

Town of Kennebunkport

Annual Report 2013

South Congregational Church

**TOWN OF KENNEBUNKPORT, MAINE
GENERAL INFORMATION**

“Located sixteen miles east-southeast of Alfred, twenty-five miles from Portland. Formerly known as Arundel. Visited during the summer as early as 1602 by fishermen. First permanent settlement made by Richard Vines in 1629. Brought under the control of Massachusetts and incorporated in 1653. Placed under the jurisdiction of Saco for a short time in 1688. Re-incorporated under the name of Arundel in 1717. Name changed February 19, 1821.”

TOWN REPORT DEDICATION

In Memory of

Jacqueline “Jackie” Ann Kellett

August 5, 1941 to January 25, 2014

Jacqueline “Jackie” Kellett was an extraordinary, well respected, progressive woman in the community. She wore many hats in her lifetime such as entrepreneur (owner of Jandies, a clothing boutique, and the Lobster Pot Restaurant); one of the pioneers of Kennebunkport’s annual Christmas Prelude who helped bring it up to the level of event that it is today; past president of the Kennebunkport Business Association; School Board member from 1976 to 1979; avid fundraiser for the local athletic boosters; and talented interior decorator, just to name a few.

Jackie’s husky voice and no-nonsense style are unforgettable. Opinionated and passionate for what she believed in, she made a great friend, but a formidable opponent to those who did not share her views. To her friends and family, she also had a lighter, humorous side, and would entertain them with her funny stories. But, most important, above and beyond any of her other accomplishments or characteristics was her love for her family, her number one priority. She was a devoted mother of six children and doting grandmother of 14, leaving behind a legacy of family values and strong work ethic.

Beneath her tough veneer, Jackie is remembered most as a sensitive, caring, kind-hearted, woman. She will be sadly missed.

TOWN REPORT DEDICATION

In Memory of

David J. Billings

October 31, 1938 to February 21, 2014

We recently lost a friend, a true gentleman and scholar, a man devoted to his family, friends, and his several professions. People meeting him at the Town Pier on Cape Porpoise harbor may not have realized that behind those red suspenders was a very special guy.

Dave Billings grew up in Westbrook and on the islands of Casco Bay. He joined the Naval Reserve, then graduated from Maine Maritime Academy, class of '60, where he was an A-2 commander and was commissioned an ensign in the U.S. Navy. Among his assignments were engineering officer on the aircraft carrier "Shangri La," and later, officer in charge (OIC) of the Navy detective division in New England. He was proud of his 23-year naval career, retiring as lieutenant commander.

Following retirement in 1983, Dave and Mary lived in Kennebunk where he bought and operated a "fin fishing boat" for several years. Then moving to Cape Porpoise, he took on the jobs of harbormaster and pier manager, where he began the morning coffee/forum gathering (Have you ever tasted Navy coffee?). He was a strong advocate for the fishermen, flew a special American flag on the rock, and kept track of his dog Trooper (a sweet rescue who was later discovered to be blind and had to be kept on leash away from the pier's edges). He oversaw reconstruction of the pier, tended the fuel pumps and tanks, painted the bait shed, cleaned the pier, sponsored a mural painted in his office by local artist Cookie Davis, and always helped the tourists understand everything.

Dave's passion was unwavering participation as a member of the Masons, both local (past Master of Arundel Lodge) and statewide. Traveling throughout Maine for many Masonic groups, he helped to raise money for charities, and often enjoyed playing the organ. He was a regular member of the Portland Marine Society. He started the annual mitten collection at the pier for kids with cold hands and was always available to lend a hand without fanfare or acknowledgement. We all knew Dave in different capacities, and always as a true gentleman and good friend!

TOWN OF KENNEBUNKPORT

TOWN WARRANT ANNUAL TOWN MEETING June 10 and 14, 2014

State of Maine

County of York, SS

To: April Dufoe, a resident of the Town of Kennebunkport, in the County of York, State of Maine.

GREETINGS:

You are hereby required in the name of the State of Maine to notify and warn the voters of the Town of Kennebunkport in said County of the Town Meeting described in this warrant.

To the voters of Kennebunkport: You are hereby notified that the Annual Town Meeting of this municipality will be held at the Village Fire Station, 32 North Street in said Town on Tuesday, the tenth day of June A.D. 2014, at 8:00 o'clock in the forenoon for the purpose of acting on Articles numbered one (1) and one a (1a) and Questions 1 through 5 as set out below. The polls for voting on Articles 1 and 1a and Questions 1 through 5 shall be opened immediately after election of the Moderator at 8:00 a.m. on June 10, 2014, and shall close at 8:00 p.m. While the polls are open, the Registrar of Voters will hold office hours to accept the registration of any person eligible to vote, to accept new enrollments, and to make any necessary corrections or changes to any names or addresses on the voting list. The continuation of said meeting will be held at the auditorium of the Consolidated School building in said Town on Saturday, the fourteenth day of June A.D. 2014, at 9:00 o'clock in the forenoon for the purpose of acting on Articles numbered 2 through 62 as set out below.

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 1a. To elect under the provisions of Title 30-A, M.R.S.A. Section 2528, the following Town Officers: one Selectman, Assessor, and Overseer of the Poor, for a term of three years, one Director of R.S.U. #21, for a term of three years and to vote on the following referendum Questions 1 through 5:

QUESTION 1 AMENDMENT TO THE LAND USE ORDINANCE CONCERNING TENTS

Shall an ordinance entitled "June, 2014 Amendment to the Kennebunkport Land Use Ordinance Concerning Tents" be enacted? (A true copy of which is on file in the Town Clerk's Office and is incorporated by reference.)

[Note of Explanation: This amendment will clarify permitting for temporary tents as well as create a definition for a tent.]

QUESTION 2
AMENDMENT TO THE LAND USE ORDINANCE CONCERNING
ACCESSORY APARTMENTS

Shall an ordinance entitled “June, 2014 Amendment to the Kennebunkport Land Use Ordinance Concerning Accessory Apartments” be enacted? (A true copy of which is on file in the Town Clerk’s Office and is incorporated by reference.)

[Note of Explanation: This amendment will allow accessory apartments to be further than 75 feet away from the principal dwelling.]

QUESTION 3
AMENDMENT TO THE LAND USE ORDINANCE CONCERNING
DISABILITY VARIANCES

Shall an ordinance entitled “June, 2014 Amendment to the Kennebunkport Land Use Ordinance Concerning Disability Variances” be enacted? (A true copy of which is on file in the Town Clerk’s Office and is incorporated by reference.)

[Note of Explanation: This amendment will allow the Code Enforcement Officer to issue building permits to the owner of a dwelling for purposes of making the dwelling accessible to a person with a disability who resides in or regularly uses the dwelling without the need to obtain a variance from the Board of Appeals.]

QUESTION 4
AMENDMENT TO THE LAND USE ORDINANCE CONCERNING
EXPIRATION DATES OF CONDITIONAL USE APPROVALS

Shall an ordinance entitled “June, 2014 Amendment to the Kennebunkport Land Use Ordinance Concerning Expiration Dates of Conditional Use Approvals” be enacted? (A true copy of which is on file in the Town Clerk’s Office and is incorporated by reference.)

[Note of Explanation: This amendment will permit conditional uses which have been approved as part of a subdivision to carry the same expiration date as the subdivision approval itself.]

QUESTION 5
AMENDMENT TO THE KENNEBUNK RIVER ORDINANCE

Shall an ordinance entitled “June, 2014 Amendment to the Kennebunk River Ordinance” be enacted? (A true copy of which is on file in the Town Clerk’s Office and is incorporated by reference.)

[Note of Explanation: This amendment will make the river ordinances in the towns of Kennebunk and Kennebunkport consistent with each other.]

Article 2: To see if the Town will vote to authorize the Town Treasurer, with the advice and approval of the Municipal Officers on behalf of the Town to sell and dispose of Real Estate acquired by the Town for nonpayment of taxes thereon, and to execute quitclaim deeds on such terms as they deem advisable, and to authorize the Treasurer to discharge unmaturred liens on payment of taxes, interest and costs. All Real Estate to be sold by the Town for nonpayment of taxes to persons who were not the former owners thereof must be properly identified and advertised for sealed bids at least twice in any local newspaper, namely the Portland Press Herald, Biddeford Journal Tribune, or the York County Coast Star, the first advertisement to be not more than thirty days before the deadline for submitting bids and the last not less than fifteen days before said deadline. Former owners of Real Estate, as described above, shall be given first refusal to buy the property provided all back taxes, interest and lien costs have been paid. Notification of sale and request for sealed bids shall be publicly posted fifteen days prior to said deadline in three places within the Town, namely, the Town Office, the area known as the "Cape Square", and Goose Rocks Beach Fire Station. Opening of sealed bids shall be open to the public and held within fifteen days after the deadline for submitting bids. The date, time, and place of opening the bids must be included in the newspaper advertisements.

Selectmen recommend adoption of this article – Voted 5-0.

Article 3: To see if the Town will vote to authorize the Town Treasurer, with the advice and approval of the Municipal Officers on behalf of the Town, to waive the foreclosure of any tax lien mortgage by recording a waiver of foreclosure in the York County Registry of Deeds for any real estate title to which they deem not in the best financial interest of the Town to hold, said authorization to waive not to prevent the Town Treasurer, with the advice and approval of the Municipal Officers, from later foreclosing on said tax lien pursuant to law, as they deem advisable.

Selectmen recommend adoption of this article – Voted 5-0.

Article 4: To see if the Town will vote to make all real and personal property taxes due and payable upon presentment of bills and to charge seven percent (7.00%) per annum on the first half if unpaid after September 10, 2014 (or 45 days after the date of commitment if commitment is after July 24, 2014) and on the second half if unpaid after March 10, 2015.

Selectmen recommend adoption of this article – Voted 5-0.

Article 5: To see if the Town will vote to set the interest rate to be paid by the town on abated taxes at five percent (5.00%) for the fiscal year 2015.

Selectmen recommend adoption of this article – Voted 5-0.

Article 6: To see if the Town will vote to authorize the Selectmen to accept easement deeds on behalf of the Town granting the Town the right to plant and maintain certain trees on private property located within the Town.

Selectmen recommend adoption of this article – Voted 5-0.

Article 7: To see if the Town will vote to authorize the Tax Collector or Treasurer to accept prepayments of taxes not yet committed pursuant to 36 M.R.S.A. § 506.

Selectmen recommend adoption of this article – Voted 5-0.

Article 8: To see if the Town will vote to authorize the Selectmen to accept unconditional and conditional gifts of money or property on behalf of the Town, other than gifts of sewer extensions, subject to ratification by the Town at an annual or special town meeting held within one year of the Selectmen's acceptance, except that such ratification shall not be required for a donation of money to the Town to supplement a specific appropriation already made, to reduce the tax assessment, or to reduce the permanent debt.

Selectmen recommend adoption of this article – Voted 5-0.

Article 9: To see if the Town will vote to ratify the Selectmen's acceptance of a gift of 0.05 acres of land located between Guinea Road and Beacon Ave. currently owned by Thomas V. & Helen B. Knox and identified on the Town's tax maps as lot 027-002-018 having an assessed value of \$5,700.

Selectmen recommend adoption of this article – Voted 5-0.

Article 10: To see if the Town will vote to ratify the Selectmen's acceptance of a gift from the Village Fire Company of a 2006 Ford F550 with a Pierce custom rescue body, VIN#1FDAF57P06EA78773, commonly known as "Kennebunkport Squad 11", to be used by the Fire Department, such gift having an approximate value of \$90,000.

Selectmen recommend adoption of this article – Voted 5-0.

Article 11: To see if the Town will vote to authorize the transfer of a 1989 Hahn Pumper Truck, VIN#HCTP16165189, commonly known as "Kennebunkport Engine #23, from the Town of Kennebunkport Fire Department to the Wildwood Fire Company with the condition that if the Wildwood Fire Company sells said "Engine #23", all proceeds of the sale will be used toward the purchase of fire apparatus to be owned by the Town.

Selectmen recommend adoption of this article – Voted 5-0.

Article 12: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2014, for the Local Circuit Breaker account, such unencumbered surplus fund balance to be estimated at \$20,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2014.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 11-0.

Article 13: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2014, for the Legal Fees account, such unencumbered surplus fund balance to be estimated at \$80,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2014.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 11-0.

Article 14: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2014, for the Administration account, such unencumbered surplus fund balance to be estimated at \$7,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2014.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 11-0.

Article 15: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2014, for the Police Department account, such unencumbered surplus fund balance to be estimated at \$5,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2014.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 11-0.

Article 16: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2014, for the Contingency account, such unencumbered surplus fund balance to be estimated at \$10,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2014.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 11-0.

Article 17: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2014, for the Communications Department capital expense account, such unencumbered surplus fund balance to be estimated at \$50,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2014.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 11-0.

Article 18: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2014, for the Fire Services capital expense account, such unencumbered surplus fund balance to be estimated at \$150,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2014.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 11-0.

Article 19: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2014, for the Recreation Department capital expense account, such unencumbered surplus fund balance to be estimated at \$22,834 but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2014.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 11-0.

Article 20: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2014, for the Special Projects account, such unencumbered surplus fund balance to be estimated at \$75,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2014.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 11-0.

Article 21: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2014, for the Piers, Rivers and Harbors account, such unencumbered surplus fund balance to be estimated at \$50,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2014.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 11-0.

Article 22: To see if the Town will vote to authorize the transfer of unencumbered surplus fund balance on June 30, 2014, for the Road Improvement capital expense account, such unencumbered surplus fund balance to be estimated at \$100,000, but not to exceed the actual unencumbered balance for said purposes existing as of June 30, 2014.

Selectmen recommend adoption of this article – Voted 5-0.

Budget Board recommends adoption of this article – Voted 11-0.

Article 23: To see what sum the Town will vote to raise and appropriate for the Administration account.

Amount requested: \$806,346

Selectmen recommend the amount requested – Voted 4-0.

Budget Board recommends the amount requested – Voted 10-0.

INTRODUCTION TO THE FISCAL YEAR 2015 BUDGET

The fiscal year 2015 budget proposal maintains the level of municipal services to residents and property owners. The operating budget of \$6.4 million decreased by \$502,313, or a little over 7%. The Capital Outlay budget presents an increase of 5% in the amount of \$68,191. When combined, the total fiscal year 2014 budget is 5.33% below fiscal year 2014 in the amount of \$434,122. The majority of this decrease, \$400,000, is due to the purchase of the McCabe property using a transfer of undesignated fund balance. Removing this one-time expense from the calculations shows a combined decrease of \$34,122 or 0.4%.

On the operating side of the budget there are several noteworthy items:

- The Federal Emergency Management Agency has produced new flood maps which will effect a number of properties within the Town. The Planning and Development budget includes a proposal to retain the services of Robert Gerber to undertake a floodplain mapping study. The proposed cost of this study is \$20,000.
- The progression of the litigation over Goose Rocks Beach allows for a reduction in the proposed legal budget of \$75,000. The Superior Court ruled in favor of the Town on the prescriptive easement pleadings. The plaintiffs appealed to the Judicial Supreme Court. The Law Court overturned the decision of the Superior Court. The Town submitted a motion to reconsider. The fiscal year 2015 proposed budget would allow the Town to move forward on the second trial on the title pleadings, as well as other legal issues which may develop in association with the case.
- Due to the adoption of the new Beach Ordinance, the Town must maintain a balance of \$126,000 to fund services related to Goose Rocks Beach. The Police Department maintains personnel at Goose Rocks between mid-June and mid-September. Each year, the balance of the account is transferred to a dedicated fund to be used as need dictates as determined by the Board of Selectmen in consultation with the Beach Advisory Committee. Under the terms of the Beach Use Ordinance this fund must be replenished to the original balance at the beginning of each fiscal year. There is a reduction in the request of \$96,000 due to a projected sizeable balance remaining in the account as of June 2014.

The Capital Outlay budget is fairly flat in comparison to fiscal year 2014. Approximately half of the request is planned on road and sidewalk improvements. This includes a new North Street sidewalk project that will allow for the installation of pedestrian lighting as well. The sidewalk project is partially funded by State DOT funds which are included in the revenues. The facts are that asphalt is petroleum based, and the dramatic increase in oil prices over many years, means that significantly more dollars are required to keep roads in good repair.

Nonproperty tax revenues are showing a 13% decrease; however, the large portion of this is due to the transfer of \$400,000 for the purchase of the McCabe property. Discounting this transfer, nonproperty tax revenues are projected to increase by 1.5%, in large measure due to the DOT grant funds for the road and sidewalk project on North Street.

As a result, the net municipal tax commitment, after accounting for nonproperty tax revenues, is projected to decrease 1.7%, resulting in a 5-cent decrease to the municipal tax rate.

The County budget is fairly flat this year; however, Kennebunkport opted to spread out the additional tax from the County's fiscal year change out over five years. This additional expense causes about a \$20,000 increase in the budget this year equating to a \$.01 increase on the tax rate.

The RSU-21 assessment will not be finalized until voters have approved a budget. The proposed budget is up by 5.5% or \$415,000. This will add \$.20 to the tax rate. The school referendum vote will take place on June 10.

**FISCAL YEAR 2015 BUDGET
ANALYSIS OF EXPENDITURES**

Debt service	322,139	315,017	(7,122)	-2.21%
Outside Agencies	283,231	274,541	(8,690)	-3.07%
Other expenses	712,705	194,240	(518,465)	-72.75%
Social Services	23,900	26,200	2,300	9.62%
Capital Outlay	1,272,200	1,340,391	68,191	5.36%
Totals	8,144,182	7,710,060	(434,122)	-5.33%

Personnel: Wages and salaries increased by 3.5% over the fiscal year 2014 budget. Within the personnel contingency line, there is an additional \$5,000 budgeted in order to fund the payment of accrued vacation and sick time to employees who retire. We are fortunate to have employees with long service records; however, the Town needs to prepare for the costs of accrued time as the workforce gets closer to retirement.

Staff Retirement and Health: The Town instituted substantive changes in its health insurance plan by shifting from a point-of-service plan to a plan that includes a health reimbursement account, and by increasing the employee's share of the premium cost. By establishing this new plan, the Town has been able to greatly reduce the projected increases in benefits by stabilizing these costs. Once again this year, the trustees for the Maine State Retirement System voted to increase the required employer contribution for employee retirement plans, 20% higher for regular retirement plans and 4.7% higher for the police plan. Employee's contributions are also increasing over the next three years.

Staff Development and Education: The costs are remaining stable as the Police Department will bear the cost of bringing on a new police officer this year, including uniform costs.

