.

Steve Simcock worked throughout the year as the project manager for our Grist Mill property. Under his direction, water, interior bathrooms and electricity were brought to the historic Clem Clark boathouse. In addition, carpenters Steve Perry and Al Moores worked throughout the winter to replace and strengthen the building's pilings. Working at low tide in the cold and mud beneath the boathouse was no easy task, but they never complained or faltered. The result is a strong building that will be with us for many decades to come. Toward the end of the year, we were very pleased to receive a variety of old tools from Richard Malconian that used to decorate the Landing Restaurant. These will be put to good use as displays in the building. In addition, Steve Simcock continued to explore the possibility of bringing back the tidal grist mill that once was a highlight of our community. Were it recreated, it would be the only working tidal mill in America and would add both beauty and great historic significance to the town and property. It could also play a significant role in our "Trust in our Children" program. Private funding has been

provided for both the mill's construction and endowment, allowing membership contributions to remain going to our primary land protection efforts. Throughout the summer, an archaeological dig took place at the mill site under the direction of Peter Morrison and Pam Crane. The team has found many pieces of the turbine that once ran the mill, as well as some interesting architectural details. In fact, their work and the thought that the grist mill could return is so significant that the Tide Mill Institute's annual convention was held in Kennebunkport in November. The keynote speaker was Roger Charlier from Belgium, an international authority on tide mills around the world. Over 60 people attended the conference from all over New England, and it was declared by all to be a rousing success.

On September 29, an emotional tribute was held for former First Lady and our Kennebunkport neighbor, Barbara Bush on the Trust's River Green property near Dock Square. Through the generosity of many of Barbara's family members and friends, Ganny's Garden was unveiled. Ganny is the name Barbara is lovingly called by her 17 grandchildren. The garden in many ways reflects a needlepoint carpet she spent years making in which she hid the initials of her grandchildren throughout a bed of beautiful pastel flowers. Those initials now appear randomly engraved on the garden's stone walls. A lovely stone path, a custom arbor, plaques and special bronze features personalize the space and make it special. In his remarks, KCT director Tom Bradbury noted that through its addition, the River Green now has representations from some of the most famous chapters of Kennebunkport history. Frank Handlen's wonderful statue reminds us of the fishing families upon whom our community was built. The Captain Lord Mansion, the ropewalk building across the street (now the Arundel Yacht Club), the surrounding homes and the river itself remind us of our ship building heritage. And now, the Garden will remind us of the years of the Summer White House. The garden will add great beauty to the Green and Kennebunkport for years to come. If you would like to be a part of this special effort and the spring planting, contributions can be made on our website ([kporttrust.org](http://kporttrust.org)) or by contacting our office.

The highest and best use for most of our land involves leaving it just the way it is. In some areas trails are highly desirable and a great deal of work continued in 2011 to increase and improve them. Bill Case and Bud Danis worked tirelessly to make this happen. They were assisted by Brandon Gillard, Chris Smith, Arnie Amoroso and Doug Butler. Several beautiful new loops were made at the Smith Preserve. Most challenging and rewarding was the building of a 60-foot, 1½ ton bridge over the Batson River at the Emmons Preserve. Funded with a grant from Maine's Bureau of Parks and Land Recreation Trails Program, the bridge links land on the other side of the river which had been inaccessible. Moving the bridge into its place was no easy feat. Deering Lumber generously donated the use of their equipment and John Ouelette, who operated the crane, to help with the installation. A special thanks goes to contractor Steve Perry and his right-hand man Al Moores for their work and creativity; Doug Butler and Dana Morton for donating their engineering services; Keith Fletcher for writing the original grant proposal; Bill Case and Bud

Danis for preparing the site and working on the installation; and to Mick Rogers at Maine's Department of Conservation.

Maintenance of all of our properties was accomplished by our exceptional volunteers. Bill Case, Bud Danis, Bob Haskell and Doug Butler did a great job mowing the lawn of the Emmons Preserve while David James took care of the Grist Mill property. Dan Viehmann helped us with Bryant Point in Cape Porpoise. John Hammond and Bridget Burns were in each week to help in the office and there were many, many more. Scott Dombrowski oversaw volunteers who went to Goat Island every other Wednesday to accomplish specific tasks. Once again he also organized a memorable visit from the "Flying Santa," much to the delight of the children in attendance. Mark Dufoe was a great help in getting our floats in and out of the water. Bob Haskell and the island stewards had another busy yet successful year looking over the islands. They were able to meet and greet many of the visitors to our island and make sure that everyone had a good time while maintaining the environmental integrity of these fragile resources. Jim Bither, David Kling, Bill Dugan and David Jourdan met often to make sure that our investments achieved both safety and their greatest potential. Thanks to these people as well as to the many others who helped out.

