

Welcome

Leave No Trace

Be sure to remove your gear and debris when you leave the beach. Please fill in holes dug in the sand.

Protect and Respect Birds & Wildlife

Please stay away from piping plover nesting areas and dune grass. Collect seashells but please leave living sea creatures and plants as you found them.

Strong Currents

Be aware of the strong tidal rivers at both ends of the beach. Watch the clock and don't get caught by the tide. Accompany non-swimmers to the islands. No lifeguard is on duty.

Respect 25-Foot Reserved Areas

Some owners may ask you to sit or play beyond their 25 foot dry sand "Reserved Area." Please cooperate. Check the brochure for rules of use and locations.

Be Considerate

Avoid loud music or noise – let nature's sounds be heard, especially at night. Play sports under control and away from seating areas.