Legal: Goose Rocks Beach legal fees are reduced 50% from fiscal year 2014. The Superior Court ruled in favor of the Town on the prescriptive easement pleadings. The plaintiffs appealed to the Judicial Supreme Court. The Law Court overturned

the decision of the Superior Court. The Town recently submitted a Motion to Reconsider. The fiscal year 2015 proposed budget would allow the Town to move forward on the second trial on the title pleadings, as well as other legal issues which may develop in association with the case. The requested appropriation is a reduction of \$75,000.

Solid Waste: The costs for solid waste have remained stable as the Town enjoys the reduced costs of a new contract with Casella, Inc.

Contracted Services: The increase can be attributed to the proposal by Planning and Development to budget \$20,000 for a FEMA floodplain map study. The Federal Emergency Management Agency has released new flood plain maps which impact a number of properties in Town.

Insurance: Insurance costs have seen a decrease due to an improved modification rate applied to Worker's Compensation insurance costs.

Debt Service: The reduction in debt service is reflective of the declining interest costs over the life of the notes.

Outside Agencies: The overall budget is down slightly. There is a reduction in the funds requested and/or recommended this year for the Historical Society (\$2,500), Dock Square Monument (\$312), and KEMS (\$8,500). There is an increase in requested funding for Graves Library (\$2,000) and Memorial Day (\$200).

Other Expenses: There is a large reduction of over \$518,000 between the funding in fiscal year 2014 and the proposals for fiscal year 2015. The three largest differences are the transfer of funds to purchase the McCabe property (\$400,000), the funding for the Goose Rocks Beach Reserve (\$96,000) and the funding of the Local Circuit Breaker Program (\$20,000). The McCabe property purchase was a onetime cost. The Goose Rocks Beach reserve needs to maintain a balance of \$126,000, with the expected balance of \$96,000 on June 30, 2014. The Town only needs to replenish \$30,000. The statutory authority for the Local Circuit Breaker Program was removed; however, municipal authority was recently passed by the Legislature. The Town can carry forward the funding from fiscal year 2014 to fund the first year of the new program.

CAPITAL BUDGET ANALYSIS

Expense/Department	2014 Approved Budget	2015 Proposed Budget	Increase (Decrease)	% Diff
Capital Outlay				
Administration	27,000	25,000	(2,000)	-7.41%
Police	40,500	39,500	(1,000)	-2.47%
Communications	50,000	100,000	50,000	100.00%
Fire	202,700	233,700	31,000	15.29%
Highway	112,000	174,141	62,141	55.48%
Road Improvement	600,000	524,850	(75,150)	-12.53%
Sidewalk construction	50,000	168,200	118,200	236.40%
Recreation	25,000	25,000	0	0.00%
CEO	15,000	0	(15,000)	-100.00%
Piers	50,000	50,000	0	0.00%
Special Projects	100,000	0	(100,000)	0.00%
Totals:	1,272,200	1,340,391	68,191	5.36%

Capital Outlay: The proposed capital budget represents 16.4% of total municipal expenditures. Last year, the capital budget was 15.6%. The funding requested for road improvements in the amount of \$600,000 is increased significantly from last year due to the ongoing need in the Town's road infrastructure. The continued escalation in the cost of asphalt, which is petroleum based, is a factor in the need for additional funding for road rehabilitation.

Administration: \$25,000

- Historic Preservation: \$5,000 allocation for ongoing preservation of historical documents at Town Hall.
- Building Improvement: \$20,000 is requested for building maintenance to include replacing windows and sills at the Town Office, replacing the back door, constructing two small ADA compliant windows in the lobby, possible ice dam repairs and remediation, and possibly rekeying the building.

Police: \$39,500

- Equipment: \$12,500 is requested to replace the four in-car camera systems that are the original cameras purchased with a grant in 2007. The current cameras will no longer be supported by the manufacturer. The State of Maine will have a new grant in 2014 that will pay for some of the replacement costs.
- Vehicles: The Department is requesting \$27,000 to replace one cruiser.

Communications: \$100,000

- Building Improvements: \$100,000 is requested for the building reserve fund. The needs at the police facility include expanding the existing space to enable the building to function as an operations center during emergency response situations, such as tropical storms, hurricanes, and severe winter weather. In addition, the building is not in compliance with required security protocols related to general public access to areas dedicated to police operations. The meeting room in particular should be reconfigured to allow for separate entry from the outside so that people who have not been screened for security clearance may continue to use that portion of the building.

Fire: \$233,700

- Equipment: \$14,200.
 - The Fire Department has over 140 air bottles that must be replaced no later than 15 years from purchase. The Department has developed a replacement schedule through 2021 that will allow for a consistent budget allocation. The cost is \$11,200
 - \$3,000 is requested to replace water rescue equipment. The replacements include flotation devices, helmets, survival suits, and miscellaneous equipment.
- Vehicles: \$48,000 is requested to replace the Chief's pickup truck. The present vehicle has approximately 80,000 miles on it and has front-end issues that mechanics are unable to find. This issue is the cause for ruining tires. Their electrical system has an issue that causes the battery to die, making the vehicle unreliable.
- Miscellaneous: \$14,000 is requested to replace the Cairns Viper thermal imager that is located on ladder 4. The camera was purchased by the Village Fire Company at least 10 years ago. Due to the age of the equipment, batteries are no longer available for the camera.
- Personal Protective Equipment: \$17,000. The Department must perform annual testing of 100 personnel who may wear airtight masks in performance of duties. In addition, the Department replaces at least 9 sets of turnout gear as either replacements to existing responders or first sets for new responders. This allocation of \$17,000 allows the Department to acquire the equipment needed to perform this test in house.
- Radio Replacement: \$10,500. Replacement of six portable radios and 4 mobile radios with antennas and spare batteries, microphones and cases for the portables.

- Apparatus Reserve: \$130,000. The Department has completed a long-term replacement schedule for all fire apparatus through 2034. This plan projects the use of funding from the Kittredge and Seavey trust funds as well as town appropriations.

Highway: \$174,141

- Equipment: \$60,000. A request is to replace the current 2000 Tennant Model 800 that is designed for indoor industrial floor sweeping. The Model 800 does not have the capability of picking up wet or heavy road sand and litter. The proposal is to purchase a good used model. A new sweeper is estimated to cost \$100,000.
- Vehicles: \$114,141. A replacement for the 2005 International Truck 4. The estimated cost is \$160,000, but this will be offset by a trade in of \$20,000 and a transfer of \$25,859 from the Capital Projects – Highway Vehicle account.

Road Improvements: \$524,850

- North Street (paved shoulders) \$ 40,000
- Central Avenue–overlay \$ 9,000
- Old Fort Avenue–overlay \$ 18,000
- Clover Leaf Farm–reconstruction \$ 16,000
- East Avenue–overlay \$ 16,000
- Meserve Lane–overlay \$ 5,000
- Woodlawn Lane–overlay \$ 20,000
- Ocean Avenue–(Fairfield Creek to Wandby Parking Area)
Overlay and repair drainage \$175,000
- Ocean Avenue (Union Square to Spring Street)
Overlay–Drainage Improvements \$ 40,000
- Ocean Avenue (Wandby Parking Area to Turbats Creek Road)
Shoulder widening/drainage repair \$ 75,000
- Dyke Road–overlay \$ 85,000
- Wildes District Road (shoulder improvement) \$ 25,850

Sidewalk Construction: \$168,200

- Mills Road (Beachwood to Cape Square)
Study pedestrian improvements \$ 22,000
- North Street (Beachwood Ave to Northwood Dr)
Concrete curb/paved sidewalk \$ 32,100
- North Street (Locke Street to Maine Street)
Granite curb/paved sidewalk \$114,100

Recreation and Park Improvements: \$25,000

- Reserve: \$25,000 is requested for the Recreation and Parks reserve fund. Funding will be retained for future improvements to the playgrounds at Parsons Field and Beachwood Park, and for the future replacement of the Department's minibus.

Piers/Rivers and Harbors: \$50,000

- Reserve: At the end of fiscal year 2014 there will be \$262,829 in the Piers, Rivers and Harbors reserve fund. This budget request is for \$50,000 in anticipation of future maintenance needs at both Cape Porpoise Pier and Government Wharf. Design, engineering and environmental permitting has already been completed for major rehabilitation of Government Wharf at a cost in excess of \$500,000. The Town plans on applying for state funding through MDOT when the next opportunity arises. The Town's application during fiscal year 2013 State application process was not accepted because the total funds available limited the maximum award by the State to between \$120,000 to \$150,000.

Board of Selectmen
Town of Kennebunkport, Maine

We were engaged by the Town of Kennebunkport, Maine and have audited the financial statements of the Town of Kennebunkport, Maine as of and for the year ended June 30, 2013. The following statements and exhibits have been excerpted from the 2013 financial statements, a complete copy of which, including our opinion thereon, is available for inspection at the Town Office.

Included herein are:

BOARD OF SELECTMEN REPORT

L-R: Edward W. Hutchins, Allen A. Daggett, Sheila Matthews-Bull, Stuart E. Barwise, and Patrick A. Briggs

2013 proved to be another busy year of change. Our Town Manager, Larry Mead, resigned in September in order to become the new manager for Old Orchard Beach. We will all miss Larry's leadership and his commitment to our community. He was instrumental throughout the Goose Rocks Beach litigation and assisted in the creation of the Goose Rocks Beach Ordinance and agreements. Larry cared deeply about the quality of place that Kennebunkport is, and we are thankful for his contributions that made our Town a better place. With Larry's departure, the Selectmen began the search for the new Town Manager. Fortunately, we were able to employ John Fraser, our Arundel neighbor, to act as the interim manager during the search process. He is a very capable and seasoned manager and knows many of the people in Town. We thank him for his assistance tying up various projects and preparing for the next manager.

In February of 2014 our new Town Manager, Laurie Smith, began her duties. She grew up in Brunswick, Maine, and completed her education at the University of Maine. She came to Kennebunkport with 25 years of municipal service in the State of Maine. She has served in other coastal communities including Boothbay, Boothbay Harbor, and most recently Wiscasset. She also enjoyed over 10 years in the City of Auburn as Assistant City Manager. She currently resides in Auburn, Maine, with her two sons and two daughters. She plans to relocate to the area by the start of the new school year in September. I ask you to join the Board in welcoming her to our community.

Last year at this time, the Board was pleased to announce that the York County Superior Court of Maine found in the Town's favor in the Goose Rocks Beach lawsuit. The plaintiffs appealed the decision to the Judicial Supreme Court, and the Town continued to defend its position. At the close of 2013, the Law Court decision was still unknown; however in February of 2014, the Law Court overturned the decision of the Superior Court. The Town filed a motion to reconsider and the litigation process continues. The decisions made in the months ahead will impact the Town for decades. The Board understands the importance of these decisions and continues to work with abutters, our attorney, and the pursuit of preserving Goose Rocks Beach for future generations.

Another looming issue for the Town in 2013 was the RSU 21 bond issue. Although the Board supports our educational system and believes in continued investment in our buildings and infrastructure, we also realize the property tax impact of a large bond issue. The Board stayed abreast of the issue as it developed, and worked to educate the public when the School Board chose a January election date. Even with the currently planned bond reduction of \$70 million to \$55 million, the property tax impact will be a continuing cause of concern to our residents. The Board will continue to advocate for investments at Kennebunkport Consolidated School and a financial plan that voters can support.

Town-wide capital projects in the coming years are needed to maintain the quality of life we enjoy here. The need to repave and add curbs to the main streets has increased because of the recent severe winter. The S-Brook project was truly needed as will be repaving parts of Ocean Avenue. We must continue these projects to adequately maintain our infrastructure.

Looking ahead, there will be other needs like dredging of Cape Porpoise harbor, hopefully with significant help from the US Army Corps of Engineers. We will also need to repair the Town's docks on the river and in Cape Porpoise Harbor. The town hall's roof needs significant repairs and added insulation. Construction of the police department Emergency Operations Center has also been discussed. I would expect that other requirements for capital expenses will be identified in the coming months as well.

Dear Friends and Residents of Kennebunkport,

I am deeply honored to serve as your State Senator during the 126th Maine State Legislature. I appreciate the faith you have placed in me, and I promise to continue working hard to represent you in Augusta.

As the legislative session heats up, the hardworking people of Maine are at the forefront of my mind every day, and I am confident that we have what it takes to create a stronger and healthier economy. It is my hope that members of the Legislature will be able to put Maine people first and put our differences aside as we work to move our state forward.

It is my job to ensure that your voice is heard in the State Senate, and I am here to serve as your liaison to state government agencies. Please feel free to reach out to me with your questions, concerns, and ideas. I always welcome fair and open discussion. I can be reached in Augusta at 287-1515, or via e-mail at ddutrem1@gmail.com.

I am honored and grateful for the opportunity to serve you!

Sincerely,

David Dutremble

February 2014

It is hard to believe that this is 2014. It seems like yesterday that I was living in the Nott House, where I “house sat” while Elizabeth Nott spent her winters in California. That was back in 1981. The years have quickly passed, and it amazes how much change has occurred in that time span.

I was talking to a friend a few days ago about “smart” phones, and how they have revolutionized our lives. When I was young, my dad managed the data processing center for an insurance company. He had a large IBM computer. Data processing cards were fed into the machines, and a switchboard of wires and plugs were the “brain”. The machines filled a large room. Today, my phone is more powerful than my dad’s IBM marvel, and I, by myself, can manage more functions on my phone, than my father with numerous employees who performed multiple tasks.

While I could never have imagined the huge technological leaps that have occurred in the past ten years, I can only guess what changes may occur in our future, and those possibilities deserve attention.

How will Kennebunkport and the state of Maine adapt to all of the changes? How will our people adapt to the technological displacement that will alter our workplace? How will our access to mass information and social media affect our families and our way of life? What does this mean for our economic future?

Kennebunkport is a special place. From Dock Square to Cape Porpoise; from Goat Island to Goose Rocks Beach; from our Summer festival to Christmas Prelude; from the Fourth of July to Fire and Ice! Kennebunkport offers so much in terms of quality of life, but most importantly, our town is blessed with many wonderful individuals who care about the essence and fabric of the town. Kennebunkport is unlike any other place in the state of Maine, and that is what makes it so special to me.

I have served as your state representative for the past eight years, and, as of December, I will be termed out! It has been an honor to serve you. I have formed many friendships, and I think that I have helped to make our lives a bit better. I hope that we can protect the essence of the Port: its character, its history, its traditions, and its familial relationships. Thank you so much for your many kind words and assistance. Ironically, with redistricting, I am no longer going to be in your district, but I will still be here, still visiting your shops and restaurants, still saying hello to my many friends, and still living just around the corner, down the road. It has been a truly rewarding experience for me. Thank you so, so much.

A handwritten signature in cursive script that reads "Alan".

SELECT COMMITTEE
ON INTELLIGENCE

Dear Friends:

It is a privilege to represent Maine in the U.S. Senate, and I welcome this opportunity to share some of my work from the past year.

Encouraging the creation of more jobs remains my top priority. I have developed a Seven Point Plan for Jobs in Maine, which includes proposals to spur small business investment, ensure robust workforce education and training, reduce regulatory red tape that stifles job creation, support Maine agriculture and manufacturing, and invest in the infrastructure needed to expand our economy. Traditional industries and small businesses remain the backbone of Maine's economy, and innovation will be important for future jobs as well. I have supported Maine's effort to lead the world in deepwater wind technology and was proud when the University of Maine and its private sector partners launched the first prototype this year. This emerging industry has the potential to create thousands of good jobs here in Maine.

BIW remains a major Maine employer and is critical to our national security. I have worked hard to support the Navy's request for a 10th DDG-51 and to continue construction on the DDG-1000s at the shipyard. This year's annual defense policy bill also contains more than 30 provisions to eliminate sexual assault from our military, including several provisions that I authored.

Partisan divisiveness in Washington continues to prevent us from addressing some of our nation's most serious challenges. Gridlock reached a peak in October with the federal government shutdown that pushed our country to the brink of defaulting on its financial obligations and damaged our economy. As the shutdown continued with no end in sight, I presented a proposal I believed both sides could support. Within days, I was leading a bipartisan coalition of 14 Senators that worked night and day to craft a plan to reopen government, avert default, and restart negotiations on a long-term plan to deal with our nation's unsustainable debt of more than \$17 trillion. Known as the "Common Sense Caucus," we will continue to work to develop solutions and bridge the partisan divide.

Earlier this year, across-the-board federal spending cuts known as "sequestration" took effect. These indiscriminate cuts jeopardized priorities from national security to medical research and stand in stark contrast to the thoughtful and thoroughly debated spending priorities set at town meetings throughout Maine. To bring some Maine common sense to this process, I authored bipartisan legislation to allow federal agencies to set priorities in administering the required cuts and wrote a new law to ensure that sequestration would not disrupt air travel, which plays such an important role in fueling Maine's tourism economy.

I have also enjoyed my work as the ranking member of the Senate Special Committee on Aging where, with Senator Bill Nelson of Florida, we work on issues of critical importance to Maine seniors. The committee has created a toll free hotline (1-855-303-9470) to make it easier for senior citizens to report fraud and scams and to receive assistance. I also serve as the Senate Co-Chair of the task force on Alzheimer's, a devastating disease that takes a tremendous personal and economic toll on more than five million Americans. Better treatment for Alzheimer's and ultimately finding a cure should be an urgent national priority.

Finally, I am proud to reflect our famous Maine work ethic by completing another year of service without missing a single roll call vote. I have not missed a vote since I was elected – a streak that stands at more than 5,300 in a row.

May 2014 be a good year for you, your community, and our great State of Maine.

Sincerely,

Susan M. Collins

RULES AND ADMINISTRATION

January 22, 2014

Town of Kennebunkport
1 Summer Street,
Kennebunkport, Maine 0404-0566

Dear Friends,

Since arriving to the U.S. Senate last January, I have been looking for ways to provide Mainers with improved access to federal services through the use of digital technology and on the ground outreach initiatives. Maine is a rural state and I know that traveling to our offices can present both logistical and financial challenges.

To help overcome those obstacles, I launched our signature **Your Government Your Neighborhood** outreach program in June 2013. Every other week members of my staff in Maine travel to different towns – ensuring that all 16 counties are served each month - to hold constituent office hours for local residents.

Over the past eleven months my work in Washington has been largely shaped by the four committees that I serve on: Armed Services, Intelligence, Budget, and Rules. These appointments allow me to engage on issues important to Maine and help craft legislation before it comes to the Senate floor. On the Armed Services Committee I work with my colleagues to honor our obligations to members of our armed forces both past and present, as well as ensure the continued strength, efficiency, and sustainability of our military. On the Intelligence Committee I work to effectively mitigate security threats facing our country while also establishing measures to guarantee that the privacy rights of U.S. citizens are protected. On the Budget Committee, I am working to ensure that necessary spending is tempered with fiscal responsibility, and my position on the Rules Committee allows me to push for procedural reforms that remove institutional inefficiencies and help move the country forward.