Under the leadership of Leia Lowery, our "Trust in Our Children" program had another successful year. Consolidated School field trips were held on our properties in the spring and fall and several classes came to the headquarters for a winter meeting. Professor Pam Morgan and her University of New England plant class studied Tyler Brook, the Saboski property and Vaughn's Island, and assimilated the information gathered into our program. The Trust cohosted an "Oceans are Talking" concert and performance for students and brought Barry Dana to town to talk to students about the Penobscot Nation. The Middle School began making apps for our properties. And for the first time this year, the Trust sponsored "Community Connections" for Kennebunk High School. Organized by Lisa Lasseby and Leia Lowery, 25 nonprofits were brought to the school to talk with all freshman class members about their missions. A booklet was made that will help lead students to volunteer activities that will hopefully excite their curiosity and quest to learn as well as help a variety of local worthwhile organizations. Our thanks are extended to Principal Sue Cressey for all of her help and enthusiasm.

The Trust headquarters was used extensively in 2011 by a number of organizations. The University of New England, Laudholm Farm, York County Audubon, Kennebunk High School, Biddeford High School, Berwick Academy, the Animal Shelter, the ride to cure Autism, Save Our Beach, Graves Memorial Library, Arundel Lodge and others used our facility for meetings, retreats, fundraisers, appreciation nights or other worthwhile functions. The Trust charges no fee for the use of the building to those whose work helps our community or those in it.

The KCT continued to make organizational and physical improvements. Nancy Sosa created a new Facebook page for "Ganny's Garden." Our e-mail list grew to nearly 850, all of whom receive each Friday a beautiful photo and thought of the

week. Dave Jourdan assumed the new role as treasurer after a fine job done by Mike Weston. Jerry Mullin became our new secretary. Lisa Lassey has brought many wonderful skills to the organization which are paying off in a wide variety of ways. No doubt our greatest victory this year was seeing Lisa succeed in her fight with cancer. Our parking lot was fully redone to solve some water issues. A great deal of work was done to the Steve Emmons house, and the headquarters was repainted.

A number of successful events were held during the course of the year. Twelfth Night had a large and appreciative audience celebrating the 1950s. They even got a look at the Town as it was then and how they were a part of it. Great fun was had by all. A David Mallett concert was enjoyed by all of those who filled Atlantic Hall. The Colony Hotel hosted a Sunday afternoon concert to benefit the Trust in July, and the Nonantum Hotel hosted a breakfast on our behalf in November. The Phillip H. Matthews Memorial Lobster Bake was another sell out. A wonderful meal was provided by Ed Bull of Cape-Port Caterers, Mark and Giselle Nadeau of Ned's Bakes and BBQ's, Dick Ackley, Paul Carr, Stedman Seavey of Bradbury Bros. Market, Sonny Hutchins at Port Lobster, John Greene of Langsford Road Lobster, Bob O'Reilly, Allen Daggett, Michael Emmons, Gary Ridlon, Bill Matthews, Ron Francouer, Peter Eaton and Ed Hutchins. Tours were provided to Goat Island Lighthouse. Music was by Billy Billy, Straight Lace and, from Austin, Texas, Mingo Fishtrap—and was amazing! The day ended with a spectacular fireworks display donated by Steve Pelkey of Atlas Fireworks in honor of Phil, for which the whole town is incredibly grateful! In the fall, the Trust united with the Heartwood College of Art for its annual Trust in Art auction, where celebrated local artists painted scenes of Goat Island Light and auctioned them off to benefit both organizations. The artwork seems to get better each year, and it was great fun. Keep a space on your wall open for a beautiful piece of art from this year's auction. In addition, the Timber Point campaign brought about a number of small receptions. We are most grateful to Susan Clark, Christ Angelos and Lesa Kraft, Maria Junker and Kathy Anuszewski, Paul Hogan, and Jeff and Janet Glidden who were our wonderful hosts. Thanks also to Wolfe Tone, President of Maine's Trust for Public Lands, Peter Jones from TPL, Bill Durkin, President of Friends of Rachel Carson and Peter McPheters for serving as speakers.

The 2011 Volunteer of the Year award went to two individuals. Bob Haskell was one recipient. For years now Bob has been the dedicated leader of the Island Stewards, spending countless hours organizing the program, checking the islands and following up on any concerns. This has expanded to work with the Maine Island Trails Programs and the seals rescue program. Around the headquarters he is always helping out with the lawn, gardens, repairs, moving boats, trailers, trucks or anything that needs to be done. His efforts toward public awareness when the Brown Tailed Moths infested Vaughn's Island were very important to all. His help in leading trips to the islands for Discovery Days and Trust in Our Children programs are equally appreciated. Doug Butler is our second award recipient. Not only has he spent many hours working with Bud and Bill on the construction of our trails, as an engineer he has given us both valuable advice and was instrumental in

getting the bridge across the Batson River and the grant money from the state to pay for it. For all of their service to the Trust and the community, our thanks and appreciation go out to Bob and Doug as the representatives of the many who faithfully serve.

