

Be sure to first check your deed. If the names are spelled incorrectly on the deed, this will need to be corrected. To do so, you must contact a real-estate attorney or title company to record a corrective deed at the York County Registry of Deeds Office. If the misspelling is due to a data entry keying error, we apologize!

Please contact our office and we will correct it immediately. We do require change requests in writing and an email to bnolette@kennebunkportme.gov is acceptable.
