

Beach Advisory June 23,2010

Goose Rocks & Colony Beach Water Status

June 23, 2010

The laboratory results are in for June 22, 2010

All of Goose Rocks Beach and Colony Beach test site results are within acceptable levels. Both beaches and the mouths of the Little, Batsons and Smith Rivers are open for water contact.

The town of Kennebunkport participates in the Healthy Maine Beaches Program, which is a cooperative partnership to test the water quality of Maine beaches. Volunteers take tests once each week. If tests identify elevated bacteria levels, the public is notified to avoid water contact. **Next scheduled test date is June 29, 2010**

Colony Beach: 5

Goose Rocks Beach

Mouth of the Little River :5

Public Access at Broadway: **5**

Public Access at 177 Kings Highway: **5**