During the year, we were very saddened to learn of the passing of Louise Appleton. Louise was a longtime member of the Trust's Advisory Board and was a faithful and generous supporter of the organization. We will certainly miss her! Her bequest to the Trust will strengthen our endowment, making it possible for the Trust to continue its work on behalf of the community. We were also saddened by the loss of Dr. Charles McCullough and Dr. Peter Morgane. Their generous bequests to the organization proved to be a key factor in forever preserving Timber Point and for that we will forever be grateful. Two memorial benches were donated this year and placed on the River Green. One was given in loving memory of Marcia B. Morgan and George E. Morgan. The other was given in loving memory of Dora G. Stockman and Maxine D. Stockman. During the year, memorial contributions were received in loving memory of: Mary Pierce, Dr. Charles McCullough, Ethan Greer, Arline Stirk Dupras, Paul H. Emmons, Marcia Morgan, Roxanna Stevenson, Bill Ives, Louise Appleton, Donald F. Tompkins, Wayne R. Clark, Jeanne Mellow, Ruby M. Shepard, Alba Mangone, Joseph Kadison, John Dalton, Phillip Brooks Eaton, Harold Miller, Glendon Rowell, Hale Whitehouse, Henry M. Griffin, Thomas Corello, Robert Dodge, Bo Hutchins, Bruce Emmons, Desmond O'Hara, Diana Worthley, Barbara Bullens McCrae and Robert McCrae, Anne Ramsey and Tom Corello. Donations were also received in honor of Dana Kingsley's 80<sup>th</sup> birthday, Dr. Christ Angelos, Jack and Karen Miller, John and Kathy Simcox's anniversary, Karin Halliwell and Renato Conacchio, Kimberly and Kevin Tierney, Leigh Reynolds, Liz Scherer and Glen Stevick's 25<sup>th</sup> anniversary, Mike and Joanne Gustin, Mr. and Mrs. Bloom, Mr. and Mrs. Gabe Choquette and William Harmon and Diane Schweitzer.

As always, we are very grateful for the support that has been given us. It is only by all of us working together, supporting a common cause in this special place, that such great accomplishments have taken place. That's what a community is all about. That's what we're all about. And we hope that you will join us in our efforts as we try to forever protect the beauty and character of Kennebunkport for this generation and the next. Our funding is nearly entirely based on the private contributions of individuals. That's why your membership is key. Together we can make a difference. Together we can do great things.

Tom Bradbury, Executive Director

## KENNEBUNKPORT EMERGENCY MEDICAL SERVICES, INC. (KEMS)

*2010 Horton Ambulance*

Kennebunkport Emergency Medical Services is a private, nonprofit, volunteer agency that provides emergency medical care to the Town of Kennebunkport. We also participate in mutual aid agreements with the Towns of Arundel, Biddeford, Kennebunk, and Wells. The ambulance is stationed at the Cape Porpoise Fire Station, where space is leased for the ambulance and crew quarters.

KEMS responded to 370 ambulance calls during 2011. Our common calls for service have ranged from a victim suffering life threatening cardiac arrest to a victim with a simple laceration. Our goal is to treat each and every patient with the highest level of professionalism and care.

We provide staff utilizing 45 highly trained volunteers complimented by 11 per-diem paramedics. This system allows us to provide advanced life support on a regular basis, which includes defibrillation, IV/IO access, advanced medication and other advanced procedures.

Our volunteers are the very heartbeat of this organization, and we are thankful for each and every one. They are your friends, neighbors, and co-workers; these people have taken time out of their lives to help others in our community. Our amazing group of volunteers committed 12,000 hours of coverage to the Town throughout the year; this figure does not include all of the other various training courses attended throughout the year. If you are aware of anybody that is interested in volunteering, please contact our KEMS business office at 207-967-9704, or email us at [kemsal@roadrunner.com](mailto:kemsal@roadrunner.com).

Our fees for service and the generous donations from the people of Kennebunkport cover most of KEMS operating expenses. However in 2012, we are again requesting a portion of our funding from the Town to help us meet our annual operating

budget. This budget allows us to supplement our group of highly trained volunteers with paid Advanced Life Support providers (Paramedics) on a regular basis. These paramedics work as full-time employees in surrounding communities and are employed by KEMS on a per-diem basis. We are fortunate to employ a group of dedicated EMS professionals who care about the community they serve and its volunteers.

KEMS would like to recognize all of our members that have completed continuing educational opportunities throughout the year:

- **EMT Basic** (120 hrs) Shawn Labrecque, Christopher St. Onge, Theodore Petersen
- **EMT Intermediate** (200 hrs) Matt Cyr, Sonja Neilsen, Taylor Richardson, Aaron Fullerton
- **EMT Paramedic** (1200 hrs) Jason Mudge, Zach Goulet

During the month of May, we took delivery of our new 2010 Horton Ambulance. It should be noted that the ambulance purchase was made using 100% of the KEMS endowment, which is only made possible by the generous donations we receive each year. This ambulance has improvements that include rear patient compartment air bags, electronic privacy glass, and a child safety seat. KEMS makes provisions to replace our ambulance on a 7-year schedule. This replacement schedule allows us to continue to keep quality equipment for our providers and patients. We encourage residents to stop by during normal business hours and request a tour of the ambulance and an opportunity to meet our crews.