I am tremendously grateful for the opportunity to serve you and determined to keep you informed of my activities in Maine and Washington. As always, I welcome any thoughts, questions, or concerns that you may have. You can visit my website at <http://www.king.senate.gov> and provide your input there, or call our toll free in state line at **1-800-432-1599**. CHELLIE PINGREE
CONGRESS OF THE UNITED STATES
1ST DISTRICT, MAINE

Dear Friend,

I hope this letter finds you and your family well. It is an honor to represent you in Congress and a pleasure to update you on the work I am doing in Maine and Washington.

You are probably aware that Washington is a very challenging place to get anything done these days. The partisan climate has kept many important issues from being addressed and even led to a shutdown of the federal government. Worst of all, it has created uncertainty for Maine families and the economy. It's the last thing we need. Over the next year, I will continue pressing Congressional leaders to bring the focus back to helping people rather than advancing ideologies.

As difficult as it's been, though, there are areas where I have been able to make progress on needed policy reforms. One has been support for local food producers. For decades now, federal agriculture policy has only benefited huge farms and commodity crops, not the kind of the diverse family farms we have in Maine. It's time for that to change. With small federal changes, we can capitalize on the huge economic potential of the local food movement. I've introduced the Local Farms, Food, and Jobs Act to make some of those changes, and have been pleased to see many of these reforms gain bipartisan support.

Another issue is helping veterans who were sexually assaulted during their service. I've introduced the Ruth Moore Act—named after a Maine veteran who struggled for 23 years to get disability benefits from the Department of Veterans Affairs after she was sexually assaulted while in the military. The bill would help veterans like Ruth get the assistance they need to recover from the debilitating trauma they suffered while serving the country. The bill passed the House and now awaits consideration in the Senate.

While policy in Washington is important, so is the work my staff and I do here in Maine. My office keeps close connections to Maine communities and their leaders to make sure we're doing all we can to help them succeed. This work might include providing letters of support for federal grant applications, getting answers from federal agencies, or bringing national officials to our state to raise awareness about the good things being done here.

We also work with hundreds of constituents who have issues with federal agencies and programs. Not everyone knows that you can call your Member of Congress for this kind of thing, but it's an essential part of my responsibilities and my commitment to the people I serve. Members of my staff are experts on issues ranging from veterans benefits and IRS questions to Social Security problems and passport inquiries. They can help you navigate the process, communicate with federal agencies, and, in certain circumstances, facilitate the expediting of claims. If there is an area where you need assistance, I encourage you to call my Portland office at (207) 774-5019 or go to my website, www.pingree.house.gov.

Again, it's a privilege to serve you in Congress. Please stay in touch.

Chellie Pingree

TOWN MANAGER REPORT

Town Manager Laurie A. Smith

As the new Town Manager of Kennebunkport, I am in the unusual position of writing the report for 2013, even though I was not able to personally experience it. My arrival in Town this past February was due to the departure of Larry Mead to Old Orchard Beach to become their new Manager. Larry accomplished much during his time in Kennebunkport including the Town revaluation, improved pedestrian connections and access throughout the community, leading the Town through the Goose Rocks Beach litigation, and the creation of a Goose Rocks Beach Ordinance and the Beach Use Agreement. Larry always felt fortunate to work with the residents of Kennebunkport and noted that he will miss the people the most. As the new Manager, I can report that the people of Kennebunkport will miss him greatly too. I hope to be able to contribute to the Town with the same passion he exhibited.

The Town was fortunate to employ the services of their neighbor from Arundel, John Fraser, as Interim Manager from September through February. His steady hand allowed services to continue without a hitch. There were other changes among Town staff besides the Manager's post. John Hirst retired after 25 years of service as the Highway Superintendent, and Michael Claus from Kennebunk was chosen to fill this position. Mechanic Russell Welch went into semiretirement status continuing with the Town in a half-time status. David Conway retired from his position as the Shellfish Warden and after Lee McCurdy filled in for awhile, Terry Baron assumed the reins. Brian Shaw retired from the Town after 18 years of service as Code Enforcement Officer, and Werner Gilliam was promoted to the Director of Planning and Development after the consolidation of the department this past year. Two new employees to the department included Wayne Mathews as Assistant Code Enforcement Officer and Becky Nolette taking on the dual role of Assessing Assistant and Deputy Town Clerk. The police department saw the

departure of Deborah Eaton after 26 years, but was fortunate to find Carol Kloth to fill the Administrative Assistant's position. We thank those who have moved on to the next phase of their life and welcome the new ones to the Kennebunkport team!

Town staff members were recognized in 2013 for their good works in the profession. Town Clerk April Dufoe was chosen by the Secretary of State's Office to receive the annual Lorraine M. Fleury Award for "outstanding contribution to the election process." Unbeknownst to her, Mrs. Dufoe was nominated by two York County Town Clerks; a number of Clerks then wrote letters of support and the Secretary's office selected her as this year's recipient. The Maine Tennis Association recognized Carol Cook, parks and recreation director, and the Kennebunkport Recreation Department at their annual meeting last January. The award was earned due to the overwhelming success of the youth tennis program last summer. The program had fizzled out in recent years; however, an incredible group of talented volunteers, spearheaded by Steve and Jen Cutone, sparked the resurgence, and 45 youth received professional instruction during the summer of 2013. Many of Kennebunkport's staff are stellar performers; however, it is always nice to see them get acknowledgement for their efforts.

Goose Rocks Beach was a subject closely followed in 2013. The Superior Court ruled in favor of the Town on the prescriptive easement pleadings; however, the plaintiffs appealed to the Judicial Supreme Court. At the close of 2013, the Law Court decision was still unknown; however, in February of 2014, the Law Court overturned the decision of the Superior Court. The Town filed a motion to reconsider and the litigation process continues. Regardless of the outcome, the Town had new Beach Use Agreements and a new ordinance to implement and the Goose Rocks Beach Advisory Committee (GRBAC) was active throughout the year with these tasks in mind. The team focused efforts by engaging the public to determine the issues that needed their attention at Goose Rocks Beach. Some of the accomplishments included new educational brochures and signage to educate and inform the public using the beach.

Other waterfront related issues in 2013 included the updated flood maps from the Federal Emergency Management Agency (FEMA). The Town contracted with Robert Gerber of Ransom Environmental to assist us in the analysis of the FEMA data and to appeal the substantial elevation increases specifically in the Kennebunk River and the Goose Rocks Beach area. The proposed changes will dramatically increase the cost of flood insurance policies to property owners. The Selectmen have included \$20,000 in the fiscal year 2015 budget to fund additional work with Robert Gerber as the Town continues to be actively engaged in the FEMA appeal process.

A positive insurance event occurred this past year as the Town received word that it would see a savings in its Worker's Compensation rates. Due to a lessening in the number and severity of claims, the Town's rates decreased by 19.6%. We hope to

maintain these rates by increasing our attention to safety with the appointment of our new Safety Officer Dick Stedman. Although he was already employed by the Town as the Fire Administrator, his new role will include safety monitoring for all departments. The Selectmen made this change to his duties after a visit from the Maine Bureau of Labor Safety Standards made it clear that we needed one person focused on ensuring that all safety training records are kept up to date. We are very fortunate to have someone with his experience on staff to assist with these extra duties.

Unfortunately, our experience with new changes in State law was not as positive. As part of the tumultuous 2013 budget process, the State repealed the circuit breaker program, otherwise known as the Property Tax and Rent Refund Program. Although their intention was to change the program to a new "Property Tax Fairness Credit," the statute also allowed municipalities to offer local tax programs. With the repeal of the statute, Kennebunkport was no longer authorized to offer the local circuit breaker program. The Selectmen plan to carry forward the funding from the 2013-14 budget and will create a new program which meets the requirements of the statute which was passed in early 2014.

Each year offers new challenges in local government; fortunately, we are blessed in Kennebunkport with devoted Selectmen, capable staff, and talented volunteers which allow us to overcome most obstacles. On behalf of all Town employees, we thank you for the opportunity to serve this wonderful community.

Laurie A. Smith, Town Manager

ASSESSING DEPARTMENT REPORT

2013 has been a busy year for the assessing department. We continue to work toward the goal of making current and historical assessing records accessible and user friendly to the general public. Improvements we have made this year include setting up a computer terminal for public use to access all property records, and the scanning of abatement records from 2009 to present. Those records will become part of the information accessible on property record cards, resulting in a more efficient and space saving way to access our historical data.

In September, we welcomed Becky Nolette as our part-time assessing clerk. She assists in the day-to-day assessing responsibilities while Donna Moore Hays, a Certified Maine Assessor, continues to serve the Town as a professional consultant.

The 2013 assessed valuation of the Town was \$1,860,358,340. Based on the \$7.53 mill rate, the sum of \$14,008,498.30 was committed to the tax collector on July 25, 2013, with due dates of September 10, 2013, for the first half and March 10, 2014, for the second half. The 2014 assessment ratio is 100 percent of market value based on the sales that took place prior to April 1, 2012.

All records and tax maps are open to the public and available for review in the assessor's office, from 8:00 a.m. to 4:30 p.m., Monday through Friday. In addition, all assessing data is available on-line by visiting the Town's website at www.kennebunkportme.gov and following the "Assessor's Database" link to the Vision Appraisal website. Our tax map data is also available via the GIS Maps link. We continually update and add more information to our site. If we can be of any further assistance, please contact our office at 207-467-4243 extension 103.

By April 1 of any given year, veterans and un-remarried widows of veterans may be eligible for a tax exemption if:

- Sixty-two years of age on or before April 1 (widows claim veteran's age).
- A property owner and primary resident of Kennebunkport.
- Other than a dishonorable discharge, served during a recognized war period.

You may be eligible for a Homestead Exemptions if you:

- Are a legal resident of the State of Maine (have a voter registration, Maine drivers' license, excise tax paid to the Town of Kennebunkport, etc.)
- Declare Kennebunkport homestead as permanent place of residence (no summer homes, second homes, etc.).
- Have owned the homestead in Maine for the past 12 months.

Please call or stop by the town office where these forms and applications are available.

In closing, we would like to thank the Town Manager, the office staff, the residents of the Town, and the Board of Assessors/Selectmen for their cooperation and support during the past year.

Donna Moore Hays, CMA
Assessor's Clerk

Becky Nolette
Assessors' Agent

CODE ENFORCEMENT OFFICE REPORT

2013 brought about many changes. Brian Shaw retired after more than 18 years with the Town as code enforcement officer. He left to pursue his retirement and spend more time with his family. Wayne Mathews joined us as our new assistant code enforcement officer, bringing with him an extensive construction background as well as previous code enforcement experience. He also has previous experience with doing victualer inspections and will be working closely with the fire department performing inspections at our 60 plus hotels, bed and breakfasts, and restaurants. We are very pleased to have him as part of our office.

Daily code enforcement activities include examining building plans, issuing permits, etc., and now also include review of the preliminary FEMA flood maps with property owners. Property owners may also review this information through the use of the Town's GIS maps site which may also be accessed at our new public computer terminal.

Per amendments made to the Comprehensive Plan and Land Use Ordinance, growth permits for new homes have been allocated into three areas: growth, rural and transition. In each of these zones, we issued the following: growth 4; rural 3; transition 7; two of these growth permits included two new accessory apartments.

Year	Project Cost/Value
2009	\$12,329,205.00
2010	\$19,097,798.00
2011	\$18,047,600.06
2012	\$13,162,047.00
2013	\$18,938,560.00

Our new home permits were issued in the following zones, as compared to last year.

New Home Permits		
Zoning District	2012	2013
Cape Arundel	3	3
Village Residential	0	0
Village Residential East	3	3

Wayne Mathews, Assistant Code Enforcement Officer

KENNEBUNKPORT EMERGENCY MANAGEMENT REPORT

The great forest fire of 1947 remains the most significant disaster in the Town's history. Several hundred homes were destroyed, including many in the Goose Rocks and Cape Porpoise areas. In this historic AP photo, a Maine National Guardsman patrols an area of ruined cottages along the east end of Goose Rocks Beach in the aftermath of the conflagration.

Kennebunkport Emergency Management maintains the Town's Comprehensive Emergency Plan and works with local, county, state, and federal officials to prepare for possible disaster situations. In an actual emergency, we will establish an Emergency Operations Center and facilitate our community's response to the situation.

Jim Burrows serves as Emergency Management Director, a volunteer position he has held since 1974. He is assisted by Dick Stedman, who has served as Deputy Director since 2003. Public Health Officer and Town Public Health Nurse Judy Barrett serves as the Town's Shelter Officer.

Significant time is spent in preparation activities, particularly in assessing projects that may mitigate the effects of a disaster. The 1947 fire depicted above was certainly of historic proportions; however, most of the disasters the Town has experienced are related to our periodic severe weather that can greatly impact town roads and other public property. Following a disaster declaration, we meet with FEMA officials to evaluate our eligibility for federal reimbursement of costs incurred during the event for infrastructure damage, debris removal, and emergency response by all town agencies.

A federal disaster was declared for the "Blizzard of 2013" which delivered nearly 30" of snow to us on February 8 and 9. Special costs incurred by the Town for snow

removal and response to storm-related emergency calls by the Kennebunkport Fire Department resulted in a reimbursement to us of \$21,908 in federal and state disaster assistance funds.

In any disaster situation, protecting the lives of our residents and visitors is always our highest priority. Of special concern are those residents who for health or other reasons may need help during a major emergency. If you believe you may need assistance during a disaster situation, please call the Kennebunkport Communications Center at anytime at **967-2454** or **967-2700** to advise us of your situation. As always, if you have an immediate emergency, please call 9-1-1 without delay.

Once again, we remind all property owners in Kennebunkport to be certain that you have displayed the street number for your property in a prominent location and clearly visible from the road so that police, fire and KEMS personnel can find you without delay in an emergency. This is becoming of increasing importance in an era when many people no longer maintain a land-line telephone, and instead, rely on a cell phone for all communications.

Calling 9-1-1 from a cell phone connects you with the Maine State Police and provides them only a general location and not a verified street address. You will need to provide them with a specific street address in Kennebunkport so that the emergency call can be transferred to the Kennebunkport Communications Center who will dispatch the appropriate assistance. Emergency personnel will find you based on signage and your knowledge of your location. If you maintain rental property, please be sure the street address is posted in the residence so that your tenants can quickly provide the correct information in an emergency.

Jim Burrows, EMA Director
Dick Stedman, Deputy EMA Director

KENNEBUNKPORT FIRE DEPARTMENT REPORT

Kennebunkport firefighters Davis, Brown, Welch, and Captain Dow arrive at the scene of a structure fire on a mutual aid response to Kennebunk in April 2013. (Photo courtesy of C.A. Smith Photography)

The Kennebunkport Fire Department consists of over 70 volunteer members responding from the Town's four stations: Cape Porpoise, Goose Rocks Beach, Port Village, and Wildes District. We presently operate 11 pieces of fire apparatus, plus 2 small boats for water rescue.

Kennebunkport's firefighters are men and women of all walks of life who are committed to the safety of our town. We are a volunteer "call force" and are paid only for response to calls and some training time. We respond to fire calls, motor vehicle accidents, water rescue situations, hazardous materials incidents, missing person searches, and many other types of emergencies. During severe storms and other disaster situations, we stand by to assist the community in any way that may be needed. We routinely provide mutual aid assistance to the fire departments of Arundel, Biddeford, Kennebunk, and Wells.

Kennebunkport firefighters train regularly in many areas of our operations. Over 40 of us are trained and state-certified in structural firefighting at the Firefighter 1 or 2 level. Many of us have completed training in HAZMAT and Weapons of Mass Destruction Operations, automobile extrication, ice and water rescue, technical rescue, wildland firefighting, and many other specialized areas.

During 2013, two of our younger members completed their state certification as Firefighter 1 and 2 through the York County Chiefs' Fire Academy. These members are Max Hutchins and Max McNally, each of whom spent over 240 hours training toward this objective. Thank you and congratulations to them both!

Last year, we were fortunate to have two new members join our ranks! We welcome Blake Davis and Mike Kelly. If you are interested in learning more about what we do and possibly becoming a member, please call the Fire Department business office at 967-2114 or ask any Kennebunkport firefighter. Your inquiry may lead to the most rewarding thing you have ever done!

Dick Stedman, Fire Administrator

Kennebunkport Fire Department's new Squad 11

In 2013, the Kennebunkport Fire Department received a very generous donation from the Port Village Fire Company in the form of a rescue squad vehicle to replace the department's 38-year old ladder truck. Designated as Squad 11, it is a very lightly used 2006 Ford F550 with a Pierce custom rescue body. Squad 11 now carries our "jaws of life" and other crash extrication equipment as well as specialized rescue tools, drinking water, traffic control items, and spare SCBA air cylinders. The truck also includes an on-board generator and very powerful scene lights for nighttime emergency calls.

CAPE PORPOISE PIER HARBORMASTER REPORT

Those currently using the pier at this time are: 51 fishing boats, 28 recreational boats, 4 lobster dealers and 1 bait dealer.

Pier Dues did not increase in fiscal year 2014:

Dealers	\$715.00
Lobster Boats	\$605.00
Recreation	\$400.00
Punt Fisherman	\$310.00
Bait Dealers	N/A

There are still people that have not registered their moorings, mostly in the Goose Rocks Beach area. For those people with an existing mooring at Goose Rocks Beach, this is the last chance to come forward and get those moorings registered. After this season, only those who qualify within the Waterfront Ordinance will be allowed a mooring. Those of you who have a permit **must** mark your mooring ball with your permit number. Please contact the Harbormaster for permits at 207-967-5040.

Mooring Permits issued:

Cape Porpoise	113
Goose Rocks	48
Lands End	14
Paddy Creek	6
Turbats Creek	12
Total Permits	193

Repairs have and are still being made on the bait shed and Harbormaster's office. Windows have been replaced with some donated, used windows and siding has been repaired and painted. The office has a better reception area with bench seats and a counter for conducting mooring and fuel business. Ladders have been made by the highway department, and I will be placing them in the spring. I will also be replacing the trolleys on the first and second hoist stations, and one new float will be built to replace the oldest. This work will be done by me.

New security cameras were installed by Swan Security last fall and should greatly improve pier conditions in the future. I would like to remind all who use Cape Porpoise Pier that **littering** is **illegal** and anyone doing so will be fined the **maximum** fine allowed. Bleach and toxic cleaners used for cleaning boats and buoys are illegal **please** use a safe alternative.

Have a fun and safe boating season.

