

Advisory-06-24-2009

GOOSE ROCKS BEACH WATER STATUS

June 24, 2009

The laboratory tests results are in for samples taken on June 23, 2009. The samples taken at all Goose Rocks Beach and Colony sites are elevated. It is advised that you avoid water contact at these sites at this time. This advisory is in place until further notice.

The next sampling at this site will be conducted on June 25, 2009. Tests results should be in by late in the afternoon on June 26th.

The Town of Kennebunkport participates in the Maine Healthy Beaches Program which is a cooperative partnership to test the water quality of Maine beaches. Volunteers take tests once each week. If tests identify elevated bacteria levels, the public is notified to avoid water contact.