We would like to thank Mike Drew for his service as Chief of Operations over the past year. Mike was able to implement a new online scheduling program and provide superior guidance for our organization. Mike has been a member of KEMS for 3 years and is continuing to run as a per-diem member.

Anne Laflamme has been selected as Interim Chief of Operations while the Board of Directors conducts bylaw changes to reflect hiring a Chief of Operations. Anne has currently been serving as Assistant Chief.

After 17 years of continuous service, Marc Laflamme has left KEMS to pursue personal interests. Marc has served as Assistant Chief in recent years and provided amazing guidance in the area of operations. His presence and dedication will be missed, but we wish Marc the best and thank him for his dedication to this service and the Town of Kennebunkport.

Dr. Andrea Brown and John Spita have announced their retirement from the Board of Directors after a long and dedicated tenure. The Board of Directors and the membership want to thank them for their input and vision and wish them the best in their ventures.

We also want to thank the Kennebunkport Police officers, Firefighters, and Dispatchers that make up our Emergency Response Team. They are truly professionals and make each call for service a coordinated and successful event.

We wish to thank the citizens of Kennebunkport for their continued support. This organization is able to provide high quality care due to your generous contributions each and every year. KEMS recently received a special donation to purchase a Pediatric Resuscitation System and an updated Mass Casualty Response System. This donation not only had an immediate effect on crew morale, but also will have a lasting effect on this community.

KEMS continues to offer CPR programs on a regular basis reflecting our HeartSafe community initiative. This has been a collaborative effort between KEMS and Kennebunkport Public Health. We will continue to work together in making Kennebunkport a healthier and safer community through this initiative.

KEMS began in 1979 with a small group of volunteers and an old Cadillac ambulance donated to the Town by the Bibber family. Today, we continue to dedicate ourselves to serving the residents of our community with the highest level of care that can be provided.

Anne Laflamme, Chief of Operations

## CAPE PORPOISE LIBRARY REPORT

Library Hours and Services  
Tuesday, Thursday 1:00 – 4:00 p.m.  
Friday, Saturday 9 a.m. – noon  
Computer Internet/Email  
24-Hour Wireless Accessibility  
(207) 967-5668  
[cplibrary@cape-porpoise.lib.me.us](mailto:cplibrary@cape-porpoise.lib.me.us)

Recently, I asked some of my patrons, “What does the Cape Porpoise Library mean to you?” I received the following replies, and I am proud!

“Warm and welcoming sanctuary—mild mannered, friendly staff—pleasant surroundings—unique intimate old world environment of the small town one-room library”; “nicest small library—great books that we can read and enjoy”; “a magnificent benefit of living in Cape Porpoise”; “makes me happy”; “our library director knows our tastes and caters to her public—a meeting and gathering of friends and minds”; “always has a great selection of current books—invaluable hub of the local community—staff is warm and helpful”; “warm, inviting, well stocked, stimulating—always a pleasure to visit—Sue is so helpful”; Cape Porpoise Library is the heart of our community—thank you for carrying the authors I love to read.”

The year 2011 was an excellent time for the Cape Porpoise Library. We’ve welcomed long-time residents, new residents who moved into the community, and summer visitors. People can drop in with their well-mannered dogs. It’s a comfortable meeting place to chat and discuss books; make current best-selling selections from fiction and nonfiction or from the older books on the shelves; choose from a large assortment of DVD movies and books on discs; use the computer, fax, copier, or take free magazines. I am happy to make deliveries of books for those patrons who are unable to leave their homes.

The annual book sale was held on July 30. There were many tables with books for sale in Atlantic Hall which were donated by many, many generous people. Thanks to our volunteer helpers, the day was a huge success. Donated books are also available year-round on our library sale shelves.

I wish to thank the wonderful friends who provide the library with monetary donations and the occasional memorial designation. I also thank the Town of Kennebunkport through the repeated inclusion of the Cape Porpoise Library in the annual Town Budget.

I thank Barbara Tompkins who mans the library on Saturdays, and the Directors of Atlantic Hall for their caring support. The Cape Porpoise Library is a special place and loved by many.

Sue Perkins, Library Director

## LOUIS T. GRAVES MEMORIAL PUBLIC LIBRARY REPORT

*Happy 100th Birthday Mr. Dabrowski. We wish you all the best.*

There are plenty of things to be afraid of, writes Jeff Wise in a *Time Magazine* article (Jan 9, 2012, p. 36). Psychologists say we innately misjudge risk, often instinctively becoming fixated on perceived threats that are not really hazardous while “overlooking dangers because they don’t set off our subconscious alarm bells.” Wise lists what we fear that is **not** a danger: flying, gluten, insects, cell-phone radiation, asteroids; and what we fear that **is** dangerous: lightning, sharks, viruses, smoking, and cancer. He also reminds us of what is dangerous that we **should** fear (**but don’t**): raw milk, nuclear war, global warming, obesity, and heart disease, and finally, what is **not dangerous that we don’t fear**: teddy bears, hugs, money, and **librarians**. “In times of stress, we take comfort in trusted authorities.” Aren’t we lucky? People trust us and they should!