Lee F. McCurdy, Harbormaster

KENNEBUNK RIVER HARBORMASTER REPORT

The 2013 season got off to a very rough start with the aftermath of Hurricane Sandy which tore into much of the northeastern seaboard in October of 2012; and the winter storm Nemo in February of 2013, followed by a few more nor'easters which caused considerable beach erosion and other damage. Due to the very rough seas and strong currents, much of the sand on Kennebunk Beach washed away. As the tides and changing ocean currents moved the sand around, a large sand bar formed at the entrance to the Kennebunk River. At mean low tide, the depth was reduced to only about 3 feet, extending to a distance of about 40 feet from mouth of the river. This, in turn, created a very dangerous situation for mariners as large waves would break across the entrance and boats would then hit bottom. In comparison, the depth in that area is normally about 8 feet on average.

With the fast approaching spring and summer boating season around the corner, I advised the Kennebunk River Committee and the Kennebunkport/Kennebunk Town Managers that an emergency dredge should be conducted by the Army Corps of Engineers. With full agreement, cooperation, and backing from the Committee and Town Managers, an application was filed. By midsummer, the Army Corps conducted river bottom soundings confirming it a hazard and accepted our request to conduct the emergency dredge using Federal Emergency Relief Funds from Hurricane Sandy. A start date for the dredge is scheduled for February of 2014.

Throughout the summer season, some of the larger boats had to wait for ample water to transit through that area; however, there were still many boat groundings and very rough conditions at the river entrance. Being a close-knit boating community, word spread quickly. With the early notification to the Coast Guard and local marinas, thankfully, there were no serious mishaps.

Early May was busy with the inspections of approximately 33 moorings of the total 68, as required by the biannual mooring inspections. Since the smaller-sized mooring chain had been replaced with a larger size two years prior, this resulted in a decrease of having to replace many of the worn mooring chains while providing a safer mooring system.

The moorings are inspected visually top-to-bottom biannually, with the optional use of the Town-owned work barge for the flat rate fee of \$100.00 dollars. Any tackle deemed unsafe will be replaced by the Harbormaster. The owner of the mooring will be required to repay the Town of Kennebunk for any new tackle that was replaced. Prior to any inspection work being performed, however, the owner will be given the option to do the work themselves with a visual final inspection by the Harbormaster, or have the Harbormaster conduct the job completely.

A mooring inspection form will be included with the mooring registration if the mooring is due for inspection. The form will need to be signed and returned indicating the owner's option for conducting the required inspection.

Mooring registrations are \$150 for both nonresidents and residents. Mooring registrations for commercial fishing use are \$100. Mooring registrations are renewed on an annual basis.

The Town also has two transient moorings for the nightly use of \$25 per night, with a three night maximum stay. Please call 207-205-0991 for transient mooring reservations or if you have any other questions about the moorings in the Kennebunk River.

The Town of Kennebunk does have a waiting list for obtaining moorings in the Kennebunk River. This list can be viewed on the Kennebunk Town website and an application can be downloaded as well. You may also contact the Kennebunk Harbormaster to have an application sent to you. There are approximately 50 persons on the waiting list at this time.

The month of July got off to a busy and great start with the fourth of July celebrations; and yet again, a big thank you for each and every boat captain keeping the evening safe and returning into the river in an orderly fashion.

The weekend was followed by the first annual Kayak and Paddle Board Race sponsored in part by the Nonantum Hotel. The race drew approximately 80 competitors which had different divisions of nonmotorized watercraft ranging from kayaks, paddle boards, and canoes. The race also involved the Kennebunkport Fire Department Water Rescue team to be on hand to help with the large amount of racers. The race was a success, and there was great cooperation with all involved including the large motor vessels giving way to the racers on the river at that time.

On that note as I have mentioned in the past, each year the Kennebunk River is increasing in boating traffic from the very large motor yachts, to paddle boards and kayaks. On a typical midsummer weekend, the river from the Route 9 bridge seaward can be especially crowded with such a mix of vessel traffic. As the popularity of paddle boards and kayaks are on the increase, I would like to urge these operators that you **must** obey the Navigational Rules of the Road like any other vessel.

When paddling your board, canoe, or kayak, you are considered a vessel like any other boat on the water, powered or not. You must stay to the right of the channel in the direction of travel and as far to the right as possible. Always be aware of what is behind you, and let any vessel larger than you pass.

If you need to cross the channel when you are in a group, cross at a right angle to the channel so that your presence in the channel will be as brief as possible. Move as swiftly as possible as a single unit. Please do not let the group spread out. This will help the operator of an oncoming vessel avoid the group. If the group is large, assign end boats so the group does not spread out too wide on either side. A group might have to wait for a break in passing traffic. When waiting, have all members

of the group lay down their paddles if possible so the passing boaters will know they have the right of way. Allow any oncoming vessels to pass.

That being said, I highly recommend that the small nonmotorized watercraft explore and enjoy the less busy sections of the Kennebunk River from the Route 9 bridge to the north. It is a treasure of the Kennebunks that is sometimes overlooked. Contact the Kennebunkport Conservation Trust for more information on launching hand carry watercraft and for parking for that section of the river.

For power boats large and small, a reminder that a “No Wake” rule is strictly enforced on the entire Kennebunk River. Your speed is only allowed to be “headway speed only,” which means the slowest speed a vessel can operate while maintaining steerage. You are responsible for your wake and any damage or injury you cause.

In closing, please be courteous to one another whether your on a paddle board or operating a large vessel. Make sure you have adequate life jackets for all persons on board, along with the necessary safety gear for your vessel.

It is always a short boating season, so let’s safely enjoy it to the fullest!

Thank you for your cooperation.

Raymond Billings, Kennebunk Harbormaster

PARKING LOT/DOCK SQUARE REPORT

Fiscal year 2014 was another great year for the parking lot. We grossed \$342,873 in revenues. As usual, our staff, the police, and highway departments all contributed to a very successful summer.

Rusty (Anne) Zeddis, Parking Lot Manager

PARKS AND RECREATION DEPARTMENT REPORT

Another year has come and gone! The writing of the annual report is always a time of reflection which results in mixed feelings. Because it is actually written in January, it allows time to change direction and to open the door to new possibilities.

Probably our greatest successes were youth tennis and our summer day camp program. We were acknowledged as “Recreation Department of the Year” by the Maine Tennis Association due to the overwhelming success of our summer tennis program. The program had fizzled out in recent years to the point of nonexistence in 2012. Then we received an equipment grant from USTA. Approximately 45 youth, aged 5-13, were able to receive professional instruction at very minimal cost thanks to enthusiasm and an unending dedication to the youth of our community by

an incredible group of volunteers, spearheaded by Steve and Jen Cutone. The summer day camp was also reignited, with an average daily attendance of around 90 children. A great mix of returning and new staff really provided a necessary spark.

We did our usual trips for adults/seniors, but we also offered a trip to Canyon Country through Collette Vacations. Though the number interested was low, the trip itself could not be dampened even by the government shutdown (We were only able to get to the Grand Canyon; Zion and Bryce will have to wait). We offered introductory clinics in pickle-ball, "one of the fastest growing sports in the country, especially in Senior Communities." It is a paddle sport, similar to tennis but played on a court the same size as badminton. It is fun with plenty of exercise for men and women, young and old alike. Our youth sport programs of soccer and basketball continued to be strong. Introductory lacrosse and spring soccer were not as vibrant as in the previous year. Our KASA program (Kennebunkport After-School Adventure) saw its best year ever with an average daily attendance of around 35 children, compared to around 25 in previous years. Early Release Wednesdays and vacation activities also kept us busy throughout the school year. We sponsored craft fairs on both Prelude weekends, the first more popular than the second (but the second still has room to grow).

As always, I want to take this opportunity to thank our many volunteers and my co-workers from other town departments who assist us in a variety of ways. Thanks to the Portside Rotary Club, we have a new sign at Rotary Park at Beachwood. That sign is installed in a new stone wall constructed by Brian Fairfield. The tennis and basketball courts at the park were resurfaced, making them safer and more usable. We added lines to the tennis courts for 10 and under tennis and pickle-ball lines to the basketball court.

We have some exciting projects in the planning stages that should be developed in 2014. We hope to install a 9-hole disc golf course by Consolidated School, develop a trail by the highway garage to meet the Tyler Brook Trail of the Kennebunkport Conservation Trust, and complete a renovation of the ice skating area at the Park at Crow Hill.

Carol G. Cook, Director of Parks & Recreation

PLANNING AND DEVELOPMENT DEPARTMENT REPORT

2013 was a busy year in the planning department with a number of significant changes. As part of the fiscal year 2014 budget process, planning, code enforcement and assessing departments were combined under the administrative direction of Werner Gilliam.

These departments have historically utilized the same information, services and staff to accomplish their functions. Combining the three has allowed for greater efficiency not only in the development and appropriation of budgets but in the application of services that we provide to various boards, committees, and the taxpayer.

We have also had a number of staff changes. Brian Shaw our code enforcement officer of 18 years has retired. We wish him well as he enjoys his retirement and is able to spend more time with his family. Wayne Mathews, formerly in code enforcement in Windham, has joined us bringing many years of experience in the construction and code enforcement fields. His knowledge and calm demeanor are a welcome addition to town hall. Becky Nolette joins us providing administrative support for town assessing functions and the town clerk's department. Her previous municipal experience along with her sense of humor and ability to learn and adapt make her a welcome addition as well. Lisa Harmon continues to provide excellent administrative support to the various boards and committees and keeps us well organized.

A special thank you goes out to Mike Weston who has volunteered his time to scan and organize many of the aging paper records that we have, specifically surveys and other town land-use records.

As part of our reorganization, we have developed operational goals both for individual staff and the department looking out over the next two years. These goals include items such as instituting an electronic building permit tracking system, establishing consistent plan review criteria, identifying relevant training opportunities for each staff member related to their respective area of responsibility, and providing a public access terminal in town hall to allow the public the ability to search property assessment information.

FEMA PROGRESS

Progress regarding the revised preliminary flood maps continues to be slow and arduous. Preliminary map information is provided on the Town's website which allows property owners to see the specific impact that these maps will have. Proposed date for implementation of preliminary flood maps is set for June 2015. A number of noteworthy events for 2013 are listed below:

- January 2013—FEMA presented work maps for communities to review prior to the release of preliminary maps. These work maps alerted us to as much

as a three-foot base flood elevation increase in riverine and coastal estuary areas.

- April 2013—town begins discussions with engineering consultant Robert Gerber regarding a challenge of the increase surge elevations affecting the Kennebunk River.
- August 2013—Kennebunkport's own study of inland A Zones officially accepted, at the same time FEMA shuts off informal communication with communities deeming them unnecessary. Congressional intervention was required to reestablish.
- FEMA continues to ignore municipal requests for technical data driving flood assumptions shown on work maps
- October 2013—Kennebunkport authorizes Gerber to proceed with analysis of Kennebunk River. Gerber requested some preliminary assurances on his methodology prior to the study commencing. FEMA refuses to respond prompting Kennebunk to pull their funding from the study. Kennebunkport proceeds with an estimated project cost of \$15,000.
- November 2013—Preliminary maps and study released, still missing necessary technical data critical for any appeal

Werner Gilliam, Director of Planning and Development

KENNEBUNKPORT POLICE DEPARTMENT REPORT

I would like to start this year's report with acknowledgement of the men and women who work many thankless hours at the Kennebunkport Police Department protecting the town and its citizens. I realize that many holidays and weekends are spent here at the police department putting pressure on the family unit. I understand the stress felt by each department member as you leave your family alone during severe weather events and the concern you have for them as you work your tour of duty. I appreciate each of you and what you bring as an individual to the team. I hope the next year brings both safety and happiness to all town employees.

As indicated in the data below, the Town of Kennebunkport continues to see a lower crime rate than our neighboring municipalities. The data used is contained in the crime analysis report for 2012 which is compiled and released by the State of Maine. We have seen an increase in residential burglaries in 2013. Many of these crimes have been solved and suspects are awaiting prosecution with the local district attorney's office. During the investigations of the burglaries, it was found that most offenders were under some type of drug addiction which fueled their criminal activity. Please remember to report any crime or suspicious activity as soon as safety allows. Any delay in reporting such activities lessens our ability to solve or stop the crime. We work hard to put closure to criminal activity, but we need your help in prompt reporting to give us an advantage.

City or Town	Estimated Population	Crime Rate	Total Index Crimes	Clearance Rate
York So	--	--	414	32.9
Biddeford	21,402	61.02	1,306	41.6
Kennebunk	10,864	15.19	165	24.2
Kennebunkport	3,496	14.02	49	26.5
York County Totals	198,349	24.65	4,889	28.8

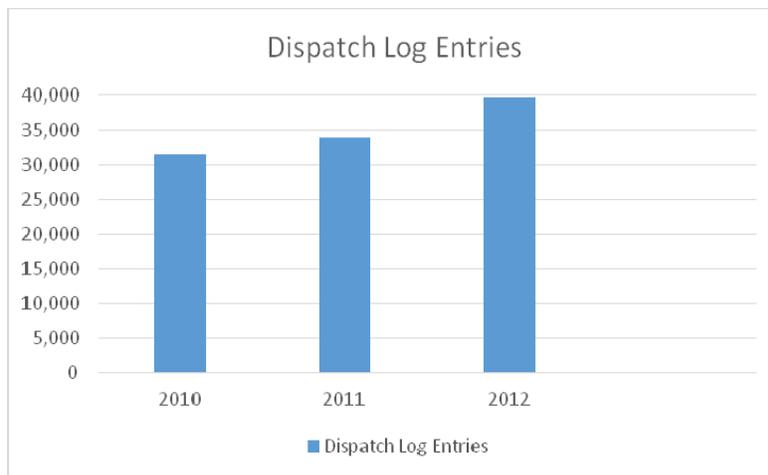

We have had to say goodbye and happy retirement to longtime employee Deborah Eaton. She started out in communications then moved into a clerical position serving as the court officer and front office person. She served the community of Kennebunkport for well over 26 years. She is now enjoying more time with her husband, Pete, traveling in warmer climates during the cold winter months. We welcomed Carol Kloth to the agency as her replacement in September of 2013. Carol has much experience with the policing business as well as the communications department after serving many years with the Falmouth Police Department. Her

experience with our records system and general office skills are a great help with administrative demands in the agency.

After several hiring processes, we hired Ashley Cox as a replacement for an open position in the patrol division. Ashley was already working as a civilian employee in Dock Square for the police department and has fit in well during her training phase. She is scheduled to graduate from the Maine Criminal Justice Academy in late May of 2014.

We have continued to improve our police operation by installing new evidence lockers which were approved in the capital plan during last year's budget process. The evidence lockers bring us in line with modern policing methods. We have also installed a new antenna on the Crow Hill water tower to improve the police communications in certain areas of town. Many times officers were unable to contact the dispatch center while out on foot using a portable radio. The situation brought on many safety concerns for officers and it needed improvement.

The communications department has seen a change in staffing as well. Kelly Nelson left the agency to move back home with her family after serving over 10 years. As we look for a qualified replacement, the current staff continues to ensure the job gets done. As seen in the chart below, communications continues to handle an ever increasing volume of calls into the dispatch center. The communications section passed several inspections from the state and FBI. There were few items that needed attention which speaks to the dedication of each member.

I appreciate the support of other town staff given to the police department. We really are unable to complete our mission without your endless assistance during times of need.

To the citizens of Kennebunkport, we thank you for your support during budget season and the many acts of kindness we see throughout the year. Each day, the members of this agency come to work striving to do their best in making Kennebunkport a great community.

Craig A. Sanford, Chief of Police

PUBLIC HEALTH AND NURSING SERVICE REPORT

The Kennebunkport Public Health Department is located at 101 Main Street, sharing the site with the Kennebunkport Police/Communications Departments. A nurse is in the office Monday-Friday, from 8:00-9:30 a.m. and from 1:00-2:00 p.m.

Messages may be left on the nurses' answering machine by calling 967-4401. The on-call nurse checks the machine for messages on weekends and holidays. Any messages left after 4:00 p.m. will be returned the following morning.

Residents are encouraged to visit the nurses during office hours for blood pressure readings, blood sugar evaluations, dressing changes, treatments and consultation. The office provides a variety of free resources and materials regarding disease prevention, health promotion/education, and community events.

The Public Health Department continues to actively promote programs that focus on improving the health and welfare of our community members. Our service provides skilled nursing care in residents' homes as well as at the public health office. Able to be Home Health, Coastal Rehab, Gentiva and Interim Health Care assists our staff by providing Medicare and private insurance covered services such as occupational therapy, physical therapy, speech therapy, home health aides and certified nursing assistants. The Public Health Department is Medicare B certified.

The nurses made 2,234 home nursing visits and 389 health supervisory home visits. Residents made 400 office visits for treatment and 289 for consultations. We would like to remind residents that the Public Health Department has a free durable medical equipment loan closet; this closet is funded by the Health Council. Articles include wheelchairs, walkers, commodes, toilet risers, crutches, and canes.

This past year, we lost a very dear friend and supporter of Public Health, Dr. Robert Fernandez. He served this community as our Health Officer since 1989. We will miss his guidance greatly. Five Health Officer complaints were filed and responded to by the Public Health Administrator. All Health Officer complaints are directed to and investigated by your Public Health Administrator. State of Maine legislature mandates that each Health Officer completes the six-hour certification program every three years.

The Public Health Administrator administers the General Assistance Program, as well as the social service programs for Kennebunkport residents and guests. The status of this function can be found in the General Assistance report.

Our annual Flu and Pneumonia Clinic was held September 26. We administered 280 doses of high and regular dose flu vaccine and 5 doses of pneumonia vaccine. The Public Health Department continues to be responsible for the Hepatitis B administration and TB testing programs for town employees, volunteer fire and KEMS.

A free hearing clinic was conducted by Marti Andrews, M.A., and C.C.C.A.

The Public Health Department and KEMS continue to offer numerous outreach programs. This past year, we initiated the Million Hearts Campaign; sponsored adult and child CPR, as well as AED classes for the community; and continued with our Heart Safe Community Program. We are encouraging every resident to obtain, complete, and have visible the bright orange emergency cards. Having this information readily available during an emergency can save your or a love one's life. If you need a card or assistance with completing the information, contact the Public Health Department.

The Public Health Department also sponsored a lead paint awareness program for homeowners and contractors. If you own or are working on a home built before 1972, please contact the nurses for a Dangers of Lead Paint informational packet which includes information on free test kits as well as dangers and methods of prevention.

Kennebunkport was one of the first communities to participate in the Rural Active Living Assessment project offered by Coastal Healthy Communities Partnership. Our task was to gather necessary data, some of which included sidewalks, curbing, lighting and crosswalk status. This assessment gave the Town another tool in which to address several areas of concern voiced by our residents. As a result of our participation, Kennebunkport received \$1,500 from the Coastal Healthy Communities Partnership to be dedicated toward improving sidewalks and street lighting.

On June 8, the Public Health Department and Nelson Analytical Lab/Kennebunk sponsored our annual Well Water Testing Day. The Public Health Department continues to offer this yearly event. The kits are free and there is a reduced fee for Kennebunkport residents. It is extremely important to have your well water tested every year for a dug well and every three years for an artesian well. There are over 1,000 households in Kennebunkport who rely on well water.

