

Beach Advisory August 11, 2010

August 11, 2010

The laboratory test results are in for samples taken on August 10, 2010. Samples taken at the public access at Broadway & Kings Highway as well as the mouth of the Batson River/ Goose Rocks Beach are elevated. It is advised that you avoid water contact at these sites. This advisory is in place until further notice.

Next water sample testing at both beaches will be August 12th.

The Town of Kennebunkport participates in the Maine Healthy Beaches Program which is a cooperative partnership to test the water quality of Maine beaches. Volunteers take tests once each week. If tests identify elevated bacteria levels, the public is notified to avoid water contact.

Colony Beach: 30

Mouth of the Little River: 98

Public Access at Broadway: 355