Because we will celebrate two monumental occasions next year (the formation of our library—100 years ago, and the building—200 years), we have been trying to pay attention to where we are and where we need to be. In this age of increased technology, we must rethink our strategies beyond loaning books. Here at Graves Library, we make sure to update our website constantly and feed updates to our social media outlets. We learn about all the devices people buy to download e-books and audiobooks so that we can provide electronic materials at no charge. An average Kindle or iBook download will cost about \$9.99 per item. (For a voracious reader, that can quickly break the piggybank). We continue to offer quality programs that educate and enhance the lives of our patrons and visitors. We embrace our “brand” and extend the experience to all facets of the literary world. We think about how we can help people find websites to locate jobs and assist frantic tourists to print their boarding passes. We constantly ask ourselves—can we help them when they come through our door? And in **their** time of need, we try to remind them to think about and remember GRAVES LIBRARY—to keep in mind that we are always here for them and hope to be here 100 years from now.

We expect that every experience is pleasant and worthwhile. We keep up with book demands even though publication prices increase each year, offer high quality programs, and recently have added four new computers for public access. We pay a yearly delivery service to send and receive interlibrary loan materials (It is free for you.). We added a fax machine, revamped our book sale, and purchased many more DVDs and books on CD. We bought an ongoing subscription to the Maine State Library audiobook/e-book system so that you can access electronic materials free on your home computer or hand-held device. We offer tax preparation, quiet fireside time, assist with job searching, FAFSA and college applications, and host many nationally acclaimed authors and other guests.

**Program Highlights:** A winter knitting circle, a pirate party, after school gaming for teens, outreach to preschools and daycares, weekly story time, craft workshops, St. Patrick's Day Readers' Theater, a summer reading program for kids of all ages, international food buffet night, parenting programs with Kennebunk Free Library and RSU 21, an adult book group, weekly chess, biweekly reads with the kindergarten classes, and holiday stories. Richard Russo, Chris Van Dusen, and Andre Dubus, III were among the many guests at our Pasco Lecture Series.

**Services:** Ongoing Book Sale, Maine Learning Express, MARVEL!, downloadable audio and e-books, interlibrary loans, 8 public computers and Wi-Fi access, SAT prep, weekend afternoon programs, 100 plus magazine subscriptions and daily newspapers, a fax machine, two photocopiers, and notary services. Most of these are free.

We have a committed staff: Kay Beote, Lynda Bryan, Judy Finnegan, Lisanne James, Linda Littell, Judy Merrill, and our new Children's Librarian Maureen Quaglieri. They will help you with all of your library-related needs as well as directions to Walker's Point, restaurants and the names of places to stay in town.

We have many, many dedicated volunteers who clocked over 7,000 hours of service in 2011. This is outstanding! Thanks to: Lois Badger, Kitty Bassett, Jan Brennan, Carol Bowes, Miriam Clasby, Joan Dawson, Judy Drinon, Carol Ellis, Mette Eglinton, Ruth Fernandez, Gretchen Graham, Fran and Norman Hayes, Nancy Hayes, Nancy Kling, Louise Kralich, Marilyn MacDonald, David Middleton, Harriet Mill, Gertrude Reoch, Paul Romanos, Vivi Schubert, Anita and Ben Stephens, Suzanne Stohlman, Michael Tarabilda, Linda Wade, Bob and Linda Wall, Harold and Barbara Worthley, and in the summer Cleo Siderides and Joshua Wrigley.

The gloomy economy created renewed value for libraries for millions of people. Forty percent of those negatively impacted by the economy increased their use of the library and are still using it. We have our best opportunity in decades to advocate right now. The value of a public library is high. The value of **this** library is priceless. We thank **all of you**, the residents of Kennebunkport, our Town Departments, and Selectmen for supporting us each and every year.

***No matter what, there is always a reason to come to Graves Library.***

Mary-Lou Boucouvalas, Library Director

**LIBRARY STATISTICS - 2011**

Total circulation	68,301	Programs (All)	218
Total registrants	5,934	Participants (All)	4,043
Book purchases	1,226	Volunteers	44
Memorials and gifts	638	Volunteer hours served	7,118
Total collection	35,426	Public Internet activity	4,589
Interlibrary loans (borrowed)	144	Public wireless activity	492
Interlibrary loans (to others)	46	Public meetings	82
Classroom visits/school field trips	25	Visits to area daycares/preschools	40

Over 11,856 books were sold at the Perkins House in 2011.

We have 8 public Internet Stations and Free Wi-Fi 42 hours per week.

**SCHOLARSHIPS AVAILABLE FOR KENNEBUNKPORT STUDENTS**

The Olympian Club of Kennebunkport Scholarship Fund was established in 1996 with gifts from friends and members of the Olympian Club of Kennebunkport. The fund is to benefit the University of Maine at Orono; however, campuses within the University of Maine system are eligible as well. Dedicated to “all the ladies who were ever members of the club,” its purpose is to provide scholarship assistance for undergraduate students studying Nursing. A second preference shall be for students in Pre-Medical/Dental/Optomety, and a third preference shall be for students of any discipline. The minimum award is at least one-third of the tuition amount, including mandatory fees.

