

Beach Advisory - August 3,2006

GOOSE ROCKS BEACH WATER STATUS

August 3 2006

The laboratory tests results are in for August 1st. Water samples taken at Colony Beach are elevated. It is advised that you avoid water contact at this site at this time. This advisory is in affect until further notice. The bacteria levels at Goose Rocks Beach are within an acceptable limit. The next sampling will be conducted on August 3rd.

The Town of Kennebunkport participates in the Maine Healthy Beaches program which is a cooperative partnership to test the water quality of Maine beaches. Volunteers take tests once each week. If tests identify elevated bacteria levels, the public is notified to avoid water contact.

The dedicated phone line for Kennebunkport's Healthy Maine Beach Program is: 967-0407
