

TOWN OF KENNEBUNKPORT, MAINE
~ INCORPORATED 1653 ~

MEMORANDUM

Date: March 27, 2024
To: The Town of Kennebunkport Planning Board
From: Galen Weibley, Director of Planning & Development
Re: Site Plan Application 438 Kings Highway Application

The Town of Kennebunkport received an application for a new garage and driveway submitted by KW Architects P.C. on behalf of Maura and Francis Perier (applicant) at 438 Kings Highway MBL# 33-2-27 (Property).

The property is located within the Goose Rocks Zone and has historically existed as a primary residence for the property owners. The applicant is proposing a new 728 SF garage with driveway access and an accessory apartment on the parcel. The proposed structure is currently within the 250ft Shoreland Zone which requires PB Site Plan Review. The site currently is connected to public water and sewer and is proposing 4,434.9SF of structure footprint and 18.6% of total lot coverage once development is completed.

Staff have prepared the following comments for the Planning Board to aid in their review of the application.

Site Plan Review Comments (*staff comments in blue*)

1. A map of the site with reference to surrounding areas and existing street locations.
 - a. *A map of the property in relation to abutters and existing streets has been submitted. (Criteria Addressed)*
2. The name and address of the owner and site plan applicant, together with evidence of sufficient right, title or interest in the premises to permit the applicant to undertake the use for which site plan review approval has been requested.
 - a. *Staff has reviewed the proposed deed and supporting information supplied by the applicant and has discovered only an overhead utility line on the property. There are no restrictions placed on the*

deed to prevent the construction of a structure near the utility poles or line. The overhead powerlines are not indicated on the plan. The Town also identified an accessory apartment which was not mentioned in the project application or narrative. It is recommended that the application be updated to address this accessory apartment and confirm conformance with the respective performance standards of Section 240-7.1. (Comment Outstanding)

3. The names and addresses of the owners of all properties within 200 feet of the property in question, as shown by the most recent tax records of all municipalities in which such properties lie.
 - a. *Applicant supplied a list of all abutters within 200 feet of the property in question. (Criteria addressed)*
4. A plan of the area showing lot line dimensions, applicable zone or zones, and the normal high-water mark, if applicable.
 - a. *The proposed structure is located within the Shoreland Zone and is being reviewed by DEP for approval. (Condition Pending)*
 - b. *Property is located wholly within the Goose Rocks Zone for the Town (front, side/ & rear setbacks: (20ft, 15ft & 15ft).
 - i. *Proposed Garage (78ft, 20ft/48ft & 240+ft) from property lines**
5. Location of all existing and proposed buildings and structures, streets, easements, driveways, entrances and exits on the site and within 100 feet thereof.
 - a. *Existing structures, driveways, and entrances/exits are indicated on the proposed plan. (Criteria Addressed)*
6. All setbacks from bodies of water and lot lines.
 - a. *Applicant has referenced the required setbacks from water bodies and lot lines. Applicant should fix sheet 01 as graphic scale indicates 1"=30' when it should be 1"=20'. (Comment Outstanding)*
7. All existing physical features on the site and within 200 feet thereof, including streams, watercourses, existing woodlands, existing trees at least eight inches in diameter as measured 4 1/2 feet above grade. Soil conditions as reflected by a medium-intensity survey (such as wetlands, rock ledge, and areas of high water table) shall be shown, and the Planning Board may require high intensity soils surveys where necessary.
 - a. *Applicant has indicated the distances from coastal wetlands and watercourses on the plan. (Criteria Addressed)*

8. Topography showing existing and proposed contours at five-foot intervals for slopes averaging 5% or greater and two-foot intervals for land of lesser slope. A reference benchmark shall be clearly designated. Where variations in the topography may affect the layout of buildings and roads, the Planning Board may require that the topographic maps be based on an on-site survey.
 - a. *No topographic contours are indicated on the plan as the property is generally flat at 10ft. (Waiver Requested)*
9. Parking, loading and unloading areas shall be indicated with dimensions, traffic patterns, access aisles and curb radii.
 - a. *Parking is being provided on site for the primary residence. Accessory apartments are exempt from additional spaces. (Criteria Addressed)*
10. Improvements such as roads, curbs, bumpers and sidewalks shall be indicated with cross sections, design details and dimensions.
 - a. *No improvements are being proposed. (Criteria Addressed)*
11. Location and design of existing and proposed stormwater systems, sanitary waste disposal systems and potable water supply, and methods of solid waste storage and disposal.
 - a. *The submitted plan does not indicate where the location of sewer or water lines connect with the residence. Staff recommend adding this information to the plan to ensure there are no issues with construction on site of the new garage and accessory apartment. (Comment Outstanding)*
12. Landscaping and buffering plan showing what will remain and what will be planted, indicating botanical and common names of plants and trees, dimensions, approximate time of planting and maintenance plans.
 - a. *No proposed planting or buffering required given the limited scope of the proposed structure. (Criteria Addressed)*
13. Lighting details indicating type of fixtures, location, radius and intensity of light to comply with Chapter **245**, Lighting, Outdoor.
 - a. *The applicant has not indicated if lighting will be added onto the new garage. Staff remind the applicant that all proposed lighting shall comply with Chapter 245 of the Town's Lighting Ordinance. (Comment Outstanding)*
14. Location, dimensions and details of signs.
 - a. *No signs are being proposed for this use. (Criteria Addressed)*

15. Proposed use of all floor area.

- a. *The applicant has indicated that they are proposing a new garage with 728SF with a one Bedroom accessory apartment above. Staff recommend changing second floor label as an accessory apartment.* (Comment Outstanding)