To qualify, recipients must be residents of Kennebunkport at the time of high school graduation and must have a financial need and a reasonable academic record. They must be of good character and show good work habits.

Interested students should contact the Office of Student Financial Aid at one of the following four locations, which have nursing programs: University of Maine, Orono, Maine 04469; University of Southern Maine, 96 Falmouth Street, PO Box 9300, Portland, Maine 04104-9300; University of Maine at Fort Kent, 25 Pleasant Street, Fort Kent, Maine 04743; University of Maine at Augusta, 46 University Drive, Augusta, Maine 04330-9410.

**Maine Regional School Unit 21**  
**The Schools of Arundel, Kennebunk, and Kennebunkport**

*"Preparing responsible, contributing citizens in a global society."*

*Andrew R. Dolloff, Superintendent of Schools*  
*Dr. Mark Eastman, Interim Business Administrator*

*Sara Zito, Assistant Superintendent*  
*Susan M. Mulsow, Director of Special Services*

**SUPERINTENDENT OF SCHOOLS REPORT**

It is an honor to present this annual report of the public schools serving the Town of Kennebunkport for the 2011 fiscal year; another high performing year for the students of this community. Starting at Consolidated School, approximately 200 students in Kindergarten through Grade 5 enjoy the many benefits of a strongly-supported community school. From my first days as Superintendent in the newly formed RSU, I have been struck by the caring, passionate, and talented parents who provide Consolidated students with the strong foundation necessary to assimilate well into the school setting. Although one might expect such support at any elementary school, I can assure you that the thoughtfulness and generosity of our parents far exceeds the norm. Through their efforts, our students are afforded opportunities that would not be provided in many communities.

Under the leadership of Principal David Crandall, students and staff at Consolidated School continue to shine with the brightest academic stars in all of Maine. While standardized test scores do not provide a comprehensive picture of a school's effectiveness, they are measures that provide us with a snapshot of school programming. That snapshot for Consolidated School is quite impressive. While public schools across the United States are routinely criticized for performing below the average of those in comparable nations, students in RSU 21 continue to perform well above the national average. We must remember that our schools are quite different from those found in the larger, urban areas of the country, and Consolidated School is a wonderful example of a neighborhood school that serves as a hub of community activity.

Kennebunkport students in grades 6-8 enjoy a great deal of success at the Middle School of the Kennebunks. Maine's only International Baccalaureate middle school, MSK is an exemplary learning community. As with Consolidated School, highly committed teachers that understand the unique needs of the students with whom they are working make a tremendous difference every day. The opening of the Swift Center for Design was a high point at MSK in 2011, making it the only licensed Apple design center located within a middle school in the United States. Principal Jeff Rodman oversees the staff who deliver exciting and innovative curriculum to more than 500 students from Kennebunkport and Kennebunk. Traditional subjects such as science, math, social studies, and language arts, as well as enrichment courses in the visual and performing arts, physical education, and foreign languages are commonly taught using the latest technology as teachers strive to prepare our students for the world beyond MSK.

Kennebunk High School provides many and varied academic offerings and co-curricular activities for students in grades 9-12. Although the facility, much like Consolidated School, is in dire need of upgrades and replacement, the teachers within the building continue to provide programs of rigor and relevance in Maine's first International Baccalaureate high school. Students in the IB program join those in Advanced Placement courses to set the bar high for student performance. Principal Susan Cressey took the reins of KHS in September, and she has quickly proven to be an agent of change who has our students' best interests at heart. As with all of our schools, KHS students perform among the highest in Maine in a wide variety of statistical areas.

It is a pleasure to work with a community that places a high value on the education of its children. I look forward to providing you with reports of continued excellence from our students in the future.

Sincerely,

Andrew R. Dolloff  
Superintendent of Schools

**Note: Recycling is collected every Saturday in GSRB during the summer.**

For questions regarding recycling collection service, please call Oceanside Rubbish, Inc. at 646-3230; or Nicole, at the Highway Department at 967-5728.

## TRASH AND RECYCLING COLLECTION SCHEDULE

In Kennebunkport, trash is picked up weekly. Recycling is picked up every other week as indicated on the calendar on the opposite page (except at Goose Rocks Beach during the summer as indicated below.)

Trash and recycling containers may be put out no earlier than 4 p.m. the day prior to scheduled collection and should be removed within 24 hours of pick up.

**Hours of trash and recycling collection:** No earlier than 6:30 a.m. and completed no later than 6:00 p.m.

**Non-collection holidays:** Thanksgiving, Christmas, and New Year's. Alternate collection days will be advertised on the Town government Cable Channels 2/16 and the Town Website at <http://www.kennebunkportme.gov>.

### GOOSE ROCKS BEACH TRASH AND RECYCLING COLLECTION SCHEDULE

Trash and recycling collection occurs on Fridays in the Goose Rocks Beach area in the spring, fall and winter.

