REGULATION 9

VEHICULAR ACCIDENTS INVOLVING TOWN FIRE APPARATUS

JAN1990

Any accident involving a piece of town fire apparatus shall be immediately reported to the ranking fire officer at the station or scene, and the Fire Chief.

If the accident involves a privately owned vehicle, the Kennebunkport Police are to be notified immediately regardless of damage. This will also apply to any accident involving apparatus where no other vehicle is involved.

A chief officer shall be notified immediately of all accidents. The reporting officer should have all pertinent information on the vehicle available for the Fire Chief.
