

## **SURVEY REQUIREMENT AGREEMENT**

I, \_\_\_\_\_, (owner/agent) understand that due to the size and location of the proposed project at: (address) \_\_\_\_\_, Map\_\_\_\_\_, Block\_\_\_\_\_, Lot\_\_\_\_\_, through Building Permit #\_\_\_\_\_, that the exact location and finished height must be confirmed through documentation provided by a licensed surveyor. I understand that this requirement is to confirm building height from original grade and/or location related to lot lines and building setback restrictions. Should it not conform to the requirements of the Kennebunkport Land Use Ordinance, I will be required to bring it into compliance before a Certificate of Occupancy can be issued.
