HURRICANES AND NATURAL DISASTERS

JAN 1990
SEPT 1999

It shall be the procedure of the Kennebunkport Fire Department that at times of hurricanes and other such hazards that a standby crew will be assigned to each station.

Crews shall remain at the station on a duty status from the time of assignment until dismissed by a chief officer.

A roll will be kept of the names and the hours spent on the standby.

The Fire Chief will determine the need for such coverage and in his absence his designee will determine if the need does exist.

This type coverage does not apply to storms such as thunderstorms or hail.
