

## Beach Advisory July 20, 2007

### GOOSE ROCKS BEACH WATER STATUS

July 20, 2007

The laboratory tests results are in for samples taken on July 19, 2007. The sample taken at the mouth Batson/Smith Rivers is elevated. It is advised that you avoid water contact at this site at this time. This advisory is in place until further notice. The next sampling will be conducted on July 24, 2007. Tests results should be in by late in the afternoon on July 25<sup>th</sup>.

The Town of Kennebunkport participates in the Maine Healthy Beaches program which is a cooperative partnership to test the water quality of Maine beaches. Volunteers take tests once each week. If tests identify elevated bacteria levels, the public is notified to avoid water contact.

The dedicated phone line for Kennebunkport's Healthy Maine Beach Program is: 967-0407