In the summer, the collection schedule changes to Saturdays as follows:

#### GOOSE ROCKS BEACH SUMMER OF 2012 COLLECTION DAYS

Both recycling and trash collection occurs  
every week  
on Saturdays beginning  
June 16, 2012, through September 8, 2012

The schedule returns to Friday pick up of trash on September 15, 2012, and every other Friday for recycling pick up beginning September 21, 2012.

### SINGLE-STREAM RECYCLING

The Town of Kennebunkport uses the "single-stream" recycling process. This process means that all recycling (paper and commingled containers) can be put into one recycling bin. Oceanside then brings the combined recyclables to a facility where they are sorted on a system of conveyor belts.

Sorting the recyclables is **not** needed. Please continue to put all trash in trash bins, and all recycling in recycling bins.

If you have any questions, please contact Nicole, at the Highway Dept. at 967-5728.

## HOW TO IDENTIFY YOUR PLASTICS FOR RECYCLING

With the large variety of plastics available, the average consumer often has difficulty distinguishing between the types of plastic discards. To facilitate recycling, these items are coded by the manufacturers. A coding numeral can be found on the bottom of a plastic container. For easy identification of your plastic items, please refer to the following numbering system:

<b>Plastic Recycling Reference Chart</b>		
<i>The following items will be picked up curbside:</i>		
<b>Coding Number</b>	<b>Item</b>	<b>Description</b>
1	Polyethylene Terephthalate (PET)	Soda bottles, generally referred to as custom PET (peanut butter type jars, dishwashing liquids, liquor bottles).
2	HighDensity Polyethylne (HOPE)	Clear (white) containers or colored containers. The clear bottles (milk and water jugs) are also known as natural HDPE. Colored bottles will primarily consist of liquid detergent bottles, motor oil bottles, cosmetic bottles.
3	Vinyl or Polyvinyl Chloride (PVC)	Crystal clear cooking oil bottles, shampoo bottles, etc.
4	Low Density Polyethylene (LDPE)	Most LDPE will be in the form of plastic bags. Additionally, plastic lids and some squeeze bottles are made from LDPE.
5	Polypropylene (PP)	These bottles include syrup containers, ketchup bottles, yogurt containers, margarine tubs, and most bottle caps.
6	Polystyrene (PS)	Numerous molded products are made from PS.They include coffee cups, meat trays, plastic utensils, videocassette cases..
7	A catch all numbering for materials not included above.	Most often packaging in number 7 containers will consist of glues or metal-based materials.

There are also other methods which you can use to differentiate between bottles. Most mistakes are made in segregating PET from PVC bottles; however, these types of bottles can be readily distinguished by the molding scar on their bottom. PVC has a horizontal scar (often referred to as a “smile”). When a PVC bottle is bent or creased, a white mark will show at the point of the bend. PET has a circular scar (called a “bullet hole” or “nipple”).

For questions regarding recycling or trash collection service, please call Oceanside Rubbish, Inc. at 646-3230, or Nicole at the Highway Department, at 967-5728.

**RECYCLING REFERENCE CHART**  
**Items picked up curbside**

<b>Items</b>	<b><u>Recycle</u> these items</b>	<b><u>How to prepare</u> items</b>	<b><u>Exclude</u> these items</b>
<b>Glass</b>	Brown & clear glass. Bottles and jars.	Rinse clean. Remove lids. Co-mingle in bin.	No broken jars or bottles. No drinking glasses. No light bulbs. No window glass. No ceramics or china No green glass.
<b>Plastics #1-7</b>	Plastics numbered 1 through 7.	Clean containers. Flatten to save space Co-mingle in bin.	No plastic bags, even if they are identified as #2 plastic. No motor oil or hazardous waste containers.
<b>Metal and Tin Cans</b>	Tin cans Aluminum cans Empty paint cans Aerosol cans Aluminum foil and plates	Empty and clean containers. Do not put in sharp lids (unless crushed in can). Co-mingle in bin.	No food waste left in cans.
<b>Paper</b>	Mixed paper Junk mail Pressed board (cereal boxes etc.) Office paper	No need to bundle.	Do not use plastic bags to bundle paper together.
<b>Newspaper and Magazines</b>	Newspapers Catalogues Magazines Telephone books	No need to bundle together.	Do not use plastic bags to bundle paper.
<b>Corrugated Cardboard</b>	Corrugated boxes	Flatten and cut up to size no larger than 4 ft by 4 ft.	If wet outside, wait until next recycling day.
<b>Returnable Bottles and Cans</b>	Any deposit	Rinse clean. Remove lids. Co-mingle in bin.	Bottles can have any deposit label. Check <b>wine</b> bottles.

For questions regarding recycling collection service, please call Oceanside Rubbish, Inc. at 646-3230.

