

## TOWN OF KENNEBUNKPORT, MAINE

### **Public Works Department (Wastewater division) Wastewater Mechanic**

Kennebunkport is seeking a motivated person who will serve as the Wastewater Mechanic for the town. We are searching for a motivated problem solver who will take responsibility for wastewater equipment and contribute to team efforts for a variety of operations.

The Wastewater Mechanic position is full-time, hourly, non-FLSA Exempt and reports to the Lead Operator and Principal Engineer. A High School diploma and three to five years of related mechanical experience are required; or any combination of experience and education. The candidate must have the ability to repair and maintain all Town vehicles, equipment, and controls; troubleshoot problems; weld and replace parts; and much more.

The Town of Kennebunkport offers a competitive benefits package, and the starting pay rate is between \$32.58 and \$34.08 (commensurate with experience).

Please submit a town application, letter of interest, and resume, to Yanina Nickless, Human Resources Coordinator, via email at [ynickless@kennebunkportme.gov](mailto:ynickless@kennebunkportme.gov) or apply via the Kennebunkport website (<https://www.kennebunkportme.gov/human-resources/pages/employment-opportunities>).

The position will remain open until filled, but the review of applications will be on a rolling basis.

The Town of Kennebunkport is an equal opportunity employer.
