---

**08-17-2011**

August 17, 2011

The laboratory tests results are in for samples taken on August 16, 2011. Samples at the mouth of the Little and Batson/Smith Rivers are elevated. It is advised that you avoid water contact at this site. This advisory is in place until further notice.

Next water sample testing at both beaches will be August 17<sup>th</sup>

Little river & Batson sites only. Entire GRB & Colony will be retested August 23<sup>rd</sup>. The Town of Kennebunkport participates in the Maine Healthy Beaches Program which is a cooperative partnership to test the water quality of Maine beaches. Volunteers take tests once each week. If tests identify elevated bacteria levels, the public is notified to avoid water contact.
