### Financial Crimes

“Be prepared to learn about crimes affecting our community and ways that the criminals gather your information without you even knowing.

- Do you check the card swipe at the ATM?
- Did you know that someone may be watching for your PIN behind your back?
- Where do you keep your passwords?
- Have you checked to see if any checks are missing from your check book?

Let’s dive into what we can all be doing to better protect ourselves from Financial crime.”

Presented by: Mike Moloney, VP, Kennebunk Savings Bank and member of York County Elder Abuse Task Force.
