

## Solid Waste Committee Meeting Minutes 02-16-21

Present: Jon, Paul, Harvey, Dave, Mike

1. Jon will ask EcoMaine what other towns are using for oops stickers since the Casella sticker misinforms. Jon will check with Lissa/Matt/Vanessa. Then will have to do a follow-up with Casella to work out logistics.
2. Jon to follow up with EcoMaine on summer plans and possibly have her join us at the next meeting Monday, March 1, at 10 am. Possibly will have another drive-through "opening" for the summer season since this one worked so well.
3. Mike will ask Nicole to post data about "contamination" on Facebook, and Jon will ask Allen D to mention it at the BOS meeting.

The next meeting is Monday, March 1, at 10 am.