Residents are reminded not to discard unused prescription and over-the-counter medications in your household trash or sewer/septic systems. Please deposit your medications in the large green secured box located in the police department's lobby. **NO SYRINGES.** Disposing medications in your septic or sewer system can adversely affect the systems efficiency as well as influence the status of our watersheds. Those who are using sharps such as syringes to treat diabetes and various illnesses, please bring them to our office for disposal in our Hazardous Wastes container. Proper disposal is the key factor to prevent accidental needle sticks by family members, trash handlers and pets. The Kennebunkport Public Health and Police Department participated in the drug disposal project sponsored by the Maine Attorney General's Office.

The Kennebunkport Healthy Maine Beach team had a busy summer. An elevated enterococci bacteria advisory was posted 10 times. The EPA sets 104 bacteria in a

teaspoon of water as the maximum limit for safe water contact. Unfortunately, our highest bacteria sample readings were very elevated. On June 12, the bacteria sample results at the mouth of the Batson River was 1,401. On June 27, Colony Beach had a bacteria count of 2,247. And then on September 2 just after Labor Day, the official end of summer, we had over five inches of rain in less than 24 hours. Every sample site the next morning was elevated. The readings below are the result of post heavy rainstorm events that brought water from the inland to the beach:

- Colony: 1,616
- Little River: 3,255
- Public access Broadway: 3,873
- Kings Highway: 5,794
- Batson River: 12,033

The summer of 2013 dedicated water sampling testing team consisted of Linda and Steve Hanna, Bob Osthues, Lee McCurdy and Judy Barrett. The Portside Rotarians, local lobstermen, and volunteers from the Conservation Commission and Kennebunkport Trust conducted two huge beach/island clean-up days.

The Kennebunkport Health Council invites any resident of the Town who is interested in the health and social welfare of the community to join the volunteer board. Please contact the Public Health Department for meeting dates and times.

We wish to extend our appreciation to Dr. Willard Stitzell, D.O., the members of the Kennebunkport Health Council, the Healthy Maine Beach volunteers, and to all who have assisted us in our efforts to maintain a healthy community. We also wish to thank all of our patients' families and friends who remembered our office with memorial donations.

Judith A. Barrett, R.N., B.S
Susan Y. Jackson, R.N.

GENERAL ASSISTANCE REPORT

General Assistance Program

The General Assistance Program is mandated by the State of Maine legislature. All recipients are responsible for meeting their own basic needs by any means available before applying for General Assistance. All eligible recipients are required to perform workfare; a failure to do so or falsifying information on an application results in an automatic disqualification of benefits for 120 days in any Maine community or township. Kennebunkport's General Assistance Program passed the Department of Health and Human Services 2013 audit.

Five General Assistance applications were filed during July 1, 2012, and June 30, 2013. Three applicants qualified for the State of Maine General Assistance Program. The number of actual applications filed does not reflect the residents who requested an application and a meeting to discuss the process, then decided not to apply for this program mostly due to the budget review and accountability process.

As Kennebunkport's GA Administrator, the focus continues to be assisting residents with finding resources that meet the escalating rental, mortgage, food and heating costs. During the winter of 2012-2013 the Kennebunkport Emergency Fuel Program provided for 54 emergency fuel deliveries of 100 gallons. This program is funded by donations. Your generosity is assisting many families who would be struggling to keep warm. The Kennebunkport Emergency Fuel/Food Program has enabled me to dedicate all funds budgeted toward the State of Maine General Assistance Program to be used for housing assistance.

Affordable housing and lack of medical coverage, especially for nonemergency care continue to be the major problems that are placing our families in crisis. In the past, completing an application and budget review before a GA Administrator could refer a resident to a social service program was not necessary. It is currently a requirement for the majority of social service programs. It takes time to assist residents or a relative who need guidance as to where to start through the maze of options in both the private and governmental sectors. It is becoming more and more difficult to find additional resources for our residents due to the federal and state cutbacks in funding in the social service and medical areas.

The Maine Residents Property Tax and Rent Rebate Program "Circuitbreaker" was repealed. As of January 1, 2014, it has been replaced by the Refundable Property Tax Fairness Credit. Unfortunately for Kennebunkport residents, the State of Maine legislature did not pass a continuation of the individual community's ability to offer their own property tax refund program.

York County is fortunate to have three medical/dental clinics to provide care for those without insurance:

The Biddeford Free Clinic
189 Alfred Street
Biddeford, Maine
Hours: 6:00 to 9:00 p.m. (Monday and Thursday)

York County Community Health Center
15 Oak Street previously the Nasson Campus
Springvale, Maine
490-6900

Community Dental
Thacher Brook Business Park
Biddeford, Maine
Hours: 8:00 a.m. to 4:30 p.m. (Monday-Friday)
282-1305

Food Distribution

My major concern as your General Assistance Administrator is the number of families who are experiencing difficulty with providing meals for their household. Requests for access to the local food pantries, soup kitchens and the State of Maine Food Stamp Program continue to rise at an alarming rate.

The residents of Kennebunkport are extremely fortunate to have several resources to assist them. The Church Community Food Panty was utilized 145 times this past year by Kennebunkport families. To access this program, residents must contact the Public Health Department at 967-4401, Monday-Friday. The Church Community Outreach Service also offers a fresh produce/bakery goods distribution at Saint Martha's Church, every Friday, at noontime, Route One, Kennebunk. Kennebunkport residents have also obtained groceries at the York County Shelter and area soup kitchens.

This past summer, the Church Community Outreach Service and Community Harvest volunteers provided a free summer lunch program for children who were eligible under the free or reduced school lunch program. When school is not in session, millions of children in our nation do not have access to three meals a day. This effects their physical and mental development.

The monthly Surplus Food Distribution Program is held on the "teen" Tuesday of the month, from 12:00-12:30 p.m., at the Dorothy Stevens Community Center, Thompson Road, West Kennebunk. This distribution is sponsored by the General Assistance Departments' of Kennebunk and "the Port." All food is obtained through the Food Rescue Program. At this time, I would like to extend a special thank you to all who donate nonperishable food at the various collection sites, and to those who pick up the goods at grocery stores and bakeries and deliver them to our county food pantries, soup kitchens, and shelters. Thank you the stockers of shelves, the packers of boxes, and the special needs shoppers. Thank you to the Plant-A-Row volunteers who are out in the fields gleaning fruits and vegetables, and to the home

gardeners and farmers who dedicate part of their harvest to feed our neighbors. Thank you to those who took time out of their busy holidays to shop, pack, and deliver holiday dinners. And, last but not least, the Kennebunkport Health Council for sponsoring Stuff the Bus on both Election Days. Kennebunkport residents filled the pantry shelves and corridors.

Secret Santa provided Christmas gifts for 13 Kennebunkport children. Forty-two holiday dinners were delivered. There was no Salvation Army activity this past year.

Used cell phones are collected for Shelter Alliance to assist Caring Unlimited. Please leave them at our door, and we will be sure to pass them along to the appropriate agency.

General Assistance Administrators

York County General Assistance Administrators continue to meet with various federal, state and private sector representatives to review methods of funding and alternative resources to meet community residents' basic needs. General Assistance Administrators are also required to attend Department of Human Service classes to keep current with new legislation.

Thank Yous

A special note of thanks is extended to the Kennebunkport Health Council, Church Community Outreach Services, Community Harvest, Wildwood Fire Company's Ladies Auxiliary, Church on the Cape, He Cares Ministry, Village Baptist Church, Advent Christian Church, Secret Santa, Senior Elves, Seacoast Garden Club, American Legion Auxiliary, Eastern Star, Portside Rotary, and the Kennebunkport Village and Goose Rocks Beach volunteer fire members. I would also like to thank those in our community who donate their time and resources to help the less fortunate in our community.

Any resident of Kennebunkport who is in need of assistance to meet a basic need, or who has any questions concerning federal, state, or county programs is encouraged to call the Health Office at 967-4401.

Judith A. Barrett, R.N., B.S.

PUBLIC WORKS DEPARTMENT REPORT

The public works crew at work.

The winter of 2013 was highlighted by a blizzard that dropped about 30 inches of snow on the Town on February 9 and 10. The public works crew was out keeping the roads open during the storm, which featured white-out conditions for most of the early morning on Saturday. Following the storm, sidewalks were snow blown and clean up commenced in Dock Square and Cape Porpoise Square with residents and businesses able to get out and around with minimal inconvenience. A special thanks goes out to the entire public works crew for the long hours in the equipment and to Jim Burrows for his work in Dock Square, along with Russ Welch, the town mechanic for keeping the trucks and loaders running. Winter still had a few more storms on hand for February and March, but soon spring was here and the crew swept the roads and started getting our mowing equipment in shape for grass and roadside cutting.

John Hirst retired as highway superintendent this year after many years of service to the Town. He started as truck driver for the Town in 1987 and was promoted to highway superintendent in 2001. His legacy includes the reconstruction of many of the roads around town along with the replacement of most of the major drainage culverts that cross roads throughout the Town. He oversaw the raising and reconstruction of Kings Highway in Goose Rocks and accomplished similar flood prevention work on Ocean Avenue.

The public works department had a busy summer working on paved shoulder widening on Mills Road and Turbats Creek Road. Turbats Creek Road now has a

striped bike/pedestrian shoulder from Ocean Avenue to Wildes District Road, and the public works crew made drainage improvements at the Turbats Creek Road and Wildes District Road intersection to prevent erosion on the hill. Wildes District Road and Turbats Creek Road were shim paved, with the topcoat on Turbats Creek Road scheduled for next year. Spouting Rock Road was washed out during heavy summer thunderstorms and the crew rebuilt the road and added new drainage to contain future stormwater issues. New drains were installed near the River Club on Ocean Avenue and the road was shim paved to help with problems of standing water after storms. On North Street, the public works crew constructed a sidewalk extension from Locke Street to Northwood Drive. To solve the problem of roadside ditch overflowing that caused driveway washouts repeatedly in the past, curblin drainage was added.

The public works crew has seen improvements in efficiency in our first winter using our new equipment snowblower and loader. We would like to thank the Wastewater Department and the KKW Water District for coordinating utility work with our road projects and Kennebunk Light and Power along with the Prelude Volunteers for all the work done preparing Dock Square and Cape Porpoise Square for the Tree Lighting and other Prelude activities.

Michael Claus, Director of Public Works

TOWN MECHANIC REPORT

As a follow up to last year's report, it is a pleasure to inform everyone of the updates to the highway garage.

The new heating and lighting system have proved to be very effective and cost friendly. The new roof system is very tight.

The new John Deere 544 Loader was delivered in mid-November. It was immediately put into service stacking winter sand and salt. A new high capacity snow blower was purchased for our sidewalk machine.

Truck #7 was sent to Messer Equipment for the dump body rebuild. The body rust repairs and conveyor chain system replacement were well done.

Truck #4 is up for replacement this coming year. The right rear corner of the body failed and the tilt cylinder came free. In-house repairs were made to the body, and steel hydraulic lines were replaced with new units.

The following is some of the highway equipment that is in need of timely replacement.

- 1987 100CFM air compressor. The company is out of business and no parts are available.
- 2000 Tennant Warehouse Sweeper that is used to sweep streets has already had expensive repairs to the hydrostatic drive mechanism.
- 2005 Truck #4, 2004 Truck #7, and 2003 Truck #8 should be replaced in the next three years due to extensive rust damage.

Russell Welch, Town Mechanic

REGISTRAR OF VOTERS

People often ask me how many registered voters we have in Kennebunkport. This is a difficult question to answer because the number changes daily. Every day people move into town, move out of town, pass away or reach their 18th birthday. All of these events cause the numbers to change. So, I will answer the question as of the day I wrote this report. There are:

2,552 - Registered Voters

Of those that are registered, there are:

749 - Democrats

946 - Republicans

59 - Greens

798 - Unenrolled Voters

As usual, I must thank Becky Nolette and Barbara Barwise, my Deputy Registrars of Voters. If you registered to vote, changed your address or changed your party enrollment at the polls, or if you came into Town Hall and I wasn't there, they were the ones who probably helped you.

If you have any questions about the election process, voting or registering to vote, please call me at 967-4243 ext. 110. Otherwise, please don't forget to exercise your right to vote!

April Dufoe, Registrar of Voters

TOWN CLERK REPORT

Two exciting things happened in the Town Clerk's office this year. The first happened on September 11, 2013. At the annual election conference and training in Newry, Maine, Secretary of State Matt Dunlap presented me with the Lorraine Fleury Award. This award is presented annually to the one person in the state that has made an outstanding contribution to the election process. I was nominated by my fellow York County clerks and chosen by a panel at the Secretary of State's Office. I was very surprised when they called my name and extremely honored to have received the award.

Just about two weeks later Becky Nolette was hired as a part-time Deputy Town Clerk and Assessor's Assistant. She works 12 hours per week covering for me in the Clerk's Office and 20 hours per week in the assessing department. She previously worked for both the Town of Kennebunk and for RSU #21, so she has a lot of experience with municipal work and has learned about the Town of Kennebunkport very quickly. We are happy to have her on board.

Since the most time consuming part of my job is running elections, I can say that the State was fairly easy with no June election and only bond questions in November. However, we had an additional local election in March which had a couple of ballot questions that drew quite a few voters to the polls.

The following is a brief summary of all the 2013 town meetings/elections:

March 26, 2013 – Special Town Meeting

There were several reasons the Selectmen called for this special election. First, we needed to fill the remainder of the term of Selectman Mat Lanigan who passed away unexpectedly in November of 2012. Three candidates ran for the open seat and Ed Hutchins was elected. Also, on the ballot was a question initiated by a citizen's petition to begin the withdrawal process from RSU #21. This failed by a vote of Yes-387 to No-809. The second question on the ballot was the ratification of a new Waste Handling Agreement between the Town, Casella Waste Systems and Pine Tree Waste which was necessitated by the closure of MERC in Biddeford. This new contract will save the Town over \$1 million and was overwhelmingly passed by the voters. There were 1,206 ballots cast either in person or by absentee ballot on this day.

March 26, 2013 – R.S.U. #21 Referendum Election

The school district also had a ballot on this day. All three towns in the district were asked to vote on changing the way costs are shared among the three towns in the school district. The proposed changes on this ballot would increase the amount that Kennebunkport would be paying and decrease the costs to Kennebunk and Arundel. The results in Kennebunkport were Yes-235 and No-953; however, district-wide the question passed.

April 30, 2013 – R.S.U. #21 District Budget Meeting

We vote on the school budget in a two-step process as required by the school consolidation law. The first step is to vote on the various segments of the budget at a district-wide meeting of Kennebunk, Kennebunkport and Arundel voters. It was held at Kennebunk Elementary School at 7:00 PM for the purpose of approving the 2013/2014 school budget. The total budget proposed was \$37,172,120, approximately a 3.5% increase over last year's budget. After some discussion, all the articles were approved as written in the warrant.

May 14, 2013 – R.S.U. #21 Budget Validation Referendum Election

The second part of the school budget process is the budget validation election, held 14 days later. Kennebunkport, Kennebunk and Arundel each held elections at our own town polling places to approve the budget that was adopted at the above district budget meeting. In Kennebunkport, there were 269 ballots cast either in person or by absentee ballot. The budget passed here by a margin of 169-100 and with the votes in all three towns combined, the budget passed.

There was also a second question on this ballot. By a significant margin, the voters decided to continue this same budget validation referendum process for three more years.

June 11, 2013 – Annual Town Meeting

The first half of our Annual Town Meeting is a secret ballot vote to elect our Town officials and to vote on any referendum questions that the Selectmen might propose. This year there were two Selectman seats and one R.S.U. #21 Director seat open. Patrick Briggs and Sheila Matthews-Bull ran unopposed for the two seats on the Board of Selectmen, each with a term of three years. Amy Johnson ran unopposed for the R.S.U. #21 Director's seat, also for a term of three years. There were also three referendum ballot questions. One was an amendment to the Comprehensive Plan, one was an amendment to the Land Use Ordinance concerning nonconforming lots and the last was an amendment to the Solid Waste Ordinance. This day saw 308 people voting either in person or by absentee ballot and all questions passed by large amounts.

June 15, 2013 – Continuation of Annual Town Meeting

On Saturday morning at 9:00 AM at Consolidated School, voters reconvened to vote on the 2013/2014 Town budget. It was a well attended town meeting. At the beginning of the meeting Mike Weston was presented a plaque as a gesture of the Town's gratitude for his six years of dedicated service on the Board of Selectmen. The only changes to the warrant were the elimination of \$1,000 of funding to the Chamber of Commerce and the reduction of the amount of nonproperty tax revenue by \$25,000 due to a loss of revenue sharing from the state. All other articles were approved as written in the warrant.

November 5, 2013 – Special Town Meeting

At this election, the Town ballot had seven questions. The voters easily passed amendments to the Administrative Code, the Kennebunk River Ordinance, the Fire Code Ordinance and the Growth Planning Committee Ordinance as well as approving a land purchase on School Street, accepting Squier Lane as a public street, and approving a land exchange in the Town Forest on Goose Rocks Road.

November 5, 2013 – State Referendum Election

The State ballot had five bond questions on it which the Kennebunkport voters easily approved. There were 785 ballots cast either in person or by absentee ballot.

I want to thank Rose Wills and Audrey Williamson for handling much of the customer service transactions. We try very hard to give you that “small town experience” when you come into Town Hall and to be as helpful as possible.

Lastly, I want to thank Christian Barner, our Town Meeting Moderator and Clair Julian, who served as Warden for our elections. They put in very long hours on election days and keep the polling place compliant with all the election laws. I also want to thank all my ballot clerks. This year, Barbara Barwise, Jean Conaty, Helen Conaty, Lillian Bartlett, Joan Sutter, Mark Dufoe, Chris Perry, Ki Leffler, Lisanne James, Sally McKay, Lynda Parrott, Mary McLaughlin, Jan Dicey, Doug Dicey, Kathy Jones and Mette Eglinton all gave up their time to work at the polls. They are all loyal and dedicated citizens of the Town, and we owe them a debt of gratitude for their service on election days.

And now the statistics for 2013...We issued 98 marriage licenses, many many hunting and fishing licenses, 444 certified copies of vital records, 794 dog licenses, 26 liquor licenses, 16 special amusement permits, 61 victualer’s licenses, 25 non-resident recreational clam licenses, 78 resident recreational clam licenses, five daily clam licenses, two trolley permits and two horse-drawn carriage permits. We also processed six new business licenses, 17 burial permits, and hundreds of Goose Rocks Beach parking passes. There were 34 recorded deaths and 15 recorded births, of which eight were boys and seven were girls. We also processed over 7,000 tax payments, registered thousands of cars, as well as 474 boats, 47 snowmobiles and 37 ATVs, not to mention the constant stream of calls and questions we answer, and the miscellaneous tasks we do on a daily basis.

