

# How do I find/print a particular parcel in GIS Maps?

1. First, start by clicking on the GIS Maps button on the Town's home page.

The screenshot shows the Town of Kennebunkport, ME website. The browser tabs include 'Town of Kennebunkport, ME', 'Kennebunkport, ME', and 'AxisGIS\_Help'. The address bar shows 'kennebunkportme.gov'. The website header features the Kennebunkport, ME logo, a search bar, and a 'Select Language' dropdown. A navigation bar includes links for 'Discover KPort', 'Departments', 'Boards & Committees', and 'Doing Business'. A large blue button labeled 'FIND IT FAST' is prominent. Below this, a row of buttons includes 'VIEW', 'EDIT', 'GROUP', and 'CABINET'. A red banner with the text 'Click Here for COVID-19 Updates Read more »' is visible. A yellow arrow points to the 'GIS Maps' button in the left sidebar. Other sidebar buttons include 'E-Payments', 'Assessor Database', 'Rec Program Signup', and 'Meeting Videos'. The main content area shows a 'News' section with a 'Town offices closed on Monday' announcement, dated Monday, April 18th. The Windows taskbar at the bottom shows the date as 4/14/2022 and the time as 8:35 AM.

**2. To find a parcel on the map, click in the search box and begin typing the name of an owner, address, or Parcel ID. As you type, any matching results will be displayed beneath the search box.**

The screenshot displays the AxisGIS web application interface for Kennebunkport, ME. The browser's address bar shows the URL [axisgis.com/kennebunkportme/](https://axisgis.com/kennebunkportme/). The map area shows the town of Kennebunk, including roads like Goose Rocks Rd, Tyler Brook, and the Kennebunk River. A yellow arrow points to the search box in the top-left corner of the map interface, which is labeled "Search". Other map controls like "Abutters" and "Layers" are visible below the search box. The top-right corner contains various map tools like zoom in, zoom out, and full screen. The bottom of the screen shows the Windows taskbar with the search bar and system clock indicating 8:37 AM on 4/14/2022.

### 3. After the search results have been returned, click on the desired parcel in the list.

4. The map will zoom to the parcel, and the property photo (if available) and other related data will be displayed in the parcel details popup window as shown below. The Switch Basemap Tool  will allow for users to modify the background of the map display. Click on the , select Local and then 2018 Town Images (it may take a few seconds for the image to process). An image of the property as it was in 2018 will appear with the existing structures (see next page).

The screenshot displays the Kennebunkport, ME GIS application interface. The browser window shows the URL [axisgis.com/kennebunkportme/](https://axisgis.com/kennebunkportme/). The application features a sidebar on the left with the Kennebunkport, ME logo and contact information. Below this, there is a search bar with the address "6 Elm Street" and buttons for "Report", "Mailing Labels", "Add/Remove", and "Zoom". A table lists parcels with columns for "Parcel #", "Owner", and "Address". The main map area shows a yellow highlighted parcel with a blue pin. A popup window for "Parcel #: 3507" displays a property photo of a house at "6 ELM STREET" and includes links for "Documents & Links" and "Assessment". The bottom of the interface shows a Windows taskbar with various application icons and system information.

5. Once you are ready to print, please click on the printer button in the lower right corner.
