

## Advisory\_06\_12\_2013

June 12, 2013

The laboratory tests results are in for samples taken on June 11, 2013. The samples taken at the mouth of the Batson –Smith Rivers and the Little River are elevated. It is advised that you avoid water contact at these sites. This advisory is in place until further notice.

Next water sample testing will be June 13, 2013

The Town of Kennebunkport participates in the Maine Healthy Beaches Program which is a cooperative partnership to test the water quality of Maine beaches. Volunteers take tests once each week. If tests identify elevated bacteria levels, the public is notified to avoid water contact.

NOTE: An Advisory is posted with any sample result exceeding the EPA set limit of 104.