Please feel free to call me Monday – Friday, 8 AM to 4:30 PM with your questions or concerns at 967-4243 ext. 110.

April Dufoe, Town Clerk

WASTEWATER DEPARTMENT REPORT

In 2013, the Wastewater Treatment Plant processed a total of 113,875,000 gallons of wastewater. The wastewater treatment process generated a total of 1,319,970 gallons of biosolids that was turned into 1,348 yards of compost.

Just for comparison, here are the numbers for the past three years.

Year	Gallons Treated	Gallons of Bio-Solids Produced	Yards of Compost Produced
2013	113,875,000	1,319,970	1,348
2012	110,748,000	1,845,000	1,550
2011	111,810,000	1,177,000	1,618
2010	124,206,000	1,362,395	1,833

The first thing I would like to do is point out that we are no longer the sewer department. We had a name change to the wastewater department, but are still in the same location and have the same phone number.

During the summer, we noticed that the treatment plant was having operational problems, the effluent was not as clear as usual. After some laboratory testing, we determined that we were getting saltwater at the treatment plant. When this happens, we check the areas where the collection system can contact the saltwater: Dock Square area, Ocean Avenue and Turbats Creek. We detected saltwater in the collection system in a section of Ocean Avenue between the Nonantum Resort and the Fairfield Creek Bridge. With the use of our sewer camera, we found some open joints in the sewer pipe just downstream of the Fairfield Creek Bridge. We talked over the options for repairing the joints and determined that the best way to fix the leaks was to do an internal patch. The best reason for doing the internal patch was

that we did not have to dig up Ocean Avenue in the middle of the summer and disrupt traffic for a week or more. Doing the patches would only take a couple of days and no digging, and all of the work being done between two manholes. To make sure we had all of the leaks patched, we checked for saltwater a couple of days later, and found saltwater in the pipes downstream of the patches. We did some more investigating and found another leak under the sidewalk going to a house service. When that leak was repaired, we did not detect anymore saltwater in that area. From time to time, we still get a little saltwater in the collection system. When we have a really high tide, a little bit of saltwater does not upset the treatment plant, only when we get a lot of it.

There was one new subdivision added into the collection system this year, and it was the Ledges. The developer is using a small diameter pressure sewer and grinder pumps to get the wastewater to the Town collection system. This system was installed on private property and with private funds.

We replaced the two wastewater pumps in the Kings Highway pump station (#12) at Goose Rocks Beach. This pump station pumps all of the wastewater from the beach over to Mills Road in Cape Porpoise by way of Marshalls Point Road. Replacing the pumps was easier and less expensive then rebuilding them.

I would like to thank John Hirst who retired this year for all of his help through his years with the highway department. I would also like to thank Larry Mead for his assistance in his years as the town manager.

Allan K. Moir, Wastewater Superintendent

THE BEACH ADVISORY COMMITTEE

At a special Town meeting in August 2012, the residents passed a new Beach Use Ordinance (BUO) establishing a management protocol for Goose Rocks Beach, thereby cementing the Beach Use Agreement (BUA) signed by the Town, 183 back lot owners and 63 beachfront owners. Both documents are available on the Town's website. The implementation of the ordinance was put in the hands of the Beach Advisory Committee (BAC), which consists of an eight person committee comprised of six Goose Rocks property owners, an at-large member elected by the Town, and a member of Kennebunkport's Board of Selectmen. The BAC's role is as an advisory committee to the Board of Selectmen.

The Beach Advisory Committee's first meeting was held in December 2012 at the North Street fire station, as were subsequent 2013 winter and spring meetings. In July and August, the Committee meetings were held conveniently at the Kennebunkport Conservation Trust and the Goose Rocks Beach fire station, which encouraged more property owners to attend. What was affirmed to the Committee members through all of our meetings is that nearly all Goose Rocks property owners and others in Town have a single goal. That goal is to preserve Goose Rocks Beach as a family beach, encouraging all who use the beach to do so in a reasonable recreational manner, while being respectful of the beach property, the natural environment, and each other when using the beach.

Since its inception, the Beach Advisory Committee has been working hard to communicate and educate all parties regarding several existing Town Ordinances that apply to Goose Rocks. I especially want to thank Meg, Katie and Paul for their hard work in this area. The first cornerstone of this effort was a new pamphlet made available to all rental agents, with additional distribution at all public rights of way to the beach and at places where beach parking stickers are sold. Secondly, user-friendly signs were placed at the public rights of way highlighting many key "do's and don'ts" of respectful recreational use.

Based on the feedback given by the property owners in the summer meetings and from the measures provided by the Town, this first summer at Goose Rocks with the Beach Ordinance in effect was quite successful. There was a tremendous amount of cooperation from the Goose Rocks property owners, Kennebunkport residents, renters at the beach, and visitors to the area. People have responded very favorably to the Beach Advisory Committee's goal of providing essential communication and education.

I want to express my deep appreciation to all of the BAC members who have helped create a terrific advisory team. Utilizing a variety of skills derived from diverse backgrounds, the entire BAC team shaped guidelines focused on achieving the goals imbedded in the Beach Use documents. A special thanks to Larry Mead, Chief Sanford and John Fraser who have been steadfast with their guidance during the inaugural year of our committee. The Town's support for the BAC recommendations to hire additional personnel to monitor and police the beach areas improved the enforcement of these Ordinances.

The Beach Advisory Committee welcomes comments to assure Goose Rocks remains the exceptional family beach and natural environmental setting that has served the Kennebunkport community for many years. The BAC invites all residents to attend a meeting, watch our televised meetings on cable channel 2, or via the online video streams through the Town's website. Send your comments (*helpful suggestions are especially appreciated*) to the BAC at www.grbadvisory@gmail.com.

We are listening!

BUDGET BOARD REPORT

The Budget Board is again pleased to submit its report to the citizens of Kennebunkport. As in previous years, we continue to have an excellent rapport and communication with the Board of Selectmen. We will meet with the Selectmen in joint session as the budget is presented by the Town Manager and department heads. We will listen carefully to the various presentations and the justification for their requests. We will request clarification when needed, in order to make the budget requests and processes as transparent as possible. We will then meet as a separate Board, with the Town Manager and department heads, and review carefully every budget request that has been made. We will then make the Budget Board's recommendations.

As in previous years, the Budget Board will request that the administrative recommendations, the Board of Selectmen's recommendations, and the Budget Board's recommendations be printed in each article and be reported in the town meeting warrant.

The Budget Board feels that the process continues to be done in keeping with the democratic processes that have long been a custom and tradition of Maine and New England.

The Budget Board expresses its appreciation to all town employees, the department heads, the Town Manager, and the Board of Selectmen for their cooperation, assistance, and dedication to our community.

CEMETERY COMMITTEE REPORT

It has been a rather quiet year for the Cemetery Committee. No new cemeteries have been found or headstones unearthed. The Committee continues to clean up branches and brush and visit cemeteries that have not been looked at in awhile. We will continue to GPS these. We will address trees that need to be cut (to avoid them falling on and breaking headstones). We also will be having a few more headstones repaired in the North Street/Bass Cove/The Tombs/Village Cemetery – all names for the cemetery that borders on the golf course. There are many there that need repair, but because of budget restraints, we can only do a few each year.

There are over 70 cemeteries in Kennebunkport so we tend to address the more visible ones or ones that people show an interest in, keeping in mind that all of our cemeteries have historical and personal importance. This spring, we will try to get more information and find the cemetery that has a connection to Benedict Arnold.

As always, thanks to the American Legion for remembering our veterans with flags each year. Also, thanks to Jim Burrows and Steve Bryant for keeping our visible cemeteries mowed and cleaned, and clear of broken trees and branches. Many thanks to all those in town who care for the cemeteries on their properties or near their properties. It is a wonderful sign of respect for those who have passed away.

Rita Schlegel

CONSERVATION COMMISSION REPORT

The Kennebunkport Conservation Commission continued our focus on encouraging residents to care for their lawns in ways that are healthy for people, pets, and lobsters! We created a colorful new brochure that lists 10 Simple Steps Toward a Safe and Healthy Lawn. Copies of the brochure can be found in the brochure racks in the town office.

We gathered names of residents and business owners who would like their property to be shown on the Lawns for Lobsters map. The map highlights properties where the lawns and gardens are being cared for in a safe and environmentally friendly way. If you would like your property included on the map, please contact Deb Bauman at debbauman1@gmail.com. Help us turn the map green!!!

In April, our commission partnered with the Kennebunk Conservation Commission to sponsor a screening of the documentary "Living Downstream" at the River Tree Arts Center. The film follows the story of Sandra Steingrabber, Ph.D, a scientist and cancer survivor, as she explores the link between cancer and chemicals in our air, water, and land. Students from The University of New England's Environmental Studies program worked with us on the event. The Kennebunkport Conservation Commission owns a copy of "Living Downstream" on CD which is available for residents to borrow.

The Conservation Commission is researching the best ways to control the spread of the invasive phragmites plant, the large reed-like weed with large plumes that grows in masses along the roadside and in wet marshy areas. The plant spreads rapidly and is harmful because of its dense growing habit which kills the marsh grass and other native plants in its midst. Our goal is to have information on the Conservation Commission page on the Town's website which will help property owners identify whether the phragmites on their property is native phragmites or invasive phragmites. We will provide information for controlling invasive phragmites in a way that is as safe as possible for the environment.

And finally, the wind turbine at the police station continues to provide clean, renewable energy and serves as a teaching tool for students at Consolidated School.

Carol Laboissonniere
Sharon Ray

GOVERNMENT WHARF COMMITTEE REPORT

2013 turned out to be about a normal to above normal catch for the local lobsterman. Although statewide, catches are still above normal, which leads us into pretty much the same predicament as last year with a low boat price paid to the fisherman. This increase of lobster put such a large amount of supply in the marketplace, that the demand could not support it. While Downeast Maine saw most of these record catches, Midcoast through Southern Maine saw only some of it. With boat prices averaging about \$3.00 per pound at times Statewide, many lobstermen were working twice as hard for less money once again. Last year, The Department of Marine Resources has stepped in to address the situation so the fishery can be better managed to maximize value, but the wheels of the machine still aren't working for the lobsterman's profit margin. With the ever increasing cost of doing business and the low return on the catch, it is only a matter of time before the wheels fall off. As the lobster industry pumps about \$1 billion into Maine's economy annually, it is vital to maintain a steady and strong industry.

The weather through the summer was fantastic for working the waters, but a few strong storms with some heavy sea conditions resulted in traps being washed ashore. The members of Government Wharf join together annually each spring to perform beach clean up's of lost lobster traps and related gear to keep our beaches as clean as possible. Our next beach clean up is planned for mid-April of 2014. If you have lobster gear on your property, or have any questions or concerns, please call the Kennebunkport or Kennebunk Harbormaster. You can also notify the Maine State Marine Patrol.

The revitalization project on Government Wharf has been tabled for the time being, while the lack of funding has still been the issue and difficult to obtain. In the meantime, we replaced several pilings and several rotted supports. In the springtime, all of the members join together to perform maintenance duties which include carpentry, painting, and mechanical repairs to keep the commercial fishing wharf a safe and functioning facility. With dues collected annually from each of the members, all the money is used to fund the maintenance of the wharf.

Once again, we thank you for the continued support of the commercial fisherman.

Raymond Billings, Chair
Jeff Davis

Ron Francoeur
Dennis H. Goulet

GROWTH PLANNING COMMITTEE REPORT

Since our last report of February 2013, the Growth Planning Committee has been working on the implementation of the many strategies within the 2012 Kennebunkport Comprehensive Plan. Each of these strategies is identified within the Comprehensive Plan as a path to achieve a specific policy as it relates to one or more of the Town goals. The Committee used a deliberate process to prioritize these strategies into an action plan that will provide the greatest benefit to the Town. The appropriate board or department defined as the owner of a strategy within the Comprehensive Plan either has been or will be contacted to develop a partnership for implementation. The Committee met with the Planning Board in October 2013 to discuss changes to the Land Use Ordinances in order to provide consistency with the Comprehensive Plan. We have also initiated a discussion with the Planning Board on how we may achieve workforce housing for the many men and women who work or volunteer in Kennebunkport and would choose to live here if the affordability of housing was within their reach.

On October 2, 2013, Werner Gilliam, Director of Planning and Development for the Town of Kennebunkport, received a letter from the Department of Agriculture, Conservation, and Forestry of the State of Maine to notify him that the Department had completed a review of the 2012 Kennebunkport Comprehensive Plan and found it to be consistent with the Growth Management Act. This is an important step that gives our plan legal standing.

The update of the Comprehensive Plan was long and arduous process that took the dedication of many volunteers and professionals to achieve. I would like to thank each of the members of the Growth Planning Committee from its founding to today for their tireless efforts to achieve this goal. Specifically, I would like to thank Jamie Houtz, our past chair, for his leadership of the committee through the approval of the final chapter; Werner Gilliam for his keen stewardship throughout the entire process; and our current membership for their wisdom, their work and their perseverance. Lastly and most important, I would like to thank the residents of Kennebunkport for their vote of confidence in the work that we have done.

Current GPC Members:

Dan Saunders, Chair Jean Conaty, Vice-Chair Charles Reid, Mentor
Barbara Barwise, Secretary Werner Gilliam, Town Representative

KENNEBUNK RIVER COMMITTEE REPORT

The Kennebunk River Committee continues to monitor activities relative to the condition of the Kennebunk River in efforts to retain its viability and importance to the Kennebunks.

The pump-out barge on the river continues to be increasingly utilized. The barge is used as a cleaning outlet for boats to discharge waste that may otherwise be dumped into our offshore waters.

Harbormaster Ray Billings had numerous reports of the shallow waters and boats running aground at the mouth of the Kennebunk River. He contacted the Army Corp of Engineers to see if an emergency dredging could be done. He was later contacted by them regarding the emergency dredging at the mouth of the Kennebunk River. The Corp will be doing a dredge at the mouth in March 2014.

The Kennebunkport Resort Collection approached the committee with a proposal to build a pedestrian bridge across the channel between The Boathouse and The Wharfside Inn in Kennebunkport.

The Committee would like to recognize the continued support and cooperation from both Kennebunk and Kennebunkport.

LIGHTING COMMITTEE REPORT

We see our mission as preserving the night sky for residents, visitors and future generations. The old incandescent platter lights create a unique ambience to our area.

At the end of 2013 two important changes in the Town have a bearing on the future direction of the lighting committee: a new Town Manager and the creation of the position of Director of Planning and Development, Werner Gilliam. The committee felt that the latter part of 2013 should be spent starting to review possible changes to the ordinance in preparation for the 2014 changes in personnel.

Ongoing issues for the committee are the existing ordinance's enforcement and the interfacing with the requirements of the planning board criteria for projects in Town.

Residents are bringing to the committee's attention areas in town, namely School Street and Main Street in Cape Porpoise that seem to be inadequately illuminated, according to those reports. These issues will be revisited in 2014 when the new town Manager starts work.

Any additional municipal lighting proposed in Town needs to be voted on at Town Meeting because of cost.

Anyone interested in our night environment in town is encouraged to join the Lighting Committee.

Please read our ordinance, available on line, and evaluate your own exterior lighting for compliance. If there are any questions give our Committee a call for assistance.

James M. Stockman, Chair
George Acker

Robert Fairbanks
Julie Gerrish

Marie Henriksen

PARSONS WAY COMMITTEE REPORT

The mission of the Parsons Way Committee is to uphold and insure the intent of the donor, Henry Parsons, such that the parcel “. . . should ever be kept free for its scenic effect and beauty and for the enjoyment of the townspeople and their guests.”

In 1944 Henry Parsons donated the Parsons Way to the Town of Kennebunkport. As noted in the donor's intent section of the deed, *the parcel was to be kept free from any structures (except for drainage) or buildings. It was never to be used for any commercial or building purpose, nor was it to be used as parking for automobiles.* The document goes on to say that the parcel “. . . shall forever be kept open and clear for the unobstructed view of the ocean.”

In order to keep the views open, clear and unobstructed, each spring Parsons Way, its pathways and bench areas, are selectively trimmed back to the allowable 3 foot height. This annual maintenance is subcontracted. However, through the season, the Town highway department is helpful in providing regular routine care and upkeep.

Our primary concern continues to be the upkeep and beautification of Parsons Way so that it may be enjoyed by the townspeople, their guests, and visitors of Kennebunkport.

Louise Span, Chair

PLANNING BOARD REPORT

The Planning Board had an active year in 2013. Most of the proposals that came before the Board were for relatively routine residential and commercial structures or uses, but some were complex or controversial and many were discussed over a span of several meetings. The Board also reviewed and/or proposed a number of changes to the Land Use Ordinance and approved several changes to update the Subdivision Regulations.

The applications before the Board in 2013 included the following:

PURPOSE OF APPLICATION	NUMBER OF CASES	
	2012	2013
Residential building renovation, rebuilding, or landscaping	8	11
Nonresidential construction, additions or change of use	10	9
Piers, ramps, wharves and walkways	3	1
Revision or reapproval of previously approved subdivision or site plan approvals (plus a proposal for one new subdivision)	4	9
Bank stabilization	1	2
Golf course improvements	0	1

Our Board members: Gordon Ayer, Helen Conaty, Leo Famolare, Peter Fellenz, John Hathaway, and Greg Reid continued as active contributors to the Board's work during the year. We certainly wish to especially thank Lisa Harmon in the Code Enforcement Office and Trish Saunders (minutes) for their excellent support during the year.

David Kling, Chair

SHADE TREE COMMITTEE REPORT

2013 has been mostly a quiet year for our lovely canopy of trees with no major damage from storms, snow or ice. Many of our trees were not happy with the very wet spring but, so far, no permanent damage as been observed. Even Dutch Elm disease was minimal due to our treatments and the vigilant eyes of our arborist and members of the committee, especially Suzanne Stohlman.

On May 20, Chair Joanne Gamble and committee members Suzanne Stohlman and Ki Leffler attended the Maine State Arbor Day Celebration in Auburn bringing back our town's 36th Tree City USA flag.

Kennebunkport is one of the few communities still holding their own Arbor Day ceremony which took place at Consolidated School's morning meeting on May 24. In

attendance were Tree Warden Rick Griffin, the York County Forester, and several committee members. As usual, the ceremony was a delight.

Our United States Forest Service grant to include our tree data on the Town's GIS database was completed this year. What a thrill to see it demonstrated! Now our arborist can check on which trees are up for pruning or fertilizing and our citizens can see the basic information of the tagged tree in a certain location. We really appreciate the caring and support of the homeowners that have tagged trees in their yard.

The committee is looking forward to 2014 and our 37th year as a Tree City USA.

