

Ad Hoc Senior Advisory Committee
16 October 2019
Location: Graves Library Business Center

Attendance: Susan Boak, Amy Francis, Bill Leffler
Absent: Ken Olsen, George Acker, Beverly Soule

Minutes/Actions from the previous meeting on 2 October 2019 were accepted.

Susan presented corrections to our meeting schedule. Meeting will be held December 4th and 18th, Jan 8th and 22nd, March 5th and 19th. November meetings are unchanged.

We talked about possible creation of a list of successful assisted living models. This would include Channing House in Palo Alto and The Woodlands in Lebanon, NH.

Prior Action items:

SAC_AI_57 a meeting was held with Alison Kenneway on October 11th. Susan Boak, Beverly Soule and Amy Francis attended. As discussed, it went quite well.

NEW Action items:

SAC-AI-58 Susan will contact Jackie Watson of York County Community Action to discuss topics raised with Alison.

SAC-AI-59 Beverly will contact members of Kennebunk Rotary (not Portside) to discuss funding for CO monitors.

SAC_AI_60 All members are asked to participate in the design of an information brochure (CO danger awareness, how to get help), using the Kennebunkport Town crest rather than just the Fire Department's crest.

SAC_AI_61 Beverly will develop a brochure, presentation or poster on Senior Self Management. Alison Kenneway is happy to be a sounding board on this.

Respectfully Submitted,
Amy Francis