## TOWN OFFICERS FOR 2011

### SELECTMEN, ASSESSORS & OVERSEERS OF THE POOR

Stuart E. Barwise, Chair  
Sheila Matthews-Bull, Vice-Chair  
Allen A. Daggett  
Mathew J. Lanigan  
D. Michael Weston

### TOWN MANAGER

Larry S. Mead

### POLICE CHIEF

Craig Sanford

### FIRE CHIEF

Allan K. Moir

### ASSISTANT FIRE CHIEF

Paul David Chisholm

### DISTRICT FIRE CHIEFS

Scott Lantagne, District 1  
James E. Burrows, District 2  
Noel Graydon, District 3

### FOREST FIRE WARDEN (APPOINTED BY STATE)

Ricky Brown

### EMERGENCY MANAGEMENT

James E. Burrows, Director  
Dick Stedman, Deputy Director

### PUBLIC SAFETY COMMITTEE

Craig Sanford, Police Chief  
Allan K. Moir, Fire Chief  
James E. Burrows, EMA Director  
Mike Drew, K.E.M.S.  
John Hirst, Superintendent, Highway  
Department  
Allan K. Moir, Superintendent, Sewer  
Department  
Mathew J. Lanigan, Selectmen's Representative

### TOWN CLERK

April Dufoe

### REGISTRAR OF VOTERS

April Dufoe

### TREASURER

Jennifer L. Lord

### TAX ASSESSORS

Donna Moore Hays, CMA, Assessors' Agent  
Werner Gilliam, Assessor's Assistant

### TAX & EXCISE TAX COLLECTOR

Larry S. Mead

### CODE ENFORCEMENT OFFICER

Brian S. Shaw  
Werner D. Gilliam, Assistant CEO/Planner

### ROAD COMMISSIONER

John Hirst

### SUPERINTENDENT OF HIGHWAY DEPT.

John Hirst

### SUPERINTENDENT OF SEWER DEPT.

Allan K. Moir

### TOWN MECHANIC

Russell Welch

### RECREATION DIRECTOR

Carol G. Cook

### HEALTH OFFICER

Robert Fernandez, M.D.

### PUBLIC HEALTH OFFICE PHYSICIAN

Willard Stitzell, D.O.

### GENERAL ASSISTANT DIRECTOR

Judith Barrett, R.N., B.S.

### NURSING STAFF

Judith Barrett, R.N., B.S.  
Susan Jackson, R.N.

### HARBORMASTER, KENNEBUNK RIVER

Ray Billings

### HARBORMASTER, CAPE PORPOISE HARBOR

Lee F. McCurdy

### PIER MANAGER, CAPE PORPOISE

Lee F. McCurdy

### SHELLFISH CONSERVATION WARDEN

David Conway

### STREET NAMING & NUMBERING DELEGATE

James E. Burrows

## TOWN ONLINE SERVICES

Pay online with a credit card or electronic check:

- Parking tickets
- Personal property tax
- Real estate tax
- Sewer bills.

There is a convenience fee for all online services.

### Convenience Fees

Electronic Checks	\$2.95
Real Estate and Property Tax	2.95%, minimum \$2.00
Parking Tickets and Sewer Bills:	

Payment Amount	Fee
\$0.00 to \$50.00	\$2.00
\$50.01 to \$100.00	\$3.00
\$100.01 to \$200.00	\$6.00
\$200.01 to \$300.00	\$9.00
\$300.01 to \$400.00	12.00
\$400.01 and above...Add \$3.00 to listed total for each \$100 payment range or portion thereof.	

Vehicle **re-registrations** can be processed with *e-checks only* through Rapid Renewal program. Convenience fees dependent upon vehicle type.

For online services, visit the Town Website at [www.kennebunkportme.gov](http://www.kennebunkportme.gov) and select the blue **Online Bill Payment** tab.

### TOWN BOARDS/COMMITTEE MEETING BROADCASTS AVAILABLE ONLINE

The Town offers as a public service online availability to all town board and committee meetings that are broadcast on local cable channels 2 or 16. These meetings may be accessed via the internet at <http://www.townhallstreams.com/locations/kennebunkport-maine>, or visit the Town's Website at <http://www.kennebunkportme.gov> and click on the blue button for on-line meetings.

All meetings broadcast on cable channels 2 or 16, such as the Board of Selectmen, Planning Board, Growth Planning Committee, and RSU #21 are streamed "live" on the internet at the above address and available for viewing at any time for one year after the initial broadcast.

The web access is hosted by Town Hall Streaming, a Maine company based in York.

This service allows residents to view meetings at individual's convenience. It benefits households that do not have cable service and also property owners who do not live year-round in Kennebunkport.

In addition to board and committee meetings, the Kennebunkport Town Hall Stream's site will make available other local broadcasts of interest.

## NOTES

## SCHEDULE OF TOWN BUSINESS HOURS

<b>Town Office</b> 6 Elm Street	Monday - Friday	8:00 a.m. - 4:30 p.m.

## MEETINGS TELEVISED

Meetings of the Board of Selectmen are televised "live" on Cable Channels 2 or 16, at 7 p.m., on the second and fourth Thursdays of the month. Also, broadcast are the Growth Planning Committee and Planning Board meetings. Please check Channels 2 or 16 for an up-to-date list of broadcast and rebroadcast scheduled times.

Meeting agendas, minutes, and Board members' addresses are available on the Town's website: <http://www.kennebunkportme.gov>