Joanne Gamble, Chair
Steve Doe

Ki Leffler
Suzanne Stohlman

Rick Griffin, TreeWarden

SHELLFISH CONSERVATION COMMITTEE REPORT

License sales for 2013 were: **Commercial**

Resident 0

Nonresident 0

Recreational

Resident 78

Nonresident 25

Daily 5

I would like to thank Dave Conway for his 12 years of service as Shellfish Warden in Kennebunkport and wish him the best.

I was the temporary Warden for the 2013 season and had a fairly uneventful period with the high flats closed and the clams in the Back Cove on the decline.

I patrolled the flats 41 times through the season and gave three verbal warnings, most of which was due to lack experience.

Terry Baron will be the new Shellfish Warden and will be on the flats for the 2014 season.

Charles F. Zeiner

SIDEWALK COMMITTEE REPORT

I would like to thank Larry Mead for the interest, energy, and vision he brought to the business of sidewalks when he was our Town Manager. Thank you Larry, and we wish you well!

The sidewalks along Maine Street will, of course, be put back when the spring road work is completed.

On North Street, the sidewalk across from the Fire Station from Locke to Northwood has been completed. This sidewalk will eventually extend to Beachwood Avenue.

The Ocean Avenue project heading from Wanby Beach to Elizabeth Drive on the west side is still in the works with consideration being given to whether a bicycle path or a raised sidewalk will be best in terms of safety.

Another project being considered is constructing a sidewalk along South Maine Street from Green Street to Wildes District Road by the Tamaracks. There is a lot of ledge in this area which will have to be removed. It is also narrow and a sidewalk or paved shoulder will make it safer.

Tony Viehmann, Chair
Ralph Clement

Michael Claus, Public Works Director
Craig Sanford, Police Chief

WASTEWATER ADVISORY COMMITTEE REPORT

Only one meeting was held this year in April. The budget was discussed and voted to accept after discussion of various topics. The main pumping station at Goose Rocks Beach had its two major pumps replaced. Replacing was less expensive than rebuilding.

The crew did a great job of finding and fixing salt water joint leaks along Ocean Avenue in several places. The internal cameras were used to find and then check on the leaks after the repairs. Rather than digging up the road, internal repairs were made from just two manholes. This minimized disturbing summer traffic.

The department has added one subdivision, privately owned system, to the plant's treatment. This private addition uses grinder pumps with high pressure, small sized piping for delivering the waste to the Town's facilities.

The plant's treatment of wastewater was within the normal range in gallons.

C. Ripley Emerson, Chair
Bob Convery
Stephen Couture

Richard Johnson
Joseph Martin Mead

ZONING BOARD OF APPEALS REPORT

The Zoning Board of Appeals (ZBA) is made up of members of the Town who consider three types of applications: administrative appeals, variances, and conditional uses.

Administrative appeals come from those who wish to appeal a decision of the Code Enforcement Office in regards to some land use proposal. The ZBA considers the facts offered by the appellee and the Town, and either reverses or uphold's the Town's decision. There were no administrative appeals in 2013.

A variance can be granted to a property owner for lessening the standards for lot coverage, lot size, lot line setbacks, lot frontage, lot width, and the height of a structure. In order to be granted a variance, the applicant must show that there is an undue hardship, which is defined by the state. In 2013 there were three variance applications. The ZBA granted one and denied two.

Examples of conditional uses are animal husbandry, home occupations, child care, and roomers. These uses and the standards that guide them vary from zone to zone. There were no conditional use applications in 2013.

The current members of the ZBA are Mark Messer, chair, Herb Cohen, Tom Shore, Paul Cadigan, Chris Perry, and Wayne Fessenden. The ZBA wishes to thank Dick Smith for all of his valuable contributions to the board for many years.

Mark Messer, Chair

ARUNDEL CEMETERY CORPORATION REPORT

During the year 2013, we were very busy. As mentioned before, we developed the North Street side of the cemetery. If you are in the habit of driving by the cemetery on North Street, you will have noticed the big change. In previous reports, we discussed the necessity of removing 22 of the trees which were diseased and entangled with the power lines along North Street. During the winter, these trees were removed and in the spring 13 new trees replaced them which included kousa dogwoods, shadblows, and elms. The size of the new trees will not interfere with the power lines and open up a new view of that end of the cemetery. We have been very pleased with the response to our Tree Fund for this project and other tree work to be done.

Every spring and fall we send out our newsletter to over 550 people all over the country. They fall into every category as families of people buried there, owners of lots, and people just interested in what is going on in the Arundel Cemetery. There are often requests for information about geneology. During the summer months, we have visitors who come to the cemetery to check on their family's gravesite. We are grateful to those who continue to send donations in memory of loved ones.

After many discussions over the past two years, the Board has decided to develop our additional lot on Walkers Lane. Though there are over 60 cemeteries in Kennebunkport, Arundel Cemetery is the only cemetery left where one can purchase burial space. We have developed most of our land in the main area into 29 sections and the columbarium. While there is still space in the newer sections, most of the 29 sections have been sold. Still available are approximately 250 full burial graves and 120 cremations sites. We also have columbarium niches available.

With this in mind, we feel the responsibility of providing for the burial needs of future generations. To that end, we hired Jim Logan of Albert Frick Associates to help us plan this project. Since then, the Planning Board has given its approval and issued the necessary permits. We are proposing an entrance and gate from Walkers Lane and a connecting road from the main cemetery. Pipe fencing will run along Walkers Lane in keeping with the main area. This is a long-term project which over the next several years will provide additional graves.

After many years of service to the cemetery, Daan Troost has decided to retire as treasurer. We want to thank Daan and are pleased he will remain on the board as a director. His experience will be of great help to our new Treasurer Peter Graham. Peter grew up in Kennebunkport and is well aware of the importance of the cemetery to the Town.

The clerk, Linda Littell, reported that there were six lots sold this year. She also reported that there were 10 full burials and 15 cremains.

As in the past, we wish to thank the American Legion for placing the flags on the graves of our veterans. We also greatly appreciate the support of the Town.

**KENNEBUNK, KENNEBUNKPORT AND WELLS
WATER DISTRICT**

The Kennebunk, Kennebunkport and Wells Water District is a quasi-municipal public water utility that was established in 1921 by an act of the Maine State Legislature. The District serves an area that encompasses the Towns of Kennebunk, Kennebunkport, Wells, Ogunquit, Arundel and small portions of Biddeford and York. The area includes a population which varies seasonally from about 30,000 to over 100,000. It is directed by a four-member Board of Trustees, one each elected from the Towns of Kennebunk, Kennebunkport, Wells and Ogunquit.

From a financial perspective, 2013 represented an above average year for the District. Compared with the prior year, 2013 saw a 4.5% increase in water production, a \$197,000 increase in revenues, and a \$302,000 increase in operating costs (which do not reflect depreciation, regulatory fees and debt service). All of this contributed to a projected net income for 2013 of approximately \$188,000, as compared to a net income of \$375,000 in 2012. Such net income fluctuations from year to year are normal, as certain periodic maintenance items, such as water storage tank painting, are charged off in the year they occur.

The somewhat sluggish economy of the past five years has, at least on a local level, picked up a bit with the District experiencing relatively healthy growth (195 new customers, as compared to 190 in 2012 and 110 in 2011), resulting in a customer growth rate of nearly 1.5%. This compares well to the typical 1.5% to 2% annual growth rate experienced prior to the recession of 2009. The District's total number of metered customers now stands at 13,214.

Precipitation during 2013, as measured at our Water Filtration Plant, was considerably less than the 10-year average (48.4" vs. 57.5"), resulting in the second driest year over the past decade (2012 was the driest), which included the drought of 2002/2003. It is anticipated that this winter's snowy weather will help recharge local aquifers for the upcoming summer. The dry weather, combined with a slight uptick in the economy, resulted in a total annual water production of 1.073 billion gallons, as compared to 1.026 billion gallons produced during 2012 and 0.964 billion gallons in 2011. The District's recently-developed groundwater sources were once again instrumental in helping the District meet customer water demands without the need for purchasing additional water from neighboring utilities. These groundwater sources produced 397 million gallons (37%) of all of the District's water production for 2013.

As previously reported, the District is developing an additional high-quality groundwater supply in the Alewife area of Kennebunk. During 2013, the new Kennebunk River Well produced 86 million gallons of groundwater. In addition to producing some of the highest quality groundwater derived from any local production well, the test produced some valuable data which will assist in the design of a permanent water treatment facility along Kimball Lane, which is planned for construction in 2014. As usual, this facility is being designed and built primarily by District staff, assuring an efficient design and quality workmanship. This facility will be financed by a low-interest State Revolving Fund (SRF) financing package, consisting of a \$375,000, 20-year bond at an interest rate of about 1.1%.

This was the third year in a row that the District has been successful in being awarded a low-interest SRF financing package. Since 2008, through SRF financing, the District has installed \$5.0 million of infrastructure to date at a total bonded cost of \$4.6 million, at an average bond interest rate of only 1.0%.

With all of the recent discussion relating to the poor condition of America's infrastructure, the District is proud of the condition of its facilities. For the past 30-plus years, the District has averaged replacing nearly 1% of its distribution system per year. This falls squarely within the desired water industry goal of 1% per year, based upon an expected 100-year usable life for water mains. Very few other water utilities have maintained this aggressive (yet appropriate) replacement schedule. The District has accomplished this task while keeping its water rates below the average of those of all other water utilities in Maine.

The District is proud to have once again been presented (as it was in 2009 and 2011) with the SHAPE award by Maine's Department of Labor and Bureau of Labor Standards. This award, whose acronym stands for "Safety and Health Award for Public (Sector) Employers", bestows "the highest honor for promoting and consistently improving conditions for the safety and health of employees" in the workplace. Although the District is grateful to achieve such recognition, the safety of its employees is the greatest reward.

The following is a partial list of distribution projects funded and installed by the District during 2013. These projects typically relate to our goal of coordination with State and Town roadway projects, optimizing water quality, enhancing fire suppression capabilities and improving system reliability by replacing outdated and substandard facilities with an eye toward accommodating anticipated growth.

- Fortunes Rocks Road, Biddeford: Completed the final phase of this two-year SRF funded project, which included the replacement of 2,350 feet of old 8 and 10-inch cast iron water main with 12-inch PVC main. (In conjunction with a City of Biddeford road rebuilding project and for water quality, system reliability and fire suppression improvement.)
- Old King's Highway, Biddeford: Replaced 1,200 feet of old 10-inch cast iron main with 12-inch PVC main. (For water quality, system reliability and fire suppression improvement.) This project utilized remaining approved SRF funds that resulted from being significantly under budget with the adjacent Fortunes Rocks Road project. The District incorporated a relatively new technology, called "pipe bursting", in which the existing pipe is cut open (burst) as a new pipe is simultaneously pulled behind the cutter head.
- Western Avenue, Kennebunk: Replaced 900 feet of old 10-inch cast iron and 12-inch ductile iron main with 12-inch polyethylene (PE) and ductile iron (D.I.) main. (In conjunction with a Maine DOT bridge replacement project.)
- High Street, Kennebunk: Replaced 1,100 feet of old 6-inch cast iron main with 12-inch PVC main. (In conjunction with a Town of Kennebunk road rebuilding project and for water quality and system reliability.)
- Brown Street Kennebunk: Replaced 1,180 feet of old 6-inch cast iron main with 8-inch PVC main. (In conjunction with a Town of Kennebunk road rebuilding project and for water quality and system reliability.).

- Great Hill Road, Kennebunk: Replaced 2,700 feet of old 8-inch cast iron main with 8-inch PVC main, utilizing “pipe bursting” technology. (In conjunction with a Town of Kennebunk road rebuilding project and for water quality and system reliability.)
- Route 1 (York Street), Kennebunk: Replaced (relocated) 2100 feet of 16-inch cast iron main within the abandoned Atlantic Shore Railroad right-of-way with a 20-inch ductile iron main within the York Street right-of-way. (Financed primarily by funds acquired by the Town of Kennebunk).

In addition to the above projects, individuals and developers funded several water main extensions totaling 5,600 feet in length.

Drinking water quality remains a top priority. We are pleased to report that in addition to making significant water quality improvements with our unique blending of groundwater and surface water, all State and Federal water quality standards were met during 2013. By maintaining a dedicated, well-trained staff and continually upgrading our process equipment and control systems, we continually assure the highest degree of reliability in the quality of drinking water for our customers.

District customers and all other interested parties are welcome to contact us at our business office at 92 Main Street in Kennebunk or visit our website at www.kkw.org. Electronic bill notifications, reminders, as well as online payment options are all available and tailored to suit our customer’s needs. Current and past issues of the District’s popular semiannual newsletter *What’s on Tap* are also on our website. As always, we welcome your input, as the District’s mission is *to provide the best quality of water and customer service at the lowest reasonable cost.*

The Trustees of the District appreciate the continuing effort and dedication of their employees, as well as the support and cooperation of their customers, area contractors and State and local municipal officials.

KENNEBUNKPORT CONSERVATION TRUST REPORT

Thanks to a wide and supportive membership, 2013 proved to be another excellent year for the Kennebunkport Conservation Trust. The Trust was delighted to receive two gifts of land. Daphne Pulsifer and John Bates donated 3.6 acres of land off the Oak Ridge Road. Deborah Daeris donated 1.58 acres of land, contiguous to our Tyler Brook holdings, in loving memory of her parents, Constantine and Evelyn Daeris. For these generous gifts we are most grateful!

Work on our landholdings proved to be an important part of the year. Head trail steward Bud Danis, with the significant help of Brandon Gillard, Chris Smith, David Jourdan and Arnie Amoroso, continued to expand and improve the trails on the Edwin L. Smith Preserve. New signs were added and trail maps produced. There has been a steady increase in the enjoyment of the property as hikers, bikers, cross country skiers, and others discover the beauty of this special place.

A short, connecting trail was created on the Emmon's Preserve with the help of the Kennebunk High School Interact Club. Bob Haskell once again led the Island Stewards to a successful year overseeing the islands of Cape Porpoise. The Island Stewards and KCT volunteers joined forces again this year with the Gulf of Maine Lobster Foundation and local lobstermen, to conduct a highly successful island cleanup in the spring. With the help of many, the Trust held a number of very successful events. In May, the Trust was honored to receive The American Lighthouse Foundation's "Keeper of the Light Award," given to honor those individuals or organizations in the national lighthouse community who have contributed in a significant manner to the preservation of America's lighthouses and their rich heritage. Under the care of Elizabeth Spahr, Ganny's Garden on the River Green enjoyed a beautiful time of growth. Under the leadership of Leia Lowery, our "Trust in our Children" program had another successful year. Consolidated School field trips for each class were held on our properties in the spring and fall and several classes came to the headquarters for a winter session.

Keeping with our policy that the Trust headquarters use should be free for any organization that is benefiting the citizens of our community, the building was used extensively for meetings, retreats, fundraisers, appreciation nights and other worthwhile functions. In total, over 40 community-based events were held at the KCT. Lisa Lassey did a great job of handling the Trust's calendar.

Developing our social media platform was a goal of the year and many new addresses were added to our e-mail database. Each Friday a reflection and a local photo representative of the day were sent out to members. Our thanks go to Robert Dennis who provided many of the beautiful images. A historical photo is now being

sent out once a week as well. If you'd like to be added to our list just send your request to: tom@kctoffice.org. The size of our Goat Island Lightstation, Kennebunkport Conservation Trust, Trust in our Children, and Ganny's Garden Facebook pages continued to grow.

The 2013 Volunteer of the Year award went to two individuals. Craig Giefer was honored for his commitment to Trust in our Children and his work for Goat Island Light. He is always there to instruct kids on fieldtrips, work on an island project, help with the Flying Santa or anything else that is asked of him. Bridget Burns devotes time each week to working in the Trust office. She has adopted a trail to maintain, volunteers at Goat Island, and is helping to develop the organization's membership through social media. Like Craig, she is involved in many aspects of the Trust, all of them needed and appreciated. Stars of merit went to past award winners: Bud Danis, Dave Jourdan, Doug Butler, Pam Morgan, Bob Haskell, Brandon Gillard and Charlie Wright. Congratulations to all, and thank you!

During the course of the year, memorial contributions were received in loving memory of: Carl N. Schmalz, Jr., Chester and Annie Littlefield, Arthur and June Worthley, Roxanna Harrington Stevenson, Bob Tuller, Sidney Snyder, Wilbur C. "Wib" Cluff, Sr., Ann C. Doyle, Norman Rennison Parsons and Thelma Barrett Parsons, Jan Swanson, Doug Leonard, Richard Homer, Francis G. Collier, Emile "Spud" St. Laurent, Marcia Stern, Richard Curtis, Philip Brooks Eaton, "Bos" Savage, Constantine and Evelyn Daeris, and Barbara Buckley Gesell. Donations were given in honor of: Carol and Bob Sherman, Bill Joel's 80th birthday, Peter Sargent, Rebecca and Jeff Roberts' wedding, Pixie and Bob Lown, Lisa and Erik Perkins' wedding, Mark Pettegrow and Jim Witek's wedding, Scott Dombrowski, Mr. and Mrs. Gabe Choquette, Leigh Bloom and Michele Sakaguchi, and John and Ro Bloom.

As always, we are very grateful for the support that has been given us. It is only by all of us working together in a common cause for this special place that such accomplishments can happen. That's what a community is all about. That's what the Trust is all about. We encourage you to join us in our efforts as we try to maintain that which is special about our town, for this and future generations. Our funding is nearly entirely based on the private contributions of individuals. That's why your membership is so important. The full text of this year's report, our current newsletter, membership information and much more can be found on our all new website: kporttrust.org. As we've seen now for 40 years, together we can make a difference. Together we can do great things.

Tom Bradbury, Executive Director

KENNEBUNKPORT EMERGENCY MEDICAL SERVICES, INC. (KEMS)

Kennebunkport Emergency Medical Services is a private, nonprofit, volunteer agency that provides emergency medical care to the Town of Kennebunkport. We also participate in mutual aid agreements with the Towns of Arundel, Biddeford, Kennebunk, and Wells. KEMS is stationed at the Cape Porpoise Fire Station, where space is leased for the ambulance and crew quarters.

KEMS began in 1979 with a small group of volunteers and an old Cadillac ambulance donated to the Town by the Bibber family. Today we provide the highest level of care with unmatched equipment, and we continue to dedicate ourselves to serving the residents of our community with compassion and professionalism.

KEMS responded to 386 ambulance calls during 2013. Our common calls for service have ranged from a victim suffering life threatening cardiac arrest to a victim with a simple laceration. Our goal is to treat each and every patient with the highest level of professionalism and care.

