## Looking Towards a Kennebunkport that is...

**Welcoming.**

**Resourceful.**

**Climate Ready.**

**Resilient.**

**Collaborative.**

The Town of Kennebunkport has embarked on a 16 month process to update its Comprehensive Plan.

The current Comprehensive Plan was adopted by Town Meeting in 2012. Maine's Growth Management Act requires that the plan is updated every ten years.

Kennebunkport's Growth Planning Committee (GPC), along with the Planning & Development Department, are overseeing the project. A consultant team has been hired to research and draft material, prepare maps, host public input events, and assemble the chapters of the new plan.

Your input is needed to help make the 2030 Comprehensive Plan YOUR plan.
