## Application approved

*Approval of the Sewer Connection Application does not mean or imply that this lot is buildable.*

*Note: Article XIII Sec. 8. When a Sewer Connection Application is processed and a permit is issued, the owner of the property for which the application was issued will be billed for the units that were approved upon receiving an Occupancy Permit from the Code Enforcement Officer. For the purpose of this ordinance, occupancy shall mean a certificate of occupancy that has been issued by the Code Enforcement Officer as it pertains to Article 11.8 of the Town of Kennebunkport's Land Use Ordinance titled "Occupancy Permit". If an occupancy permit is issued during the billing year, the sewer charge will be prorated for the rest of that year; any year thereafter the owner will receive a bill for all the units that were approved for a full year.*

*The Kennebunkport Wastewater Department must be notified when the sewer connection work is ready for inspection. The trench must be open for any un-inspected length and all work on pipes, joints, etc. must be visible. The connection inspection must be scheduled at least 24 hours in advance. **Inspection is mandatory and an occupancy permit will not be issued without an inspection and completed tie-in card.***