We provide emergency medical responses utilizing 40 members, 18 probationary members and 10 fire drivers, all which are highly trained volunteers. Our volunteer staff is complimented by 17 per-diem paramedics, which are staffed on a full-time basis. This system allows us to provide advanced life support on a regular basis, which includes defibrillation, IV/IO access, advanced medication and other advanced procedures.

This year, we have been blessed with the addition of Dr. Peter Tilney to our Board of Directors and as our Medical Director. Dr. Tilney, his wife Kristen, and their two children have moved back to Kennebunkport after finishing his emergency room residency in New York. Dr. Tilney is also the Medical Director of Life Flight and an emergency room physician at Central Maine Medical Center. With his experience and dedication to the Town of Kennebunkport, our skies are unlimited.

Our volunteers are the very heartbeat of this organization, and we are thankful for each and every one. They are your friends, neighbors, and co-workers; these people have taken time out of their lives to help others in our community. Our amazing group of volunteers committed 8,569 hours of coverage to the Town throughout the year; we also had 2008 hours of probationary coverage during this time. Paramedic staffing supplied 8,650 hours of 2013. These figures do not include all of the other various training courses attended throughout the year. If you are aware of anybody that is interested in volunteering, please contact our KEMS business office at 207-967-9704 or email us at kemsal@roadrunner.com.

Our fees for service and the generous donations from the people of Kennebunkport cover most of KEMS operating expenses. However in 2014, we are again requesting a portion of our funding from the Town to help us meet our annual operating budget. This budget allows us to supplement our group of highly trained volunteers with paid Advanced Life Support providers (Paramedics) on a full-time basis. These paramedics work as full-time employees in surrounding communities and are employed by KEMS on a per-diem basis. We are fortunate to employ a group of dedicated EMS professionals who care about the community they serve and its volunteers.

KEMS would like to recognize all our members that have completed continuing educational opportunities throughout the year.

Graduated

EMT Paramedic: Matt Cyr, KJ Hurtubise

EMT Basic: Michael Hurlburt, Nathan Elmore, Shawn Labrecque

Currently enrolled

EMT Paramedic: Sonja Nielsen, Paul Clement, Kaitlin Hook, Ted Petersen

EMT Advanced: Lauren McCue

EMT Basic: Jacquie Hurlburt, Dean Auriemma, Jon Bellemare, Zach Seeley
Chris St'Onge, Stephanie Stanton

USM Nurse Practitioner: Beth Sheets

UNE College of Osteopathic Medicine: Megyn Beyer, Shane Griffith

At our annual KEMS Awards Banquet, the following were specifically honored for their continued effort and support of Kennebunkport Emergency Medical Services:

Michael Hurlburt: Member of the Year/Most volunteer hours

Jay Mudge: Paramedic of the Year/Chief's Award

We also want to thank the Kennebunkport Police officers, Firefighters, and Dispatchers that make up our Emergency Response Team. They are truly professionals and make each call for service a coordinated and successful event.

KEMS continues to offer CPR programs on a regular basis reflecting our HeartSafe community initiative. This has been a collaborative effort between KEMS and Kennebunkport Public Health. We will continue to work together in making Kennebunkport a healthier and safer community through this initiative.

CAPE PORPOISE LIBRARY REPORT

Library Hours and Services
Tuesday, Thursday 1:00 – 4:00 p.m.
Friday, Saturday 9 a.m. – noon
Computer Internet/Email/Fax
24-Hr. Wireless Accessibility
(207) 967-5668
cplibrary@cape-porpoise.lib.me.us

Cape Porpoise Library had a busy 2013. We continue to develop books on CD and DVD movie collections. The library has responded to patron interests by refreshing our shelves with the purchase of nearly \$3,000 of new books in each of the past two years. We continue to seek and respond to patron demands.

We are so appreciative of the many books that were donated for our successful Annual Book Sale which was held on July 27. We also appreciate the time and effort of the many volunteers who helped with this major yearly fundraiser. We collect donated books year-round for the ongoing book sale section at the library.

Many longtime residents of Cape Porpoise regard the library as a central element of their community and feel so strongly about its service that in the past year monetary donations to the library have been received in memory of three members of the community who had passed away.

The generous support of the townspeople of Kennebunkport, through their repeated inclusion of a sum in the annual Town budget, provides both necessary funding for a major share of the library's operating expenses and evidence that the library is widely appreciated and a valued part of the community services. Many Cape Porpoise residents and visitors have further demonstrated their love and appreciation of the library by their unsolicited private monetary donations.

Visit our special library in Atlantic Hall in Cape Porpoise Square. It is a fun place for chatting with old friends, meeting new friends, and discussing favorite books in a warm and comfortable atmosphere. We always have a jigsaw puzzle laid out on the table for all to enjoy. The staff and volunteers continue to dedicate their time and knowledge to ensure that the library remains a vital and important resource in our community as it has for many decades.

We are grateful to the Town of Kennebunkport, our generous patrons, our wonderful volunteers, and the continued support of the Board of Trustees of Atlantic Hall. The Cape Porpoise Library is a signature element and indeed an important part of the Cape Porpoise community.

Sue Perkins, Library Director

LOUIS T. GRAVES MEMORIAL PUBLIC LIBRARY REPORT

Photo taken at the 2014 Annual Meeting of the Library Association.

Staff Members L-R: Mary-Lou Boucouvalas, Judy Merrill, Terri Bauld, Denise Dion-Sullivan, Lisanne James, Kay Beote, and Linda Littell. (Judy Finnegan not present).

Greetings from Graves!

Some of you may recall the year that the Kennebunk Bank and U.S. Customs House became the public library for this community. Some of you may remember your grandparents telling tales about borrowing books from Anne Talbot's "personal lending collection." Many of you remember when the Pasco Room was dedicated and/or when we acquired the Perkins House for meetings and the ongoing book sale. You and your children have experienced many wonderful books, met new friends, and attended special programs and weekly story time.

The point is that everyone who lives in and around Kennebunkport knows a bit of the history of the Louis T. Graves Memorial Public Library. It is a thread of the entire fabric that makes up our lives; it is a part of how our children have learned through the years. It is where we still come to learn, discover, and escape (even in a snow or thunderstorm!).

In 2013, we celebrated all that Graves Library has meant to us and our community for the last century. Contrary to popular myth that public libraries serve only for recreational reading purposes, we continue to see trends of usage for personal and family-related matters, self-help (health, cookery, gardening), research (elementary to college-age projects), finance, finding a new movie, hobby or trade, community connections, free programs for all ages, tax help, a wedding ceremony performed, a department or nonprofit organizational meeting, computer and Wi-Fi usage, a cup of coffee, and/or to find a new job. Some patrons come in to discover new and different authors, but over the last 100 years, our services have continued to expand and nurture the community in many different ways. We are so proud to serve as a place that says a lot about Kennebunkport and the people who live here year after year. You all care about the future of the library for a new generation of patrons. Thank you for your role in making our library a powerful statement about how much we value the rich words of the past and celebrate the knowledge and

creativity of so many who have shared their words for all of us to enjoy. We have survived our 100th year...and now we are more than ready for the next 100 years to serve you and your family as your public library.

We have a committed staff that will help you with all your literary needs as well as directions to Walker's Point; restaurants and the names of places to stay in town; finding work or housing; and then some. Staff members Kay Beote, Terri Bauld, Denise Dion-Sullivan, Judy Finnegan, Lisanne James, Linda Littell, and Judy Merrill are here to serve you 52 weeks per year.

Our wonderful volunteers, who clock thousands of hours for us every year, need a standing ovation! Thanks to: Lois Badger, Kitty Bassett, Jan Brennan, Miriam Clasby, Joan Dawson, Judy Drinon, Carol Ellis, Mette Eglinton, Ruth Fernandez, Gretchen Graham, Fran Hayes, Nancy Kling, Marilyn MacDonald, Sue McCachran, Harriet Mill, Kathy Pence, Gertrude Reoch, Paul Romanos, Vivi Schubert, Heidy Spenard, Anita and Ben Stephens, Suzanne Stohlman, Michael Tarabilda, Linda Wade, Harold and Barbara Worthley; and in the summer: Katie Bauld, Abigail Doyle, Amanda Cook, Mary Souza, and Silas Woodman.

We thank **all of you**, the residents of Kennebunkport, our town departments, and Selectmen for supporting us each and every year.

Mary-Lou Boucouvalas, Library Director

SCHOLARSHIPS AVAILABLE FOR KENNEBUNKPORT STUDENTS

The Olympian Club of Kennebunkport Scholarship Fund was established in 1996 with gifts from friends and members of the Olympian Club of Kennebunkport. The fund is to benefit the University of Maine at Orono; however, campuses within the University of Maine system are eligible as well. Dedicated to “all the ladies who were ever members of the club,” its purpose is to provide scholarship assistance for undergraduate students studying Nursing. A second preference shall be for students in Pre-Medical/Dental/Optomety, and a third preference shall be for students of any discipline. The minimum award is at least one-third of the tuition amount, including mandatory fees.

To qualify, recipients must be residents of Kennebunkport at the time of high school graduation and must have a financial need and a reasonable academic record. They must be of good character and show good work habits.

Interested students should contact the Office of Student Financial Aid at one of the following four locations, which have nursing programs: University of Maine, Orono, Maine 04469; University of Southern Maine, 96 Falmouth Street, PO Box 9300, Portland, Maine 04104-9300; University of Maine at Fort Kent, 25 Pleasant Street, Fort Kent, Maine 04743; University of Maine at Augusta, 46 University Drive, Augusta, Maine 04330-9410.

Susan L. Martin, Director of Special Services

SUPERINTENDENT OF SCHOOLS REPORT

I am pleased to take this opportunity to report to the citizens of Kennebunkport on the wonderful successes of their students in Regional School Unit 21.

Kennebunkport Consolidated School provides outstanding academic programming for approximately 200 students in kindergarten through grade 5. Although the facility is in need of upgrades, the teaching and learning that takes place there each day is remarkable, and the students of Kennebunkport continue to perform well on a wide variety of educational measures. This is a result of collaboration between the school, the students, and the parents. As I speak with colleagues from other districts in Maine and throughout the country, I often share with them the unique and impressive happenings at Consolidated School. One event that most clearly exhibits the strong community in Kennebunkport is the weekly Friday Morning Meeting, where the students and staff gather together to recognize academic and community service accomplishments and celebrate personal milestones. This simple, but meaningful assembly is a hallmark of Consolidated School's close-knit, supportive culture. Consolidated School exemplifies what it means to be a community of learners, and generations of KCS students continue to visit the school to view the work of their children, grandchildren, nieces, nephews, and neighbors. That type of support does not happen overnight; it is clear that KCS has been fostering positive relationships with the families it serves for many years.

In grades 6-12, Kennebunkport students continue to take their talents and curiosity to the Middle School of the Kennebunks and Kennebunk High School. These are two of the highest performing schools in Maine, offering International Baccalaureate programming at both levels, and Advanced Placement (AP) and Early College programming at the High School. These schools continue to receive honors from afar, with Kennebunk High School recently being named to the College Board's Advanced Placement Honor Roll for its success in maintaining high student performance while increasing the number of students participating in the challenging AP curriculum. Kennebunkport students play key roles in the academic and co-curricular successes that have become commonplace at KHS. You will find them to be well-represented among our most successful students, athletes, and performers, and their accomplishments beyond high school are something in which the community of Kennebunkport should take great pride.

It is a pleasure to work with a community that recognizes the importance of providing a quality education for its children.

Sincerely,

Andrew R. Dolloff
Superintendent of Schools

Note: Recycling is collected every Saturday in GSRB during the summer.

For questions regarding recycling collection service, please call Oceanside Rubbish, Inc. at 646-3230; or Nicole, at the Highway Department at 967-5728.

TRASH AND RECYCLING COLLECTION SCHEDULE

In Kennebunkport, trash is picked up weekly. Recycling is picked up every other week as indicated on the calendar on the opposite page (except at Goose Rocks Beach during the summer as indicated below.)

Trash and recycling containers may be put out no earlier than 4 PM the day prior to scheduled collection and should be removed within 24 hours of pick up.

Hours of trash and recycling collection: No earlier than 6:30 AM and completed no later than 6:00 PM.

Noncollection holidays: Thanksgiving, Christmas, and New Year's. Alternate collection days will be advertised on the Town government Cable Channel 2 and the Town Website at <http://www.kennebunkportme.gov>.

GOOSE ROCKS BEACH TRASH AND RECYCLING COLLECTION SCHEDULE

Trash and recycling collection occurs on Fridays in the Goose Rocks Beach area in the spring, fall and winter.

In the summer, the collection schedule changes to Saturdays as follows:

GOOSE ROCKS BEACH SUMMER OF 2014 COLLECTION DAYS

Both recycling and trash collection occurs
every week
on Saturdays beginning
June 14, 2014, through September 6, 2014

The schedule returns to Friday pick up of trash on September 12, 2014, and every other Friday for recycling pick up beginning September 19, 2014.

Hours of collection start at 6:30 A.M.

SINGLE-STREAM RECYCLING

The Town of Kennebunkport uses the "single-stream" recycling process. This process means that all recycling (paper and commingled containers) can be put into one recycling bin. Oceanside then brings the combined recyclables to a facility where they are sorted on a system of conveyor belts.

Sorting the recyclables is **not** needed. Please continue to put all trash in trash bins, and all recycling in recycling bins.

If you have any questions, please contact Nicole, at the Highway Dept. at 967-5728.

HOW TO IDENTIFY YOUR PLASTICS FOR RECYCLING

With the large variety of plastics available, the average consumer often has difficulty distinguishing between the types of plastic discards. To facilitate recycling, these items are coded by the manufacturers. A coding numeral can be found on the bottom of a plastic container. For easy identification of your plastic items, please refer to the following numbering system:

Plastic Recycling Reference Chart		
<i>The following items will be picked up curbside:</i>		
Coding Number	Item	Description
1	Polyethylene Terephthalate (PET)	Soda bottles, generally referred to as custom PET (peanut butter type jars, dishwashing liquids, liquor bottles).
2	HighDensity Polyethylne (HOPE)	Clear (white) containers or colored containers. The clear bottles (milk and water jugs) are also known as natural HDPE. Colored bottles will primarily consist of liquid detergent bottles, motor oil bottles, cosmetic bottles.
3	Vinyl or Polyvinyl Chloride (PVC)	Crystal clear cooking oil bottles, shampoo bottles, etc.
4	Low Density Polyethylene (LDPE)	Most LDPE will be in the form of plastic bags. Additionally, plastic lids and some squeeze bottles are made from LDPE.
5	Polypropylene (PP)	These bottles include syrup containers, ketchup bottles, yogurt containers, margarine tubs, and most bottle caps.
6	Polystyrene (PS)	Numerous molded products are made from PS.They include coffee cups, meat trays, plastic utensils, videocassette cases..
7	A catch all numbering for materials not included above.	Most often packaging in number 7 containers will consist of glues or metal-based materials.

There are also other methods which you can use to differentiate between bottles. Most mistakes are made in segregating PET from PVC bottles; however, these types of bottles can be readily distinguished by the molding scar on their bottom. PVC has a horizontal scar (often referred to as a “smile”). When a PVC bottle is bent or creased, a white mark will show at the point of the bend. PET has a circular scar (called a “bullet hole” or “nipple”).

For questions regarding recycling or trash collection service, please call Oceanside Rubbish, Inc. at 646-3230, or Nicole at the Highway Department, at 967-5728.

RECYCLING REFERENCE CHART

Items picked up curbside

Items	<u>Recycle</u> these items	<u>How to prepare</u> items	<u>Exclude</u> these items
Glass	Brown & clear glass. Bottles and jars.	Rinse clean. Remove lids. Co-mingle in bin.	No broken jars or bottles. No drinking glasses. No light bulbs. No window glass. No ceramics or china. No green glass.
Plastics #1-7	Plastics numbered 1 through 7.	Clean containers. Flatten to save space. Co-mingle in bin.	No plastic bags, even if they are identified as #2 plastic. No motor oil or hazardous waste containers.
Metal and Tin Cans	Tin cans Aluminum cans Empty paint cans Aerosol cans Aluminum foil and plates	Empty and clean containers. Do not put in sharp lids (unless crushed in can). Co-mingle in bin.	No food waste left in cans.
Paper	Mixed paper Junk mail Pressed board (cereal boxes, etc.) Office paper	No need to bundle.	Do not use plastic bags to bundle paper together.
Newspaper and Magazines	Newspapers Catalogues Magazines Telephone books	No need to bundle.	Do not use plastic bags to bundle paper.
Corrugated Cardboard	Corrugated boxes	Flatten and cut up to size no larger than 4 ft by 4 ft.	If wet outside, wait until next recycling day.
Returnable Bottles and Cans	Any deposit	Rinse clean. Remove lids. Co-mingle in bin.	Bottles can have any deposit label. Check wine bottles.

For questions regarding recycling collection service, please call Oceanside Rubbish, Inc. at 646-3230.

TOWN ONLINE SERVICES

Pay online with a credit card or electronic check:

- Parking tickets
- Personal property tax
- Real estate tax
- Sewer bills.

There is a convenience fee for all online services.

Convenience Fees

Electronic Checks	\$2.95
Real Estate and Property Tax	2.95%, minimum \$2.00
Parking Tickets and Sewer Bills:	

Payment Amount	Fee
\$0.00 to \$50.00	\$2.00
\$50.01 to \$100.00	\$3.00
\$100.01 to \$200.00	\$6.00
\$200.01 to \$300.00	\$9.00
\$300.01 to \$400.00	12.00
\$400.01 and above...Add \$3.00 to listed total for each \$100 payment range or portion thereof.	

Vehicle **re-registrations** can be processed with *e-checks only* through Rapid Renewal program. Convenience fees dependent upon vehicle type.

For online services, visit the Town Website at www.kennebunkportme.gov and select the blue **Online Bill Payment** tab.

TOWN BOARDS/COMMITTEE MEETING BROADCASTS AVAILABLE ONLINE

The Town offers as a public service online availability to all town board and committee meetings that are broadcast on local cable channel 2. These meetings may be accessed via the internet at <http://www.townhallstreams.com/locations/kennebunkport-maine>, or visit the Town's Website at <http://www.kennebunkportme.gov> and click on the blue button for on-line meetings.

All meetings broadcast on cable channel 2 such as the Board of Selectmen, Planning Board, Growth Planning Committee, and RSU #21 are streamed "live" on the internet at the above address and available for viewing at any time for one year after the initial broadcast.

The web access is hosted by Town Hall Streaming, a Maine company based in York.

This service allows residents to view meetings at individual's convenience. It benefits households that do not have cable service and also property owners who do not live year-round in Kennebunkport.

In addition to board and committee meetings, the Kennebunkport Town Hall Stream's site will make available other local broadcasts of interest.

SCHEDULE OF TOWN BUSINESS HOURS

Town Office 6 Elm Street	Monday - Friday	8:00 a.m. - 4:30 p.m.
